Agenda Item 3B1 Company Distribution Proposal

Proposal of the Board of Directors

The Board of Directors has proposed that (A) CHF 1,595,054,382 of general legal reserves from capital contribution be released and allocated to "dividend reserve from capital contributions" (the "Dividend Reserve"), (B) a dividend in the amount of USD 2.24 per outstanding share of the Company be distributed out of, and limited at a maximum to the amount of, such Dividend Reserve and paid in installments at such times and at such record dates as shall be determined by the Board of Directors in its discretion, and (C) any amount of the Dividend Reserve remaining after payment of the final installment be automatically reallocated to "general legal reserves from capital contribution." Dividend payments shall be made with respect to the outstanding share capital of the Company on the record date for the applicable installment, which amount will exclude any shares held by the Company or any of its direct or indirect subsidiaries. The Board of Directors' proposed shareholder resolution is included in Exhibit A.

Proposed Release and Allocation of General Legal Reserves From Capital Contribution to Dividend Reserve From Capital Contribution

General legal reserves from capital contribution, as of December 31, 2012	in CHF 11,165,391,332
Less release to dividend reserve from capital contribution	(1,595,054,382)
Remaining general legal reserves from capital contribution	9,570,336,950

## Recommendation

The Icahn Group recommends a vote "AGAINST" agenda item 3B1.

## Agenda Item 3B2 Icahn Group Distribution Proposal

The Icahn Group proposes that (A) CHF 2,110,000,000.00 be released from "legal reserve, reserve from capital contributions", and such amount be allocated to Dividend Reserve and (B) a dividend in the amount of USD 4.00 per share of the Company be distributed out of such Dividend Reserve and paid in four equal quarterly installments. Dividend payments shall be made with respect to the outstanding share capital of the Company on the record date for the applicable installment, which amount will exclude any shares held by the Company or any of its direct or indirect subsidiaries. The Icahn Group's proposed shareholder resolution is set forth in Exhibit B.

## Voting Requirement to Approve Agenda Item 3B1 or 3B2

According to the Company Proxy Statement, assuming Agenda Item 3A (Payment of a Distribution in Principle) receives "FOR" votes representing a majority of the votes cast in person or by proxy at the annual general meeting, not counting abstentions, broker non-votes or blank or invalid ballots which will have no effect on such item, then, as between Agenda Item 3B1 (the Company Distribution Proposal) and Agenda Item 3B2 (the Icahn Group Distribution Proposal), only the proposal receiving the greater number of "FOR" votes (not counting abstentions, broker non-votes, blank or invalid ballots which will have no effect on these proposals ) will be considered passed. If any shareholder casts a "FOR" vote on both Agenda Item 3B1 (the Company Distribution Proposal) and Agenda Item 3B2 (the Icahn Group Distribution Proposal), that vote will be considered invalid and will not be counted which will have no effect on these proposals.

## Explanation

The Icahn Group is seeking shareholder approval of a distribution in the form of a dividend in the amount of \$4.00 per outstanding share because the Icahn Group believes a high dividend payout ratio is the only way that the Company will consistently employ a disciplined and sensible approach to capital allocation.

The Company Distribution Proposal of \$2.24 per share would require approximately \$830.97 million, whereas the Icahn Group Distribution Proposal of \$4.00 per share would require approximately \$1.48 billion, an incremental difference of approximately \$652.90 million. Based on the December 31, 2012 balance sheet, pro forma for the Icahn Group Distribution Proposal, the Company would have cash and cash equivalents of approximately \$3.65 billion. The Icahn Group is of the view that \$3.65 billion of cash and cash equivalents is sufficient liquidity for the Company to meet all its operating and capital needs. The Company has maintained that by paying a \$4.00 per share distribution, the Company is likely to be downgraded by the credit rating agencies. However, the Icahn Group believes that a downgrade, if it occurred, would result in an interest rate increase for a portion of the Company's debt that would increase annual interest expense by approximately \$40 million, and therefore would not have a materially adverse financial consequence on the Company.

## Recommendation

The Icahn Group recommends that you vote "AGAINST" Agenda Item 3B1 (the Company Distribution Proposal) and that you vote "FOR" Agenda Item 3A (Payment of a Distribution in Principle) and "FOR" Agenda Item 3B2 (the Icahn Group Distribution Proposal).

AGENDA ITEM 4

Readoption of Authorized Share Capital

Proposal of the Board of Directors

The Board of Directors has proposed that its authority to issue shares out of the Company's authorized share capital, which will expire on May 13, 2013, be readopted for a new two-year period, expiring on May 17, 2015. According to the Company Proxy Statement, under the proposal, the Board of Directors' authority to issue new shares in one or several steps will be limited to a maximum of 74,728,750 shares, or 19.99% of the currently existing stated share capital of the Company.

Voting Requirement to Approve Proposal

According to the Company Proxy Statement, the affirmative "FOR" vote of two-thirds of the votes represented at the annual general meeting. An abstention, broker non-vote or blank or invalid ballot will have the effect of a vote "AGAINST" this proposal.

Explanation

Without identifying any specific transaction, the Board of Directors has proposed that it should have the authority to issue up to 74,728,750 new shares or almost 20% of the share capital. The Icahn Group believes it is excessive to grant the Board of Directors authority with respect to such a substantial number and percentage of new shares. If the Board of Directors requires the ability to issue new shares in such a substantial amount, the Icahn Group believes the Board of Directors should seek shareholder approval in the context of a specific transaction.

Recommendation

The Icahn Group recommends that you vote "AGAINST" this agenda item 4.

