PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
APRIL 26, 2002

GENERAL

This Proxy Statement is furnished by the Board of Directors of Saul

Edgar Filing: SAUL CENTERS INC - Form DEF 14A

Centers, Inc. (the "Company") in connection with the solicitation by the Board of Directors of proxies to be voted at the annual meeting of stockholders to be held on April 26, 2002, and at any adjournment or adjournments thereof, for the purposes set forth in the accompanying notice of such meeting. All stockholders of record at the close of business on February 22, 2002 will be entitled to vote.

Any proxy, if received in time, properly signed and not revoked, will be voted at such meeting in accordance with the directions of the stockholder. If no directions are specified, the proxy will be voted for the Proposal set forth in this Proxy Statement. Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. A proxy may be revoked (i) by delivery of a written statement to the Secretary of the Company stating that the proxy is revoked, (ii) by presentation at the annual meeting of a subsequent proxy executed by the person executing the prior proxy, or (iii) by attendance at the annual meeting and voting in person.

Votes cast in person or by proxy at the annual meeting will be tabulated and a determination will be made as to whether or not a quorum is present. The Company will treat abstentions as shares that are present and entitled to vote for purposes of determining the presence or absence of a quorum, but as unvoted for purposes of determining the approval of any matter submitted to the stockholders. If a broker submits a proxy indicating that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to such matter.

Solicitation of proxies will be primarily by mail. However, directors and officers of the Company also may solicit proxies by telephone or telegram or in person. The Company has retained Georgeson Shareholder to assist with distribution of soliciting materials and solicitation of proxies. Georgeson Shareholder will be paid a fee of \$4,500 for its services, plus reasonable and customary expenses. All of the expenses of preparing, assembling, printing and mailing the materials used in the solicitation of proxies will be paid by the Company. Arrangements may be made with brokering houses and other custodians, nominees and fiduciaries to forward soliciting materials, at the expense of the Company, to the beneficial owners of shares held of record by such persons. It is anticipated that this Proxy Statement and the enclosed proxy card first will be mailed to stockholders on or about March 20, 2002.

As of the record date, February 22, 2002, 14,705,097 shares of Common Stock of the Company, \$0.01 par value per share ("Common Stock"), were outstanding. Each share of Common Stock entitles the holder thereof to one vote on each of the matters to be voted upon at the annual meeting. As of the record date, officers and directors of the Company had the power to vote approximately 28.1% of the outstanding shares of Common Stock, excluding 7.0% of the outstanding Common Stock held by the B. F. Saul Company Employees' Profit Sharing Retirement Trust, two of five trustees of which are officers and directors of the Company. The Company's officers and directors have advised the Company that they intend to vote their shares of Common Stock in favor of the Proposal set forth in this Proxy Statement.

Committees of the Board of Directors

The Board of Directors has three standing committees: the Audit Committee, the Compensation Committee, and the Executive Committee.

The Audit Committee is composed of Messrs. Kelley, Longworth, Noonan and Symington. It makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of each audit engagement, approves professional services provided by the independent public accountants, considers the range of audit and non-audit fees, reviews related party transactions, reviews the Company's financial statements, evaluates the performance of the independent public accountants and the Company's financial and accounting personnel, and reviews the adequacy of

Edgar Filing: SAUL CENTERS INC - Form DEF 14A

the Company's internal accounting controls. All of these functions are performed under the guidelines of the company's Audit Committee Charter (a copy of which was attached as an Exhibit to the Company's Proxy Statement for the 2001 Annual Meeting of Stockholders). This Committee met three times during 2001. Additionally, the Audit Committee Chairman conducted three telephonic meetings with management and the independent public accountants.

The Compensation Committee is composed of Messrs. Grosvenor and Whitmore. It determines compensation for the Company's executive officers, reviews and approves management's recommendations for the annual salaries of all Company officers, and administers any stock, incentive or other compensation plans adopted by the Company, including the Company's 1993 Stock Option Plan (the "Stock Option Plan"). This Committee met once during 2001.

The Executive Committee is composed of Messrs. Caraci, Jackson and Saul II. It has such authority as is delegated to it by the Board of Directors and advises the Board of Directors from time to time with respect to such matters as the Board of Directors directs. This Committee did not meet during 2001.

5

Compensation Committee Interlocks and Insider Participation

B. Francis Saul II, Chairman of the Board and Chief Executive Officer of the Company, served on the Board of Trustees and the Compensation Committee of the National Geographic Society during 2001. Gilbert M. Grosvenor, a director of the Company and a member of the Company's Compensation Committee during 2001, serves as Chairman of the Board of Trustees of the National Geographic Society.

