PROXY STATEMENT

Annual Meeting of Securityholders
To Be Held on May 12, 2011

This proxy statement is furnished in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Century Casinos, Inc. for the Annual Meeting of Securityholders (“Annual Meeting”) to be held on Thursday, May 12, 2011 at the offices of Century Casinos Europe, Untere Viaduktgasse 2, 1030 Vienna, Austria at 4:00 p.m. Central European Time (8:00 a.m. Mountain Time), for the purposes set forth in the accompanying Notice of Annual Meeting of Securityholders. The enclosed materials were mailed on or about April 1, 2011 to our securityholders of record as of March 14, 2011.

The matters to be brought before the Annual Meeting are the election of one Class II director of the Board, the ratification of Grant Thornton LLP as our independent registered public accounting firm and the transaction of such other business that properly comes before the meeting.

All properly executed proxies received at or prior to the Annual Meeting will be voted at the Annual Meeting. If a securityholder directs how a proxy is to be voted with respect to the business coming before the Annual Meeting, the proxy will be voted in accordance with the securityholder’s directions. If a securityholder does not direct how a proxy is to be voted, it will be voted in favor of the election of the nominee to the Board named in this proxy statement and for the ratification of Grant Thornton LLP as our independent registered public accounting firm. A proxy may be revoked at any time before it is exercised by giving written notice to our Secretary at the above address or by delivery of a subsequently executed proxy. Securityholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a proxy. Securityholders will not be able to vote their shares by phone at the meeting. If no instructions are indicated by a securityholder on the proxy, the shares will be voted in favor of the proposals presented in this proxy statement and in the proxy holder’s discretion for any other matters presented in accordance with our bylaws to be considered at the Annual Meeting.

Expenses in connection with the solicitation of proxies in regard to the proposals brought forward by us and included in this proxy statement will be paid by us.

Proxies are being solicited by mail, and, in addition, our directors, officers and regular employees (who will not receive any additional compensation) may solicit proxies personally, by telephone, by email, or by special correspondence. We will reimburse brokerage firms and others for their expenses in forwarding proxy materials to the beneficial owners of our common stock, including beneficial owners who hold our Austrian Depositary Certificates, or ADCs.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting of Security Holders to be held on May 12, 2011.

This proxy statement and the annual report to securityholders are available at www.proxyvote.com.

VOTING SECURITIES

Only securityholders of record at the close of business on March 14, 2011 will be entitled to vote at the Annual Meeting. On that date, there were 23,874,798 shares outstanding of our stock, our only class of voting securities. This number includes 3,193,767 shares of common stock represented by ADCs. Each share of common stock is entitled to one vote per share. Cumulative voting in the election of directors is not permitted.

The holders of a majority of our issued and outstanding shares of common stock, represented either in person or by proxy and entitled to vote at the meeting, will constitute a quorum for the transaction of business at the Annual Meeting. Of the votes cast at the Annual Meeting, a vote of the holders of a majority of the common stock present, either in person or by proxy, and entitled to vote, is required to elect the director nominee and to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal year 2011.

In accordance with Delaware law, a securityholder entitled to vote for the election of directors can withhold authority to vote for nominees for director. Abstentions are counted for purposes of determining a quorum to conduct business, but are ignored in vote tabulation, thereby increasing the number of votes necessary to approve any proposal. The inspectors of election will treat broker non-votes, which are shares held by brokers or nominees for which the broker or nominee has no discretionary power to vote on a particular matter and for which they have received no instructions from the beneficial owners or persons entitled to vote, as shares that are present for purposes of determining the presence of a quorum. However, for purposes of determining the outcome of any matters as to which the broker has indicated on the proxy that it does not have discretionary authority to vote, including the election of directors, those shares will be treated as not entitled to vote with respect to that matter (even though those shares may be entitled to vote on other matters).

All shares of common stock, including shares underlying the ADCs, will vote as a single class. Neither our certificate of incorporation nor our bylaws provide for cumulative voting rights in the election of directors.

