**PROXY STATEMENT**  
**for**  
**2006 ANNUAL MEETING OF STOCKHOLDERS**  
**May 19, 2006**

The board of directors of BioMed Realty Trust, Inc., a Maryland corporation, is soliciting the enclosed proxy for use at the 2006 Annual Meeting of Stockholders to be held on Friday, May 19, 2006 at 9:00 a.m., local time, and at any adjournments or postponements thereof. The annual meeting will be held at the Hilton Garden Inn at 17240 Bernardo Center Drive, San Diego, California. This proxy statement will be first sent to stockholders on or about April 13, 2006.

Unless contrary instructions are indicated on the proxy, all shares represented by valid proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted **FOR** the election of the board of directors nominees for directors, or for a substitute or substitutes in the event a nominee or nominees are unable to serve or decline to do so, and **FOR** the ratification of the selection of KPMG LLP as the company's independent registered public accounting firm for the year ending December 31, 2006. As to any other business which may properly come before the annual meeting and be submitted to a vote of the stockholders, proxies received by the board of directors will be voted in the discretion of the designated proxy holders. A proxy may be revoked by written notice to the Secretary of BioMed at any time prior to the annual meeting, by executing a later dated proxy or by attending the annual meeting and voting in person. Attendance at the annual meeting will not by itself revoke a proxy.

We will bear the cost of solicitation of proxies. In addition to the use of mails, proxies may be solicited by personal interview, telephone, facsimile, e-mail or otherwise, by our officers, directors and other employees. We also will request persons, firms and corporations holding shares in their names, or in the names of their nominees, which are beneficially owned by others to send or cause to be sent proxy material to, and obtain proxies from, such beneficial owners and will reimburse such holders for their reasonable expenses in so doing.

**Voting**

Holders of record of our common stock, \$.01 par value per share, at the close of business on March 31, 2006 will be entitled to notice of and to vote at the annual meeting or any adjournments or postponements thereof.

As of March 31, 2006, 46,781,632 shares of our common stock were outstanding and represent our only voting securities. Each share of our common stock is entitled to one vote. A majority of the outstanding shares of our common stock represented in person or by proxy will constitute a quorum at the annual meeting. Directors are elected by a plurality of the votes cast. The ratification of the selection of KPMG LLP as our independent registered public accounting firm requires the affirmative vote of a majority of the votes cast on the proposal.

Votes cast by proxy or in person at the annual meeting will be counted by the person appointed by us to act as inspector of election for the annual meeting. The inspector of election will treat shares represented by proxies that reflect abstentions or include broker non-votes as shares that are present and entitled to vote for purposes of determining the presence of a quorum. Broker non-votes refer to unvoted proxies submitted by brokers who are not able to vote on a proposal absent instructions from the applicable beneficial owner. Since brokers are empowered to vote with regard to the election of directors, there will be no broker non-votes with respect to this proposal. Abstentions do not constitute a vote for or against any nominee for the board of directors and thus will be disregarded in the calculation of votes cast for purposes of electing nominees to the board of directors. For purposes of the vote on the ratification of the selection of KPMG LLP as our independent registered public accounting firm, abstentions or broker non-votes will not be counted as votes

cast and will have no effect on the result of the vote. Any executed, unmarked proxies, including those submitted by brokers or nominees, will be voted in favor of the nominees for the board of directors and for the ratification of the selection of KPMG LLP as our independent registered public accounting firm, as indicated in the accompanying proxy card.

No person is authorized to make any representation with respect to the matters described in this proxy statement other than those contained herein and, if given or made, such information or representation must not be relied upon as having been authorized by us or any other person.

**PROPOSAL 1**  
**ELECTION OF DIRECTORS**

Our board of directors has nominated and recommends for election as directors the seven persons named herein to serve until the next annual meeting of stockholders and until their respective successors are duly elected and qualify. All of the nominees are presently directors of BioMed, and following the annual meeting there will be no vacancies on the board. Directors are elected by a plurality of the votes cast at the annual meeting. Cumulative voting is not permitted. The enclosed proxy will be voted in favor of the persons nominated unless otherwise indicated. If any of the nominees should be unable to serve or should decline to do so, the discretionary authority provided in the proxy will be exercised by the proxy holders to vote for a substitute or substitutes nominated by the board of directors. The board of directors does not believe at this time that any substitute nominee or nominees will be required.

