PROXY STATEMENT
OF
TF FINANCIAL CORPORATION
3 PENNS TRAIL
NEWTOWN, PENNSYLVANIA 18940

ANNUAL MEETING OF STOCKHOLDERS
APRIL 23, 2014

GENERAL

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of TF Financial Corporation (the “Company”) to be used at the 2014 Annual Meeting of Stockholders (the “Meeting”) of the Company which will be held at Holy Family University, One Campus Drive, Room 138, Newtown, Pennsylvania on April 23, 2014 at 9:30 a.m., Eastern Time. This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders, form of proxy and Annual Report to Stockholders are being first mailed to stockholders on or about March 25, 2014. The Company is the parent company of 3rd Fed Bank (the “Bank”) and Penns Trail Development Corporation.

At the Meeting, stockholders will consider and vote upon (i) the election of three directors, (ii) the ratification of the appointment of S.R. Snodgrass, P.C. as independent auditors of the Company for the fiscal year ending December 31, 2014, and (iii) a non-binding advisory proposal regarding the Company’s executive compensation. The Board of Directors knows of no additional matters that will be presented for consideration at the Meeting. Execution of a proxy, however, confers on the designated proxy holder discretionary authority to vote the shares represented by such proxy in accordance with their best judgment on such other business, if any, which may properly come before the Meeting or any adjournment thereof.

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by such proxies will be voted at the Meeting and all adjournments thereof. Proxies may be revoked by written notice to the Secretary of the Company at the address above or by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Meeting. A proxy will not be voted if a stockholder attends the Meeting and votes in person. Proxies solicited by the Board of Directors of the Company will be voted as specified thereon. If no specification is made, proxies will be voted “FOR” the nominees for director set forth herein, “FOR” the ratification of the appointment of S.R. Snodgrass, P.C. as the Company’s independent auditor for the fiscal year ending December 31, 2014, and “FOR” the non-binding advisory proposal regarding the Company’s executive compensation (the “say on pay” proposal). The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director if the nominee is unable to serve, or for good cause will not serve, and matters incident to the conduct of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Stockholders of record as of the close of business on February 26, 2014 (the "Record Date") are entitled to one vote for each share of Common Stock of the Company then held. As of the Record Date, the Company had 3,150,244 shares of Common Stock outstanding and eligible to vote.

The amended and restated articles of incorporation of the Company (the "Articles") provide that in no event shall any record owner of any outstanding Common Stock which is beneficially owned, directly or indirectly, by a person who beneficially owns in excess of 10% of the then-outstanding shares of Common Stock (the "Limit") be entitled or permitted to any vote with respect to the shares held in excess of the Limit. Beneficial ownership is determined pursuant to Rule 13d-3 of the General Rules and Regulations promulgated pursuant to the Securities

Exchange Act of 1934, as amended (the “Exchange Act”), and includes (i) shares beneficially owned by such person or any of his or her affiliates (as defined in the Articles), (ii) shares which such person or his or her affiliates have the right to acquire upon the exercise of conversion rights or options and (iii) shares as to which such person and his or her affiliates have or share investment or voting power, but shall not include shares beneficially owned by any employee stock ownership or similar plan of the issuer or any subsidiary.

The presence in person or by proxy of at least a majority of the outstanding shares of Common Stock entitled to vote (after subtracting any shares held in excess of the Limit) is necessary to constitute a quorum at the Meeting. Abstentions and broker non-votes (i.e., shares held by brokers on behalf of their customers that may not be voted on certain matters because the brokers have not received specific voting instructions from their customers with respect to such matters) will be counted solely for the purpose of determining whether a quorum is present. In the event there are not sufficient votes for a quorum or to ratify or adopt any proposal at the time of the Meeting, the Meeting may be adjourned in order to permit the further solicitation of proxies. Please note that under the New York Stock Exchange (“NYSE”) rules that govern how brokers vote your stock, your brokerage firm or other nominee may not vote your shares with respect to Proposals I or III without specific instructions from you as to how to vote as these matters are not considered to be a “routine” matter under the NYSE rules.

As to the election of directors (Proposal I), the proxy card being provided by the Board of Directors allows a stockholder to vote for the election of the nominees proposed by the Board of Directors or to withhold authority to vote for any or all of the nominees being proposed. Under the Company’s bylaws, directors are elected by a plurality of votes cast.