SECURITYHOLDER PROPOSALS

If you are a securityholder who wishes to present a proposal for inclusion in the proxy statement and form of proxy for consideration at our 2012 Annual Meeting of Securityholders, you must submit your proposals to the attention of our Secretary at our executive office at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906, so that the proposal is received by us no later than December 3, 2011. In order for a securityholder proposal to be properly considered at the 2012 Annual Meeting, our Secretary must have received notice of the proposal no sooner than November 14, 2011 and no later than January 13, 2012, in accordance with our amended and restated bylaws. Proposals received by us before November 14, 2011 or after January 13, 2012 will be deemed untimely and will not be considered at the 2012 Annual Meeting.

SECURITYHOLDER COMMUNICATIONS AND DIRECTOR NOMINATIONS

Securityholders or other interested parties may communicate with our Board, any individual director, or members of any board committee. Securityholders should send any communications to investor@cnty.com, and identify the intended recipient or recipients. All communications addressed to the Board or any identified director or directors will be forwarded to the identified person or persons.

In order to nominate candidates for election to our Board, nominations must be timely received from a securityholder of record at our executive office at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906, as described above under "Securityholder Proposals", and must set forth the name, age, business address and residence address of each nominee, the nominees' principal occupations or employment, the number of shares of our common stock owned by each nominee, and any other information regarding each nominee required to be disclosed by applicable laws. The nomination must also state the name and address of the securityholder making such nominations and the number of shares of our common stock owned by such person.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board is divided into three classes of directors as nearly equal in number as possible. Each director who is elected at an annual meeting will be elected for a three-year term expiring at the third annual meeting of securityholders after such director's election. Accordingly, directors of one class only are elected at each year's annual meeting of securityholders. If elected, all nominees will serve until the expiration of their respective three-year terms or until their successors are duly elected and qualified. Presently, our Board consists of five directors comprising the following: (i) two Class I directors, Mr. Eichberg and Dr. Corbaci, whose term will expire at the 2013 annual meeting; (ii) one Class II director, Mr. Hoetzing, who is standing for re-election at this Annual Meeting; and (iii) two Class III directors, Dr. Haitzmann and Mr. Schellmann, whose terms will expire at the 2012 annual meeting.

At the Annual Meeting, one Class II director will be elected. Based on the recommendations of our Governance and Nominating Committee, the Board has nominated Peter Hoetzing for election a Class II director to serve for a three year term expiring at the 2014 annual meeting of securityholders. Proxies cannot be voted for a greater number of directors than the number nominated.

Mr. Hoetzing is presently a member of the Board of Directors, having served continuously as a director since March 1994. He has indicated a willingness to serve; however, in the event he should become unable to serve as a director, all proxies will be voted in accordance with the best judgment of the persons acting under such proxies.

The information concerning Mr. Hoetzing, the nominee for the Class II director, is set forth below under "Information Concerning Directors."

CERTAIN INFORMATION REGARDING THE BOARD

The Board held four meetings during 2010. Each director attended at least 75% of the meetings of the Board and of each committee on which he or she sits. A majority of our directors are independent directors, as required by the NASDAQ Stock Market (“NASDAQ”) listing standards. Our Board determines whether a director is independent through a broad consideration of facts and circumstances, including an assessment of the materiality of any relation between us and a director not merely from the director’s standpoint, but also from that of persons or organizations with which the director has an affiliation. In making this determination, the Board adheres to the independence criteria defined by the NASDAQ listing standards and applicable Securities and Exchange Commission rules. Using these standards, our Board has determined that Robert S. Eichberg, Gottfried Schellmann and Dinah Corbaci qualify as independent directors.

Our policy regarding attendance by members of the Board at our annual meeting of securityholders is to encourage directors to attend, either in person or by teleconference, subject to their availability during that time. In 2010, all members of the Board attended the annual meeting.