**Information Regarding the Board**

**Board Independence**

Our board of directors has determined that each of its current directors, except for Messrs. Gold and Kreitzer, has no material relationship with BioMed (either directly or as a partner, stockholder or officer of an organization that has a relationship with BioMed) and is independent within the meaning of our director independence standards, which reflect the New York Stock Exchange director independence standards, as currently in effect. Furthermore, our board of directors has determined that each of the members of each of the audit committee, the compensation committee and the nominating and corporate governance committee has no material relationship with BioMed (either directly or as a partner, stockholder or officer of an organization that has a relationship with BioMed) and is independent within the meaning of our director independence standards.

**Board Meetings**

Our board of directors held 15 meetings during fiscal 2005. No nominee for director who served as a director during the past year attended fewer than 75% of the aggregate of the total number of meetings of our board of directors and the total number of meetings of committees of our board of directors on which he or she served.

To ensure free and open discussion among the independent directors of the board, regularly scheduled executive sessions will be held, at which only independent directors are present. The independent directors have nominated the chair of the nominating and corporate governance committee, currently Ms. Cambon, to serve as presiding director at each executive session.

**Committees of the Board**

Our board of directors has three standing committees: the audit committee, the compensation committee and the nominating and corporate governance committee.

*Audit Committee.* The audit committee has been established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. The audit committee helps ensure the integrity of our financial statements, the qualifications and independence of our independent registered public accounting firm and the performance of our internal audit function and independent registered public accounting firm. The audit committee appoints, assists and meets with the independent registered public accounting firm, oversees each annual audit and quarterly review, establishes and maintains our internal audit controls and prepares the report that federal securities laws require be included in our annual proxy statement. Dr. Riedy is the chair and Ms. Cambon and Ms. Wilson serve as members of the audit committee. Our board of directors has determined that Dr. Riedy is an audit committee financial expert as defined by the Securities and Exchange Commission. The audit committee held 13 meetings in 2005.

*Compensation Committee.* The compensation committee reviews and approves the compensation and benefits of our executive officers, administers and makes recommendations to our board of directors regarding our compensation and stock incentive plans, and produces an annual report on executive compensation for inclusion in our proxy statement. Mr. Roth is the chair and Dr. Dennis and Dr. Riedy serve as members of the compensation committee. The compensation committee held four meetings in 2005.

*Nominating and Corporate Governance Committee.* The nominating and corporate governance committee develops and recommends to our board of directors a set of corporate governance principles, adopts a code of ethics, adopts policies with respect to conflicts of interest, monitors our compliance with corporate governance requirements of state and federal law and the rules and regulations of the New York Stock Exchange, establishes criteria for prospective members of our board of directors, conducts candidate searches

and interviews, oversees and evaluates our board of directors and management, evaluates from time to time the appropriate size and composition of our board of directors, recommends, as appropriate, increases, decreases and changes in the composition of our board of directors and recommends to our board of directors the slate of directors to be elected at each annual meeting of our stockholders. Ms. Cambon is the chair and Dr. Dennis, Mr. Roth and Ms. Wilson serve as members of the nominating and corporate governance committee. The nominating and corporate governance committee held two meetings in 2005.

Our board of directors has adopted charters for each of the audit committee, compensation committee and nominating and corporate governance committee. Each of the charters is available on our website at [www.biomedrealty.com](http://www.biomedrealty.com) and will be provided without charge upon request to BioMed Realty Trust, Inc., 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128, Attention: Secretary. The information contained on our website is not incorporated by reference into and does not form a part of this proxy statement.

Our board of directors may from time to time establish certain other committees to facilitate the management of BioMed.

### **Director Qualifications**

The nominating and corporate governance committee has not set minimum qualifications for board nominees. However, pursuant to its charter, in identifying candidates to recommend for election to the board, the nominating and corporate governance committee considers the following criteria: (1) personal and professional integrity, ethics and values, (2) experience in corporate management, such as serving as an officer or former officer of a publicly held company, and a general understanding of marketing, finance and other elements relevant to the success of a publicly traded company in today's business environment, (3) experience in our industry and with relevant social policy concerns, (4) experience as a board member of another publicly held company, (5) academic expertise in an area of our operations and (6) practical and mature business judgment, including ability to make independent analytical inquiries. Our board of directors evaluates each individual in the context of our board as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the nominating and corporate governance committee also considers the director's past attendance at meetings and participation in and contributions to the activities of the board.

