Annual Meeting of Stockholders

March 20, 2003

INTRODUCTION

This Proxy Statement is furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Aberdeen Global Income Fund, Inc., a Maryland corporation (the "Fund"), to be voted at the Annual Meeting of Stockholders of the Fund (the "Meeting") to be held at Dryden Hall, 7th Floor, Plaza Building, 751 Broad Street, Newark, New Jersey, on Thursday, March 20, 2003, at 4:30 p.m. (Eastern time). The approximate mailing date for this Proxy Statement is February ____, 2003 or as soon as practicable thereafter.

All properly executed proxies received prior to the Meeting will be voted at the Meeting in accordance with the instructions marked on the proxy card. Unless instructions to the contrary are marked, proxies submitted by holders of the Fund's common stock will be voted FOR Proposals 1 and 3, and proxies submitted by holders of the Fund's preferred stock will be voted FOR Proposals 2 and 3. The persons named as proxy holders will vote in their discretion on any other

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

business that may properly come before the Meeting or any adjournments or postponements thereof. Any proxy may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated proxy, giving written notice to the Secretary of the Fund (addressed to the Secretary at the principal executive office of the Fund, 800 Scudders Mill Road, Plainsboro, New Jersey 08536), or by attending the Meeting and voting in person. Stockholders may proxy vote using the enclosed proxy card along with the enclosed envelope with pre-paid postage. Stockholders may also proxy vote by telephone, fax or internet. To proxy vote by telephone, fax or internet, stockholders should follow the instructions contained on their proxy card.

The presence at the Meeting, in person or by proxy, of the stockholders entitled to cast a majority of all the votes entitled to be cast at the Meeting shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at the Meeting, abstentions and broker non-votes (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present.

Approval of Proposal 1 (Election of Class II Directors to the Board of Directors) will require the affirmative vote of a majority of the shares of common stock present in person or by proxy at the Meeting and entitled to vote thereon. Approval of Proposal 2 (Election of Preferred Directors to the Board of Directors) will require the affirmative vote of a majority of the shares of preferred stock present in person or by proxy at the Meeting and entitled to vote thereon. Approval of Proposal 3 (The amendment and restatement of the Articles Supplementary creating the Fund's Series W-7 Auction Market Preferred Stock) will require the affirmative vote of a majority of the shares of common and preferred stock voting separately. Abstentions are treated as present, and will have the effect of a vote "against" each Proposal. Proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on these Proposals will be voted "for" Proposals 1 and 2 and will have the effect of a vote against Proposal 3.

1

In the event that the necessary quorum to transact business at the Meeting is not obtained or a quorum is present at the Meeting but sufficient votes to approve the proposals are not received, the proxy holders may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any adjournment will require the affirmative vote of a majority of those shares present at the Meeting in person or by proxy. If the necessary quorum is not obtained, the persons named as proxy holders will vote in favor of the adjournment. If a quorum is present, the proxy holders will vote those proxies required to be voted "for" a proposal with respect to which insufficient votes for approval have been received, in favor of such adjournment, and will vote those proxies required to be voted "against" a proposal, against adjournment. A shareholder vote may be taken on any proposal prior to adjournment if sufficient votes have been received for approval of that proposal.

The following table indicates which class of the Fund's stockholders is being solicited with respect to each Proposal to be considered at the Meeting.

The Board of Directors has fixed the close of business on January 31, 2003 as the record date ("Record Date") for the determination of stockholders entitled to notice of and to vote at the Meeting and at any adjournment or postponement thereof. Stockholders on the Record Date will be entitled to one vote for each share held. As of January 31, 2003, the Fund had outstanding 9,266,209 shares of common stock, par value \$0.01 per share and 1,200 shares of Auction Market Preferred Stock, Series W-7, par value \$0.01 per share.

The Board of Directors of the Fund knows of no other business that will be presented for consideration at the Meeting. If any other matter is properly presented, it is the intention of the persons named on the enclosed proxy card to vote in accordance with their discretion.

The Fund will furnish, without charge, a copy of the Fund's annual report for its fiscal year ended October 31, 2002, and any more recent reports, to any Fund stockholder upon request. PROPOSAL 1: ELECTION OF CLASS II DIRECTORS

The Fund's Articles of Incorporation provide that the Board of Directors to be elected by holders of the Fund's common stock will be divided into three classes, as nearly equal in number as possible, each of which will serve for three years with one class being elected each year. Each year the term of office of one class will expire. Directors who are deemed "interested persons" (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended (the "1940 Act")) of the Fund, the Investment Manager or the Investment Adviser, are referred to in this Proxy Statement as "Interested Directors." Directors who are not interested persons as described above are referred to in this Proxy Statement as "Independent Directors."

The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Fund's Nominating Committee, which is composed entirely of Independent Directors, has nominated William J. Potter and Peter D. Sacks to serve as Class II Directors for three-year terms to expire at the Annual Meeting of Stockholders to be held in 2006 and until their successors are duly elected and qualify. Messrs. Potter and Sacks were elected by stockholders to serve until the 2003 Annual Meeting. The nominees have indicated an intention to serve if elected and have consented to be named in this Proxy Statement.

It is the intention of the persons named on the enclosed proxy card to vote for

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

the election of the persons indicated above to serve as Class II Directors for a three-year term. The Board of Directors of the Fund knows of no reason why any of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the Board of Directors may recommend.

The names of the Fund's nominees for election as Class II Directors, and each other Director of the Fund, and their addresses, ages and principal occupations during the past five years are provided in the table below.

PROPOSAL 2: ELECTION OF PREFERRED DIRECTORS

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

The Fund has outstanding 1,200 shares of Auction Market Preferred Stock, Series W-7, with an aggregate liquidation preference of \$30 million.

Section 18 of the 1940 Act requires that the holders of any preferred shares, voting separately as a single class without regard to series, have the right to elect at least two Directors at all times. The Board of Directors of the Fund, including the Independent Directors, upon the recommendation of the Fund's Nominating Committee, which is composed entirely of Independent Directors, has nominated Dr. Anton E. Schrafl and John T. Sheehy to serve as Preferred Directors, representing exclusively the holders of the Fund's preferred stock, until the Annual Meeting of Stockholders to be held in 2004 and until their successors are duly elected and qualify. The nominees have indicated an intention to continue to serve if elected and have consented to be named in this Proxy Statement.

It is the intention of the persons named on the enclosed proxy card to vote in favor of the election of the persons indicated above to serve as Preferred Directors. The Board of Directors of the Fund knows of no reason why either of these nominees will be unable to serve, but in the event of any such inability, the proxies received will be voted for such substituted nominees as the holders of preferred stock shall recommend, and if no such recommendations are made, such substituted nominees as the Board of Directors may recommend.

The names of the Fund's nominees for election as Preferred Directors, their addresses, ages and principal occupations during the past five years are provided in the table below. Both of the nominees are Independent Directors.

The Board of Directors recommends that holders of preferred stock vote FOR the election of the Fund's two nominees as Preferred Directors to the Fund's Board of Directors.

PROPOSAL 3: AMENDMENT AND RESTATEMENT OF THE ARTICLES SUPPLEMENTARY

The Fund currently has one series of Auction Market Preferred Stock, designated Series W-7. This Series was created by Articles Supplementary, which form part of the Fund's charter. Consistent with their terms, the Articles Supplementary have been amended from time to time since they were adopted either by action of the Board of Directors or by action of the stockholders. The Board of Directors ("Board") of the Fund has proposed that the Articles Supplementary creating the Fund's Series W-7 AMPS, as amended from time to time ("Articles Supplementary"), be further amended and then restated by means of filing Articles of Amendment and

9

Restatement with the Maryland Department of Assessments and Taxation ("Amendment and Restatement"). The Amendment and Restatement will include all of the amendments made to date. In addition, the Board is proposing that stockholders approve additional amendments at this time. The Fund has received written assurances from the rating agencies that none of the amendments proposed will adversely affect the Fund's current ratings if approved by shareholders and implemented by the Fund.

The proposed additional amendments to be included in the Amendment and Restatement, subject to stockholder approval, will have the following effects:

- o to increase the maximum allowable rate of distributions to be paid to the holders of the AMPS from 150% of the `AA' Composite Commercial Paper Rate to the greater of (a) 200% of the `AA' Composite Commercial Paper Rate or (b) 200 basis points plus the `AA' Composite Commercial Paper Rate;
- o to change the regular dividend period on the AMPS from seven days to 28 days;
- o to allow the Fund to use derivatives to the fullest extent previously approved by stockholders, subject to any limitations imposed by the rating agencies in order for the Fund to maintain the current ratings of the AMPS;
- o to provide a default dividend period and applicable rate of distributions on the AMPS in the event of certain force majeure events;
- o to allow the Fund to limit stockholder votes on charter amendments unless such amendments were found to "materially and adversely" affect the contractual rights of stockholders; and
- o to allow the Board to file amended and restated Articles Supplementary, without further stockholder approval, after adjustments are made by the Board, or a committee thereof, to the definitions contained in such Articles Supplementary.

The proposed Amendment and Restatement, which includes the text of all of the

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

specific amendments to be made, is annexed as Exhibit B. By voting for this Proposal 3, stockholders will be approving each of the specific amendments included in the Amendment and Restatement and the Amendment and Restatement itself.

The Board of Directors recommends that stockholders vote FOR this Proposal 3.

Set forth below is a further discussion of each of the categories of amendments listed above. Unless the context otherwise requires, the capitalized terms used but not defined in the discussion below will have the meaning ascribed to those terms in the proposed Amendment and Restatement. The discussion below is qualified in its entirety by reference to the proposed Amendment and Restatement included as Exhibit B.

Increase the Maximum Rate of Distributions to Preferred Stockholders

Generally, the rate of distributions paid on the AMPS is set pursuant to a Dutch auction process. This means that the lowest bid received during an auction of a series of the AMPS that allows Sufficient Clearing Bids is the one that determines the actual rate of distributions paid on that series of the AMPS during any given Dividend Period. However, distributions on the AMPS may not exceed the Maximum Applicable Rate. Thus, under normal market conditions, if there are Sufficient Clearing Bids received in any given auction, the distribution rate will be less than the Maximum Applicable Rate, which is calculated as the product of the `AA' Composite Commercial Paper Rate (i.e., the Reference Rate) and the applicable percentage (as shown in the table below):

10

Credit Ratings		Applicable Percentage Reference Rate
Moody's	S&P	
"aa3" or higher	AA- or higher	150%
"a3" to "a1"	A- to A+	175%
"baa3" to "baa1"	BBB- to BBB+	250%
Below "baa3"	Below BBB-	300%

Since the AMPS were first issued in July of 1992 and through January 15, 2003, the average rate at which the AMPS have been bid is 4.58% which is the equivalent of 97.6% of the average `AA' Composite Commercial Paper Rate for that period. Following the announcement by the Federal Reserve of a 50 basis point easing in interest rates on November 6, 2002, the AMPS auction rates dropped by a similar magnitude. However, during the period from November 8, 2002 through early 2003, the auction rates have come under steady upward pressure due to unusual market conditions and have risen as high as 149.77% of the `AA' Composite Commercial Paper Rate. As of January 22, 2003, the AMPS were bid at a rate of 1.43% which was the equivalent of 113.3% of the `AA' Composite Commercial Paper Rate on that date.

