ITEM 2.06 MATERIAL IMPAIRMENTS

The following information is furnished pursuant to Item 2.06 [Material Impairments].

On November 15, 2007, the Company announced it is initiating a global program to transition some of its product lines. In connection with this transition, the Company expects to record non-cash impairment charges, primarily associated with the write-off of inventory and lease residuals of older mailing equipment that the Company will stop selling as it transitions to the new generation of fully digital, networked, and remotely downloadable equipment. When the Company determines the range of these impairment charges, the appropriate disclosure will be made to provide this information.