Concerning Proposals II and III (the ratification of auditors and the “say on pay” proposal), by checking the appropriate box, a stockholder may: vote “FOR” the item, vote “AGAINST” the item, or “ABSTAIN” with respect to the item. Both of these Proposals shall be determined by a majority of votes cast affirmatively or negatively without regard to broker non-votes or proxies marked “ABSTAIN” as to that matter.

Participants in the 3rd Fed Bank Employee Stock Ownership Plan

If you are a participant in the 3rd Fed Bank Employee Stock Ownership Plan (the “ESOP”), you will receive a voting instruction form on behalf of the ESOP that reflects all the shares that you may vote under the plan. Under the terms of the ESOP, all shares held by the ESOP are voted by the ESOP Trustees, but each participant in the ESOP may direct the ESOP Trustees on how to vote the shares of Common Stock allocated to his or her account. Unallocated shares and allocated shares for which no voting instructions are received will be voted by the ESOP Trustees as directed by the Board of Directors, subject to their fiduciary duties.

The Compensation Committee has adopted a written charter, a copy of which is available at www.3rdFedBank.com. The Audit

Committee of the Company is comprised of Directors Tantala (Chair), Gregory and Wood. All members of the Audit Committee have been determined by the Board of Directors to be independent under the rules of the Nasdaq Stock Market. The Board of Directors has determined that Director Gregory is an Audit Committee Financial Expert within the meaning of the regulations of the Securities and Exchange Commission.

The Audit Committee annually selects the independent auditors and meets with the accountants to discuss the annual audit. The Audit Committee is further responsible for overseeing internal control for financial reporting. The Audit Committee met four times during the year ended December 31, 2013. The Board of Directors has reviewed, assessed the adequacy of and approved a formal, written charter for the Audit Committee, which is available at www.3rdFedBank.com.

Director Nomination Process

The Nominating Committee of the Company is comprised of Messrs. Dusek (Chair), Swanstrom, and Wood, all of whom are independent under the rules of the Nasdaq Stock Market. The Nominating Committee met one time during the year ended December 31, 2013. The Nominating Committee has adopted a written charter, a copy of which is available at www.3rdFedBank.com. The responsibilities of the Nominating Committee include, among other things, identifying, interviewing, evaluating, and recruiting individuals to be recommended to the Board for selection as the Board's nominees, defining specific criteria for Board membership and evaluating all directors and potential nominees based on such criteria to assure that specific talents, skills and other characteristics and qualifications as needed to ensure the Board's effectiveness are possessed by an appropriate combination of directors and annually presenting to the Board a list of individuals recommended for selection by the Board as the Board's nominees for election at the annual meeting of stockholders.

The Company does not pay fees to any third party to identify or evaluate or assist in identifying or evaluating potential nominees. The process for identifying and evaluating potential Board nominees includes soliciting recommendations from directors and officers of the Company and the Bank. Additionally, the Board will consider persons recommended by stockholders of the Company in selecting the Board's nominees for election. There is no difference in the manner in which persons recommended by directors or officers versus persons recommended by stockholders in selecting Board nominees are evaluated.

To be considered in the selection of Board nominees, recommendations from stockholders must be received by the Company in writing not less than 120 days prior to the anniversary date of the immediately preceding annual meeting of stockholders of the Company. Recommendations should identify the submitting stockholder, the person recommended for consideration and the reasons the submitting stockholder believes such person should be considered. Persons recommended for consideration as Board nominees should meet the director qualification requirements set forth in Article III, Sections 15 to 18 of the Company's bylaws, which require that (i) directors must be stockholders of the Company, owning at least 5,000 shares; (ii) directors of the Company must reside within ninety miles of the Company's main office in Newtown, Pennsylvania; (iii) directors may not serve as a management official of another depository institution or depository holding company as those terms are defined in 12 U.S.C. Section 3201; and (iv) directors must be persons of good character and integrity and must also have been nominated by persons of good character and integrity. The Board also believes potential directors should be knowledgeable about the business activities and market areas in which the Company and its subsidiaries engage. The Company does not have a specific policy as to diversity.

Stockholder Communications

The Board of Directors does not have a formal process for stockholders to send communications to the Board. In view of the infrequency of stockholder communications to the Board of Directors, the Board does not believe that a formal process is necessary. Written communications received by the Company from stockholders are shared with the full Board no later than the next regularly scheduled Board meeting. The Board encourages, but does not require, directors to attend the annual meeting of stockholders. All of the Board's members attended the 2013 annual meeting of stockholders.