Common stockholders have generally benefited from the Fund's issuance of the AMPS. Since the fiscal quarter beginning August 1, 1997, there have been periods during which the shrinking yield differential between rates available in

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

Australia, Canada, New Zealand and the United Kingdom and rates available in the U.S., combined with the depreciation of the Australian dollar, the Canadian dollar, the New Zealand dollar and the Pound Sterling, have resulted in the AMPS having a negative impact on returns to holders of common stock. [During the 12 months prior to January 31, 2003, the key investment trend was an end to the unilateral strength of the U.S. dollar.] With U.S. interest rates at historic lows, the differential between the cost of the AMPS and the rates at which the Fund invests has been positive in recent months.

As mentioned above, last November the Federal Reserve abruptly lowered the Federal Funds rate to historic lows, dragging down the commercial paper rates to abnormally low levels. The AMPS, which compete with a large number of short-term tax-exempt offerings, did not decline as much as the more liquid commercial paper rates. This widened the spreads in yields between commercial paper rates and AMPS to levels nearly precluding the normally recurring AMPS auctions that provide essential investor liquidity.

Bids to purchase shares of the AMPS that exceed the Maximum Applicable Rate are not accepted. As a result, if there are not enough purchase or hold orders submitted at a rate below the Maximum Applicable Rate for all shares to be cleared, Sufficient Clearing Bids have not been obtained. If there are not Sufficient Clearing Bids made during any given auction, the auction is said to have "failed." Under these circumstances, the distribution rate on the AMPS for that Dividend Period will be equal to the Maximum Applicable Rate. The holders of the AMPS during the Dividend Period immediately prior to the "failed" auction will continue to hold the AMPS until the next regularly scheduled auction at which Sufficient Clearing Bids are obtained. Under these circumstances, there may be limited liquidity in an AMPS investment.

In order to maintain the liquidity of the AMPS, the Board has determined that it is in the best interests of the Fund to amend the Articles Supplementary to raise the Maximum Applicable Rate. It is anticipated that, once market conditions return to their historically normal state, the average applicable rate will once again be well below the Maximum Applicable Rate.

The Board considered the possibility of redeeming the AMPS in the event that the Maximum Applicable Rate is reached and sustained for any length of time. However, the Board rejected this option on the grounds that the AMPS have for the most part contributed positively over the years to the returns received by the holders of the Fund's common stock. In addition, the Board considered that in order to redeem the AMPS, portfolio securities may need to be sold by the Fund at inopportune times and significant unrealized foreign exchange

11

losses might have to be realized, lowering the amount of income available for distribution to holders of the Fund's common stock. The Board also considered the fact that reissuing the AMPS at a later date would be costly. After balancing these potential costs against the costs to common stockholders of raising the Maximum Applicable Rate (including the cost of this proxy solicitation), the Board determined that this proposed amendment should be presented to stockholders for a vote as part of the Amendment and Restatement.

The proposed amendment would change the calculation of the Maximum Applicable Rate to the product of the Reference Rate and the greater of (a) the applicable percentage of the Reference Rate or (b) the Applicable Spread plus the Reference Rate (as shown in the table below):

Applicable

Applicable

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

"baa3" to "baa1"	BBB- to BBB+	300%	300 bps

Assuming the Fund continues to maintain a Aa/AA rating on the AMPS, the practical effect of this change is shown in the table below:

Regular Dividend Period

Currently, a Regular Dividend Period for the Fund consists of seven days. Under certain market conditions, however, the Fund may declare a Special Dividend Period, consisting of more than seven days (e.g., a 28-day Dividend Period). In order for the Fund to declare a Special Dividend Period, it must first obtain permission from its Auction Agent and those Broker-Dealers who have entered into Broker-Dealer Agreements with the Auction Agent with respect to the Fund. Additionally, the Fund must give notice to the holders of the AMPS and must have written confirmation from the Rating Agencies that such a Special Dividend Period would not impair the then-current ratings of the AMPS. As of January 22, 2003, the Fund declared a Special Dividend Period which is scheduled to end on February 19, 2003. Although the Fund anticipates that it will continue to declare successive Special Dividend Periods, each for 28 days, for the next six to 24 months, there can be no assurance that the Fund will seek a Special Dividend Period at any given time or that, if a Special Dividend Period is sought by the Fund, the Auction Agent and each of the applicable Broker-Dealers will continue to grant the Fund permission to declare such Special Dividend Periods.

Moreover, in the event that Sufficient Clearing Bids for an Auction are not obtained, a Special Dividend Period may not be declared and the Dividend Period for that Auction must be a Regular Dividend Period. Thereafter, each successive Dividend Period must also be a Regular Dividend Period until Sufficient Clearing Bids have been obtained.

The Board has proposed charter amendments that would have the affect of changing the Regular Dividend Period from seven days to 28 days. If the proposed amendments are approved, a Special Dividend Period would consist of (i) a specified number of days (other than the number of days in the Regular Dividend Period) evenly

divisible by seven, and not fewer than seven nor more than 364; or (ii) a

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

specified number of whole years not greater than five years.

The Fund may use interest rate swaps to hedge the Fund's liability with respect to the AMPS. At present, the Fund has been authorized by the Board to hedge up to one-third of the Fund's liability with respect to the AMPS. This allows the Fund to lock in the relatively low current U.S. dollar interest rates with respect to up to one-third of the Fund's outstanding AMPS. Pursuant to this authority, the Fund has entered into an interest rate swap to hedge against the liability with respect to one-third of the AMPS. This hedge is made more effective by the fact that the Fund is also utilizing a mechanism in its charter which allows it to declare a Special Dividend Period. As noted above, a lack of Sufficient Clearing Bids would cause each affected Dividend Period to be a Regular Dividend Period. The inability to use the Special Dividend Period mechanism under such circumstances may limit the effectiveness of the interest rate swap as a hedge. A 28-day Dividend Period would maximize the effectiveness of the Fund's interest rate swap to hedge the AMPS. Moreover, amending the Fund's charter to set the Regular Dividend Period to 28 days has the effect of reducing the Fund's transaction costs associated with the monthly procedures currently required for declaring a Special Dividend Period.

It is possible that, during certain interest rate climates, the holders of the AMPS could be adversely affected by this change since Auctions will generally be less frequent. Under the current Articles Supplementary, those Broker-Dealers who have entered into Broker-Dealer Agreements with the Auction Agent with respect to the Fund would presumably object to the declaration of a given Special Dividend Period if market conditions were such that the AMPS would be adversely affected by a longer Dividend Period. If Broker-Dealers object to the declaration of a Special Dividend Period, the Special Dividend Period may not be declared.

Derivatives

In March 1999, the Fund's stockholders approved a series of proposals allowing the Fund, among other things, to use derivatives to manage currency and interest rate risk, as well as to replicate or substitute for physical securities, such as bonds, bills, cash and foreign exchange securities. The Fund's use of derivatives continues to be limited by certain provisions of its Articles Supplementary. Therefore, the proposed Amendment and Restatement includes amendments that would allow the Fund to make better use of derivative instruments. The use of derivatives would still be subject to any restrictions imposed by the Rating Agencies in order for the Fund to maintain its current ratings. The following amendments to the Articles Supplementary are included in the proposed Amendment and Restatement:

- o Removal of specific language in the Articles Supplementary regarding the Fund's ability to lend securities or sell or purchase futures or options other than Forward Contracts;
- o Inclusion of a provision that states that the Fund may engage in transactions in derivatives, subject to any limitations imposed by the Rating Agencies. This proposed provision would also allow derivatives to be included in a Rating Agency's Eligible Portfolio Property if such Rating Agency has advised the Fund in writing that the inclusion of such assets or securities in Eligible Portfolio Property would not adversely affect its respective then-current ratings of the shares of AMPS. With respect to options, the Fund would be able to purchase and sell (write) options, subject to any limitations imposed by the Rating Agencies; and
- o For purposes of the Amendment and Restatement, "derivatives" include options, options on currency, futures (including, but

not limited to, U.S. Treasury Bond futures), options on futures, forward contracts (including, but not limited to, Forward Contracts), forward currency contracts, interest rate swaps, currency swaps, other types of swaps (including, but not limited to, swaps on securities, financial commodities and indices), caps, collars, floors and currency-linked notes.

13

It should be noted that nothing contained in the Amendment and Restatement would eliminate the need for the Fund to seek the written approval of the Rating Agencies prior to utilizing any types of derivatives not previously approved in writing by the Rating Agencies.

Force Majeure

The Amendment and Restatement provides that in the event that an Auction does not occur on a regular auction date because of any act of God, strike, riot, act of war, act of terrorism, equipment failure, power failure or damage or other causes reasonably beyond the control of the Fund or the Auction Agent, each Existing Holder as of that auction date will continue to hold the shares of AMPS held by that Existing Holder until the next regularly scheduled auction date. The Applicable Rate for any Dividend Period during which Existing Holders continue to hold such shares of AMPS by operation of the force majeure provision will be the same Applicable Rate as applied during the last Dividend Period following an Auction at which there were Sufficient Clearing Bids prior to the applicability of the force majeure provision.

Limitation of Stockholder Votes on Charter Amendments

The current Articles Supplementary provide that the affirmative vote of a majority of the outstanding AMPS, voting separately as one class, is required to amend, alter or repeal the provisions of the Charter so as to adversely affect any of the contract rights of holders of the AMPS expressly set forth in the Charter. If approved, the Amendment and Restatement would provide that the affirmative vote of a majority of the outstanding AMPS, voting separately as one class, is required to amend, alter or repeal the provisions of the Charter so as to materially and adversely affect any of the contract rights of holders of the AMPS expressly set forth in the Charter. This change will allow the Fund the flexibility to make Charter amendments that do not materially and adversely affect the holders of the AMPS without having to go to the extra cost of soliciting the approval of the holders of the AMPS. In all events, any Charter amendment would still have to be made in accordance with the requirements of the Maryland General Corporation Law and any other applicable provisions of the Charter.

Filing of Amended and Restated Articles Supplementary

As authorized by the Articles Supplementary, the Board, from time to time in the last 10 years, has added, altered or deleted a number of terms and definitions from the Articles Supplementary in connection with obtaining the appropriate ratings for the AMPS. The Board has determined that it is in the best interests of the Fund to amend and restate the Articles Supplementary. If approved, such Articles of Amendment and Restatement would integrate all such prior changes into one document. Moreover, if approved, the proposed Amendment and Restatement would allow the Board, in its sole discretion and without a further stockholder vote, to authorize, execute and file a restatement of the Articles Supplementary with the Maryland State Department of Assessments and Taxation incorporating any and all such adjustments, modifications, alterations or changes made since the last such restatement.

Committees and Board of Directors Meetings

The Board of Directors has a standing Audit and Valuation Committee, composed entirely of Independent Directors. Each member is also "independent" within the meaning of the New York Stock Exchange ("NYSE") listing standards. The Audit and Valuation Committee pre-approves and reviews both the audit and non-audit work of the Fund's independent accountants, submits recommendations to the Board of Directors as to the selection of independent accountants and reviews compliance of the Fund with regulations of the U.S. Securities and Exchange Commission ("SEC") and the Internal Revenue Service, and other related matters.

The Board of Directors has adopted an Audit Charter and a Valuation Charter for its Audit and Valuation Committee. A copy of the Fund's Audit Charter is attached to this Proxy Statement as Exhibit A. The Audit and Valuation Committee has received the written disclosures and the letter required by Independence Standards Board Standard No. 1 from PricewaterhouseCoopers LLP ("PwC"), the Fund's independent accountants, and has discussed with PwC its independence. The Audit and Valuation Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC required to be discussed by Statement on Auditing Standards No. 61. Based on the foregoing, the Audit and Valuation Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report to Stockholders for the fiscal year ended October 31, 2002. The members of the Fund's Audit and Valuation Committee are Messrs. William J. Potter, Peter D. Sacks and E. Duff Scott.

