PROXY STATEMENT
Annual Meeting of Stockholders
To Be Held March 22, 2005

INTRODUCTION

This proxy statement is being furnished to stockholders of Elite Pharmaceuticals, Inc. (the "Company", "Elite", "us" or "we") in connection with a solicitation by the Board of Directors of the Company of proxies to be voted at the Annual Meeting of Stockholders to be held at the offices of Reitler Brown & Rosenblatt LLC, 800 Third Avenue, 21st Floor, New York, New York 10022. on Tuesday, March 22, 2005, at 10:00 a.m. and any adjournments or postponements thereof. At the meeting, the Board of Directors will propose that the Company's stockholders elect four nominees, to the Board of Directors of the Company to serve until the next annual meeting of stockholders to be held and until their

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

successors are elected and qualified, and proposals to (i) approve an amendment to the Company's Stock Option Plan to increase the shares subject to the Plan from 1,500,000 to 4,000,000, (ii) ratify an amendment of outstanding options granted to the former President of the Company and the grant of warrants to an independent consultant to purchase 50,000 shares of Common Stock, and (iii) ratify the appointment by the Board of Directors of Miller Ellin & Co. LLP as the Company's independent auditors for the year ending March 31, 2005, and (iv) vote on such other matters as may lawfully come before the meeting.

STOCKHOLDERS ENTITLED TO VOTE

Only holders of record of the Company's common stock, par value \$.01 per share (the "Common Stock") and Series A Preferred Stock, par value \$.01 per share (the "Preferred Shares"), at the close of business on February 15, 2005 (the record date fixed by the Board of Directors) will be entitled to receive notice of, and to vote at, the Annual Meeting and at any adjournments or postponements thereof. At the close of business on the record date, there were 15,649,014 shares of Common Stock and 185,870 Preferred Shares outstanding and entitled to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote and each Preferred Share is entitled to ten votes, with the holders of Common Stock and Preferred Shares voting as one class for the election of directors and the proposals, except that the Preferred Shares will be entitled to elect as a class one director.

VOTING; REVOCATION OF PROXY; QUORUM AND VOTE REQUIRED

A form of proxy is enclosed for use at the Annual Meeting. Each proxy may be revoked at any time before it is exercised by giving written notice to the Secretary of the Annual Meeting, by submitting a duly executed, later-dated proxy, or by attending the Annual Meeting and voting at the meeting. Attendance at the Annual Meeting is not by itself sufficient to revoke your proxy. All shares represented by valid proxies pursuant to this solicitation (and not revoked before they are exercised) will be voted as specified in the form of proxy. If the proxy is signed but no specification is given otherwise the shares will be voted FOR the Board's nominees for election to the Board of Directors and FOR each of the proposals referred to above.

4

A majority of the shares outstanding on the record date, calculating for this purpose each Preferred Share as ten shares, will constitute a quorum for purposes of the Annual Meeting. For purposes of determining the votes cast with respect to any matter presented for consideration at the Annual Meeting, only those votes cast "for" or "against" are included. Abstentions and broker non-votes are counted for the purpose of determining whether a quorum is present at the Annual Meeting. A broker "non-vote" occurs when a nominee holding shares of Common Stock for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. Accordingly, since the election of directors will be effected by a plurality vote, abstentions and broker non-votes will not affect the outcome of the election of directors. Since approval of each of the proposals with respect to the amendment of the Company's Stock Option Plan, ratification of the amendment of options and grant of warrants, and ratification of the appointment of the independent auditors, requires the affirmative vote of a majority of the shares cast in person or by proxy on the proposal, abstentions will have the same effect as negative votes but broker non-votes will not affect the outcome.

Any stockholder who executes and delivers a proxy may revoke it at any time before it is voted by delivering a written notice of such revocation to the Secretary of the Company at the address of the Company set forth in this proxy

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

statement, by submitting a properly executed proxy bearing a later date, or by appearing at the Annual Meeting and requesting the return of the proxy or by voting in person. In accordance with applicable rules, boxes and designated spaces are provided on the proxy card for stockholders to mark if they wish either to vote for or withhold authority on the election of any of the Directors and to vote for, against or abstain on each of the other proposals.

Stockholders vote at the Annual Meeting by casting ballots (in person or by proxy) which are tabulated by a person who is appointed by the Board of Directors before the Annual Meeting to serve as inspector of election at the Annual Meeting and who has executed and verified an oath of office.