Board Leadership Structure

Director Kent C. Lufkin serves as President and Chief Executive Officer of the Company and Director Robert N. Dusek serves as Chairman of the Board. The Board of Directors has determined that the separation of the offices of Chairman of the Board and Chief Executive Officer and President will enhance Board independence and oversight. Moreover, the separation of the Chairman of the Board and Chief Executive Officer and President will allow the Chief Executive Officer and President to better focus on his growing responsibilities of running the Company, enhancing stockholder value and expanding and strengthening our franchise while allowing the Chairman of the Board to lead the Board in its fundamental role of providing advice to and independent oversight of management.

Board's Role in the Risk Management Process

We face a number of risks, including credit risk, interest rate risk, liquidity risk, operational risk, strategic risk and reputation risk. Management is responsible for the day-to-day management of the risks the Company faces, while the Board, as a whole and through its committees and the committees of the Board of Directors of the Bank, has responsibility for the oversight of risk management. In its risk oversight role, the Board of Directors has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed. To do this, the Chairman of the Board meets regularly with the Chief Executive Officer and President to discuss strategy and risks facing the Company. Senior management attends the Board meetings and is available to address any questions or concerns raised by the Board on risk management and any other matters. The Chairman of the Board and independent members of the Board work together to provide strong, independent oversight of the Company's management and affairs through its standing committees and, when necessary, special meetings of independent directors.

(1) Represents the aggregate fair value of awards on the date they were granted in accordance with ASC Topic 718. See Note 1 of the Notes to the Consolidated Financial Statements included in our Annual Report to Stockholders for the assumptions used in calculating the grant date fair value.

(2) Non-Equity Incentive Plans. At the beginning of each plan year, the Compensation Committee establishes targets for consolidated net income, originated loan volume, and growth in total deposits. Each participant in the Company's Incentive Compensation Plan is assigned a combination of these three factors, aggregating to 100%. The extent to which these individual targets are accomplished determines the percentage of payout earned by each participant. The payout, in turn, is a percentage of base salary, and the percentage will vary based on the title and duties of the participant. No awards will be made unless the Company's net income equals 90% of the target established for the year, even though other target components may exceed the related goal. Thus, the minimum award cannot be quantified. There is no maximum award. The awards are not vested until paid in the year following the plan year, except in the case of a "change of control" in which case the payment is 100% earned and payable on the change of control effective date.

Pension Plan. The 3rd Fed Bank Retirement Plan (the “Pension Plan”) provides for monthly payments to each participating employee at normal retirement age (age 65). For accruals before January 1, 1998, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Final Average Compensation plus 19.5% of Final Average Compensation in excess of the Covered Compensation in effect for the year of benefit determination, reduced for each year of service less than 30. Where the percentage results in an amount that exceeds the allowable limits under the Internal Revenue Code of 1986, as amended (the “Code”), such amount shall be reduced to the maximum allowable amount. For purposes of benefit calculations, Final Average Compensation is defined as the average of total compensation for the five highest years. For accruals after December 31, 1997, the annual benefit payable as a life annuity under the Pension Plan is equal to 45% of Average Compensation reduced for each year of service less than 30. Average Compensation is defined as the average of total compensation for all years beginning after December 31, 1997. A participant may elect an early retirement at age 55 with 5 years of service at a reduced monthly benefit.

3rd Fed Bank 401(k) Plan. The 401(k) Plan generally covers employees who have completed a year of service consisting of 1,000 hours. Employee deferral contributions under the plan may be supplemented by discretionary employer matching contributions, discretionary employer nonelective contributions, and qualified nonelective contributions. Each participant is at all times 100% vested in his or her rollover contributions in addition to each of those types of contributions listed above and the earnings thereon. Participants may elect to withdraw all or a portion of their account upon reaching age 59½ while still employed by 3rd Fed Bank, and may elect to withdraw his or her vested account balance upon reaching the plan’s normal retirement age, 65, or may delay withdrawal until retirement, subject to the minimum required distribution rules. The 401(k) Plan may be amended or terminated at any time, with approval of the Bank’s Board of Directors, in accordance with its terms.