The Board of Directors also has a standing Contract Review Committee, composed

Sheehy.

16

During the Fund's fiscal year ended October 31, 2002, the Board of Directors held four meetings, the Audit and Valuation Committee held two meetings, the Contract Review Committee held no meetings, and the Nominating Committee held three meetings. Each of the Directors then in office attended at least 75% of the aggregate number of meetings of the Board of Directors and of all the Committees of the Board on which he served.

The following table sets forth information regarding compensation of Directors by the Fund and by the fund complex of which the Fund is a part for the fiscal year ended October 31, 2002. Officers of the Fund and Directors who are interested persons of the Fund do not receive any compensation directly from the Fund or any other fund in the fund complex for performing their duties as officers or Directors, respectively. Aberdeen Global Income Fund, Inc.
Audit and Valuation Committee

AUDIT CHARTER

Mission

The mission of the Audit and Valuation Committee (the "Committee") of Aberdeen Global Income Fund, Inc. (the "Fund"), under this Audit Charter, is to oversee the Fund's accounting and financial reporting policies and practices, its internal controls and, as appropriate, the internal controls of certain service providers, and to oversee the quality and objectivity of the Fund's financial statements and the independent audit thereof. The Committee will also report to the Board of Directors (the "Board"), if necessary, any relationships between the auditor and the Fund, or any other relationships, which come to the Committee's attention that may adversely affect the independence of the auditor.

The function of the Committee is to provide oversight; it is the responsibility of the Fund and the Fund's investment manager and investment adviser to maintain appropriate systems for accounting and internal control, and it is the responsibility of the Fund's independent auditors to plan and carry out a proper audit. The independent auditors are directly accountable to the Committee.

Committee Membership

The Committee shall be composed of at least three members. Each member must have been determined not to be an "interested person" (as that term is defined in Section 2(a)(19) of the Investment Company Act of 1940, as amended ("1940 Act")) of the Fund (an "Independent Director") and, in addition, each member shall have the additional qualifications indicated below. The President of the Fund, although not a member of the Committee, will nonetheless be expected to have a significant role in assisting the Committee to discharge its responsibilities, including ensuring adequate access to, and support from, the staff of the Fund's investment manager, Aberdeen Asset Managers (C.I.) Limited (the "Manager"), and the staff of the Fund's investment adviser, Aberdeen Asset Management Limited (the "Adviser").

Qualifications of Committee Members

1. Members of the Committee may not be officers of the Fund and should be free of any relationships that would interfere with the exercise of independent judgment. A director with any of the following relationships will not be considered independent for this purpose:
 - A. Employee. A director who is or has been an employee

(including non-employee executive officers) of the Fund or any of its affiliates may not serve on the Committee until three years following the termination of his or her employment. An affiliate includes a subsidiary, sibling company, predecessor, parent company, or former parent company.
 - B. Business Relationship. A director (i) who is a partner,

controlling stockholder, or executive officer of an organization that has a business relationship with the Fund, or (ii) who has a direct business relationship with the Fund (e.g., a consultant) may serve on the Committee only if the Fund's Board determines in its business judgment that the relationship does not interfere with the director's exercise of independent judgment. In

A-1

making a determination regarding the independence of a director pursuant to this paragraph, the Board will consider, among other things, the materiality of the relationship to the Fund, to the director, and, if applicable, to the organization with which the director is affiliated.

"Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have this relationship directly with the Fund, or the director can be a partner, officer or employee of an organization that has such a relationship. The director may serve on the Committee without the above-referenced Board determination after three years following the termination of, as applicable, either (1) the relationship between the organization with which the director is affiliated and the Fund, (2) the relationship between the director and his or her partnership status, shareholder interest or executive officer position, or (3) the direct business relationship between the director and the Fund.

- C. Cross Compensation Committee Link. A director who is employed as -----
an executive of another corporation where any of the Fund's executives serves on that Fund's compensation committee may not serve on the Committee.
- D. Immediate Family. A director who is an immediate family member -----
of an individual who is an executive officer of the Fund or any of its affiliates cannot serve on the Committee until three years following the termination of such employment relationship. An immediate family member includes a person's spouse, parents, children, siblings, mothers and fathers-in-law, sons and daughters-in-law, brothers and sisters-in-law, and anyone (other than employees) who shares such person's home.
2. Notwithstanding the requirements of Parts A through D above, one director who is no longer an employee or who is an immediate family member of a former executive officer of the Fund or its affiliates, but is not considered independent pursuant to these provisions due to the three-year restriction period, may be appointed, under exceptional and limited circumstances, to the Committee if the Fund's Board determines in its business judgment that membership on the Committee by the individual is required in the best interests of the Fund and its shareholders, and the Fund discloses, in the next annual proxy statement subsequent to such determination, the nature of the relationship and the reasons for that determination.
3. Each member of the Committee must be financially literate, or become financially literate within a reasonable period of time after his or her appointment to the Committee, as such qualification is interpreted by the Fund's Board in its business judgment. At least one member of the Committee must have accounting or related financial experience, as the Fund's Board interprets such qualification in its business

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

judgment.

4. Unless exempted by order of the SEC, each member of the Committee may not, other than in his or her capacity as a member of the Committee, the Board, or any other committee of the Board accept any consulting, advisory, or other compensatory fee from the Fund.
5. If at least one member of the Committee is not a "financial expert" (as that term is defined in the rules and regulations of the SEC), the Fund's periodic reports shall disclose the reason why.

Duties and Powers

To carry out its mission under this Audit Charter, the Committee shall, to the extent it deems appropriate, carry out the following functions:

A-2

1. To recommend annually to the Board the selection, retention or termination of independent auditors and, in connection therewith, to evaluate the independence of the auditors, including whether the auditors provide any consulting, auditing or tax services to the Manager or the Adviser, and to receive the auditors' specific representations as to their independence, delineating all relationships between the auditor and the Fund, consistent with Independence Standards Board ("ISB") Standard No. 1.1 The Committee is responsible for actively engaging in a dialogue with the auditor with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditor and for taking, or recommending that the full Board take, appropriate action to oversee the independence of the outside auditor;
2. To review in advance, and consider approval of, any and all proposals by management of the Fund or the Manager or the Adviser that the Fund, the Manager or the Adviser, or their affiliated persons, employ the independent auditor to render "permissible non-audit services"² to the Fund and to consider whether such services are consistent with the independent auditor's independence.³ The Committee may delegate to one or more of its members ("Delegates") authority to pre-approve permissible non-audit services to be provided to the Fund. Any pre-approval determination of a Delegate shall be presented to the full Committee at its next meeting. The Committee shall communicate any pre-approval made by it or a Delegate to the Fund's Manager, who will ensure that the appropriate disclosure is made in the Fund's periodic reports required by Section 13(a) of the Securities Exchange Act of 1934, as amended, and other documents as required under the federal securities laws;
3. To recommend new independent auditors, should it prove necessary, subject to ratification by the Board and shareholder approval, if required;

1 ISB Standard No. 1 requires the auditor to annually: (1) disclose to the Committee, in writing, all relationships between the auditor and its related entities and the Fund and its related entities that in the auditor's professional judgment may reasonably be thought to bear on independence; (2) confirm in the letter that, in its professional judgment, it is independent of the Fund within the meaning of the

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

Securities Acts administered by the SEC; and (3) discuss the auditor's independence with the audit committee.

- 2 "Permissible non-audit services" include any professional services, including tax services, provided to the Fund by the independent auditor, other than those provided to the Fund in connection with an audit or a review of the financial statements of the Fund. Permissible non-audit services may not include: (i) bookkeeping or other services related to the accounting records or financial statements of the Fund; (ii) financial information systems design and implementation; (iii) appraisal or valuation services, fairness opinions or contribution-in-kind reports; (iv) actuarial services; (v) internal audit outsourcing services; (vi) management functions or human resources; (vii) broker or dealer, investment adviser or investment banking services; (viii) legal services and expert services unrelated to the audit; and (ix) any other service the Public Company Accounting Oversight Board determines, by regulation, is impermissible.
- 3 Pre-approval by the Committee of any permissible non-audit services is not required so long as: (i) the aggregate amount of all such permissible non-audit services provided to the Fund constitutes not more than 5% of the total amount of revenues paid by the Fund to its auditor during the fiscal year in which the permissible non-audit services are provided; (ii) the permissible non-audit services were not recognized by the Fund at the time of the engagement to be non-audit services; and (iii) such services are promptly brought to the attention of the Committee and approved by the Committee or its Delegate(s) prior to the completion of the audit.

A-3

4. To review, in advance and in consultation with the independent auditor, the staffing of the audit of the Fund's financial statements and obtain from the independent auditors a written representation that they have appointed a lead auditor and/or review partner who has not acted in such capacity for the Fund in each of the Fund's previous five fiscal years;
5. To meet with the Fund's independent auditors, including private meetings, as necessary (i) to review the arrangements for and scope of the annual audit and any special audits, and the fees proposed to be charged in connection with such services, (ii) to discuss any matters of concern relating to the Fund's financial statements, including any adjustments to such statements recommended by the auditors, or other results of said audit(s), including matters required to be discussed by the Statements on Auditing Standards ("SAS") No. 61,4 (iii) to consider the auditors' comments with respect to the Fund's financial policies, procedures and internal accounting controls and management's responses thereto, (iv) to review the form of opinion the auditors propose to render to the Board and shareholders, and (v) to review the performance of the auditor;

8. To review the fees charged by the auditors for audit and permissible non-audit services;
9. To review the Fund's system of internal controls, including (i) the security of tangible and intangible Fund assets and the security of computer systems and facilities; (ii) instances of employee defalcation and violations of the Code of Ethics and other Fund policies and procedures; and (iii) reports from Fund legal counsel with respect to compliance with laws and regulations, significant litigation, and possible impact on financial results;

16. To report its activities to the full Board on a regular basis and to make such recommendations with respect to the above and other matters as the Committee may deem necessary or appropriate.

Other Powers and Responsibilities

1. The Committee normally shall meet in person twice yearly, in June and December, prior to the meetings of the full Board, and may meet at such other time or times as the Committee or Board may determine appropriate or necessary, and is empowered to hold special meetings as circumstances require.
2. Each December, the Committee shall make a report indicating whether the Committee (i) reviewed and discussed the financial statements with management; (ii) discussed the matters required by SAS 61, as modified or supplemented; and (iii) received from the auditors the letter and written disclosure required by ISB Standard No. 1, and discussed with the auditors their independence. 3. The Fund's officers shall provide, or arrange to provide, such information, data and service as the Committee may request. If the Corporation is prohibited from giving a Notice of Special Dividend Period as a result of

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

any of the factors enumerated in clause (x), (y) or (z) of the prior sentence or if the Corporation gives a Notice of Revocation with respect to a Notice of Special Dividend Period for the AMPS, the next succeeding Dividend Period for that series will be a Regular Dividend Period. In addition, in the event Sufficient Clearing bids are not made in the applicable Auction or such Auction is not held for any reason, such next succeeding Dividend Period will be a Regular Dividend Period and the Corporation may not again give a Notice of Special Dividend Period for the AMPS (and any such attempted notice shall be null and void) until Sufficient Clearing Bids have been made in an Auction with respect to a Regular Dividend Period.

(d) (i) Holders shall not be entitled to any dividends, whether payable in cash, property or stock, in excess of full cumulative dividends and applicable late charge, as herein provided, on the shares of AMPS. Except for the late charge payable pursuant to paragraph 3(c)(i) hereof, no interest, or sum of money in lieu of interest, shall be payable in respect of any dividend payment on the shares of AMPS that may be in arrears.