It is anticipated that this proxy statement, the enclosed proxy card and the Annual Report to Stockholders for the year ended March 31, 2004 will be mailed to the Company's stockholders on or about February [___], 2005.

COSTS AND METHOD OF SOLICITATION

Solicitation of proxies may be made by directors and officers of the Company by mail, telephone, facsimile transmission or other electronic media and in person for which they will receive no additional compensation. We will not solicit proxies via the Internet, such as Internet chat rooms and/or posting on websites. Solicitation of proxies may be made by directors, officers and regular employees of Elite. The entire cost of soliciting proxies will be borne by the Company. Upon request, the Company will reimburse the reasonable fees and expenses of banks, brokers, custodians, nominees and fiduciaries for forwarding proxy materials to, and obtaining authority to execute proxies from, beneficial owners for whose accounts they hold shares of Common Stock.

PRINCIPAL OFFICE

The Company's principal office is located at 165 Ludlow Avenue, Northvale, New Jersey 07647, and its telephone number is (201) 750-2646.

PRINCIPAL STOCKHOLDERS

The following table sets forth certain information with respect to the beneficial ownership, as of February 15, 2005, of shares of Common Stock and of Preferred Shares of each stockholder of the Company known to the Company, based upon such person's representations or publicly available filings, to own beneficially more than 5% of the voting securities as of that date. Each Preferred Share is entitled to ten votes. The Preferred Shares were issued in a private placement effected by the Company in October 2004.

As used in the table below and elsewhere in this proxy statement, the term beneficial ownership with respect to a security consists of sole or shared voting power, including the power to vote or direct the vote, and/or sole or shared investment power, including the power to dispose or direct the disposition, with respect to the security through any contract, arrangement, understanding, relationship, or otherwise, including a right to acquire such power(s) during the next 60 days following the record date. Except as otherwise indicated, the stockholder listed in the table have sole voting and investment powers with respect to the shares indicated. Unless otherwise noted, beneficial ownership consists of sole ownership, voting, and investment power with respect to all Common Stock or Preferred Shares shown as beneficially owned by them.

* Each Preferred Share is entitled to ten votes and votes with the shares of Common Stock as one class, except that the Preferred Shares are also entitled to elect one Director.

(1) Based on information provided by Mr. Belson for inclusion in the Company's Prospectus dated December 28, 2004. Includes (i) 281,000 shares issuable upon exercise of warrants, (ii) 53,900 shares held by Maxine Belson, wife of Jerome Belson, (iii) 63,300 shares held by other members of his family, and (iv) 50,000 shares held by the Jerome Belson Foundation.

ELECTION OF DIRECTORS

BOARD OF DIRECTORS' NOMINEES

The holders of Elite's Preferred Shares will elect one director and the holders of Common Stock and Preferred Shares voting as one class will elect three directors at the Annual Meeting, each of whom will be elected for a one-year term. Unless a stockholder either indicates "withhold authority" on his proxy card or indicates on his proxy that his shares should not be voted for certain nominees, it is intended that the persons named in the proxy will vote for the election of the persons named in the table below to serve until the next annual meeting of stockholders and thereafter until their successors shall have been duly elected and shall have qualified. Discretionary authority is also solicited to vote for the election of a substitute for any of said nominees who, for any reason presently unknown, cannot be or refuses to be a candidate for election.

The Company's by-laws provide that the Board of Directors will consist of not less than three nor more than ten members, the actual number of directors to be determined by the Board from time to time. The Board of Directors has set the number of directors of the Board as of the Annual

6

Meeting at four. On January 24, 2005, Mr. John A. Moore resigned as a Director and Mr. Edward Neugeboren was elected a Director. Messrs. Harmon Aronson and Eric L. Sichel, each of whom is currently a Director, have not been nominated for reelection as Directors.