### **Identifying and Evaluating Nominees for Directors**

The nominating and corporate governance committee identifies nominees by first evaluating the current members of our board willing to continue in service. Current members with qualifications and skills that are consistent with the nominating and corporate governance committee's criteria for board service are re-nominated. As to new candidates, the nominating and corporate governance committee will generally poll board members and members of management for their recommendations. The nominating and corporate governance committee may also hire a search firm if deemed appropriate. An initial slate of candidates will be presented to the chair of the nominating and corporate governance committee, who will then make an initial determination as to the qualification and fit of each candidate. Final candidates will be interviewed by the Chief Executive Officer and a nominating and corporate governance committee member. The nominating and corporate governance committee will then approve final director candidates and, after review and deliberation of all feedback and data, will make its recommendation to our board of directors. Recommendations received by stockholders will be considered and processed and are subject to the same criteria as are candidates nominated by the nominating and corporate governance committee.

The foregoing notwithstanding, if we are legally required by contract or otherwise to permit a third party to designate one or more of the directors to be elected or appointed (for example, pursuant to articles supplementary designating the rights of a class of preferred stock to elect one or more directors upon a dividend default), then the nomination or appointment of such directors shall be governed by such requirements.

## **Table of Contents**

Each of the nominees for election as director at the annual meeting is recommended by the nominating and corporate governance committee to stand for reelection.

### **Stockholder Recommendations for Director Nominees**

The nominating and corporate governance committee's policy is to consider candidates recommended by stockholders. The stockholder must submit a detailed resume of the candidate and an explanation of the reasons why the stockholder believes the candidate is qualified for service on our board of directors and how the candidate satisfies the board's criteria. The stockholder must also provide such other information about the candidate as would be required by the Securities and Exchange Commission rules to be included in a proxy statement. In addition, the stockholder must include the consent of the candidate and describe any arrangements or undertakings between the stockholder and the candidate regarding the nomination. The stockholder must submit proof of BioMed Realty Trust stockholdings. All communications are to be directed to the chair of the nominating and corporate governance committee, c/o BioMed Realty Trust, Inc., 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128, Attention: Secretary. For the annual meeting in any subsequent year, recommendations received after 120 days prior to the anniversary of the mailing of the prior year's proxy materials will likely not be considered timely for consideration at that year's annual meeting.

### **Compensation of Directors**

Each of our directors who is not an employee of our company or our subsidiaries receives an annual fee of \$20,000 for services as a director. The chair of the audit committee receives an additional \$12,000 annual fee and each director who is not an employee of our company or our subsidiaries who chairs any other committee of the board of directors receives an additional \$5,000 annual fee for each committee chaired. In addition, each director who is not an employee of our company or our subsidiaries receives a fee of \$1,500 for each board of directors meeting attended in person (\$750 for telephonic attendance), a fee of \$1,000 for each audit committee meeting attended in person (\$500 for telephonic attendance), and a fee of \$750 for each other committee meeting attended in person (\$500 for telephonic attendance). Non-employee directors receive fees for attending committee meetings whether or not a meeting of the board of directors is held on the same day. Directors are also reimbursed for reasonable expenses incurred to attend board of directors and committee meetings. Directors who are employees of our company or our subsidiaries do not receive compensation for their services as directors.

Our non-employee directors also receive automatic grants of restricted stock under our 2004 incentive award plan. We will grant 2,000 shares of restricted common stock to each non-employee director who is initially elected or appointed to the board of directors on the date of such initial election or appointment. Thereafter, on the date of each annual meeting of stockholders, each non-employee director who continues to serve on the board of directors will be granted 2,000 shares of restricted common stock. The restricted stock granted to non-employee directors vests one year from the date of grant.