(ii) For so long as any share of AMPS is Outstanding, the Corporation shall not declare, pay or set apart for payment any dividend or other distribution (other than a dividend or distribution paid in shares of, or options, warrants or rights to subscribe for or purchase, Common Stock or other stock, if any, ranking junior to the shares of AMPS as to dividends or upon liquidation) in respect of the Common Stock or any other stock of the Corporation ranking junior to or on a parity with the shares of AMPS as to dividends or upon liquidation, or call for redemption, redeem, purchase or otherwise acquire for consideration any shares of the Common Stock or any other such junior stock (except by conversion into or exchange for stock of the Corporation ranking junior to the shares of AMPS as to dividends and upon liquidation), unless, in each case, immediately thereafter, (A) the AMPS Basic Maintenance Amount would be met, (B) the 1940 Act AMPS Assets Coverage Requirement would be met, (C) all mandatory redemptions of shares of Preferred Stock pursuant to paragraph 5(b) hereof have been completed, and (D) all accumulated and unpaid dividends for all past dividend periods for all Preferred Stock shall have been or are contemporaneously paid in full (or declared and sufficient Deposit Securities have been set apart for their payment). Prior to the payment of any such dividend or other distribution, the Corporation will provide the Auction Agent and the Rating Agencies with an AMPS Basic Maintenance Report (which may be the regular weekly report) and a certificate demonstrating compliance with the foregoing conditions.

(iii) For so long as any shares of AMPS are Outstanding, the Corporation shall not create, incur or suffer to exist, or agree to create, incur or suffer to exist, or consent to cause or permit in the future (upon the happening of a contingency or otherwise) the creation, incurrence or existence of any lien, mortgage, pledge, charge, security interest, security agreement, conditional sale or trust receipt or other material encumbrance of any kind (collectively "Liens") upon any of its Eligible Portfolio Property, except for (A) Liens the validity of which are being contested in good faith by appropriate proceedings, (B) Liens for taxes that are not then due and payable or that can be paid thereafter without penalty, (C) Liens to secure payment for services rendered by the Auction Agent in connection with the AMPS, and (D) Liens otherwise incurred in connection with borrowings made in the ordinary course of

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

policies and restrictions.

(iv) Any dividend payment made on the shares of AMPS shall first be credited against the dividends accumulated with respect to the earliest Dividend Period for which dividends have not been paid.

(v) For so long as the AMPS shall be rated by S&P or Moody's, the Corporation shall not:

(A) issue any other series or class of stock which is senior to the AMPS;

(B) issue any series or class of stock which is on a parity with the shares of AMPS unless it has been advised in writing by the Rating Agencies that such issuance will not adversely affect their respective then-current ratings of the AMPS; or

(C) engage in short sales or reverse repurchase agreements.

(e) Not later than 12:00 noon, New York City time, on the Business Day next preceding each Dividend Payment Date, the Corporation shall deposit with the Paying Agent Deposit Securities constituting immediately available funds in an amount sufficient to pay the dividends that are payable on such Dividend Payment Date. The Corporation may direct the Paying Agent with respect to the investment of any such Deposit Securities, provided that the proceeds of any such investment will be available at the opening of business on such Dividend Payment Date in immediately available funds.

(f) The Board of Directors, or any duly authorized committee thereof, may make or change allocations of income and/or any designation of sources with respect to dividends declared on the AMPS, if, in its sole judgment, it deems it advisable to do so for the purpose of maintaining the qualification of the Corporation as a regulated investment company for federal income tax purposes and/or to avoid tax consequences which, in the sole judgment of the Board of Directors, would be adverse to the Corporation or its shareholders.

4. Liquidation Rights.

(a) In the event of any liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the Holders of shares of AMPS shall be entitled to receive, out of the assets of the Corporation available for distribution to shareholders, before any distribution or payment is made upon any Common Stock or any other capital stock of the Corporation ranking junior to the AMPS as to liquidation payments, the sum of \$25,000 per share, plus an amount equal to all unpaid dividends accumulated to and including the date fixed for such distribution or payment (whether or not earned or declared by the Corporation, but excluding interest thereon), but such Holders shall be entitled to no further participation in any distribution or payment in connection with any such liquidation, dissolution or winding up.

(b) If, upon any such liquidation, dissolution or winding up of the Corporation, whether voluntary or involuntary, the assets of the Corporation available for distribution among the Holders of all Outstanding shares of AMPS shall be insufficient to permit the payment in full of such Holders of the amounts to which they are entitled, then such available assets shall be distributed among the Holders of shares of Preferred Stock, including the AMPS, ratably in any such distribution of assets

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

according to the respective amounts which would be payable on all such shares if all amounts thereon were paid in full.

(c) Neither the consolidation or merger of the Corporation with or into any other corporation or entity, nor the sale, lease or exchange by the Corporation of all, substantially all, or any part of the property or assets of the Corporation, shall be deemed or construed to be a voluntary or involuntary liquidation, dissolution or winding up of the Corporation for purposes of this paragraph 4.

5. Redemption.

Shares of the AMPS shall be redeemable by the Corporation as provided below:

(a) To the extent permitted under the Investment Company Act and Maryland law, the Corporation at its option, upon filing with the Commission, mailing and publishing a Notice of Redemption as described in paragraph 5(e) hereof, may redeem shares of AMPS, in whole or in part, on the next succeeding scheduled Dividend Payment Dates for those shares of AMPS called for redemption, out of funds legally available therefor, at the Optional Redemption Price per share, provided that no share of AMPS may be redeemed at the option of the Corporation during a Non-Call Period to which such share is subject. The Corporation may not give a Notice of Redemption relating to an optional redemption as described in this paragraph 5 unless, at the time of giving such Notice of Redemption, the Corporation has available Deposit Securities with maturity or tender dates not later than the day preceding the applicable redemption date and having a value not less than the amount due to Holders of shares of AMPS by reason of the redemption of their shares on such redemption date.

(b) The Corporation shall redeem, out of funds legally available therefor, at the Mandatory Redemption Price, shares of AMPS to the extent permitted under the Investment Company Act and Maryland law, on a date fixed by the Board of Directors applicable to those shares of AMPS called for redemption, if the Corporation fails to maintain the AMPS Basic Maintenance Amount or 1940 Act AMPS Asset Coverage Requirement, as the case may be, and such failure is not cured on or before the AMPS Basic Maintenance Cure Date or the 1940 Act Cure Date (hereinafter respectively referred to as a "Cure Date"), as the case may be, as reflected in an AMPS Basic Maintenance Report delivered to the Auction Agent and the Rating Agencies and confirmed by the Corporation's Independent Accountants. The number of shares of AMPS to be redeemed shall be equal to the lesser of (i) the minimum number of shares of AMPS the redemption of which, if deemed to have occurred immediately prior to the opening of business on the Cure Date, together with all shares of other Preferred Stock subject to redemption or retirement, would result in the satisfaction of the AMPS Basic Maintenance Amount or the 1940 Act AMPS Asset Coverage Requirement, as the case may be, on such Cure Date (provided that, if there is no such minimum number of shares of AMPS and shares of other Preferred Stock the redemption of which would have such result, all shares of AMPS together with all shares of other Preferred Stock subject to redemption or retirement then Outstanding shall be redeemed), and (ii) the maximum number of shares of AMPS, together with all shares of other Preferred Stock subject to redemption or retirement, that can be redeemed out of funds expected to be legally available therefor on such redemption date. In determining the number of shares of AMPS required to be redeemed in accordance with the foregoing, the Corporation shall allocate the amount required to be redeemed which would result in the achievement of (x) the 1940 Act AMPS Asset Coverage Requirement, and (y) the AMPS Basic Maintenance Amount, pro rata, among the AMPS and any other Preferred Stock, subject to redemption pursuant to provisions similar to those contained in this paragraph 5(b); provided that, shares of AMPS which may not be redeemed at the option of the Corporation due to the designation of a Non-Call Period applicable to such shares (A) will be subject

to mandatory redemption only to the extent that other shares are not available to satisfy the number of shares required to be redeemed and (B) will be selected for redemption in an ascending order of outstanding number of days in the Non-Call Period (with shares with the lowest number of days to be redeemed first) and by lot in the event of shares having an equal number of days in such Non-Call Period. The Corporation shall effect such redemption on a Business Day which is not later than 30 days after such Cure Date, except that if the Corporation does not have funds legally available for the redemption of all of the required number of shares of AMPS and shares of other Preferred Stock which are subject to mandatory redemption or the Corporation otherwise is unable to effect such redemption on or prior to such 30th day after such Cure Date, the Corporation shall redeem those shares of AMPS which it is unable to redeem on the earliest practicable date on which it is able to effect such redemption out of funds legally available therefor.

(c) Notwithstanding any other provision of this paragraph 5, no shares of AMPS may be redeemed other than as specified below, unless (i) all accumulated and unpaid dividends on all Outstanding shares of AMPS and all remaining Outstanding shares of other Preferred Stock for all past dividend periods shall have been or are contemporaneously paid or declared and Deposit Securities maturing on or prior to the date fixed for redemption are set apart for the payment of such dividends and (ii) if redemption thereof would result in the Corporation's failure to maintain the 1940 Act AMPS Asset Coverage Requirement and the AMPS Basic Maintenance Amount; provided, however, that the Corporation without regard to such limitations, (x) may redeem, purchase or otherwise acquire shares of AMPS (A) with other Preferred Stock as a whole, pursuant to an optional redemption or (B) pursuant to a purchase or exchange offer made for all of the Outstanding shares of AMPS and other Preferred Stock, and (y) shall redeem, purchase or otherwise acquire shares of AMPS with other Preferred Stock as a whole if required pursuant to a mandatory redemption, to the extent permitted under the Investment Company Act, Maryland law and the Articles of Incorporation. In the event that less than all the outstanding shares of AMPS are to be redeemed and there is more than one Holder, the shares of AMPS to be redeemed shall be selected by lot, on a pro rata basis, or in such other manner as will not discriminate unfairly against any record holder of shares of such AMPS.

(d) So long as the AMPS shall be rated by Moody's, the Corporation shall, by the fifth Business Day after a Failure to Cure, be required to hold an amount, composed of Cash or any other asset constituting Eligible Portfolio Property which has a Moody's Discount Factor as of such fifth Business Day of 1.000 and which matures prior to the date set for redemption which has an aggregate Discounted Value at least equal to the redemption payment for the shares of AMPS to be redeemed; provided, however, that this obligation may be satisfied by depositing Cash in trust as contemplated by paragraph 5(f) below; and provided further that the Corporation shall sell assets prior to such fifth Business Day if necessary to meet the requirements of this paragraph (d), it being understood that in no event shall it sell any asset prior to maturity which had a Moody's Discount Factor of 1.000 measured as of the last Valuation Date on which the AMPS Basic Maintenance Amount was met if it would be necessary to utilize such asset in order to make any redemption payment contemplated by this paragraph 5.