We have an Audit Committee of the Board, comprised of Robert S. Eichberg (Chairman), Gottfried Schellmann and Dinah Corbaci and which is governed by an Amended and Restated Charter and Powers of the Audit Committee, a current copy of which can be found at www.cnty.com. The Audit Committee selects and appoints our independent registered public accounting firm, reviews the performance of the independent registered public accounting firm, and approves the fees of the independent registered public accounting firm. The Audit Committee also reviews the independence of such accountants, our annual and quarterly financial statements and our system of internal controls. During 2010, the Audit Committee held four meetings.

The Board and the Audit Committee believe that the Audit Committee’s current composition satisfies the applicable rules and pronouncements of NASDAQ and the Securities and Exchange Commission that govern audit committee selection, experience, and composition, including the requirement that all audit committee members be “independent directors,” as that term is defined by such rules. The Board has also determined that Robert S. Eichberg is an “audit committee financial expert,” as defined in applicable regulations of the Securities and Exchange Commission.

We have a standing Compensation Committee of the Board which comprised of Dinah Corbaci and Gottfried Schellmann. The Compensation Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com.

The Compensation Committee has responsibility to: (i) develop guidelines and review the compensation and performance of our executive officers, review and approve corporate goals relevant to the compensation of our executive officers in light of our goals and objectives, and set the Co Chief Executive Officers’ and other executive officers’ compensation based on this evaluation; (ii) make recommendations to the Incentive Plan Committee with respect to incentive compensation plans and equity-based plans; (iii) develop plans for management succession; (iv) review major organizational and staffing matters; (v) review director compensation levels and practices, and recommend, from time to time, changes in such compensation levels and practices to the Board; (vi) annually review and reassess the adequacy of the Compensation Committee’s charter and recommend any proposed changes to the Board for approval; (vii) annually review the Compensation Committee’s own performance; and (viii) perform any other activities consistent with the Compensation Committee’s charter, our bylaws and applicable laws, rules and regulations that the Compensation Committee or the Board deem appropriate.

The Compensation Committee has the discretion to modify the recommendations and make the final decisions regarding material compensation to executive officers, including base pay, incentive pay (bonus) and equity awards.

The Compensation Committee collaborates with our management team in reviewing the material terms of our existing compensation policies and programs for all employees and believes that such policies and programs do not encourage excessive risk-taking that are reasonably likely to result in a material adverse impact on us.

In fulfilling its responsibilities, the Compensation Committee may delegate any of its responsibilities to one or more subcommittees or to one of its members as the Compensation Committee may deem appropriate in its sole discretion, to the extent permitted by law, NASDAQ rules and other rules and regulations. In addition, the Compensation Committee may engage external compensation consultants to assist in setting executive compensation, but did not do so in 2010. During 2010, the Compensation Committee held one meeting.

We have a standing Governance and Nominating Committee comprised of Gottfried Schellmann (Chairman), Robert S. Eichberg and Dinah Corbaci. The Governance and Nominating Committee operates pursuant to a written charter that was adopted by the Board, a current copy of which can be found at www.cnty.com.

The Governance and Nominating Committee has responsibility to: (i) develop and recommend to the Board a set of corporate governance principles applicable to the Company; (ii) advise the Board on corporate governance matters; (iii) develop and recommend to the Board criteria for the selection of candidates to serve on the Board; (iv) establish procedures for stockholders to submit potential candidates for election to the Board; (v) establish procedures for the identification and evaluation of any candidate for the Board, including any incumbent director; (vi) select and approve all nominees for Board membership; (vii) make recommendations as necessary regarding changes in the size and composition of the Board and each Board committee; (viii) make recommendations as necessary regarding the establishment of new Board committees and selection of directors to serve on each committee; (ix) develop and administer an annual Board and committee evaluation process; (x) annually review the Governance and Nominating Committee's own performance; and (xi) perform any other activities consistent with the Governance and Nominating Committee charter, our bylaws and applicable laws, rules and regulations that the Governance and Nominating Committee or the Board deem appropriate.