### **Policy Governing Stockholder Communications with the Board of Directors**

Our board of directors welcomes communications from our stockholders. Any stockholder or other interested party who wishes to communicate with the board or one or more members of the board should do so in writing in care of the General Counsel of BioMed, at our principal office, 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128. The General Counsel is directed to forward each appropriate communication to the director or directors for whom it is intended.

### **Policy Governing Director Attendance at Annual Meetings of Stockholders**

We encourage, but do not require, our board members to attend the annual meeting of stockholders. All of our directors attended our 2005 Annual Meeting of Stockholders, which was held on May 18, 2005.

**Table of Contents**

**Code of Business Conduct and Ethics and Corporate Governance Guidelines**

We have adopted a Code of Business Conduct and Ethics that applies to our officers, employees and directors. In addition, our board of directors has adopted Corporate Governance Guidelines to assist the board in the exercise of its responsibilities and to serve the interests of BioMed and its stockholders. The Code of Business Conduct and Ethics and Corporate Governance Guidelines are posted on our website at [www.biomedrealty.com](http://www.biomedrealty.com) and will be provided without charge upon request to BioMed Realty Trust, Inc., 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128, Attention: Secretary.

**Recommendation of the Board of Directors**

**Our board of directors recommends that stockholders vote FOR each of the nominees set forth above. Proxies solicited by the board of directors will be so voted unless stockholders specify otherwise on the enclosed proxy.**

**PROPOSAL 2**

**RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED  
PUBLIC ACCOUNTING FIRM**

The audit committee of our board of directors has selected KPMG LLP to serve as our independent registered public accounting firm for the year ending December 31, 2006, and our board of directors has directed that management submit the selection of the independent registered public accounting firm for ratification by our stockholders at the annual meeting. KPMG LLP has audited our financial statements since our inception in 2004. Representatives of KPMG LLP are expected to be present at the annual meeting. Such representatives will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

Stockholder ratification of the selection of KPMG LLP as our independent registered public accounting firm is not required by our bylaws or otherwise. However, the board of directors is submitting the selection of KPMG LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the audit committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the audit committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of the company.

The affirmative vote of a majority of the votes cast at the annual meeting is required for the ratification of the selection of KPMG LLP as our independent registered public accounting firm.

**Recommendation of the Board of Directors**

**Our board of directors recommends that stockholders vote FOR the ratification of the selection of KPMG LLP as the company's independent registered public accounting firm for the year ending December 31, 2006.**

### **Employment Agreements**

We entered into employment agreements, effective as of August 6, 2004, with Messrs. Gold, Kreitzer, Wilson and McDevitt. The employment agreements, as amended to date, provide for Mr. Gold to serve as our Chairman, Chief Executive Officer and President, Mr. Kreitzer to serve as our Executive Vice President, General Counsel and Secretary, Mr. Wilson to serve as our Executive Vice President Operations and Mr. McDevitt to serve as our Regional Executive Vice President. We also entered into an employment agreement, effective as of March 27, 2006, with Mr. Griffin to serve as our Chief Financial Officer. These employment agreements require Messrs. Gold, Kreitzer, Wilson, McDevitt and Griffin, as applicable, to devote such attention and time to our affairs as is necessary for the performance of their duties, but also permit them to devote time to their outside business interests consistent with past practice. Under the employment agreements with Messrs. Gold and Kreitzer, we will use our best efforts to cause Mr. Gold to be nominated and elected as Chairman of our board of directors and Mr. Kreitzer to be nominated and elected as a member of our board of directors.

The employment agreements with Messrs. Gold, Kreitzer and Wilson have a term of three years, and the employment agreements with Messrs. McDevitt and Griffin have two-year terms, starting on their respective effective dates. Each employment agreement provides for automatic one-year extensions thereafter, unless either party provides at least six months notice of non-renewal.

The employment agreements provide for:

an initial annual base salary of \$350,000 for Mr. Gold, \$250,000 for Messrs. Kreitzer and Wilson, \$220,000 for Mr. McDevitt and \$288,750 for Mr. Griffin, subject to annual increases based on increases in the consumer price index and further increases in the discretion of our board of directors or the compensation committee of our board of directors,

eligibility for annual cash performance bonuses based on the satisfaction of performance goals established by our board of directors or the compensation committee of our board of directors,

participation in other incentive, savings and retirement plans applicable generally to our senior executives,

medical and other group welfare plan coverage and fringe benefits provided to our senior executives,

payment of the premiums for a long-term disability insurance policy which will provide benefits equal to at least 60% of an executive's annual base salary,

payment of the premiums for a \$1 million term life insurance policy,

monthly payments of \$750 (\$1,000 in the case of Mr. Gold) for an automobile allowance, and

in the case of Mr. Griffin, reimbursement for reasonable moving expenses up to a total of \$50,000.