The nominees of the Board were selected by a Nominating Committee consisting of Messrs. Neugeboren, Sichel and Aronson, all of whom at the time of their selection were independent directors. In selecting each of the nominees for the four directors to be elected at the Meeting the Committee identified and evaluated the current Directors and their commitment to the policy of the Company and each individual's qualifications and availability. The Committee believes that a nominee for director of the Company should have an appropriate level of sophistication, knowledge and understanding of the Company and the industry, stockholder relations and finance and accounting for publicly held companies. The Committee also considered the need to select a nominee who had the appropriate experience and financial background who could qualify as an "audit committee financial expert" within the meaning of the rules under the Securities Exchange Act of 1934 and of the American Stock Exchange. The Company did not engage any third party to assist in the process of identifying or

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

evaluating candidates. No candidate for nominee was put forward by stockholders, other than Mr. Neugeboren who was the designee of Indigo Securities LLC, the Placement Agent in the private placement of the Preferred Shares, as provided in the Certificate of Designation for the Preferred Shares. The Company currently does not have a process for considering candidates put forward by stockholders other than those who are directors of the Company and the nominee proposed by the holders of Preferred Shares.

The table below sets forth the names and ages, as of February 15, 2005, of each of the nominees, and the period during which each such person has served on the Board of Directors of the Company. Each of the nominees for director has agreed to serve if elected and has consented to being named in this Proxy Statement.

EXECUTIVE OFFICERS

Our executive officers are Bernard Berk and Mark I. Gittelman.

Bernard Berk, age 56, was appointed Chief Executive Officer in June 2003 and a director in February 2004. See "Election of Directors - Board of Directors' Nominees" for his business background.

The Company entered into a three-year employment agreement effective July 23, 2003 with Mr. Berk providing for (i) his full time employment as Chief Executive Officer at an annual base salary of \$200,000, (ii) the grant to him of options which vest immediately to purchase 300,000 shares of Common Stock at a price of \$2.01 per share, the closing share price on the American Stock Exchange on the date of grant and (iii) the grant of options to purchase an additional 300,000 shares at the \$2.01 per share to vest on consummation of a "strategic transaction" while he is employed as Chief Executive Officer. The consummation of such transaction will result in the increase of his base annual salary to \$310,140 effective with the consummation. The Company is also to continue to pay during the foregoing period the premiums for life and disability insurance policies. Furthermore, in the event that Mr. Berk terminates his employment following a "change of control" event he is to receive, payable in 24 monthly installments, an amount which will depend on the fair value of the consideration determined in good faith by the Board of Directors received by the Company or stockholders from the "change of control" event less related expenses ("Net Fair Value") -- \$500,000 if the Net Fair Value is \$10 million or less; the greater of \$500,000 or twice his then base annual salary, if the Net Fair Value is greater than \$10,000,000 but not more than \$20 million, or \$1,000,000 if the Net Fair Value is greater

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

than \$20,000,000. A "change of control" event is (i) a merger or consolidation in which securities possessing more than 50% of the voting power is issued to persons other than the holders of voting securities of the Company immediately prior to the event, (ii) the sale, transfer or disposition of all or substantially all the assets of the Company, or (iii) the sale by the Company of securities to a third party.

The agreement contains Mr. Berk's non-competition covenant for a period of one year from termination.

OPTIONS AND WARRANTS

To comply with the rules of the American Stock Exchange (the "Amex") the following amendments by our Board of Directors of the provisions of outstanding options and warrants issued to officers, directors or employees of, or consultants to, the Company were submitted to our stockholders for approval at their meeting held on June 22, 2004 and were approved at the meeting.

On June 6, 2003 our Board of Directors reduced the exercise price of options to purchase 30,000 shares of the Company's Common Stock granted on January 31, 2003 to each of the following persons, each of whom was then a Director: Messrs. Harmon Aronson, Richard A. Brown, John P. deNeufville, John A. Moore, Donald S. Pearson and Eric L. Sichel from \$6.50 to \$2.21 per share, which was 110% of the closing per share sale price of the Common Stock on the American Stock Exchange on the date of the amendment. These options vest as follows: 10,000 shares on December 12, 2003, 10,000 shares on December 12, 2004 and 10,000 shares on December 12, 2005. The options expire at the earlier to occur of: (1) January 31, 2013 or (2) the date one year after the optionee ceases to be a director of or a consultant or advisor of the Company. On February 6, 2004, the Board of Directors authorized a further amendment to all the options held by Messrs. Brown (30,000 shares), deNeufville (55,000 shares) and Pearson (90,000 shares)

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

to extend their expiration date to a date two years following the June 22, 2004 Annual Meeting. On March 8, 2004 our Board of Directors amended those options held by then Directors, which contained an exercise price greater than \$2.21 to reduce their exercise price to \$2.21 per share.