AGENDA ITEM 5

Icahn Group Proposal to Repeal the Company's Staggered Board

Icahn Group Proposal

The Icahn Group proposes that Article 23, of the Articles of Association be amended such that (i) all members of the Board ("Board Members" or "Directors") that will be elected at the Annual General Meeting, or any general meeting of shareholders called thereafter, shall be elected without reference to any class of Directors for a term of office of one year (instead of three years), and that (ii) the three classes of Directors are abolished no later than as from the Annual General Meeting to be held in 2015.

The proposed new provision of Article 23 of the Articles of Association, which shall replace the existing Article 23 in its entirety, is included below (changes to the current version of Article 23 are marked):

	B. Verwaltungsrat		B. Board of Directors
	Artikel 23		Article 23
Amtdauer	1	Term of Office	1
	Die Wiederwahl von Verwaltungsratsmitgliedern, deren Amtdauer abläuft, sowie die Wahl von neuen Verwaltungsratsmitgliedern erfolgt jeweils einzeln und für eine Amtdauer von einem Jahr. Verwaltungsräte werden vom Verwaltungsrat in drei Klassen aufgeteilt, welche als Klasse I, Klasse II und Klasse III bezeichnet werden. An jeder ordentlichen Generalversammlung soll jede Klasse Verwaltungsräte, deren Amtdauer abläuft, für eine Amtdauer von drei Jahren bzw. bis zur Wahl eines Nachfolgers in sein Amt gewählt werden. Der Verwaltungsrat legt die Reihenfolge der Wiederwahl fest, wobei die erste Amtszeit einer Klasse von Verwaltungsräten auch weniger als drei Jahre betragen kann. Für die Zwecke dieser Bestimmung ist unter einem Jahr der Zeitabschnitt zwischen zwei ordentlichen Generalversammlungen zu verstehen.		The reelections of any members of the Board of Directors, whose terms of office have expired, as well as the elections of any new members of the Board of Directors shall be on an individual basis and for a term of office of one year. shall divide its members into three classes, designated Class I, Class II and Class III. At each Annual General Meeting, each class of the members of the Board of Directors whose term shall then expire shall be elected to hold office for a three-year term or until the election of their respective successor in office. The Board of Directors shall establish the order of rotation, whereby the first term of office of members of a particular Class may be less than three years. For purposes of this

If, before the expiration of his term of office, a Director should be replaced for whatever reason, the term of office of the newly elected member of the Board of Directors shall expire at the end of the term of office of his predecessor."
---	--	---	--

#### Voting Requirement to Approve Proposal

According to the Company Proxy Statement, the affirmative "FOR" vote of at least two-thirds of the shares entitled to vote at the annual general meeting, so long as the required quorum is present. An abstention, broker non-vote or blank or invalid ballot will have the effect of a vote "AGAINST" this proposal.

#### Explanation

The Icahn Group is seeking shareholder support to repeal the Company's staggered board. The Icahn Group believes that staggered boards serve to entrench directors for multi year terms and frustrate acquirers from seeking control of the company. To promote director accountability and enhance the ability of shareholders to control the company, the Icahn Group believes Transocean should repeal its staggered board so that directors are elected on an annual basis.

#### Recommendation

The Icahn Group recommends that you vote "FOR" this agenda item 5.

## AGENDA ITEM 6

### Election and Reelection of Directors

Company Proposal: Election of One New Director and Reelection of Four Directors as Follows:

Agenda Item 6A—Election of Frederico F. Curado as a Director  
Agenda Item 6B—Reelection of Steven L. Newman as a Director  
Agenda Item 6C—Reelection of Thomas W. Cason as a Director  
Agenda Item 6D—Reelection of Robert M. Sprague as a Director  
Agenda Item 6E—Reelection of J. Michael Talbert as a Director

### Icahn Group Proposal: Election of Three Directors

Agenda Item 6F—Election of John J. Lipinski as a Director  
Agenda Item 6G—Election of José Maria Alapont as a Director  
Agenda Item 6H—Election of Samuel Merksamer as a Director

The Icahn Group proposes that each of the Icahn Nominees be elected either (i) as members of the Board of Directors for a one-year term, if the Annual General Meeting approves the proposed amendment to Article 23 of the Articles of Association pursuant to Agenda Item 5, or (ii) as Class II Directors of the Board of Directors for a three-year term, if the Annual General Meeting did not approve the proposed amendment to Article 23 of the Articles of Association pursuant to Agenda Item 5.

Each of the Icahn Nominees and the Company Nominees has consented to being named in this Proxy Statement, including as a Nominee, and to serve as a director of the Company if so elected.

### Voting Requirement to Elect Directors

A Shareholder may vote for the Icahn Nominees or the Company Nominees. A Shareholder can also vote for some of the Icahn Nominees and some of the Company Nominees, up to a limit of five "FOR" votes. The five nominees receiving the most "FOR" votes will be considered elected. Abstentions and broker non-votes, if any, are not counted for purposes of this Agenda Item 6 and will have no effect on the outcome of the vote. Your vote "AGAINST" or to "ABSTAIN" from voting for any candidate will have the same effect as a withhold vote since, under a plurality voting system, only the five candidates receiving the most "FOR" votes will be elected to the Board of Directors of the Company. Any vote purporting to cast a "FOR" vote for more than five nominees will be considered invalid and will not be counted and shall have no effect on the outcome of the vote. In addition, a Shareholder may vote "AGAINST" or "ABSTAIN" from voting for any of the remaining three candidates, and either such selection for a particular candidate will not count in determining whether such candidate is among the five candidates receiving the most "FOR" votes and therefore elected to the Board of Directors of the Company.