3rd Fed Bank ESOP. 3rd Fed Bank maintains the ESOP for the exclusive benefit of participating employees, i.e. any eligible employee who has completed one year of service consisting of 1,000 hours of service during a plan year. The ESOP is funded by contributions made by the Bank in cash or Common Stock. Benefits may be paid either in shares of Common Stock or in cash or both. The ESOP has previously borrowed funds from the Company to finance the acquisition of shares of Common Stock. Shares purchased with loan proceeds are held in a suspense account for allocation among participants as the loan is repaid. Contributions to the ESOP and shares released from the suspense account are allocated among participants on the basis of total compensation. All participants must be employed at least 1,000 hours in a plan year, or have terminated employment following death, disability or retirement, in order to receive an allocation. Participant benefits become fully vested in plan allocations following five years of service.

Potential Payments Upon Termination Due to a Change in Control

Change in Control Severance Agreements. The Bank has entered into a change in control severance agreement with Kent C. Lufkin, President and Chief Executive Officer, Dennis R. Stewart, Executive Vice President and Chief Financial Officer and Elizabeth A. Kaspert, Executive Vice President and Chief Retail Banking Officer. The severance agreement for Mr. Lufkin has a term of thirty-six months expiring on December 31, 2016. The severance agreements for Mr. Stewart and Ms. Kaspert each have a term of twenty-four months expiring on December 31, 2015. The agreements are terminable by the Company and the Bank for just cause as defined in the agreements. If the Company or the Bank terminates the employee without just cause in connection with, or within twenty-four months following a change in control as defined in such agreements, the employee will be entitled to a severance payment. With respect to Mr. Lufkin's agreement, such agreement contains a provision stating that in the event of the termination of employment in connection with any change in control of the Bank, Mr. Lufkin will be paid an amount equal to 2.99 times his most recent three calendar years' average annual total compensation. The agreements with Mr. Stewart and Ms. Kaspert provide for payments equal to 2.00 times the prior three calendar years' average annual total compensation upon termination of employment following a change in control. It is anticipated that all such payments made by the Bank under such agreements would be a tax-deductible compensation expense for federal tax purposes. The aggregate payments that would be made to such individuals net of the federal tax benefit would be an expense to the Bank, thereby reducing net income and the Bank's capital by such amount. The agreements may be renewed annually by the Board of Directors within the Board's sole discretion. If Messrs. Lufkin and Stewart and Ms. Kaspert were each terminated in connection with a change in control as of December 31, 2013, they would be entitled to severance payments of approximately \$1,065,000, \$515,000 and \$345,000, respectively under the change in control severance agreements. Each agreement also provides for reimbursements to the employee for the costs associated with maintaining coverage under the Bank's medical and dental insurance plans for a period of one year in the event of termination in connection with or within twenty-four months following a change in control.

DIRECTOR COMPENSATION

Each director of the Company was also a director of the Bank throughout 2013, with the exception of Carl F. Gregory and Dennis Pollack, who served as directors of the Company only. For 2013, non-employee directors of the Company received a quarterly retainer of \$3,000 (\$16,400 for the Chairman of the Company's Board) paid in Common Stock. During 2013, each non-employee director of the Bank received a fee of \$1,000 per board meeting attended (\$3,500 for the Chairman of the Bank's Board, and \$2,000 for the Vice Chairman of the Bank's Board) and, depending on the committee, either \$500 per committee meeting attended (\$600 for the Chairman of the Committee) or \$1,000 per quarter regardless of the number of meetings (\$1,000 per month regardless of the number of meetings in the instance of Director Pollack). The director fees shown in the table below include fees paid for service on the Company's Board and any fees paid for service on the boards of the subsidiaries of the Company.

The Company has entered into a change in control severance agreement with Robert N. Dusek, Chairman of the Board. Mr. Dusek's agreement stipulates a payment of \$250,000 in the event of termination of service without just cause upon, or within eighteen months following a change in control.

ADDITIONAL INFORMATION ABOUT DIRECTORS AND EXECUTIVE OFFICERS

Section 16(a) Beneficial Ownership Reporting Compliance

The Common Stock of the Company is registered pursuant to Section 12(b) of the Exchange Act. The officers and directors of the Company and beneficial owners of greater than 10% of the Company's Common Stock (10% beneficial owners) are required to file reports of ownership and changes in beneficial ownership of the Common Stock with the SEC and Nasdaq and to provide copies of those reports to the Company. Based on the Company's review of such ownership reports furnished to the Company or written representations from certain reporting persons, it was determined that no officer or director failed to file such ownership reports on a timely basis during the fiscal year ended December 31, 2013.