Name ----	Shares Subject To Amended Options -----	Date of Grant -----	Original Exercise Price -----	Expiration Date -----
Donald Pearson	30,000	7/1/99	\$6.00	6/22/06
	30,000	1/2/01	\$6.50	6/22/06
Harmon Aronson	30,000	7/1/99	\$6.00	9/1/09
	30,000	1/2/01	\$6.50	1/1/11
Eric Sichel	30,000	8/2/01	\$10.00	8/2/11

On May 12, 2004 our Board of Director also authorized an amendment to the expiration dates of options to purchase 330,000 shares held by Mr. Moore, of which 30,000 options granted in January 2003 and exercisable at \$2.21 have an expiration date of January 13, 2013 and 300,000 options granted in June 2003 and exercisable at \$2.01 per share have an expiration date of June 13, 2013. Similar to the above amendment of the options held by Messrs Pearson, Aronson and Sichel, the options will terminate on the earlier of their current expiration date or a date two years after Mr. Moore ceases to be a director of the Company.

On March 8, 2004, the Board of Directors confirmed the reduction to \$2.21 per share of the \$3.31 per share exercise price of options of purchase 30,000 shares granted on June 13, 2003 to each of three employees. Such options vest in three equal annual installments commencing with the date of grant.

On February 6, 2004 the Board of Directors authorized the extension of the expiration date from June 30, 2004 to November 30, 2005 of the outstanding Class B Warrants to purchase an aggregate of 681,002 shares of our Common Stock at a price of \$5.00 per share. The Class B Warrants were originally issued as part of units of shares of Common Stock and Class B Warrants in a private placement to a group of investors. Included among the holders of the Class B Warrants is Richard A. Brown, a Director at the time, who holds, along with his son and an affiliated trust, an aggregate

14

of 156,250 Class B Warrants and Bridge Ventures Inc., a consultant to the Company since December, 2003, which holds 25,000 Class B Warrants.

The Board of Directors authorized the foregoing amendments for the purposes of hopefully generating additional funds through the exercise of the options or warrants, and restoring a principal purpose or purposes of the original grants of the options or warrants to officers, directors and employees, namely a reasonable opportunity for the holder to acquire or increase a proprietary interest in the Company and to restore a meaningful form of noncash compensation.

The stockholders also approved the revision of options previously granted to Dr. Atul Mehta pursuant to a settlement of a litigation with him as referred to under "Legal Proceedings". The revision provides for the extension of the expiration dates to June 13, 2005 of options previously issued to Dr. Mehta to purchase 770,000 shares of Common Stock, including options with respect to

70,000 shares which had previously expired. The number and exercise prices are as follows:

270,000*	\$10.00
100,000	3.00
100,000	2.50
100,000	2.00
100,000	1.50
100,000	1.00

 * Includes the 70,000 which had expired. See "Proposal to Ratify the Grant and Amendment of Warrants and Options" for reduction of these options by 100,000 and of the exercise price of the 170,000 balance to \$2.34 per share.

The Company is informed and believes that as of January 31, 2005, Cede & Co. held [_____] shares of the Company's common stock as nominee for Depository Trust Company, 55

Water Street, New York, New York 10004. It is our understanding that Cede & Co. and Depository Trust Company both disclaim any beneficial ownership therein and that such shares are held for the account of numerous other persons, no one of whom is believed to beneficially own five percent or more of the common stock of the Company.

ITEM 2. PROPOSAL TO AMEND STOCK OPTION PLAN

The Board of Directors in January 2005 approved, subject to stockholders approval, an amendment to the Company's Stock Option Plan (the "Plan") to increase the number of shares subject to the Plan from 1,500,000 to 4,000,000 shares. The Plan was approved by stockholders on June 22, 2004 as proposed by the Board of Directors. The Plan authorizes the grant of options to employees and directors of the Company or its subsidiaries and individuals

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

performing consulting services to the Company or a subsidiary.

As of February 15, 2005, there were outstanding options to purchase 2,377,050 shares, of which options to purchase 402,000 shares of Common Stock were granted under the Plan; no options granted under the Plan have been exercised.