### Recommendation

The Icahn Group recommends you vote "FOR" the election of John J. Lipinski, José Maria Alapont, Samuel Merksamer, Frederico F. Curado and Steven L. Newman, as directors and "AGAINST" the election of Thomas W. Cason, Robert M. Sprague and J. Michael Talbert, as directors.

BACKGROUND OF THE SOLICITATION

On January 25, 2013, the Icahn Group filed a Schedule 13D with the Securities and Exchange Commission (the "SEC") disclosing an aggregate beneficial ownership of 20,154,035 Shares (including Shares underlying call options that were beneficially owned by the Icahn Parties at such time). The Icahn Group stated:

The Reporting Persons acquired the Shares in the belief that the Shares were undervalued at current levels. The Reporting Persons have had conversations with management of the Issuer and intend to have further discussions with management. The Reporting Persons strongly believe that the Issuer should return capital to shareholders and should declare a dividend of at least \$4.00 per Share. The Reporting Persons note that under Swiss law and the Issuer's Articles of Association, a shareholder has the right to propose a dividend at a company's annual meeting, and if a majority of shareholders support the proposal, the dividend is declared, whether or not the company's board supports such proposal. If the Issuer's Board does not declare a dividend of at least \$4 per Share, the Reporting Persons currently intend to propose a dividend of \$4 per Share at the 2013 Annual Meeting and have every hope and belief that a majority of shareholders will support it. In addition to conversations relating to capital allocation and shareholder value, the Reporting Persons plan to have additional discussions with management to discuss the Issuer's business and strategies, as well as the possible addition of shareholder selected nominees to the Board of Directors of the Issuer.

On March 3, 2013, the Company issued a press release announcing that the Board of Directors is recommending that the Company's Shareholders approve at the Annual General Meeting a dividend of USD 2.24 per Share.

On March 4, 2013, in response to the Company's March 3 press release announcing its dividend recommendation, the Icahn Group filed an amendment to Schedule 13D with the SEC and stated:

We believe that Transocean's recent announcement further highlights a long track record of weak capital allocation strategy and their announcement will not deter us from proposing a \$4.00 dividend at the Issuer's Annual General Meeting. The Board has acknowledged in their recent announcement that the Issuer has the resources to pay a \$4.00 dividend without endangering their growth plans, simply by increasing the dividend rather than paying off \$1 billion of low interest debt which they referenced in their press release. It is astounding to us that the Board would authorize debt repayments which will make no material impact to earnings as opposed to authorizing an additional \$1.76 per share dividend to shareholders.

We also intend to propose at least three alternative director nominees who we expect to provide a more shareholder friendly capital allocation strategy. We believe that such a strategy should manifest itself in a target of a permanent dividend that approaches a minimum of 85% of net income. Furthermore, our director nominees, who have substantial experience in the structuring, creating and marketing of yield vehicles, will be able to assist the Board in evaluating and executing on an MLP type vehicle which will provide additional benefit to shareholders.

On March 7, 2013, the Icahn Group delivered a formal letter to the Company informing the Company that the Icahn Group would be including certain items on the agenda at the Annual General Meeting. In connection with the delivery of the letter, the Icahn Group also issued a press release that included an open letter to Shareholders which stated:

#### CARL C. ICAHN ISSUES OPEN LETTER TO TRANSOCEAN SHAREHOLDERS

New York, New York, March 7, 2013: Carl C. Icahn today delivered the following open letter to shareholders of Transocean Ltd.

Dear Fellow Shareholders of Transocean:

Today we delivered a formal letter to Transocean Ltd. informing them that I will be including the following items on the agenda at the Company's 2013 Annual General Meeting of Shareholders:

A proposal to approve a \$4 dividend per share to be paid in four equal quarterly installments,

To elect three new directors, John J. Lipinski, José Maria Alapont and Samuel Merksamer, to the Board, and

A proposal to repeal the Company's staggered board.

I am proposing the \$4 dividend because I believe that a high dividend payout ratio is the only way that Transocean will consistently employ a disciplined and sensible approach to capital allocation. Over the past several years, in my opinion, the Company has conducted ill-advised mergers, employed unsuccessful development strategies and squandered the substantial cash flow generated by the business. Now, it appears to me, the Board and management would like to take the Company's substantial cash flow and use it to achieve three goals: the massive repayment of the company's low coupon debt, the aggressive new build growth locked up with low return contracts, and the payment of a meager dividend to shareholders.

I believe that the inability of Transocean to grow and pay down debt is a function of poor capital allocation which has driven the share price to below net asset value. Once the capital allocation problem has been solved, in my opinion, Transocean will have access to yield hungry investors to finance growth and acquisitions on attractive terms.

I believe that to permanently repair the failed capital allocation strategy, shareholders of this Company must replace the directors who have been the architects of this failed strategy, including the Chairman. The directors that I have chosen have substantial experience in the creation and issuance of non-traditional yield structures, driving shareholder returns through capital allocation, and managing and growing large corporations both internationally and in the energy sector. If these nominees are elected, which I expect they will be, I truly believe it will serve shareholders well.

Over the next several months I look forward to continuing a dialogue with you about the future of Transocean. I hope I can count on your support.

Also on March 7, 2013, the Company issued a press release that confirmed receipt of the proposals from the Icahn Group.

On March 17, 2013, the Company issued a press release stating that the Board of Directors has concluded that the Icahn Group's proposed dividend of USD 4.00 per Share and the Icahn Nominees are "contrary to the best interests of stakeholders."

On April 2, 2013, the Company filed its Definitive Proxy Statement with the SEC.

In addition, from time to time, since January 2013, members of the Icahn Group have held discussions with management of the Company. The discussions have related to a number of business matters involving the Company including capital allocation strategy and the composition of the Board of Directors.