The Governance and Nominating Committee will consider director nominees recommended by securityholders under the same procedure used for considering director nominees recommended by management or other directors. See "Securityholder Communications and Director Nominations" for procedures to be followed by securityholders to submit recommendations.

In fulfilling its responsibilities, the Governance and Nominating Committee may engage external consultants up to an amount of \$30,000 per year. No external consultants were used during 2010. We believe that our current Board members collectively possess diverse knowledge and experience in the disciplines that impact our business. Prior to nominating a new director candidate, our Governance and Nominating Committee considers the collective experience of the existing Board members. Based on this evaluation, the Nominating Committee nominates individuals who it believes can either strengthen the Board's sophistication and experience or further diversify the collective experience represented. Although the Board does not currently have a policy directly addressing director diversity, the Governance and Nominating Committee, guided by the Governance and Nominating Committee's charter, generally assesses the diversity of the Board and the effectiveness of its diversity considerations prior to nominating any additional candidates for director. During 2010, the Governance and Nominating Committee held one meeting.

The general criteria that the Governance and Nominating Committee uses to select nominees are:

- Such individual's reputation for integrity, honesty and adherence to high ethical standards;
 - Demonstrated business acumen, particularly in the casino industry;
- Experience and ability to exercise sound judgments in matters that relate to our current and long-term objectives;
 - Willingness and ability to contribute positively to our decision making process;
- Commitment to understanding us and our industry and to regularly attend and participate in meetings of the Board and its committees;
- Interest and ability to understand the sometimes conflicting interests of our various constituencies, which include securityholders, employees, customers, governmental units, creditors, and the general public;
 - Ability to act in the interest of all stakeholders;
- Shall not have, or appear to have, a conflict of interest that would impair the nominee's ability to represent the interests of all of our securityholders and to fulfill the responsibilities of a director; and
 - Understanding of the complexity of diverse international business structures.

The Governance and Nominating Committee reviewed the qualifications of Peter Hoetzing, whose term expires at the 2011 Annual Meeting, and have recommended to the entire Board, that he be re-elected to the Board for a three-year term expiring at the 2014 Annual Meeting.

BOARD LEADERSHIP STRUCTURE

The Board does not have a policy regarding the separation of the roles of Co Chief Executive Officer and Chairman of the Board, as the Board believes it is in the best interests of the Company to make that determination based on the particular position and direction of the Company and the membership of the Board. The Board has determined that having our Co Chief Executive Officer serve as Chairman is in the best interest of our securityholders at this time. This structure makes the best use of the Co Chief Executive Officer's extensive knowledge of the Company and its industry, as well as fostering greater communication between our management and the Board. The combined role of Chairman and Co Chief Executive Officer is balanced by our governance structure, policies and controls. Three of the five members of our Board of Directors satisfy the requirements of independence promulgated by the NASDAQ, and the Audit, Compensation, and Governance and Nominating Committees are composed entirely of independent members of the Board. This structure encourages independent and effective oversight of our operations and prudent management of risk.

The Board has not appointed a "lead independent director" due to the small size of the Board and because three of the five directors are independent. The Board therefore does not believe that a "lead independent director" would add significant value at this time.

RISK OVERSIGHT

Our Board of Directors administers its risk oversight function directly and through its committees. The Board of Directors has oversight responsibility for all risks and has various programs to oversee financial and business risks including (i) reviewing the quarterly and annual SEC filings, (ii) reviewing the Company's business strategies and the related business plan, (iii) monitoring quarterly actual results, and (iv) reviewing results of our enterprise risk management program.

Companies face a variety of risks, including credit risk, liquidity risk, and operation risk. The Board believes an effective risk management system will (1) timely identify the material risks that we face, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board committee, (3) implement appropriate and responsive risk management strategies consistent with our risk profile, and (4) integrate risk management into our decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management and the Audit Committee makes periodic reports to the Board regarding briefings provided by management and advisors as well as the Committee's own analysis and conclusions regarding the adequacy of our risk management processes.