(e) Whenever shares of AMPS are to be redeemed, the Corporation shall, not less than five nor more than 30 days prior to the applicable redemption date, file with the Commission as required under the Investment Company Act, a written notice of redemption (a "Notice of Redemption"). The Notice of Redemption shall

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

be (i) mailed by first-class mail, postage prepaid or sent by facsimile transmission, to each Holder of shares of AMPS to be redeemed, and (ii) published by the Corporation in an Authorized Newspaper, not fewer than 15 nor more than 20 days prior to such redemption date. Not fewer than five nor more than 10 days before such mailing date, the Corporation shall mail the

42

Notice of Redemption to the Paying Agent. Each Notice of Redemption shall state (A) the series of AMPS or other Preferred Stock to be redeemed, (B) the redemption date, (C) the redemption price, (D) the place or places where such AMPS are to be surrendered for payment of the redemption price, (E) that dividends on the shares to be redeemed will cease to accumulate on such redemption date, (F) the provision of these Articles Supplementary under which the redemption is being made, (G) if less than all the Outstanding shares of AMPS are to be redeemed, the number of shares to be redeemed and the basis upon which the shares to be redeemed are to be selected, and (H) the CUSIP number or numbers of the shares to be redeemed. No defect in the Notice of Redemption or in the mailing or publication thereof shall affect the validity of the redemption proceedings, except as required by applicable law.

(f) If the Corporation shall give a Notice of Redemption, then by 12:00 noon, New York City time, on the Business Day next preceding the date fixed for redemption the Corporation shall deposit with the Paying Agent Deposit Securities constituting immediately available funds in an amount sufficient to redeem the shares of AMPS to be redeemed. In such event the Corporation shall give the Paying Agent irrevocable instructions and authority to pay the redemption price to the Holders of the shares of AMPS called for redemption upon the redemption date. The Corporation may direct the Paying Agent with respect to the investment of any Deposit Securities so deposited provided that the proceeds of any such investment will be available at the opening of business on such redemption date. The Deposit Securities deposited with the Paying Agent pursuant to the immediately preceding sentence and the shares of AMPS to be redeemed and funds deposited with a paying agent with irrevocable instructions to pay the redemption price with respect to any other shares of Preferred Stock for which a notice of redemption has been duly given shall be excluded from the calculation of the AMPS Basic Maintenance Amount, the 1940 Act AMPS Asset Coverage Ratio, and the 1940 Act AMPS Asset Coverage Requirement. Upon the date of such deposit, or if no such deposit is made, then upon such date fixed for redemption (unless the Corporation shall default in making payment of the redemption price), all rights of the Holders of the shares of AMPS so called for redemption shall cease and terminate except the right of the Holders thereof to receive the redemption price thereof inclusive of accumulated but unpaid dividends, but without any interest, and such shares shall no longer be deemed Outstanding for any purpose. The Corporation shall be entitled to receive, promptly after the date fixed for redemption, any cash in excess of the aggregate redemption price of the shares of AMPS called for redemption on such date and any remaining Deposit Securities. Any assets so deposited which are unclaimed at the end of one year from such redemption date shall, to the extent permitted by law, be repaid to the Corporation, after which the Holders of the shares of AMPS so called for redemption shall look only to the Corporation for payment thereof. The Corporation shall be entitled to receive, from time to time after the date fixed for redemption, any interest on the Deposit Securities so deposited.

(g) Shares of AMPS that have been redeemed, purchased or otherwise acquired by the Corporation may not be reissued, shall not be deemed Outstanding, and shall be retired and cancelled.

(h) In addition to redemption rights expressly established under these Articles Supplementary, the Corporation may repurchase shares of AMPS to the

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

extent now or hereafter permitted by the laws of the State of Maryland and by the Investment Company Act.

(i) If the Corporation shall not have funds legally available for the redemption of all the shares of the AMPS to be redeemed on any redemption date (or is otherwise legally unable to effect such redemption), the Corporation shall redeem on such redemption date the number of shares of AMPS as it shall be legally able to redeem, ratably from each Existing Holder whose shares are to be

43

redeemed and the remainder of the shares of the AMPS required to be redeemed shall be redeemed, as provided in paragraph 5(b) above.

6. Voting Rights.

(a) General. Each holder of AMPS shall be entitled to one vote for each share held on each matter on which the holders of the AMPS are entitled to vote and, except as otherwise provided in the Articles of Incorporation, the By-Laws, these Articles Supplementary or by law, the holders of the AMPS and the Common Stock shall vote together as one class on all matters submitted to the shareholders; provided, however, that at any meeting of shareholders of the Corporation at which directors are to be elected, the holders of Preferred Stock of all series, voting separately as a single class, shall be entitled to elect two members of the Board of Directors, and the holders of Common Stock, voting separately as a single class, shall be entitled to elect the balance of the members of the Board of Directors.

(b) Right to Elect Majority of Board of Directors.

(i) During any period in which (A) dividends on any Outstanding Preferred Stock of any series shall be due and unpaid in an amount equal to two full years' dividends; or (B) the Corporation fails to redeem any shares of Preferred Stock that are required to be redeemed pursuant to paragraph 5(b) above or that would have been so redeemed but for the requirement that redemption be made out of legally available funds, or (C) holders of any other shares of Preferred Stock are entitled to elect a majority of the directors of the Corporation (the "Voting Period"), the number of directors constituting the Board of Directors shall automatically be increased by the smallest number that, when added to the two directors elected by the holders of Preferred Stock pursuant to paragraph 6(a) above, will constitute a majority of the total number of directors so increased; and at a special meeting of shareholders, which shall be called and held as soon as practicable, and at all subsequent meetings at which directors are to be elected, the holders of Preferred Stock of all series voting separately as a single class shall be entitled to elect the smallest number of additional directors of the Corporation who, together with the two directors elected by the holders of Preferred Stock pursuant to paragraph 6(a) above, will constitute a majority of the total number of directors of the Corporation so increased. The terms of office of the persons who are directors at the time of that election shall continue.

(ii) If the Corporation thereafter shall pay, or declare and set apart for payment, in full all dividends payable on all Outstanding shares of Preferred Stock of all series for all past dividend periods and if the Corporation has remedied any failure to redeem shares of Preferred Stock that are required to be redeemed pursuant to paragraph 5(b) above, and holders of no other series of Preferred Stock are entitled to elect a majority of the directors of the Corporation, the Voting Period and the voting rights stated in this paragraph 6(b) shall cease, and the terms of

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

office of all additional directors elected by the holders of Preferred Stock (but not of the directors elected by the holders of Common Stock or the two directors regularly elected by the holders of Preferred Stock as provided in paragraph 6(a)) shall terminate automatically, subject always, however, to the revesting of such voting rights in the holders of shares of Preferred Stock upon the further occurrence of any of the events described in clauses (A), (B) or (C) of paragraph 6(b)(i).

(c) Voting Procedures.

44

(i) As soon as practicable after the accrual of any right of the holders of shares of Preferred Stock to elect directors pursuant to paragraph 6(b), the Corporation shall call a special meeting of, and mail a notice to, such holders of shares of Preferred Stock. Such special meeting shall be held not less than 10 nor more than 80 days after the date of mailing of such notice. If the Corporation fails to send such notice, the meeting may be called by any holder of shares of Preferred Stock on like notice. The record date for determining the holders of shares of Preferred Stock entitled to notice of and to vote at such special meeting shall be the close of business on the fifth Business Day preceding the day on which such notice is given. At any such special meeting and at each meeting at which directors are elected held during a Voting Period, the holders of shares of Preferred Stock, voting together as a class (to the exclusion of the holders of shares of Common Stock), shall be entitled to elect the number of directors prescribed in paragraph 6(b) above on a one-vote-per-share basis. At any such meeting or adjournment thereof in the absence of a quorum, a majority of the holders of shares of Preferred Stock, present in person or by proxy or any officer of the Corporation present entitled to preside or act as Secretary of such meeting shall have the power to adjourn the meeting without further notice to a date not more than 120 days after the original record date for such meeting.

(ii) For purposes of determining any rights of the holders of shares of Preferred Stock to vote on any matter, whether such right is created by the Articles of Incorporation, these Articles Supplementary, by statute or otherwise, only Holders of shares of Outstanding Preferred Stock shall be entitled to vote.

(iii) The directors elected by the holders of shares of Preferred Stock pursuant to paragraph 6(b) shall (subject to the provisions of any applicable law) be subject to removal only by the vote of the holders of two-thirds of the shares of Preferred Stock Outstanding. Any vacancy on the Board of Directors occurring by reason of such removal or otherwise (in the case of directors subject to election by the holders of shares of Preferred Stock) may be filled only by a majority of the remaining directors (or the remaining director) who were elected by the holders of shares of Preferred Stock. If no such directors remain after such removal, such vacancy may be filled only by the vote of the holders of at least two-thirds of the shares of Preferred Stock Outstanding. Any other vacancy on the Board of Directors during a Voting Period shall be filled as provided in the Corporation's Articles of Incorporation or By-Laws.

(iv) At any time when the holders of shares of Preferred Stock become entitled to elect additional directors pursuant to paragraph 6(b), the maximum number of directors fixed by the By-Laws of the Corporation or otherwise shall automatically be increased by the number of such additional directors if required; and at such time as the holders of shares of Preferred Stock shall no longer be entitled to elect directors pursuant to

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

paragraph 6(b), such exact number shall automatically be decreased by the number by which they were increased by reason of this provision.

(d) Corporate Acts. So long as any shares of AMPS are Outstanding, the Corporation shall not, without the affirmative vote of the holders of a majority of the shares of Preferred Stock Outstanding at the time, voting separately as one class: (i) authorize, create or issue, or increase the authorized or issued amount of, any class or series of stock ranking prior to or on a parity with any series of Preferred Stock with respect to payment of dividends or the distribution of assets on liquidation, other than the authorization, creation or issuance of other series of AMPS or increase the authorized amount of AMPS or any other Preferred Stock, (ii) amend, alter or repeal the provisions of

45

the Articles of Incorporation so as to materially and adversely affect any of the contract rights expressly set forth in the Articles of Incorporation of holders of shares of AMPS or any other Preferred Stock, or (iii) create, authorize, issue, incur or suffer to exist any indebtedness for borrowed money or any direct or indirect guarantee of any such indebtedness, provided, however, that the Corporation may authorize the issuance of indebtedness for borrowed money, for temporary or emergency purposes or for the clearance of transactions, in an aggregate amount not to exceed the lesser of \$10,000,000 or 10% of the aggregate liquidation preference of the shares of AMPS Outstanding at any one time without any such consent or approval, provided that, with or without the consent or approval of the holders, such action would not result in the lowering of the then-current rating of the shares of AMPS by the Rating Agencies (as evidenced in writing by the Rating Agencies); provided that any increase in the amount of the authorized AMPS or the creation and issuance of other series of Preferred Stock, or any increase in the amount of authorized shares of such series or of any other series of Preferred Stock, in each case ranking on a parity with or junior to the AMPS will not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers unless such issuance would cause the Corporation not to satisfy the 1940 Act AMPS Asset Coverage Requirement or the AMPS Basic Maintenance Amount. To the extent permitted under the Investment Company Act, in the event shares of more than one series of AMPS are outstanding, the Corporation shall not approve any of the actions set forth in clause (i) or (ii) which materially and adversely affects the contract rights expressly set forth in the Articles of Incorporation of a Holder of shares of a series of AMPS differently than those of a Holder of shares of any other series of AMPS without the affirmative vote of the holders of at least a majority of the shares of AMPS of each series adversely affected and outstanding at such time (each such adversely affected series voting separately as a class). Unless a higher percentage is provided for under the Articles of Incorporation, the affirmative vote of the holders of a majority of the Outstanding shares of Preferred Stock, including AMPS, voting together as a single class, will be required to approve any plan of reorganization (including bankruptcy proceedings) adversely affecting such shares or any action requiring a vote of security holders under Section 13(a) of the Investment Company Act. The class vote of holders of shares of Preferred Stock, including AMPS, described above will, in each case, be in addition to a separate vote of the requisite percentage of shares of Common Stock and shares of Preferred Stock, including AMPS, voting together as a single class necessary to authorize the action in question.