#### OTHER PROPOSALS

The Icahn Group and its affiliates know of no other business to be presented at the Annual General Meeting. According to the Company Proxy Statement, other than the Agenda Items described above, there are no other items that the Board of Directors intends to present, or has received proper notice that others will present, at the

Annual General Meeting. According to the Company Proxy Statement, if any modification to agenda items or proposal identified in this Proxy Statement or other matters on which voting is permissible under Swiss law are properly presented at the Annual General Meeting for consideration, the Company and the independent representative, as applicable, will, in the absence of specific instructions to the contrary, vote any proxies submitted to them on these matters in the manner recommended by the Board of Directors.

#### VOTING PROCEDURES

Only registered holders of Shares on April 30, 2013, the record date established for the Annual General Meeting, are entitled to notice of, to attend and to vote at, the meeting. Holders of Shares on the Record Date are entitled to one vote for each Share held.

The GOLD Proxy Card is being sent to each record holder of Shares as of March 20, 2013. In addition, the GOLD Proxy Card will be sent to each additional record holder of Shares as of the Record Date, April 30, 2013. If you return your completed GOLD Proxy Card to Innisfree M&A Incorporated and have granted your proxy to the independent representative, Rainer Hager, the Company has indicated in the Company Proxy Statement and to the Icahn Group that Innisfree M&A Incorporated will deliver such Proxy Cards to the independent representative.

The Icahn Group urges you to return your completed GOLD Proxy Card as soon as possible to ensure that your GOLD Proxy Card is timely submitted. Any GOLD Proxy Card must be received by the Company no later than 8:00 a.m. Eastern Daylight Time (EDT), 2:00 p.m. Swiss time, on May 17, 2013. Votes indicated in proxy cards received after such date and time will not be voted at the 2013 annual general meeting.

Any Proxy Card must include the following information: full name and address of, and number of shares held by, the holder of record signing the Proxy Card as it appears in Transocean Ltd.'s share register. Proxy cards that do not include such information will be considered invalid.

Please sign, date and mail your GOLD Proxy Card in the envelope provided.

If you hold your shares in the name of a bank, broker or other nominee, you should follow the instructions provided by your bank, broker or nominee when voting your shares.

As explained in the detailed instructions on the GOLD Proxy Card, please sign and date the GOLD Proxy Card and promptly return it in the enclosed postage pre-paid envelope arriving no later than 8:00 a.m. Eastern Daylight Time (EDT), 2:00 p.m. Swiss time, on May 17, 2013.

Whether or not you are able to attend the Annual General Meeting, you are urged to complete the enclosed GOLD Proxy Card and return it in the enclosed self-addressed, postage-paid envelope.

According to the Company Proxy Statement, if you were a holder on the Record Date and have timely submitted a properly executed Proxy Card and specifically indicated your votes, your Shares will be voted as indicated. If you were a holder on the Record Date and you have timely submitted a properly executed Proxy Card and have not specifically indicated your votes (irrespective of whether a proxy has been granted to Transocean Ltd. or the independent representative or neither is specified), Transocean Ltd. will act as your proxy and your shares will be voted in the manner as recommended by the Board of Directors. In order to vote as recommended by the Icahn Group, including to vote for the Icahn Nominees, it is imperative that you specifically indicate your votes on your GOLD Proxy Card. According to the Company Proxy Statement, any Proxy Card marked to grant a proxy to both Transocean Ltd. (as corporate proxy) and the independent representative will be counted as a proxy granted to Transocean Ltd. only.

If you do not provide specific instructions in relation to one or several agenda items, your voting rights will be exercised in the manner proposed by the Board of Directors "FOR" proposals 1, 2, 3A, 3B1, 4, 7, 8 and "FOR" each Company Nominee listed in proposals 6A-6E and "AGAINST" each Icahn Nominee listed in proposals 6F-6H. Since the Board of Directors has not made a recommendation for proposal 5, your voting rights will be exercised as "ABSTAIN" for proposal 5 if you do not provide specific voting instructions for this proposal.

If you do not specify instructions otherwise, in the event of any modifications to agenda items or proposals identified on the Proxy Card or other agenda items or proposals brought at the meeting ("Ad Hoc Proposals") on which voting is permissible under Swiss law, the Company or the Independent Representative, as applicable, will vote the shares in accordance with the respective recommendation of the Board of Directors.

#### Quorum

According to the Company Proxy Statement, the Company's Articles of Association provide that the presence of Shareholders, in person or by proxy, holding at least a majority of the shares entitled to vote at the meeting constitutes a quorum for purposes of convening the Annual General Meeting and voting on all of the matters described in this Proxy Statement, except for the matter in Agenda Item 5, for which the Company's Articles of Association require the presence of Shareholders of record, in person or by proxy, holding at least two-thirds of the share capital recorded in the Commercial Register to constitute a quorum for purposes of action upon that matter. Abstentions and "broker non-votes", so long as the broker has discretion to vote the Shares on at least one matter before the Annual General Meeting, will be counted as present for purposes of determining whether there is a quorum at the meeting.

#### Votes Required

According to the Company Proxy Statement:

Approval of the proposal with respect to the 2012 Annual Report and the 2012 consolidated financial statements and 2012 statutory financial statements of Transocean Ltd. requires the affirmative vote of a majority of the votes cast in person or by proxy at the annual general meeting, not counting abstentions, broker non-votes or blank or invalid ballots which will have no effect on this proposal.

Approval of the proposal for the appropriation of available earnings for fiscal year 2012 to be carried forward requires the affirmative vote of a majority of the votes cast in person or by proxy at the annual general meeting, not counting abstentions, broker non-votes or blank or invalid ballots which will have no effect on this proposal.