Pursuant to the Plan, the Board on June 22, 2004 granted options to purchase 220,900 shares of Common Stock at \$2.34 per share options under the Plan to current employees who held options with exercise prices higher than the options to be granted; with the optionees surrendering the options containing the higher exercise price. No options granted prior to the stockholder approval in substitution of previously granted options was made to any officer or director of the Company.

To the extent any of the options granted or to be granted under the Plan expire or terminate without being exercised they may be subject to future grants under the Plan.

The following table sets forth information regarding options previously granted by the Company (exclusive of warrants previously sold along with shares of Common Stock in private placements by the Company) and options, included in the foregoing, granted under the Plan to each of the Company's executive officers named under the Executive Officer Compensation Table under "Executive Compensation", all current executive officers as a group, all current directors who are not executive officers as a group and all employees other than executive officers as a group:

Name and Position -----	Number of Stock Options Previously Granted*	Number of Granted Un Plan -----
Atul Mehta, former President and Chief Executive Officer (1).....	670,000 (1)	--
Bernard Berk	630,000 (2)	30,0
Executive Officer Group (2 persons).....	640,000	30,0
Non-Executive Directors Group (4 persons).....	270,000	90,0
Non-Executive Officer Employee Group(13 persons).....	403,050	282,0

* Given effect to the cancellation of options upon the grant of a like number of options granted under the Plan.

(1) See "Proposal to Ratify the Grant and Amendment of Warrants and Options"

(2) The options include 300,000 options which may not be exercised prior to the occurrence of a "strategic event". See "Executive Officers".

The Plan may not be amended to increase the maximum number of shares which may be granted under the Plan (except under the anti-dilution provisions contained therein) or to change the class of persons to whom options may be granted without the affirmative vote of holders of the Company's Common Stock.

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

The Company believes that an increase to 4,000,000 shares in the number authorized under the Plan is desirable in view of the recent private placement of the Company's Preferred Shares and Common Stock Purchase Warrants resulting in the increase by 10,826,091 shares of Common Stock issued upon conversion and reserved for issuance upon conversion of the Preferred Shares and exercise of the warrants of which 3,326,980 share were issued upon conversion of 332,698 Preferred Shares. In attracting or retaining employees, management personnel and consultants, the options representing a portion of the equity of the Company has diminished importance if it represents a decreased portion of the voting equity of the Company. Accordingly, the Company believes the amendment will enhance its efforts to attract and retain individuals with good ability to service the Company, motivate their efforts and serve the business interests of the Company, while reducing the cash payments which the Company would otherwise be required to make to accomplish such purposes.

The last reported sale price of the Company's Common Stock (symbol ELI) on the American Stock Exchange on February 18, 2005, was 4.30 per share. The proceeds received by us upon the exercise of the stock options granted under the Plan will be used for general corporate purposes.

FINANCIAL STATEMENT TREATMENT OF OPTIONS

Currently, the Company expenses the fair value of equity-based awards, such as stock options and warrants, granted or modified after April 1, 2002 in accordance with accounting principles generally accepted in the United States of America. Modifications such as lowering the exercise prices or extending the expiration dates could result in material additions to the Company's non-cash expenses.

OPTIONS AUTHORIZED

The Plan permits the Company to grant both incentive stock options ("Incentive Stock Options" or "ISOs") within the meaning of Section 422 of the Code, and other options which do not qualify as Incentive Stock Options (the "Non-Qualified Options").

Unless earlier terminated by the Board of Directors, the Plan (but not outstanding options) terminates on March 1, 2014, after which no further awards may be granted under the Plan. The Plan is administered by the full Board of Directors or, at the Board's discretion, by a committee of the Board consisting of at least two persons who are "disinterested persons" defined under Rule 16b-2(c)(ii) under the Securities Exchange Act of 1934, as amended (the "Committee"). As of February 15, 2005, the Board has not appointed a Committee.

Recipients of options under the Plan ("Optionees") are selected by the Board or the Committee. The Board or Committee determines the terms of each option grant including (1) the purchase price of shares subject to options, (2) the dates on which options become exercisable and (3) the expiration date of each option (which may not exceed ten years from the date of grant). The minimum per share purchase price of options granted under the Plan for Incentive Stock Options is the fair market value (as defined in the Plan) or for Nonqualified Options is 85% of Fair Market Value of one share of the Common Stock on the date the option is granted.