The foregoing voting provisions shall not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required shall be effected, all Outstanding shares of AMPS shall have been redeemed or called for redemption and sufficient funds shall have been deposited in trust to effect such redemption.

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

(e) Exclusive Remedy. Unless otherwise required by law, the Holders shall not have any relative rights or preferences or other special rights other than those specifically set forth herein. In the event that the Corporation fails to pay any dividends on the shares of AMPS or the Corporation fails to redeem any shares of AMPS which it is required to redeem, or any other event occurs which requires the mandatory redemption of AMPS and the required Notice of Redemption has not been given, the exclusive remedy of the Holders shall be the right to vote for directors pursuant to the provisions of this paragraph 6. In no event shall the Holders have any right to sue for, or bring a proceeding with respect to, such dividends or redemptions or damages for the failure to receive the same.

(f) Notification to Rating Agencies. In the event a vote of Holders of AMPS is required pursuant to the provisions of Section 13(a) of the Investment Company Act, the Corporation shall, not later than ten Business Days prior to the date on which such vote is to

46

be taken, notify the Rating Agencies that such vote is to be taken and the nature of the action with respect to which such vote is to be taken and, not later than ten Business Days after the vote is taken, notify S&P and Moody's of the result of such vote.

7. Asset Coverage.

(a) 1940 Act AMPS Asset Coverage Requirement.

The Corporation shall maintain, as of the last Valuation Date of each month in which any share of AMPS is Outstanding, the 1940 Act AMPS Asset Coverage Requirement. The calculation of the 1940 Act AMPS Asset Coverage Ratio shall be included in each AMPS Basic Maintenance Report.

(b) AMPS Basic Maintenance Amount.

(i) For so long as any shares of AMPS are Outstanding, the Corporation will maintain, on each Valuation Date, as evidenced by the completion of an AMPS Basic Maintenance Report, Eligible Portfolio Property having an aggregate Discounted Value at least equal to the AMPS Basic Maintenance Amount, each as of such Valuation Date. Upon any failure to maintain the AMPS Basic Maintenance Amount, the Corporation will use its best efforts to alter the composition of its portfolio so as to satisfy such test on or prior to the AMPS Basic Maintenance Cure Date.

(ii) On or before 10:00 A.M., New York City time, on the fourth Business Day after (A) the Date of Original Issuance, (B) each Quarterly Surprise Valuation Date thereafter, (C) any Valuation Date on which the Corporation shall fail to meet the AMPS Basic Maintenance Amount, (D) any Valuation Date on which it cures its failure to satisfy the AMPS Basic Maintenance Amount, (E) any Valuation Date on which it fails to meet the AMPS Basic Maintenance Amount by 25% or more, or (F) any Valuation Date as may be specified by S&P, the Corporation shall complete and deliver to Moody's and S&P and the Auction Agent, in the case of clauses (A) and (B) and to the relevant Rating Agency, in the case of clauses (C) - (F), an AMPS Basic Maintenance Report as of the relevant Valuation Date. All such AMPS Basic Maintenance Reports shall be deemed to have been delivered to Moody's, S&P or the Auction Agent upon receipt of a copy or telecopy or other electronic transcription thereof if on the same day the Corporation mails the AMPS Basic Maintenance Report for delivery on the next possible

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

Business Day. A failure by the Corporation to deliver an AMPS Basic Maintenance Report as contemplated by this paragraph 7(b)(ii) shall be deemed to be delivery of an AMPS Basic Maintenance Report indicating a failure to satisfy the AMPS Basic Maintenance Amount.

(iii) Within seven Business Days after the required date of delivery of the initial AMPS Basic Maintenance Report or any AMPS Basic Maintenance Report delivered with respect to a Quarterly Surprise Valuation Date in accordance with paragraph 7(b)(ii) above, the Corporation shall deliver to the Auction Agent and the Rating Agencies a report or reports (the "Accountant's Confirmation") reviewing the portfolio calculations, prepared by the Corporation's Independent Accountants, relating to such AMPS Basic Maintenance Report substantially to the effect that (A) the Independent Accountants have read such AMPS Basic Maintenance Reports (each, a "Report"); (B) with respect to the 1940 Act AMPS Asset Coverage Ratio and the AMPS Basic Maintenance Amount, the result of the calculations set forth in each Report have been recalculated and are numerically correct; (C) with respect to the excess or deficiency of the aggregate Discounted Value of the Eligible Portfolio Property

47

amount when compared to the AMPS Basic Maintenance Amount, the results of the calculation set forth in each Report have been recalculated and are numerically correct; (D) with respect to (x) any trade price, bid or mean price (or such alternative permissible factor used in calculating the Market Value) provided to the Corporation for purposes of valuing securities in the Corporation's portfolio, the Independent Accountant has compared the price used in such Report to the trade price, the bid or mean price listed in such Report as provided to the Corporation and verified that such information agrees; (y) with respect to the lower of two bid prices provided to the Corporation for purposes of valuing securities in the portfolio, the Independent Accountants have compared the price used in each Report with the lower of the two bid prices listed in the Report and verified that such information agrees (in the event such information does not agree, the Independent Accountants will provide a listing in their report of such differences); and (E) that the assets listed in each Report conform with the definition of Eligible Portfolio Property. If any letter reviewing the portfolio calculations delivered pursuant to this paragraph shows that an error was made in an AMPS Basic Maintenance Report for a particular Valuation Date for which such Accountant's Confirmation was required to be delivered or shows that a lower aggregate Discounted Value for the aggregate of all Eligible Portfolio Property was determined by the Independent Accountants, the calculation or determination made by such Independent Accountants shall be final and conclusive and shall be binding on the Corporation, and the Corporation shall promptly amend the AMPS Basic Maintenance Report and deliver the amended AMPS Basic Maintenance Report to the Auction Agent, S&P and Moody's.

(iv) For so long as shares of AMPS are rated by Moody's, in managing the Corporation's portfolio, the Investment Manager will not alter the composition of the Corporation's portfolio if, in the reasonable belief of the Investment Manager, the effect of any such alteration would be to cause the Corporation to have Eligible Portfolio Property with an aggregate Discounted Value, as of the immediately preceding Valuation Date, less than the AMPS Basic Maintenance Amount as of such Valuation Date; provided, however, that in the event that, as of the immediately preceding Valuation Date, the aggregate Discounted Value of Eligible Portfolio Property exceeded the AMPS Basic Maintenance Amount by 25% or less, the Investment Manager will not alter the composition of the Corporation's portfolio in a

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

manner reasonably expected to reduce the aggregate Discounted Value of Eligible Portfolio Property unless the Corporation shall have confirmed that, after giving effect to such alteration, the aggregate Discounted Value of Eligible Portfolio Property would exceed the AMPS Basic Maintenance Amount.

(c) Calculation of AMPS Basic Maintenance Amount; Accounting Treatment.

(i) Eligible Portfolio Property of the Corporation shall be determined on an accrual basis in accordance with customary practice under which Eligible Portfolio Property purchased and not yet received are so reflected as Eligible Portfolio Property.

(ii) Dividends on the Common Stock which are payable in Common Stock shall, after the effective date of any election by a holder of Common Stock to receive such dividend, be excluded from current liabilities.

(iii) Withholding taxes with respect to interest earned on any asset of the Corporation if such interest is not included in Eligible Portfolio Property, shall be excluded from current liabilities.

48

(iv) With respect to Eligible Portfolio Property sold by the Corporation as of or prior to the Valuation Date, the Market Value of such property will be reflected in Eligible Portfolio Property and will be discounted at the appropriate Discount Factor, provided, however, that if the determination is being made by Moody's, the sales price of such property will be reflected as Cash or Australian Currency, Canadian Currency or United Kingdom Currency, as appropriate, to the extent that such receivable is due and payable within five Business Days (determined as for a Valuation Date) and trades generating the receivable are (A) settled through clearing house firms with respect to which the issuer has received prior authorization from Moody's or (B) with counterparties having a long term rating by Moody's of at least Baa3 and if the determination is being made for S&P, the sales price of such property will be reflected in Cash or Australian Currency, Canadian Currency or United Kingdom Currency, as appropriate, to the extent that such receivable is due and payable within five Business Days (determined as for a Valuation Date).

(d) Other Permitted Assets.

(i) In addition to Eligible Portfolio Property, the Corporation may own Other Permitted Assets and may also own other securities, if the inclusion of any such type of other securities is deemed by the Board of Directors to be in the best interest of the Corporation.

(ii) Other Permitted Assets and such other securities may be included in Eligible Portfolio Property if the Rating Agencies have advised the Corporation in writing that the inclusion of such Other Permitted Assets or other securities in Eligible Portfolio Property would not adversely affect their respective then-current ratings of the shares of AMPS.

(iii) The Fund may engage in transactions in Derivatives, subject to any limitations imposed by the Rating Agencies. Derivatives may be included in a Rating Agency's Eligible Portfolio Property if such Rating Agency has advised the Corporation in writing that the inclusion of such assets or securities in Eligible Portfolio Property would not adversely affect its respective then-current ratings of the shares of AMPS. With

respect to options, the Fund may purchase and sell (write) options, subject to any limitations imposed by the Rating Agencies.

8. Auction Procedures.

(a) Certain Definitions.

As used in this paragraph 8, the following terms shall have the following meanings, unless the context otherwise requires:

- (i) "AMPS" shall mean the shares of AMPS being auctioned pursuant to this paragraph 8.
- (ii) "Auction Date" shall mean the first Business Day preceding the first day of a Dividend Period.
- (iii) "Available AMPS" shall have the meaning specified in paragraph 8(d) (i) below.
- (iv) "Bid" shall have the meaning specified in paragraph 8(b) (i) below.

49

- (v) "Bidder" shall have the meaning specified in paragraph 8(b) (i) below.

- (vi) "Hold Order" shall have the meaning specified in paragraph 8(b) (i) below.

- (vii) "Maximum Applicable Rate" for any Dividend Period will be the greater of (A) the Applicable Percentage of the Reference Rate on the date of such Auction or (B) the Applicable Spread plus the Reference Rate on the date of such Auction. The Applicable Percentage and the Applicable Spread will be determined as set forth below based on the lower of the credit rating or ratings assigned on such date to the AMPS by Moody's and S&P (or if Moody's or S&P or both shall not make such rating available, the equivalent of either or both of such ratings by a Substitute Rating Agency or two Substitute Rating Agencies or, in the event that only one such rating shall be available, the percentage will be based on such rating).

Credit Ratings		Applicable Percentage of Reference Rate	Applicable Spread Reference
Moody's	S&P		
"aa3" or higher	AA- or higher	200%	200 bp
"a3" to "a1"	A- to A+	210%	210 bp
"baa3" to "baa1"	BBB- to BBB+	300%	300 bp
Below "baa3"	Below BBB-	325%	325 bp

The Corporation shall take all reasonable action necessary to enable S&P and Moody's to provide a rating for the AMPS. If either S&P or Moody's shall not make such a rating available, or if neither S&P nor Moody's shall make such a rating available, Merrill Lynch, Pierce, Fenner & Smith Incorporated or its affiliates and successors, after consultation with the Corporation, shall select a nationally recognized statistical rating

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

organization or two nationally recognized statistical rating organizations to act as a Substitute Rating Agency or Substitute Rating Agencies, as the case may be.

(viii) "Order" shall have the meaning specified in paragraph 8(b) (i) below.

(ix) "Sell Order" shall have the meaning specified in paragraph 8(b) (i) below.

