PRESS RELEASE

Fidelity National Financial, Inc. Announces the Signing of a Letter of Intent to Acquire ANFI, Inc.

Irvine, Calif. (December 16, 2002) Fidelity National Financial, Inc. (NYSE: FNF), the nation's largest provider of title insurance and real estate related products and services, today announced that it has entered into a Letter of Intent (LOI) to acquire all of the outstanding common stock that it does not currently own of ANFI, Inc. (ANFI), a provider of title insurance and other real estate related services. FNF currently owns approximately 28% of the outstanding common stock of ANFI.

Under the terms of the LOI, each share of ANFI common stock will be exchanged for .4540 shares of FNF common stock. Based on the closing price of \$32.86 for FNF's common stock on December 16, 2002, the implied per share consideration for each share of ANFI common stock is \$14.92, an 11 percent premium over the ANFI closing price of \$13.41 on December 16, 2002. The parties expect to sign a Definitive Agreement in January 2003.

For the nine months ended September 30, 2002, ANFI generated \$139 million in revenue and \$16 million of net income.

FNF has made a strategic commitment to grow its Ticolor brand and the acquisition of ANFI is a key component of this strategy, said FNF Chairman and Chief Executive Officer William P. Foley, II. We will operate the ANFI direct operations under the name Ticolor. This will result in a significant expansion of Ticolor's current direct operations and referral network throughout the Western United States. ANFI's direct title operations in California, Arizona and Nevada will complement Ticolor's strong, existing national agency business and direct title operations. With the addition of ANFI, Ticolor's \$500 million of combined revenue positions it well for future growth.

The proposed combination with FNF provides tremendous value to ANFI shareholders and presents terrific opportunities for ANFI employees, said ANFI Chairman and Chief Executive Officer Michael C. Lowther. Tigor Title is a nationally recognized title brand and ANFI is excited about becoming a key element to Tigor's growth strategy.

Fidelity National Financial, Inc., a Fortune 500 company, is the nation's largest title insurance and diversified real estate related services company. FNF had total revenue of nearly \$3.9 billion and earned more than \$300 million in 2001, with cash flow from operations of more than \$425 million. The Company's title insurance underwriters—Fidelity National Title, Chicago Title, Tigor Title, Security Union Title and Alamo Title—together issue approximately 30 percent of all title insurance policies nationally. The Company provides title insurance in 49 states, the District of Columbia, Guam, Mexico, Puerto Rico, the U.S. Virgin Islands and Canada. In addition, FNF performs other real estate-related services such as escrow, default management, exchange intermediary services, home warranty, flood insurance and homeowners insurance.

FNF also provides real estate and technology services through its majority-owned, publicly traded subsidiary, Fidelity National Information Solutions (NASDAQ: FNIS). FNIS provides data, technology solutions and services to lenders, Realtors and other participants in the real estate transaction process. More information about the FNF family of companies can be found at www.fnf.com and www.fnis.com.