Approval of the proposal for a dividend distribution out of general legal reserve from capital contribution in principle requires the affirmative vote of a majority of the votes cast in person or by proxy at the annual general meeting, not counting abstentions, broker non-votes or blank or invalid ballots which will have no effect on this proposal.

Assuming the proposal for a dividend distribution out of general legal reserve from capital contribution in principle receives the required vote, then, as between the Board of Directors' distribution proposal and the Icahn Group's distribution proposal, only the proposal receiving the greater number of affirmative votes (not counting abstentions, broker non-votes and blank or invalid ballots which will have no effect on this proposal) will be considered passed. If any shareholder casts an affirmative vote on the Board of Directors' distribution proposal and an affirmative vote on the Icahn Group's distribution proposal, that vote will be considered invalid and will not be counted which will have no effect on this proposal.

Approval of the proposal for the readoption of the authorized share capital requires the affirmative vote of two-thirds of the votes represented at the annual general meeting. An abstention, broker non-vote or blank or invalid ballot will have the effect of a vote "AGAINST" this proposal.

Approval of the shareholder proposal to repeal the Company's staggered board requires the affirmative vote of two-thirds of the shares entitled to vote at the annual general meeting. An abstention, broker non-vote or blank or invalid ballot will have the effect of a vote "AGAINST" this proposal.

Approval of the proposals to elect nominees named in the proxy statement as directors requires with respect to each nominee the affirmative vote of a plurality of the votes cast in person or by proxy at the annual general meeting. The plurality requirement means that the five director nominees with the most votes are elected to the Board. You may vote "FOR" or "AGAINST" or "ABSTAIN" with respect to the election of each director. Only votes "FOR" are counted in determining whether a plurality has been cast in favor of a director. Abstentions and broker non-votes are not counted for purposes of the election of directors and will have no effect on the election of directors. If any shareholder votes "FOR" more than five nominees, any of such shareholder's entire vote on the proposal for the election of directors will be considered invalid and all such votes will be disregarded. In addition, a shareholder may vote "AGAINST" or "ABSTAIN" from voting for any of the remaining three candidates, and either such selection for a particular candidate will not count in determining whether such candidate is among the five candidates receiving the most "FOR" votes and therefore elected to the Board of Directors of the Company. Your vote "AGAINST" or to "ABSTAIN" from voting for any candidate will have the same effect as a withhold vote since, under a plurality voting system, only the five candidates receiving the most "FOR" votes will be elected to the Board of Directors of the Company.

Approval of the proposal to appoint Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2013 and to reelect Ernst & Young Ltd as the Company's auditor pursuant to the Swiss Code of Obligations for a further one-year term requires the affirmative vote of holders of a majority of the votes cast in person or by proxy at the annual general meeting on the proposal. Abstentions, broker non-votes and blank or invalid ballots are not counted for purposes of this proposal and will have no effect on this proposal .

•

Approval of the advisory vote to approve the compensation of the Company's Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the accompanying compensation tables, and the related narrative disclosure in the Company's Proxy Statement requires the affirmative vote of a majority of the votes cast in person or by proxy at the annual general meeting. Abstentions, broker non-votes and blank or invalid ballots are not counted for purposes of this proposal and will have no effect on this proposal. The proposal is a request that the Board of Directors consider a matter; however, the proposal is not binding on the Company.

## BROKER NON-VOTES

If you hold your Shares through a bank, broker or other nominee and do not provide voting instructions to the record holder of the Shares, your Shares will not be voted on any agenda item because your broker or nominee does not have discretionary authority to vote. In this case, a "broker non-vote" occurs. For a discussion of the treatment of broker non-votes and whether they are deemed to be present or represented for the purpose of determining a quorum at the Annual General Meeting, as well as a detailed discussion of Broker Non-Votes, please refer to the Company Proxy Statement.

The election of directors at the Annual General Meeting is a "non-routine matter" and brokers do not have discretionary authority to vote your Shares on "non-routine matters." Therefore, unless you provide specific voting instructions to your broker, your broker will not have discretionary authority to vote your Shares for the election of directors at the Annual General Meeting and your Shares will not be voted for the election of directors. If your Shares are held in street name, your broker or nominee has enclosed a voting instruction card with this Proxy Statement. We strongly encourage you to vote your Shares by following the instructions provided on the voting instruction card.

**UNLESS YOU PROVIDE VOTING INSTRUCTIONS TO THE BROKER HOLDING YOUR SHARES ON YOUR BEHALF, THE BROKER WILL NOT HAVE DISCRETIONARY AUTHORITY TO VOTE YOUR SHARES FOR ANY OF THE AGENDA ITEMS DESCRIBED IN THIS PROXY STATEMENT OR FOR THE ELECTION OF DIRECTORS.**

[FORM OF NOMINEE AGREEMENT]

ICAHN CAPITAL LP

March 5, 2013

To the undersigned potential nominee:

This will confirm our understanding as follows:

You agree that you are willing, should we so elect, to become a member of a slate of nominees (the "Slate") to stand for election as a director of Transocean Ltd. ("Transocean") in connection with a proxy contest with management of Transocean in respect of the election of directors of Transocean at the 2013 Annual General Meeting of Shareholders of Transocean (the "Annual General Meeting"), expected to be held on or about May 2013, or an extraordinary general meeting of shareholders of Transocean called for a similar purpose (the "Proxy Contest").

Icahn Capital LP ("Icahn") agrees to pay the costs of the Proxy Contest.