Certain Relationships and Related Transactions and Director Independence

There were no directors, executive officers or immediate family members of such individuals who were engaged in transactions with the Bank or any subsidiary involving more than \$120,000 during the years ended December 31, 2013 and 2012, with the exception of certain lending and deposit relationships. In the normal course of its business as a financial institution, the Bank has granted loans to its officers, directors and their affiliates. All such loans were made in the ordinary course of business, on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to the Bank and did not involve more than

the normal risk of collectability or present other unfavorable features.

All members of the Board of Directors other than Mr. Lufkin, our current President and Chief Executive Officer, are independent under the rules of the Nasdaq Stock Market.

PROPOSAL II - RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

The Board of Directors of the Company has appointed S.R. Snodgrass, P.C. as the Company's independent auditor for the fiscal year ending December 31, 2014, and is submitting such appointment for ratification by the Company's stockholders. A representative of S.R. Snodgrass, P.C. is expected to be present at the Meeting, will have the opportunity to make a statement if he so desires, and is expected to be available to respond to appropriate questions.

Ratification of the appointment of the independent auditor requires the affirmative vote of a majority of the votes cast, in person or by proxy, by the stockholders of the Company at the Meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF S.R. SNODGRASS, P.C. AS THE COMPANY'S INDEPENDENT AUDITOR FOR THE 2014 FISCAL YEAR.

PROPOSAL III - APPROVAL OF A NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the "Dodd-Frank Act") and the related regulations of the Securities and Exchange Commission thereunder provide that smaller reporting companies, such as the Company, include a separate resolution subject to stockholder vote to approve the compensation of the Company's named executive officers, as disclosed in its proxy statement pursuant to Item 402 of Regulation S-K of the Securities and Exchange Commission. This vote must be held not less frequently than once every three years. At the Company's 2013 annual meeting of stockholders, the Company's stockholders voted to hold this vote to approve the compensation of the Company's executive officers each year.

This proposal, commonly known as a "say on pay" proposal, gives the Company's stockholders the opportunity to endorse or not endorse the Company's executive pay program and policies, as disclosed in this Proxy Statement, through the following resolution:

"Resolved, that the compensation paid to the Company's Named Executive Officers as disclosed pursuant to Item 402 of Regulation S-K, including the compensation tables and narrative disclosures in this Proxy Statement is hereby approved."

As provided in the Dodd-Frank Act, this vote will not be binding on the Board of Directors and may not be construed as overruling a decision by the Board, creating or implying any change to the fiduciary duties of the Board or any additional fiduciary duty by the Board or restricting or limiting the ability of shareholders to make proposals for inclusion in proxy materials related to executive compensation. The Compensation Committee, however, may take into account the outcome of the vote when considering future executive compensation arrangements.

In voting on the above resolution, shareholders may vote for the resolution, against the resolution or abstain from voting. This matter will be decided by the affirmative vote of a majority of the votes cast at the Meeting. On this matter, abstentions will have no effect on the voting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" APPROVAL OF THE RESOLUTION SET FORTH ABOVE REGARDING COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Meeting other than those matters described above. However, if any other matters should properly come before the Meeting, it is intended that proxies will be voted in respect thereof in accordance with the judgment of the person or persons voting such proxies.

MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. Actual costs, however, may exceed estimated amounts. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telephone without additional compensation.

Upon receipt of a written request, the Company will furnish to any stockholder without charge a copy of the Company's Annual Report on Form 10-K (excluding exhibits) for the fiscal year ended December 31, 2013. Such written requests should be directed to the Corporate Secretary, TF Financial Corporation, 3 Penns Trail, Newtown, Pennsylvania 18940.

STOCKHOLDER PROPOSALS

In order to be considered for inclusion in the Company's proxy materials for the 2015 annual meeting of stockholders, a stockholder proposal must be received at the Company's executive office at 3 Penns Trail, Newtown, Pennsylvania 18940 no later than November 25, 2014. In addition, a stockholder proposal must meet other applicable criteria as set forth in the Company's bylaws and the rules of the Securities and Exchange Commission in order to be considered for inclusion in the Company's proxy materials.

Under the Company's Articles, a stockholder proposal that is not included in the Company's proxy statement for the 2015 annual meeting of stockholders, will only be considered at such meeting if the stockholder submits notice of the proposal to the Company at the above address by November 25, 2014.