The Compensation Committee administers risk oversight through its oversight of compensation practices and the Compensation Committee's assessment of the potential impact of those practices on risk-taking.

In addition to the formal compliance program, the Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations. The Board also continually works, with the input of our executive officers, to assess and analyze the most likely areas of future risk for us.

If the appointment is not ratified by our securityholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Grant Thornton LLP is expected to be present at the Annual Meeting, either in person or via telephone, to respond to appropriate questions and will have an opportunity to make a statement if the representative desires to do so.

On October 12, 2001, we entered into separate employment agreements with Erwin Haitzmann and Peter Hoetzing. The agreements were amended on February 18, 2003 to extend the dates of employment to December 31, 2008 and to specify the duties of Dr. Haitzmann and Mr. Hoetzing. The agreements were further amended on February 3, 2005 to reassign the employment agreements to a wholly-owned foreign subsidiary of the Company, to include changes to the employees' salary and termination clauses, and to extend the dates of employment to December 31, 2009, and for five-year renewable periods thereafter, unless sooner terminated by them or us. Effective September 1, 2006, the employment agreements were further amended to provide each executive officer with life insurance. On November 5, 2009, the dates of employment were extended to December 31, 2014.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 (the "Exchange Act") requires our directors and executive officers, and persons who beneficially own more than 10% of our outstanding common stock, to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of common stock and other equity securities of the Company. SEC rules also require our directors, officers and greater than 10% stockholders to furnish the Company with copies of all Section 16(a) reports they file.

To our knowledge (based solely on review of the copies of such reports furnished to us during the fiscal year ended December 31, 2010), all Section 16(a) filings applicable to our officers, directors and greater than 10% stockholders were made in a timely manner.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Both Dr. Haitzmann, our Chairman and Co Chief Executive Officer, and Mr. Hoetzing, our Vice Chairman, Co Chief Executive Officer and President, are Austrian citizens and have established Austrian trusts, The Haitzmann Family Foundation and The Hoetzing Family Foundation, respectively, to hold a certain portion of their respective interests in us. See "Security Ownership of Certain Beneficial Owners and Management."

Our Audit Committee Charter provides that the Audit Committee must approve transactions between the Company and related parties for actual or apparent conflicts of interest. The Audit Committee defines a related party transaction as one between our directors and executive officers, their immediate family members and entities in which they hold a 5% or greater beneficial ownership interest, where the aggregate amount is expected to exceed \$120,000 in any calendar year.

The Audit Committee approved the executive management agreements between us and our Co Chief Executive Officers, as described above under "Executive Employment Agreements."

Mr. Graf, owner of 8.4% of the Company, joined the supervisory board of Novomatic, a gaming device supplier, in 2010. The Company has purchased gaming devices from Novomatic for several years, and purchased approximately \$170,000 in gaming devices from Novomatic in 2010. The Audit Committee has not approved this transaction; however, this transaction was negotiated on arms length terms without Mr. Graf's involvement and the Company believes that this transaction is on fair and reasonable terms that are no less favorable to us than could have been obtained from other third parties.

HOUSEHOLDING

To reduce the expense of delivering duplicate proxy solicitation materials, we and some brokers may take advantage of the SEC's "householding" rules. These householding rules permit the delivery of only one set of proxy solicitation materials to securityholders who share the same address, unless otherwise requested. Any securityholder of record who shares an address with another securityholder of record and who has received only one set of proxy solicitation materials may receive a separate copy of those materials, without charge, or request future delivery of separate materials upon writing our Corporate Secretary at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906 or calling (719) 527-8300. Likewise, any securityholder of record who shares an address with another securityholder of record and who has received multiple sets of proxy solicitation materials may request future delivery of a single copy of those materials upon writing our Corporate Secretary at 2860 South Circle Drive, Suite 350, Colorado Springs, Colorado 80906 or calling (719) 527-8300.

If you consent to householding, your election will remain in effect until you revoke it. Should you later revoke your consent, you will be sent separate copies of those documents that are mailed at least thirty days or more after receipt of your revocation.