You understand that it may be difficult, if not impossible, to replace nominees who, such as yourself, have agreed to serve on the Slate and later change their minds and determine not to seek election. Accordingly, the Slate is relying upon your agreement to seek election. In that connection, you are being supplied with a questionnaire in which you will provide Icahn with information necessary for Icahn to make appropriate disclosure both to Transocean and for use in creating the proxy material to be sent to shareholders of Transocean and to be filed with the SEC. You have agreed that (i) you will immediately complete and sign the questionnaire and return it to Andrew Langham, Assistant General Counsel, Icahn Enterprises LP, 767 Fifth Avenue, Suite 4700, New York, NY 10153, Tel: (212) 702-4382, Fax: (212) 688-1158, Email: [alangham@sfire.com](mailto:alangham@sfire.com), and (ii) your responses to the questions contained therein will be true and correct in all respects. In addition, you have agreed that, concurrently with your execution of this letter, you will execute the attached instrument directed to Transocean informing Transocean that you consent to being nominated by Icahn, or an affiliate thereof, for election as a director of Transocean and, if elected, consent to serving as a director of Transocean. Upon being notified that we have chosen you, we may forward that instrument and your completed questionnaire (or summaries thereof) to Transocean.

Icahn hereby agrees that, so long as you actually serve on the Slate, Icahn will defend, indemnify and hold you harmless from and against any and all losses, damages, penalties, judgments, awards, liabilities, costs, expenses and disbursements (including, without limitation, reasonable attorneys' fees, costs, expenses and disbursements) incurred by you in the event that (i) you become a party, or are threatened to be made a party, to any civil, criminal, administrative or arbitrative action, suit or proceeding, and any appeal thereof relating solely to your role as a nominee for director of Transocean on the Slate (a "Proceeding") or (ii) you are called to testify or give a deposition in any Proceeding (whether or not you are a party or are threatened to be made a party to such Proceeding), including, in each case, the advancement to you of all reasonable attorneys' costs and expenses incurred by you in connection with any Proceeding. Your right of indemnification hereunder shall continue (i) in the event that Icahn determines to withdraw the Slate or remove you from the Slate and (ii) after the election has taken place but only for events which occur prior to such election and subsequent to the date hereof. Anything to the contrary herein notwithstanding, Icahn is not defending, indemnifying or holding you harmless for any action taken by you or on your behalf which occurs prior to the date hereof or subsequent to the Annual General Meeting or such earlier time as you are no longer a nominee of the Slate for election to Transocean's Board of Directors or for any actions taken by you as a director of

Transocean, if you are elected or appointed. Nothing herein shall be construed to provide you a defense, indemnity or the right to be held harmless: (i) in the event you are found to have engaged in a violation of any provision of state or federal law in connection with the Proxy Contest unless you demonstrate that your action was taken in good faith and in a manner you reasonably believed to be in or not opposed to the best interests of electing the Slate; or (ii) if you acted in a manner which constitutes gross negligence or willful misconduct. In the event that you shall make any claim for defense, indemnification or being held harmless hereunder, you shall promptly notify Icahn in the event of any third-party claims actually made against you or known by you to be threatened. In addition, with respect to any such claim, Icahn shall be entitled to control your defense with counsel chosen by Icahn. Icahn shall not be responsible for any settlement of any claim against you covered by this indemnity without its prior written consent. However, Icahn may not enter into any settlement of any such claim without your consent unless such settlement includes a release of you from any and all liability in respect of such claim.

Each of us recognizes that should you be elected to the Board of Directors of Transocean all of your activities and decisions as a director will be governed by applicable law and subject to your fiduciary duty to the shareholders of Transocean and, as a result, that there is, and can be, no agreement between you and Icahn which governs the decisions which you will make as a director of Transocean.

---

Should the foregoing agree with your understanding, please so indicate in the space provided below, whereupon this letter will become a binding agreement between us.

Very truly yours,

ICAHN CAPITAL LP

Board of Directors Proposed Resolution – Agenda Item 3B1

Distribution of a Dividend out of General Legal Reserves From Capital Contribution  
(following a release and allocation of General Legal Reserves From Capital Contribution to Dividend Reserve From  
Capital Contribution)

The Board of Directors' proposed shareholder resolution is set forth below. The Icahn Group recommends that you vote "AGAINST" this resolution.

Shareholder Resolution

"It is hereby resolved as follows:

(1) A dividend in the amount of USD 2.24 per share of the Company (the "Per Share USD Dividend Amount," and the aggregate Per Share USD Dividend Amount, calculated on the basis of the total number of shares outstanding as of the 2013 Annual General Meeting, excluding any shares held by the Company or any of its direct or indirect subsidiaries, the "Aggregate USD Dividend Amount") shall be distributed out of the dividend reserve from capital contribution (expressed in CHF and amounting to CHF 1,595,054,382) pursuant to the proposal of the Board of Directors under Agenda Item 3 (the "Dividend Reserve"); the dividend shall be payable in four equal installments of USD 0.56 per share of the Company outstanding (excluding any shares held by the Company or any of its direct or indirect subsidiaries) on the record date for the applicable installment (each such installment hereinafter a "Per Share Quarterly USD Dividend Amount;" each date on which a Per Share Quarterly USD Dividend Amount is paid hereinafter an "Installment Date;" and the aggregate Per Share Quarterly USD Dividend Amount payable on an Installment Date, calculated on the basis of the total number of shares outstanding as of the record date for the relevant Per Share Quarterly USD Dividend Amount, the "Aggregate Quarterly USD Dividend Amount");

provided, however, that:

(a) if, on the date of the 2013 Annual General Meeting, the Aggregate USD Dividend Amount exceeds, when converted into CHF at a USD/CHF exchange rate prevailing on or about the date of the 2013 Annual General Meeting as determined by the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, in its reasonable discretion, the Dividend Reserve (expressed in CHF), the proposed Per Share USD Dividend Amount shall be reduced such that the Aggregate USD Dividend Amount, converted into CHF at a USD/CHF exchange rate prevailing on or about the date of the 2013 Annual General Meeting as determined by the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, in its reasonable discretion, is at a maximum equal to the Dividend Reserve (expressed in CHF); and

provided, further, that:

(b) if any Aggregate Quarterly USD Dividend Amount, when converted into CHF at a USD/CHF exchange rate prevailing on or about the record date for that Aggregate Quarterly USD Dividend Amount as determined by the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, in its reasonable discretion, exceeds the Dividend Reserve amount (expressed in CHF) as of the record date for that Aggregate Quarterly USD Dividend Amount, taking into account the payment of any preceding Aggregate Quarterly

USD Dividend Amount (if any) (the Dividend Reserve so calculated hereinafter the "Remaining Dividend Reserve"), the Per Share Quarterly USD Dividend Amount shall be reduced such that the Aggregate Quarterly USD Dividend Amount, converted into CHF at a USD/CHF exchange rate prevailing on or about the record date for such Aggregate Quarterly USD Dividend Amount as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management in its reasonable discretion, is at a maximum equal to the Remaining Dividend Reserve; and

provided, further, that:

(c) the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, in its reasonable discretion, shall at any time have the authority to, in its discretion, accelerate or otherwise change the timing of the payment of the Per Share Quarterly USD Dividend Amount or to pay on an Installment Date more than one Per Share Quarterly USD Dividend Amount.

(2) Shareholders may, upon the terms and conditions provided by the Board of Directors in its reasonable discretion, elect, during the election period as determined by the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, to receive any Per Share Quarterly USD Dividend Amount in CHF (subject to the downward adjustments in accordance with the principles set forth above under (1)), at the USD/CHF exchange rate prevailing on or about the record date for the relevant Per Share Quarterly USD Dividend Amount, as determined by the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management, in its discretion.

(3) It shall be the task of the Board of Directors or, upon due authorization by the Board of Directors, the Company's executive management to execute this resolution of the 2013 Annual General Meeting, including, but not limited to, reducing as appropriate the Per Share USD Dividend Amount and/or the Per Share Quarterly USD Dividend Amount, setting the record dates, the ex-dividend dates, the Installment Dates, and determining the duration of the election period to request payment of the Per Share Quarterly USD Dividend Amount in CHF and, for purposes of such election, the applicable USD/CHF exchange rate. As specified in the Articles of Association, the Board of Directors will determine the date from which shares newly issued out of the authorized share capital of the Company are entitled to dividend payments. Shares newly issued out of the conditional share capital are entitled to dividend payments if such shares are issued and outstanding on or before the record date for the relevant Per Share Quarterly USD Dividend Amount. For the avoidance of doubt, shareholders who sell their shares prior to the relevant record date lose their dividend entitlement and transfer such entitlement to the purchaser(s) of their shares.

(4) Any Dividend Reserve amount remaining after the payment of the final Aggregate Quarterly USD Dividend Amount shall, by operation of this shareholder resolution, be immediately reallocated to the account "General legal reserves - Reserve from capital contribution," included in the Company's statutory standalone balance sheet, without any requirement that such reallocation be approved by the Board of Directors or the general meeting of shareholders."

Distribution of a Dividend out of General Legal Reserves From Capital Contribution  
(following a release and allocation of General Legal Reserves From Capital Contribution to Dividend Reserve From Capital Contribution)

The Icahn Group's proposed shareholder resolution is set forth below. The Icahn Group recommends that you vote "FOR" this resolution.

Shareholder Resolution

It is hereby resolved as follows:

- (1) CHF 2,110,000,000.00 be released from "legal reserve, reserve from capital contributions", and such amount be allocated to "free reserve, dividend reserve from capital contributions" ("Dividend Reserve").
- (2) A dividend in the amount of USD 4.00 per share of the Company (the "Per Share USD Dividend Amount", and the aggregate Per Share USD Dividend Amount, calculated on the basis of the total number of shares outstanding as of the 2013 Annual General Meeting, excluding any shares held by the Company or any of its direct or indirect subsidiaries, the "Aggregate USD Dividend Amount") be distributed out of the Dividend Reserve (expressed in CHF and amounting to CHF 2,110,000,000.00, or approximately USD 6.00 per share based on a USD/CHF exchange rate of CHF 0.9410 per USD 1 in effect on March 5, 2013) pursuant to the proposal of High River Limited Partnership under the relevant agenda item [•] [Release and Allocation from 'Legal Reserve, Reserve From Capital Contributions', to 'Free Reserve, Dividend Reserve From Capital Contributions' (the "Dividend Reserve"); Dividend Distribution out of the Dividend Reserve]; the dividend shall be payable in four equal quarterly installments of USD 1.00 per share of the Company, set for June 2013, September 2013, December 2013 and March 2014, on the basis of the total number of shares outstanding (excluding any shares held by the Company or any of its direct or indirect subsidiaries), on the record date for the applicable installment (each such installment hereinafter a "Per Share Quarterly USD Dividend Amount"; each date on which a Per Share Quarterly USD Dividend Amount is paid hereinafter an "Installment Date"; and the aggregate Per Share Quarterly USD Dividend Amount payable on an Installment Date, calculated on the basis of the total number of shares outstanding as of the record date for the relevant Per Share Quarterly USD Dividend Amount, the "Aggregate Quarterly USD Dividend Amount");

provided, however, that:

- (a) if, on the date of the 2013 Annual General Meeting, the Aggregate USD Dividend Amount exceeds, when converted into CHF at a USD/CHF exchange rate prevailing on or about the date of the 2013 Annual General Meeting as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management, in its reasonable discretion, the Dividend Reserve (expressed in CHF), the proposed Per Share USD Dividend Amount shall be reduced such that the Aggregate USD Dividend Amount, converted into CHF at a USD/CHF exchange rate prevailing on or about the date of the 2013 Annual General Meeting as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management, in its reasonable discretion, is at a maximum

equal to the Dividend Reserve (expressed in CHF); and

provided, further, that

(b) if any Aggregate Quarterly USD Dividend Amount, when converted into CHF at a USD/CHF exchange rate prevailing on or about the record date for that Aggregate Quarterly USD Dividend Amount as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management, in its reasonable discretion, exceeds the Dividend Reserve amount (expressed in CHF) as of the record date for that Aggregate Quarterly USD Dividend Amount, taking into account the payment of any preceding Aggregate Quarterly USD Dividend Amount (if any) (the Dividend Reserve so calculated hereinafter the "Remaining Dividend Reserve"), the Per Share Quarterly USD Dividend Amount shall be reduced such that the Aggregate Quarterly USD Dividend Amount, converted into CHF at a USD/CHF exchange rate prevailing on or about the record date for such Aggregate Quarterly USD Dividend Amount as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management in its reasonable discretion, is at a maximum equal to the Remaining Dividend Reserve.

(3) Shareholders may, upon the terms and conditions provided by the Board of Directors in its reasonable discretion, elect, during the election period as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management, in its reasonable discretion, to receive any Per Share Quarterly USD Dividend Amount in CHF (subject to the downward adjustments in accordance with the principles set forth above under (1)), at the USD/CHF exchange rate prevailing on or about the record date for the relevant Per Share Quarterly USD Dividend Amount, as determined by the Board of Directors or, upon due authorization by the Board of Directors, executive management, in its discretion.

(4) It shall be the task of the Board of Directors or, upon due authorization by the Board of Directors, executive management to execute this resolution of the 2013 Annual General Meeting, including, but not limited to, setting the record date (and thus, indirectly, the ex-dividend date), the Installment Dates and determining the duration of the election period to request payment of Per Share Quarterly USD Dividend Amount in CHF. As specified in the Articles of Association, the Board of Directors will determine the date from which shares newly issued out of the authorized share capital of the Company are entitled to dividend payments. Shares newly issued out of the conditional share capital are entitled to dividend payments if such shares are issued and outstanding on or before the record date for the relevant Per Share Quarterly USD Dividend Amount. For the avoidance of doubt, shareholders who sell their shares prior to the relevant record date lose their dividend entitlement and transfer such entitlement to the purchaser(s) of their shares.

(5) Any Dividend Reserve amount remaining after the payment of the final Aggregate Quarterly USD Dividend Amount shall, by operation of this shareholder resolution, be immediately reallocated to the account "legal reserve, reserve from capital contributions," included in the Company's statutory standalone balance sheet, without any requirement that such reallocation be approved by the Board of Directors or the general meeting of shareholders.

#### IMPORTANT VOTING INSTRUCTIONS REGARDING PROPOSALS 3 AND 6

• **Proposal 3:** At the 2013 Annual General Meeting, shareholders will have the ability to vote on whether the Company should pay a dividend and, if approved, the amount of the dividend. The Company and the Icahn Group have each provided a proposal for the amount of the dividend. Shareholders should first cast a vote on whether to approve the principle of a dividend (i.e., whether or not the Company should pay any dividend) (Proposal 3A). Shareholders should then cast a vote on the amount of such dividend by voting “FOR” either the Company Distribution Proposal (Proposal 3B1 or “FOR” the Icahn Group Distribution Proposal (Proposal 3B2, but not “FOR” both; only the proposal having received the greater number of “FOR” votes will be considered passed. If any shareholder casts a “FOR” vote on Proposal 3B1 and a “FOR” vote on Proposal 3B2, that vote will be considered invalid and will not be counted. Shareholders are encouraged to provide instructions on Proposal 3B regardless of how they vote on Proposal 3A.

The Icahn Group Recommends a Vote “FOR” The Dividend (Proposal 3A) and “FOR” the Icahn Group’s proposed \$4.00 per share Dividend (Proposal 3B2).

• **Proposal 6:** Shareholders can elect five directors at the 2013 Annual General Meeting. The Company has nominated five candidates and the Icahn Group has nominated three candidates for these five seats. A shareholder may cast a “FOR” vote for any five of the eight nominees. If any shareholder casts a “FOR” vote for more than five nominees, any of such shareholder’s votes on proposal 6 will be considered invalid and will not be counted. In addition, a shareholder may vote “AGAINST” or “ABSTAIN” from voting for any of the remaining three candidates, and either such selection for a particular candidate will not count in determining whether such candidate is among the five candidates receiving the most “FOR” votes and therefore elected to the Board of Directors of the Company. The five nominees having received the greater number of “FOR” votes will be considered elected. Your vote “AGAINST” or to

“ABSTAIN” from voting for any candidate will have the same effect as a withhold vote since, under a plurality voting system, only the five candidates receiving the most “FOR” votes will be elected to the Board of Directors of the Company.

The Icahn Group Recommends A Vote “FOR” John J. Lipinski, José Maria Alapont, Samuel Merksamer, Frederico F. Curado and Steven L. Newman and "AGAINST" Thomas W. Cason, Robert M. Sprague and J. Michael Talbert as directors.
