(b) Notwithstanding the foregoing obligations in this Section 6, each of the Committee Members hereby agrees and covenants to vote in favor of adopting the Purchase and the Purchase Agreement and actions required in furtherance thereof as soon as is reasonably practicable upon receipt by such Committee Member of the proxy statement from the Company.

Section 7. Dismissal of Litigation. Upon and subject to the consummation of the transactions contemplated by the Purchase Agreement, the Committee Members hereby agree and covenant that any Committee Member who is a party to any litigation against the Company shall enter into and file stipulations dismissing, or shall seek voluntary dismissal with prejudice of, all such litigation and releasing all claims against the Company (and their Affiliates and representatives) and Purchaser hereby agrees to simultaneously cause the Company to release all claims, and enter into and file stipulations dismissing, or shall seek voluntary dismissal with prejudice of, any litigation the Company has against any Committee Member (and their Affiliates and representatives) in their capacity as shareholders of the Company.

Notwithstanding the foregoing, Section 9 shall continue indefinitely and survive any termination pursuant to this Section 8.

(b) Successors and Assigns. This Agreement shall not be assigned by operation of law or otherwise without the prior written consent of the other parties hereto. This Agreement shall be binding upon, inure to the benefit of and be enforceable by each party and such party's respective heirs, beneficiaries, executors, representatives and permitted assigns.

(c) Amendment and Modification. This Agreement may not be amended, altered, supplemented or otherwise modified or terminated (other than termination in accordance with Section 7 hereof) except upon the execution and delivery of a written agreement executed by the parties hereto.

(e) Severability. The provisions of this Agreement shall be severable in the event that any of the provisions hereof (including any provision within a single section, paragraph or sentence) are held by a court of competent jurisdiction to be invalid, void or otherwise unenforceable, and the remaining provisions shall remain enforceable to the fullest extent permitted by law. Furthermore, to the fullest extent possible, the provisions of this Agreement (including, without limitations, each portion of this Agreement containing any provision held to be invalid, void or otherwise unenforceable, that is not itself invalid, void or unenforceable) shall be construed so as to give effect to the intent manifested by the provision held invalid, illegal or unenforceable. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the fullest extent possible.

(f) Specific Performance. The parties acknowledge that money damages would not be an adequate remedy at Law if any party fails to perform in any material respect any of its obligations hereunder and accordingly agree that each party, in addition to any other remedy to which it may be entitled at Law or in equity, shall be entitled to seek to compel specific performance of the obligations of any other party under this Agreement, without the posting of any bond, in accordance with the terms and conditions of this Agreement and if any action should be brought in equity to enforce any of the provisions of this Agreement, none of the parties hereto shall raise the defense that there is an adequate remedy at Law. No remedy shall be exclusive of any other remedy. All available remedies shall be cumulative.

(g) No Waiver. The failure of any party hereto to exercise any right, power or remedy provided under this Agreement or otherwise available in respect hereof at law or in equity, or to insist upon compliance by any other party hereto with its obligations hereunder, and any custom or practice of the parties at variance with the terms hereof, will not constitute a waiver by such party of its right to exercise any such or other right, power or remedy or to demand such compliance.

(h) No Third Party Beneficiaries. Except as indicated in Section 2(f), this Agreement is not intended to confer upon any Person other than the parties hereto any rights or remedies hereunder.

(i) Governing Law. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of Delaware applicable to contracts executed in and to be performed in that State. All actions arising out of or relating to this Agreement shall be heard and determined exclusively in the Delaware Court of Chancery. The parties hereto hereby (i) submit to the exclusive jurisdiction of the Delaware Court of Chancery for the purpose of any action arising out of or relating to this Agreement brought by any party hereto, and (ii) irrevocably waive, and agree not to assert by way of motion, defense, or otherwise, in any such action, any claim that it is not subject personally to the jurisdiction of the above-named court, that its property is exempt or immune from attachment or execution, that the action is brought in an inconvenient forum, that the venue of the action is improper, or that this Agreement or the transactions contemplated hereby may not be enforced in or by the above-named court.

(j) Waiver of Jury Trial. Each of the parties hereto hereby waives to the fullest extent permitted by applicable Law any right it may have to a trial by jury with respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby. Each of the parties hereto (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce that foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement and the transactions contemplated hereby, as applicable, by, among other things, the mutual waivers and certifications in this Section 9(j).

(k) Headings. The descriptive headings contained in this Agreement are included for convenience of reference only and shall not affect in any way the meaning or interpretation of this Agreement.

(l) Expenses. All costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby shall be the responsibility of the party incurring such expenses; provided, however, nothing herein shall prevent the parties from seeking reimbursement from the Company for the costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby.

(m) Reasonable Best Efforts. Subject to the terms and conditions of this Agreement, each of the parties hereto agrees to use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement and the Purchase Agreement. Each party shall promptly consult with the other and provide any necessary information and material with respect to all filings made by such party with any Governmental Authority in connection with this Agreement and the Purchase Agreement and the transactions contemplated hereby and thereby.

(n) Further Assurances. From time to time, at any other party's request and without further consideration, each party hereto shall execute and

deliver such additional documents and take all such further lawful action as may be necessary or desirable to consummate and make effective, in the most expeditious manner practicable, the transactions contemplated by this Agreement.

Edgar Filing: FEINBERG STEPHEN - Form SC 13D/A

(o) Counterparts; Execution. This Agreement may be executed and delivered (including by facsimile transmission) in two or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Signatures of the parties transmitted by facsimile, PDF or other electronic file shall be deemed to be their original signatures for all purposes and the exchange of copies of this Agreement and of signature pages by facsimile transmission, PDF or other electronic file shall constitute effective execution and delivery of this Agreement as to the parties and may be used in lieu of the original Agreement for all purposes. At the request of any party hereto, all parties hereto agree to execute an original of this Agreement as well as any facsimile, telecopy, PDF or other reproduction hereof.