(x) "Submission Deadline" shall mean 1:00 P.M., New York City time, on any Auction Date or such other time on any Auction Date as may be specified by the Auction Agent from time to time as the time by which each Broker-Dealer must submit to the Auction Agent in writing all Orders obtained by it for the Auction to be conducted on such Auction Date.

(xi) "Submitted Bid" shall have the meaning specified in paragraph 8(d) (i) below.

(xii) "Submitted Hold Order" shall have the meaning specified in paragraph 8(d) (i) below.

(xiii) "Submitted Order" shall have the meaning specified in paragraph 8(d) (i) below.

(xiv) "Submitted Sell Order" shall have the meaning specified in paragraph 8(d) (i) below.

50

(xv) "Sufficient Clearing Bids" shall have the meaning specified in paragraph 8(d) (i) below.

(xvi) "Winning Bid Rate" shall have the meaning specified in paragraph 8(d) (i) below.

(b) Orders by Beneficial Owners, Potential Beneficial Owners, Existing Holders and Potential Holders.

(i) Unless otherwise permitted by the Corporation, Beneficial Owners and Potential Beneficial Owners may only participate in Auctions through their Broker-Dealers. Broker-Dealers will submit the Orders of their respective customers who are Beneficial Owners and Potential Beneficial Owners to the Auction Agent, designating themselves as Existing Holders in respect of shares subject to Orders submitted or deemed submitted to them by Beneficial Owners and as Potential Holders in respect of shares subject to Orders submitted to them by Potential Beneficial Owners. A Broker-Dealer may also hold shares of AMPS in its own account as a Beneficial Owner. A Broker-Dealer may thus submit Orders to the Auction Agent as a Beneficial Owner or a Potential Beneficial Owner and therefore participate in an Auction as an Existing Holder or Potential Holder on behalf of both itself and its customers. On or prior to the Submission Deadline on each Auction Date:

(A) each Beneficial Owner may submit to its Broker-Dealer information as to:

(1) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner desires to continue to hold without regard to the Applicable

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

Rate for the next succeeding Dividend Period;

(2) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner desires to continue to hold, provided that the Applicable Rate for the next succeeding Dividend Period shall not be less than the rate per annum specified by such Beneficial Owner; and/or

(3) the number of Outstanding shares, if any, of AMPS held by such Beneficial Owner which such Beneficial Owner offers to sell without regard to the Applicable Rate for the next succeeding Dividend Period; and

(B) each Broker-Dealer, using a list of Potential Beneficial Owners that shall be maintained in good faith for the purpose of conducting a competitive Auction, shall contact Potential Beneficial Owners, including Persons that are not Beneficial Owners, on such list to determine the number of Outstanding shares, if any, of AMPS which each such Potential Beneficial Owner offers to purchase, provided that the Applicable Rate for the next succeeding Dividend Period shall not be less than the rate per annum specified by such Potential Beneficial Owner.

For the purposes hereof, the communications by a Beneficial Owner or Potential Beneficial Owner to a Broker-Dealer, or the communication by a Broker-Dealer acting for its own account to the Auction Agent, or the communications by a Broker-Dealer on behalf of a Beneficial Owner or Potential Beneficial Owner to the Auction Agent, of information referred to in clause (A) or (B) of this paragraph 8(b)(i) is hereinafter

51

referred to as an "Order" and each Beneficial Owner and each Potential Beneficial Owner placing an Order, including a Broker-Dealer acting in such capacity for its own account and each Broker-Dealer placing an Order on behalf of a Beneficial Owner or Potential Beneficial Owner, is hereinafter referred to as a "Bidder"; an Order containing the information referred to in clause (A)(1) of this paragraph 8(b)(i) or clause (C) of paragraph 8(b)(ii) is hereinafter referred to as a "Hold Order"; an Order containing the information referred to in clause (A)(2) or (B) of this paragraph 8(b)(i) is hereinafter referred to as a "Bid;" and an Order containing the information referred to in clause (A)(3) of this paragraph 8(b)(i) is hereinafter referred to as a "Sell Order." Inasmuch as a Broker-Dealer participates in an Auction as an Existing Holder or a Potential Holder only to represent the interests of a Beneficial Owner or Potential Beneficial Owner, whether it be its customers or itself, all discussion herein relating to the consequences of an Auction for Existing Holders and Potential Holders also applies to the underlying beneficial ownership interests represented.

(ii) (A) A Bid by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the number of Outstanding shares of AMPS specified in such Bid if the Applicable Rate determined on such Auction Date shall be less than the rate per annum specified in such Bid; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(i)(D) if the Applicable Rate determined on such Auction Date shall be equal to the rate per annum specified therein; or

(3) a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(ii)(C) if such specified rate per annum shall be higher than the Maximum Applicable Rate and Sufficient Clearing Bids do not exist.

(B) A Sell Order by an Existing Holder shall constitute an irrevocable offer to sell:

(1) the number of Outstanding shares of AMPS specified in such Sell Order; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(ii)(C) if Sufficient Clearing Bids do not exist.

(C) A Bid by a Potential Holder shall constitute an irrevocable offer to purchase:

(1) the number of Outstanding shares of AMPS specified in such Bid if the Applicable Rate determined on such Auction Date shall be higher than the rate per annum specified in such Bid; or

(2) such number or a lesser number of Outstanding shares of AMPS to be determined as set forth in paragraph 8(e)(i)(E) if the Applicable Rate

52

determined on such Auction Date shall be equal to the rate per annum specified therein.

(c) Submissions of Orders by Broker-Dealers to Auction Agent.

(i) Each Broker-Dealer shall submit in writing or through the Auction Agent's Auction Processing System to the Auction Agent prior to the Submission Deadline on each Auction Date all Orders obtained by such Broker-Dealer, designating itself (unless otherwise permitted by the Corporation) as an Existing Holder in respect of shares subject to Orders submitted or deemed submitted to it by Beneficial Owners and as a Potential Holder in respect of shares subject to Orders submitted to it by Potential Beneficial Owners, and specifying with respect to each Order:

(A) the name of the Bidder placing such Order (which shall be the Broker-Dealer unless otherwise permitted by the Corporation);

(B) the aggregate number of Outstanding shares of AMPS that are the subject of such Order;

(C) to the extent that such Bidder is an Existing Holder:

(1) the number of Outstanding shares, if any, of AMPS subject to any Hold Order placed by such Existing Holder;

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

(2) the number of Outstanding shares, if any, of AMPS subject to any Bid placed by such Existing Holder and the rate per annum specified in such Bid; and

(3) the number of Outstanding shares, if any, of AMPS subject to any Sell Order placed by such Existing Holder; and

(D) to the extent such Bidder is a Potential Holder, the rate per annum specified in such Potential Holder's Bid.

(ii) If any rate per annum specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one-thousandth (.001) of 1%.

(iii) If an Order or Orders covering all of the Outstanding shares of AMPS held by an Existing Holder are not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order (in the case of an Auction relating to a Dividend Period which is not a Special Dividend Period) and a Sell Order (in the case of an Auction relating to a Special Dividend Period) to have been submitted on behalf of such Existing Holder covering the number of Outstanding shares of AMPS held by such Existing Holder and not subject to Orders submitted to the Auction Agent.

(iv) If one or more Orders on behalf of an Existing Holder covering in the aggregate more than the number of Outstanding shares of AMPS held by such Existing Holder are submitted to the Auction Agent, such Orders shall be considered valid as follows and in the following order of priority:

53

(A) any Hold Order submitted on behalf of such Existing Holder shall be considered valid up to and including the number of Outstanding shares of AMPS held by such Existing Holder; provided that if more than one Hold Order is submitted on behalf of such Existing Holder and the number of shares of AMPS subject to such Hold Orders exceeds the number of Outstanding shares of AMPS held by such Existing Holder, the number of shares of AMPS subject to each of such Hold Orders shall be reduced pro rata so that such Hold Orders, in the aggregate, will cover exactly the number of Outstanding shares of AMPS held by such Existing Holder;

(B) any Bids submitted on behalf of such Existing Holder shall be considered valid, in the ascending order of their respective rates per annum if more than one Bid is submitted on behalf of such Existing Holder, up to and including the excess of the number of Outstanding shares of AMPS held by such Existing Holder over the number of shares of AMPS subject to any Hold Order referred to in paragraph 8(c)(iv)(A) above (and if more than one Bid submitted on behalf of such Existing Holder specifies the same rate per annum and together they cover more than the remaining number of shares that can be the subject of valid Bids after application of paragraph 8(c)(iv)(A) above and of the foregoing portion of this paragraph 8(c)(iv)(B) to any Bid or Bids specifying a lower rate or rates per annum, the number of shares subject to each of such Bids shall be reduced pro rata so that such Bids, in the aggregate, cover exactly such remaining number of shares); and the number of shares, if any,

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

subject to Bids not valid under this paragraph 8(c)(iv)(B) shall be treated as the subject of a Bid by a Potential Holder; and

(C) any Sell Order shall be considered valid up to and including the excess of the number of Outstanding shares of AMPS held by such Existing Holder over the number of shares of AMPS subject to Hold Orders referred to in paragraph 8(c)(iv)(A) and Bids referred to in paragraph 8(c)(iv)(B); provided that if more than one Sell Order is submitted on behalf of any Existing Holder and the number of shares of AMPS subject to such Sell Orders is greater than such excess, the number of shares of AMPS subject to each of such Sell Orders shall be reduced pro rata so that such Sell Orders, in the aggregate, cover exactly the number of shares of AMPS equal to such excess.

(v) If more than one Bid is submitted on behalf of any Potential Holder, each Bid submitted shall be a separate Bid with the rate per annum and number of shares of AMPS therein specified.

(vi) Any Order submitted by a Beneficial Owner or a Potential Beneficial Owner to its Broker-Dealer, or by a Broker-Dealer to the Auction Agent, prior to the Submission Deadline on any Auction Date shall be irrevocable.

(d) Determination of Sufficient Clearing Bids, Winning Bid Rate and Applicable Rate.

(i) Not earlier than the Submission Deadline on each Auction Date, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to individually as a "Submitted Hold Order," a "Submitted Bid" or a "Submitted Sell Order," as the case may be, or as a "Submitted Order") and shall determine:

54

(A) the excess of the total number of Outstanding shares of AMPS over the number of Outstanding shares of AMPS that are the subject of Submitted Hold Orders (such excess being hereinafter referred to as the "Available AMPS");

(B) from the Submitted Orders whether the number of Outstanding shares of AMPS that are the subject of Submitted Bids by Potential Holders specifying one or more rates per annum equal to or lower than the Maximum Applicable Rate exceeds or is equal to the sum of:

(1) the number of Outstanding shares of AMPS that are the subject of Submitted Bids by Existing Holders specifying one or more rates per annum higher than the Maximum Applicable Rate; and

(2) the number of Outstanding shares of AMPS that are subject to Submitted Sell Orders.

If such excess or such equality exists (other than because the number of Outstanding shares of AMPS in clauses (1) and (2) above are each zero because all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders), then "Sufficient Clearing Bids" exist; and

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

(C) if Sufficient Clearing Bids exist, the lowest rate per annum specified in the Submitted Bids (the "Winning Bid Rate") that if:

(1) each Submitted Bid from Existing Holders specifying the Winning Bid Rate and all other Submitted Bids from Existing Holders specifying lower rates per annum were rejected, thus entitling such Existing Holders to continue to hold the shares of AMPS that are the subject of such Submitted Bids, and

(2) each Submitted Bid from Potential Holders specifying the Winning Bid Rate and all other Submitted Bids from Potential Holders specifying lower rates per annum were accepted, thus entitling those Potential Holders to purchase the shares of AMPS that are the subject of such Submitted Bids, would result in the number of shares subject to all Submitted Bids specifying the Winning Bid Rate or a lower rate per annum being at least equal to the Available AMPS.