Optionees have no voting, dividend or other rights as stockholders with respect to shares of Common Stock covered by options prior to becoming the holders of record of such shares. The purchase price upon the exercise of options may be paid in cash, by certified bank or cashier's

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

check, by tendering stock held by the Optionee, as well as by cashless exercise either through the surrender of other shares subject to the option or through a broker. The total number of shares of Common Stock available under the Plan, and the number of shares and per share exercise price under outstanding options will be appropriately adjusted in the event of any reorganization, merger or recapitalization of the Company or similar corporate event.

The Board of Directors may at any time terminate the Plan or from time to time make such modifications or amendments to the Plan as it may deem advisable and the Board or Committee may adjust, reduce, cancel and regrant an unexercised option if the fair market value declines below the exercise price except as may be required by any national stock exchange or national market association on which the Common Stock is then listed. In no event may the Board, without the approval of stockholders, amend the Plan to increase the maximum number of shares of Common Stock for which options may be granted under the Plan or change the class of persons eligible to receive options under the Plan.

Subject to limitations set forth in the Plan, the terms of option agreements will be determined by the Board or Committee, and need not be uniform among Optionees.

FEDERAL INCOME TAX CONSEQUENCES. The following is a brief discussion of the Federal income tax consequences of transactions under the Plan. This discussion is not intended to be exhaustive and does not describe state or local tax consequences.

INCENTIVE OPTIONS

No taxable income is realized by the Optionee upon the grant or exercise of an Incentive Option, except as noted below with respect to the alternative minimum tax. If Common Stock is issued to an Optionee pursuant to the exercise of an Incentive Option, and if no disqualifying disposition of such shares is made by such Optionee within two years after the date of grant or within one year after the transfer of such shares to such Optionee, then (1) upon sale of such shares, any amount realized in excess of the option price will be taxed to such Optionee as a long-term capital gain and any loss sustained will be a long-term capital loss, and (2) no deduction will be allowed to the Optionee's employer for Federal income tax purposes.

Except as noted below for corporate "insiders," if the Common Stock acquired upon the exercise of an Incentive Option is disposed of prior to the expiration of either holding period described above, generally (1) the Optionee will realize ordinary income in the year of disposition in an amount equal to the excess (if any) of the fair market value of such shares at exercise (or, if less, the amount realized on the disposition of such shares) over the option price paid for such shares and (2) the Optionee's employer will be entitled to deduct such amount for Federal income tax purposes if the amount represents an ordinary and necessary business expense. Any further gain (or loss) realized by the Optionee will be taxed as short-term or long-term capital gain (or loss), as the case may be, and will not result in any deduction by the employer.

Subject to certain exceptions for disability or death, if an Incentive Option is exercised more than three months following termination of employment, the exercise of the Option will generally be taxed as the exercise of a Non-qualified Option.

For purposes of determining whether an Optionee is subject to any alternative minimum tax liability, an Optionee who exercises an Incentive Option generally would be required to increase his or her alternative minimum taxable income, and compute the tax basis in the stock so acquired, in the same manner as if the Optionee had exercised a Non-qualified Option. Each

Optionee is potentially subject to the alternative minimum tax. In substance, a taxpayer is required to pay the higher of his/her alternative minimum tax liability or his/her "regular" income tax liability. As a result, a taxpayer has to determine his potential liability under the alternative minimum tax.

NON-QUALIFIED OPTIONS

Except as noted below for corporate "insiders," with respect to Non-qualified Options: (1) no income is realized by the Optionee at the time the Option is granted, except for options which vest immediately if granted at an exercise price less than fair market value; (2) generally, at exercise, ordinary income is realized by the Optionee in an amount equal to the difference between the option price paid for the shares and the fair market value of the shares, if unrestricted, on the date of exercise, and the Optionee's employer is generally entitled to a tax deduction in the same amount subject to applicable tax withholding requirements; and (3) at sale, appreciation (or depreciation) after the date of exercise is treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

As a result of a recent ruling by the IRS, if a granted Non-qualified option contains an exercise price below fair market value on the date of grant, the Optionee will realize on the first date the option is exercisable ordinary income in an amount equal to the difference between the exercise price and the fair market value on the date of grant.

