Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard Transfer of Listing.

On November 30, 2016, VAALCO Energy, Inc. (the “Company”) received a notice from the New York Stock Exchange (the “NYSE”) that it was not in compliance with the NYSE’s continued listing requirements. Specifically, Section 802.01B of the NYSE Listed Company Manual, which provides that an NYSE-listed company is not in compliance if its average global market capitalization over a consecutive 30 trading-day period is less than \$50 million and, at the same time, its stockholders’ equity is less than \$50 million.

The Company will, within 45 days from the receipt of the notice, submit a business plan to the NYSE demonstrating the Company’s ability to regain compliance with the NYSE’s continued listing standards within 18 months. Upon receipt of the plan, the NYSE has 45 days to review and determine if the plan reasonably demonstrates the Company’s ability to regain compliance with the minimum listing standards. If the NYSE accepts the plan, the Company will be subject to quarterly monitoring for compliance with the business plan and the Company’s common stock will continue to trade on the NYSE during the 18-month period, subject to the Company’s compliance with other NYSE continued listing requirements. If the Company fails to comply with the business plan or the NYSE does not accept the plan, the NYSE may commence suspension and delisting procedures. The NYSE may choose to shorten the usual compliance period if prior to the end of the 18 months the Company’s market capitalization is over \$50 million for two consecutive quarters.

The NYSE notice does not affect the Company’s business operations or trigger any violation of its material debt or other obligations. The Company expects to continue to file periodic and certain other reports with the SEC as required by federal securities laws. The Company’s common stock will continue to be traded on the NYSE under the symbol "EGY", subject to the Company’s compliance with other NYSE continued listing requirements, but will be assigned the notation .BC after the listing symbol to signify that the Company is not currently in compliance with the NYSE’s continued listing standards.

Item 7.01 Regulation FD Disclosure.

On December 2, 2016, the Company issued a press release announcing that it had received the NYSE Notice, as described above in Item 3.01.