(ii) Promptly after the Auction Agent has made the determinations pursuant to paragraph 8(d)(i), the Auction Agent shall advise the Corporation of the Maximum Applicable Rate and, based on such determinations, the Applicable Rate for the next succeeding Dividend Period as follows:

(A) if Sufficient Clearing Bids exist, that the Applicable Rate for the next succeeding Dividend Period shall be equal to the Winning Bid Rate;

(B) if Sufficient Clearing Bids do not exist (other than because all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders), that the Applicable Rate for the next succeeding Dividend Period shall be equal to the Maximum Applicable Rate; or

55

(C) if all of the Outstanding shares of AMPS are the subject of Submitted Hold Orders, that the Dividend Period next succeeding the Auction shall automatically be the same length as the immediately preceding Dividend Period and the Applicable Rate for the next succeeding Dividend Period shall be equal to 90% of the Reference Rate on the date of the Auction.

(e) Acceptance and Rejection of Submitted Bids and Submitted Sell Orders and Allocation of Shares.

Based on the determinations made pursuant to paragraph 8(d)(i), the Submitted Bids and Submitted Sell Orders shall be accepted or rejected and the Auction Agent shall take such other action as set forth below:

(i) If Sufficient Clearing Bids have been made, subject to the provisions of paragraph 8(e)(iii) and paragraph 8(e)(iv), Submitted Bids and Submitted Sell Orders shall be accepted or rejected in the following order of priority and all other Submitted Bids shall be rejected:

(A) the Submitted Sell Orders of Existing Holders shall be accepted and the Submitted Bid of each of the Existing Holders specifying any rate per annum that is higher than the Winning Bid Rate

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

shall be accepted, thus requiring each such Existing Holder to sell the Outstanding shares of AMPS that are the subject of such Submitted Sell Order or Submitted Bid;

(B) the Submitted Bid of each of the Existing Holders specifying any rate per annum that is lower than the Winning Bid Rate shall be accepted, thus entitling each such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid;

(C) the Submitted Bid of each of the Potential Holders specifying any rate per annum that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the shares of AMPS that are the subject of such Submitted Bids;

(D) the Submitted Bid of each of the Existing Holders specifying a rate per annum that is equal to the Winning Bid Rate shall be rejected, thus entitling each such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid, unless the number of Outstanding shares of AMPS subject to all such Submitted Bids shall be greater than the number of Outstanding shares of AMPS ("Remaining Shares") equal to the excess of Available AMPS over the number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(i)(B) and paragraph 8(e)(i)(C), in which event the Submitted Bids of each such Existing Holder shall be accepted, and each such Existing Holder shall be required to sell Outstanding shares of AMPS, but only in an amount equal to the difference between (1) the number of Outstanding shares of AMPS then held by such Existing Holder subject to such Submitted Bid and (2) the number of shares of AMPS obtained by multiplying (x) the number of Remaining Shares by (y) a fraction, the numerator of which shall be the number of Outstanding shares of AMPS held by such Existing Holder subject to such Submitted Bid and the denominator of which shall be the sum of

56

the numbers of Outstanding shares of AMPS subject to such Submitted Bids made by all such Existing Holders that specified a rate per annum equal to the Winning Bid Rate; and

(E) the Submitted Bid of each of the Potential Holders specifying a rate per annum that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Holder to purchase the shares of AMPS that are the subject of such Submitted Bids, but only in an amount equal to the number of Outstanding shares of AMPS obtained by multiplying (x) the difference between the Available AMPS and the number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(i)(B), paragraph 8(e)(i)(C) and paragraph 8(e)(i)(D) by (y) a fraction the numerator of which shall be the number of Outstanding shares of AMPS subject to such Submitted Bids and the denominator of which shall be the sum of the number of Outstanding shares of AMPS subject to such Submitted Bids made by all such Potential Holders that specified rates per annum equal to the Winning Bid Rate.

(ii) If Sufficient Clearing Bids have not been made (other than because all of the Outstanding shares of AMPS are subject to Submitted Hold Orders), subject to the provisions of paragraph 8(e)(iii), Submitted Orders

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

shall be accepted or rejected as follows in the following order of priority and all other Submitted Bids shall be rejected:

(A) the Submitted Bid of each Existing Holder specifying any rate per annum that is equal to or lower than the Maximum Applicable Rate shall be rejected, thus entitling such Existing Holder to continue to hold the Outstanding shares of AMPS that are the subject of such Submitted Bid;

(B) the Submitted Bid of each Potential Holder specifying any rate per annum that is equal to or lower than the Maximum Applicable Rate shall be accepted, thus requiring such Potential Holder to purchase the Outstanding shares of AMPS that are the subject of such Submitted Bid; and

(C) the Submitted Bids of each Existing Holder specifying any rate per annum that is higher than the Maximum Applicable Rate shall be accepted and the Submitted Sell Orders of each Existing Holder shall be accepted, thus requiring each such Existing Holder to sell shares of AMPS that are the subject of such Submitted Bid or Submitted Sell Order, in both cases only in an amount equal to the difference between (1) the number of Outstanding shares of AMPS then held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and (2) the number of shares of AMPS obtained by multiplying (x) the difference between the Available AMPS and the aggregate number of Outstanding shares of AMPS subject to Submitted Bids described in paragraph 8(e)(ii)(A) and paragraph 8(e)(ii)(B) by (y) a fraction the numerator of which shall be the number of Outstanding shares of AMPS held by such Existing Holder subject to such Submitted Bid or Submitted Sell Order and the denominator of which shall be the number of Outstanding shares of AMPS subject to all such Submitted Bids and Submitted Sell Orders.

(iii) If, as a result of the procedures described in paragraph 8(e)(i) or paragraph 8(e)(ii), any Existing Holder would be entitled or required to sell, or any Potential Holder would be entitled or required to purchase, a fraction of a share of AMPS on any Auction Date,

57

the Auction Agent shall, in such manner as in its sole discretion it shall determine, round up or down the number of shares of AMPS to be purchased or sold by an Existing Holder or Potential Holder on such Auction Date so that each Outstanding share of AMPS purchased or sold by each Existing Holder or Potential Holder on such Auction Date shall be a whole share of AMPS.

(iv) If, as a result of the procedures described in paragraph 8(e)(i), any Potential Holder would be entitled or required to purchase less than a whole share of AMPS on any Auction Date, the Auction Agent, in such manner as in its sole discretion it shall determine, shall allocate shares of AMPS for purchase among Potential Holders so that only whole shares of AMPS are purchased on such Auction Date by any Potential Holder, even if such allocation results in one or more of such Potential Holders not purchasing any shares of AMPS on such Auction Date.

(v) Based on the results of each Auction, the Auction Agent shall determine, with respect to each Broker-Dealer that submitted Bids or Sell Orders on behalf of Existing Holders or Potential Holders, the aggregate number of Outstanding shares of AMPS to be purchased and the aggregate number of Outstanding shares of AMPS to be sold by such Potential

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

Holder and Existing Holder and, to the extent that such aggregate number of Outstanding shares to be purchased and such aggregate number of Outstanding shares to be sold differ, the Auction Agent shall determine to which other Broker-Dealer or Broker-Dealers acting for one or more purchasers such Broker-Dealer shall deliver, or from which other Broker-Dealer or Broker-Dealers acting for one or more sellers such Broker-Dealer shall receive, as the case may be, Outstanding shares of AMPS.

(f) Force Majeure. Notwithstanding any other provision of these Articles Supplementary, in the event that an Auction does not occur on an Auction Date because of any act of God, strike, riot, act of war, act of terrorism, equipment failure, power failure or damage or other causes reasonably beyond the control of the Corporation or the Auction Agent, each Existing Holder as of such Auction Date will continue to hold the shares of AMPS held by such Existing Holder until the next Auction Date. The Applicable Rate for any Dividend Period during which Existing Holders continue to hold such shares of AMPS by operation of this paragraph 8(f) shall be the same Applicable Rate as applied during the last Dividend Period following an Auction at which there were Sufficient Clearing Bids prior to the applicability of this paragraph 8(f).

9. Miscellaneous.

(a) To the extent permitted by applicable law, the Board of Directors may interpret or adjust the provisions of these Articles Supplementary to resolve any inconsistency or ambiguity, remedy any formal defect or make any other change or modification which does not materially and adversely affect the rights of Beneficial Owners of shares of AMPS and if such inconsistency or ambiguity reflects an incorrect provision hereof then the Board of Directors may authorize the filing of a Certificate of Amendment or a Certificate of Correction, as the case may be.

(b) A Beneficial Owner or an Existing Holder (A) may sell, transfer or otherwise dispose of shares of AMPS only pursuant to a Bid or Sell Order in accordance with the procedures described in paragraph 8 or to or through a Broker-Dealer, provided that in the case of all transfers other than pursuant to Auctions such Existing Holder or Broker-Dealer (acting on its own behalf or on behalf of a Beneficial Owner), if applicable, or its Agent Member advises the Auction Agent of such transfer and

58

(B) except as otherwise required by law, shall have the ownership of the shares of AMPS held by it maintained in book entry form by the Securities Depository in the account of its Agent Member, which in turn will maintain records of such Beneficial Owner's beneficial ownership. Neither the Corporation nor any Affiliate shall submit an Order in any Auction. Any Beneficial Owner that is an Affiliate shall not sell, transfer or otherwise dispose of shares of AMPS to any Person other than the Corporation. All of the Outstanding shares of AMPS shall be represented by a single certificate registered in the name of the nominee of the Securities Depository unless otherwise required by law or unless there is no Securities Depository. If there is no Securities Depository, at the Corporation's option and upon its receipt of such documents as it deems appropriate, any shares of AMPS may be registered in the Stock Register in the name of the Beneficial Owner thereof and such Beneficial Owner thereupon will be entitled to receive certificates therefor and required to deliver certificates therefor upon transfer or exchange thereof.

(c) The Corporation will exercise its best efforts to maintain an Auction Agent pursuant to an agreement containing terms not materially less favorable to

Edgar Filing: ABERDEEN GLOBAL INCOME FUND INC - Form PRE 14A

the Corporation than the terms of the Auction Agent Agreement first entered into by the Corporation on July 30, 1992.

(d) The Corporation will use its best efforts to maintain a rating of the AMPS from each of the Rating Agencies.

(e) All notices or communications, unless otherwise specified in the By-laws of the Corporation or the Articles Supplementary, will be sufficiently given if in writing and delivered in person or mailed by first-class mail, postage prepaid. Notice will be deemed given on the earlier of the date received or the date seven days after which such notice is mailed.

10. Notice and Amendments

In addition to the authority given the Board of Directors to from time to time, adjust, modify, alter, change, add to or delete certain definitions and related terms set forth in paragraph 1(a) as contemplated by paragraph 1(b) hereof and the authority given the Corporation to interpret the provisions of paragraph 8 as contemplated by paragraph 9(a), the Board of Directors of the Corporation shall have the authority to amend, adjust, modify, alter or change the terms of the Articles Supplementary establishing the Series W-7 AMPS also without shareholder approval to reflect changes required in connection with the creation of one or more additional series of Auction Market Preferred Stock of the same class as the Series W-7 AMPS; provided, however, that no such additional series shall have any rights or preferences upon liquidation as to payments of dividends or conditions of redemption or voting power which are superior to the rights and conditions applicable to the Series W-7 AMPS, it being intended that every series of Auction Market Preferred Stock issued by the Corporation is to constitute a series of the same class for purposes of the Investment Company Act.