SPECIAL RULES APPLICABLE TO CORPORATE INSIDERS

As a result of the rules under Section 16(b) of the Exchange Act, "insiders" (as defined in the Securities Exchange Act of 1934), depending upon the particular exemption from the provisions of Section 16(b) utilized, may not receive the same tax treatment as set forth above with respect to the grant and/or exercise of options. Generally, insiders will not be subject to taxation until the expiration of any period during which they are subject to the liability provisions of Section 16(b) with respect to any particular option. Insiders should check with their own tax advisers to ascertain the appropriate tax treatment for any particular option.

BENEFITS. Inasmuch as awards to all participants under the Plan will be granted at the sole discretion of the Board or Committee, such benefits under the Plan are not determinable. Compensation paid and other benefits granted in respect of the fiscal year ended March 31, 2003 to the named executive officer are set forth in the Summary Compensation Table.

VOTE REQUIRED; RECOMMENDATION. Approval of the adoption of the Plan will require the affirmative vote of the holders of a majority of the shares of the Common Stock of the Company present, in person or by proxy, at the Annual Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE THEIR SHARES FOR THE PROPOSAL TO AMEND THE STOCK OPTION PLAN.

ITEM 3. PROPOSAL TO RATIFY THE GRANT AND AMENDMENT OF WARRANTS AND OPTIONS

The American Stock Exchange (the "Amex") requires stockholder approval of material amendments to certain stock option plans or other equity compensation arrangements.

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

(A) At the last Annual Meeting of Stockholders the Stockholders approved the amendment of stock options held by Dr. Atul Mehta, our former President, Chief Executive Officer and Director, which were amended pursuant to a settlement of a litigation instituted by Dr. Mehta for alleged breach of an employment contract. As approved, the options granted to Dr. Mehta were revised as set forth under "Executive Compensation - Options and Warrants". On October 18, 2004, the Company and Dr. Mehta agreed to a further revision of his options to purchase 770,000 shares providing for the termination of options to purchase 100,000 shares, the extension of the expiration date of the remaining 670,000 options to December 21, 2007 and the revision of the \$10.00 exercise price of the 170,000 options from \$10.00 to \$2.34 per share. Giving effect to the amendment, the number of options all of which expire December 31, 2007, and their exercise prices are as follows:

Number of Options -----	Exercise Price -----
100,000	\$3.00
170,000	2.34
200,000	2.00
100,000	1.50
100,000	1.00

(B) In July 2004 the Company granted Mr. Jason Lyons a common stock purchase warrant, to purchase 50,000 shares of Common Stock at a price of \$3.00 per share, on or prior to July 20,2007 in consideration for his agreement to render consultant services.

The Company believes that revision of Dr. Mehta options and the grant of the Warrants to Mr. Lyons in lieu of additionally cash payments were in the best interest of the Company and its shareholders. Ratification of the amendment of Dr. Mehta options and the grant of the warrants to Mr. Lyons requires the affirmative vote of a majority of the shares voting in person or by proxy on the proposal. Abstentions would have the effect of a negative vote.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE
FOR THE PROPOSAL TO RATIFY THE GRANT AND AMENDMENT OF WARRANTS
AND OPTIONS

ITEM 4. PROPOSAL TO RATIFY APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors, subject to stockholders approval, appointed Miller, Ellin & Co., LLP ("Miller Ellin") as independent auditors of the Company for its financial statements for the fiscal year ending March 31, 2005. Miller Ellin has audited the consolidated financial statements of the Company since 1997. A representative of that firm is expected to be present at the Annual Meeting, and will have an opportunity to make a statement to the stockholders and will be available to respond to appropriate questions. The ratification of the appointment will require the affirmative vote of the holders of a majority of the outstanding shares of Common Stock present in person or represented by proxy at the Annual Meeting and entitled to vote. Abstentions will be included in determining the number of shares of Common Stock present or represented and entitled to vote for purposes of approval and will have the effect of votes "against" the proposal.

Stockholder ratification of the appointment is not required by the

Edgar Filing: ELITE PHARMACEUTICALS INC /DE/ - Form PRE 14A

Company's Certificate of Incorporation or By-laws or otherwise. If the stockholders fail to ratify the appointment, the Board of Directors will reconsider whether to retain that firm. Even if the appointment is ratified, the Board of Directors in its discretion may direct the appointment of a different independent accounting firm at any time during the year if the Board of Directors determines that such a change would be in the best interests of the Company and its stockholders.