Compensation of Directors

Directors of the Company are currently paid an annual retainer of \$18,000 and a fee of \$1,000 for each Board or Committee meeting attended, and are annually awarded 100 shares of the Company's common stock. The shares are issued on the date of each Annual Meeting of Stockholders to each director serving on the Board of Directors as of the record date of such meeting, and their issuance may not be deferred and transfer of the shares is restricted for a period of twelve months following the date of issue. Directors from outside the Washington, D.C. area also are reimbursed for out-of-pocket expenses in connection with their attendance at meetings. For the year ended December 31, 2001, the Company paid its directors total compensation of \$290,746, of which \$80,500 was paid in cash, \$189,500 was paid in deferred stock compensation (as described below), and \$20,746 was paid through annual common stock awards.

In addition, directors may elect to participate in the Deferred Compensation and Stock Plan discussed below. For the year ended December 31, 2001, 19,745 shares were credited to the directors' deferred fee accounts.

Deferred Compensation Plan

A Deferred Compensation and Stock Plan for Directors was established by the Company, effective January 1, 1994 and amended March 18, 1999, for the benefit of its directors and their beneficiaries. Before the beginning of any calendar year, a director may elect to defer all or part of his or her director's fees to be earned in that year and the following years. A director has the option to have deferred fees paid in cash, in shares of Common Stock or in a combination of cash and Common Stock. If the director elects to have the deferred fees paid in stock, the number of shares allocated to the director is determined based on the market value of the Common Stock on the day the deferred director's fees were earned.

Edgar Filing: SAUL CENTERS INC - Form DEF 14A

In connection with the Company's initial public offering of its Common Stock in 1993, 20,000 shares of Common Stock were authorized for a deferred compensation plan and were reserved for listing with the New York Stock Exchange upon issuance. Between 1996 and 2001, the Company reserved for listing with the New York Stock Exchange an additional 150,000 shares of Common Stock in connection with the Deferred Compensation and Stock Plan for Directors. Through February 22, 2002, 115,690 of these 170,000 shares have been credited to the directors' deferred fee accounts.

COMPENSATION COMMITTEE REPORT

The Compensation Committee is comprised of Messrs. Grosvenor and Whitmore. Members of the Compensation Committee are selected each year by the full Board of Directors. All members of the Compensation Committee must be "outside directors," who are not (i) officers or former officers of the Company; (ii) employees of the Company or any of its subsidiaries; (iii) relatives of the Chief Executive Officer; (iv) holders of more than 5% of the Company's voting stock; (v) members of an organization acting as an advisor, legal counsel or in similar capacity with respect to the Company and receiving compensation therefor on an ongoing basis from the Company, in addition to director's fees; or (vi) with reference to a particular transaction, interested directors within the meaning of Section 2-419 of the Maryland General Corporation Law.

The Compensation Committee determines compensation for the Company's executive officers, reviews and approves management's recommendations for the annual salaries of all Company officers, and administers any stock incentive or other compensation plans adopted by the Company, including the Stock Option Plan. The Compensation Committee believes that the Company's compensation package must be structured in a manner that will help the Company attract and retain qualified executives and will align compensation of such executives with the interests of stockholders. The compensation package currently consists of salary, bonus and long-term compensation in the form of stock options issued pursuant to the Stock Option Plan.

Salary and Bonus

Salary and bonus are determined by the Compensation Committee using a subjective evaluation process. In making determinations of salary and bonus for particular officers, including the Chief Executive Officer, the Compensation Committee considers the general performance of the Company, the officer's position, level and scope of responsibility, the officer's anticipated performance and contributions to the Company's achievement of its long-term goals, and the salary and bonus for the officer recommended by management.

6

Stock Option Grants

The Compensation Committee is responsible for administering the Stock Option Plan, which includes determining the individuals to be granted stock option awards and defining the terms of such awards, including the number of shares subject to each option, exercise price, vesting schedule and expiration date.

The purpose of the Stock Option Plan is to provide compensation to persons whose services are considered essential to the Company. By linking this compensation to the market performance of the Company's Common Stock, the Company intends to provide additional incentive for officers and key employees to enhance the value and success of the Company and align the long-term

Edgar Filing: SAUL CENTERS INC - Form DEF 14A

interests of the officers and key employees with the interests of the Company. Under the terms of the Stock Option Plan, Mr. Saul II is not eligible to participate in the plan.

The Compensation Committee uses a subjective evaluation process to determine whether an officer or key employee should receive an option grant and the number of shares subject to stock options granted to such officer or key employee, and has not set specific objective goals or standards that an officer or key employee must meet to receive a stock option grant. The factors considered by the Compensation Committee include the general performance of the company, the position, level and scope of responsibility of the respective officer or key employee and the officer's or key employee's anticipated performance and contributions to the Company's achievement of its long-term goals.

