LITHIA MOTORS INAUGURATES A QUARTERLY DIVIDEND AT \$0.07 PER SHARE

MEDFORD, Ore., July 23 /PRNewswire-FirstCall/ -- Lithia Motors, Inc.

(NYSE: LAD) today announced that its Board of Directors has approved payment of a dividend of \$0.07 per share for the second quarter of 2003. Shareholders of record as of August 8, 2003 will receive the dividend that will be payable August 22, 2003.

Chairman and Chief Executive Officer, Sidney B. DeBoer, stated, "The recent change in the tax law levels the playing field between dividends and share repurchases as a means to return capital to shareholders. As a result, we believe it is now advantageous to shareholders to have a dividend in place. Lithia is pleased to be able to offer an immediate and tangible return to our shareholders without reducing our market float, which occurs when we repurchase shares. We expect to recommend to the Board the approval of a cash dividend each quarter."

"The company has produced strong cash flows on a consistent and long-term basis even during the difficult economic period of the past two years. This cash flow, together with \$55 million in cash on the balance sheet and our largely

unused acquisition credit line, provides us with capital to acquire over \$2 billion in additional revenues in the future. This would nearly double our current size and still keep our long-term debt to total capitalization ratio below 50%. Payment of quarterly dividends should not affect our acquisition growth plans for the future."

Lithia Motors will be providing more details in its conference call scheduled for 11 a.m. PDT, July 24, 2003. The live conference call can be accessed by calling 973-582-2700.