During 2001, the Compensation Committee did not grant any options.

CERTAIN RELATIONSHIPS AND TRANSACTIONS

The Company began operations in August 1993. On August 26, 1993, The Saul Organization transferred to Saul Holdings Limited Partnership, a Maryland limited partnership (the "Operating Partnership") and two newly formed subsidiary limited partnerships (the "Subsidiary Partnerships," and collectively with the Operating Partnership, the "Partnerships"), 26 shopping center properties, one office property, one research park and one office/retail property, located primarily in the Washington, D.C./Baltimore metropolitan area and the Mid-Atlantic region of the United States, and the management functions related to these properties.

Certain relationships exist among the Company and its subsidiaries, the members of The Saul Organization and the Partnerships and are discussed below.

Management of the Current Portfolio Properties. The Company and its subsidiaries share with The Saul Organization certain ancillary functions, such as computer and payroll services, benefits administration and in-house legal services. The Saul Organization also subleases office space to the Company. The terms of all sharing arrangements, including payments related thereto, are reviewed periodically by the independent directors of the Company, who constitute six of the eleven members of the Board of Directors. Included in general and administrative expenses for the year ended December 31, 2001 are charges totalling \$1,971,000 related to such shared services, of which \$2,010,000 was paid prior to December 31, 2001. The Company believes that the amounts allocated to it for such shared services represent a fair allocation between The Saul Organization and the Company and its subsidiaries. The Company

Edgar Filing: SAUL CENTERS INC - Form DEF 14A

believes that sharing these expenses with The Saul Organization results in a savings from the expenses that would be incurred if such services were obtained from independent third parties.

Related Party Rents. Chevy Chase Bank leases space in several of the shopping centers owned by the Company and its subsidiaries. The total rental income from Chevy Chase Bank from January 1, 2001 through December 31, 2001 was \$1,330,000. The Company believes that all of the leases with Chevy Chase Bank have comparable terms to leases that would have been obtained from unrelated third parties.

Management Personnel. The Chairman and Chief Executive Officer as well as the Vice Chairman and the President of the Company are officers of various members of The Saul Organization, but devote a substantial amount of time to the management of the Company. The annual compensation for these officers is fixed by the Compensation Committee of the Board of Directors each year.

Exclusivity Agreement and Right of First Refusal. The Company has entered into an Exclusivity Agreement (the "Exclusivity Agreement") with, and has been granted a right of first refusal (the "Right of First Refusal") by, certain members of The Saul Organization. The purpose of these agreements is to minimize potential conflicts of interest between The Saul Organization and the Company and its subsidiaries. The Exclusivity Agreement and Right of First Refusal generally require The Saul Organization to conduct its shopping center business exclusively through the Company and its subsidiaries and to grant the Company a right of first refusal to purchase commercial properties and development sites that become available to The Saul Organization in the District of Columbia or adjacent suburban Maryland.

Reimbursement Agreement. Pursuant to a reimbursement agreement among the partners in the Partnerships, The Saul Organization and those of its subsidiaries that are partners in the Partnerships have agreed to reimburse the Company and the other partners in the event the Partnerships fail to make payments with respect to certain portions of the Partnerships' debt obligations and the Company or any such other partners personally make payments with respect to such debt obligations. As of December 31, 2001, the maximum potential obligation of The Saul Organization and its subsidiaries under the agreement was \$242,168,000. The Company believes that the Partnerships will be able to make all payments due with respect to their debt obligations.

It is presently contemplated that the 2003 annual meeting of stockholders will be held in mid-April 2003. considered at an annual meeting of stockholders. These procedures provide that stockholders must do so by notice timely delivered to the Secretary of the Company. The Secretary of the Company generally must receive notice of any such proposal not less than sixty days nor more than ninety days prior to the anniversary of the preceding year's annual meeting of stockholders. The stockholder notice must meet the applicable requirements that are imposed by the Amended and Restated Bylaws. The chairman of the annual meeting shall have the power to declare that any proposal not meeting these and any other applicable requirements that the Amended and Restated Bylaws impose shall be disregarded. A copy of the Bylaws are on file with the Securities and Exchange Commission.

In addition, the form of proxy that the Board of Directors will solicit in connection with the Company's 2003 annual meeting of stockholders will confer discretionary authority to vote on any proposal, unless the Secretary of the Company receives notice of that proposal no earlier than January 26, 2003 and no later than February 25, 2003, and the notice complies with the other requirements described in the preceding paragraph.