Each executive has a minimum annual bonus equal to 50% of base salary. Mr. Gold's annual bonus may be up to 200% of his base salary. Messrs. Kreitzer, Wilson, McDevitt and Griffin may have annual bonuses up to 150% of their base salary.

In addition, on August 6, 2004, Messrs. Gold, Kreitzer, Wilson and McDevitt were granted 126,667, 73,333, 66,667 and 30,000 shares of restricted stock, respectively. The restricted stock vests one-third each year, beginning on January 1, 2005 and each successive January 1 thereafter. On March 27, 2006, Mr. Griffin was granted 20,000 shares of restricted stock, which vest in two equal installments on January 1, 2007 and 2008.

The employment agreements provide that, if an executive's employment is terminated by us without cause or by the executive for good reason (each as defined in the applicable employment agreement), or, in the case of Mr. Gold, if we fail to renew his employment agreement for each of the first two renewal years,

**Table of Contents**

the executive will be entitled to the following severance payments and benefits, subject to his execution and non-revocation of a general release of claims:

an amount equal to the sum of the then-current annual base salary plus average bonus over the prior three years, multiplied by

with respect to Messrs. Gold, Kreitzer, Wilson and Griffin, three, or

with respect to Mr. McDevitt, one,

50% of which amount shall be paid in a lump sum and the remaining 50% of which amount will be paid in equal monthly installments over two years (or, with respect to Mr. McDevitt, one year),

health benefits for 18 months following the executive's termination of employment at the same level as in effect immediately preceding such termination, subject to reduction to the extent that the executive receives comparable benefits from a subsequent employer,

up to \$15,000 worth of outplacement services at our expense, and

100% of the unvested stock options held by the executive will become fully exercisable and 100% of the unvested restricted stock held by such executive will become fully vested.

Under the employment agreements, we agree to make an additional tax gross-up payment to the executive if any amounts paid or payable to the executive would be subject to the excise tax imposed on certain so-called "excess parachute payments" under Section 4999 of the Internal Revenue Code of 1986, as amended, or the Code. However, if a reduction in the payments and benefits of 10% or less would render the excise tax inapplicable, then the payments and benefits will be reduced by such amount, and we will not be required to make the gross-up payment.

Each employment agreement provides that, if the executive's employment is terminated by us without cause or by the executive for good reason within one year after a "change in control" (as defined in the applicable employment agreement), then the executive will receive the above benefits and payments as though the executive's employment was terminated without cause or for good reason. However, the severance amount shall be paid in a lump sum.

Each employment agreement also provides that the executive or his estate will be entitled to certain severance benefits in the event of his death or disability. Specifically, each executive or, in the event of the executive's death, his beneficiaries, will receive:

an amount equal to the then-current annual base salary,

his prorated annual bonus for the year in which the termination occurs,

health benefits for the executive and/or his eligible family members for 12 months following the executive's termination of employment, and

in the event the executive's employment is terminated as a result of his disability, we will continue to pay the premiums on the long-term disability and life insurance policies described above for 12 months.

The employment agreements also contain standard confidentiality provisions, which apply indefinitely, and non-solicitation provisions, which apply during the term of the employment agreements and for any period thereafter during which the executive is receiving payments from us.

**401(k) Plan**

We established and maintain a retirement savings plan under Section 401(k) of the Code to cover our eligible employees, which became effective as of January 1, 2005. The plan allows eligible employees to defer, within prescribed limits, up to 100% of their compensation on a pre-tax basis through contributions to the plan. We currently match each eligible participant's contributions, within prescribed limits, with an amount equal to 50% of such participant's initial 6% tax-deferred contributions. In addition, we reserve the right to make additional discretionary contributions on behalf of eligible participants. Our employees are eligible to participate in the plan if they meet certain requirements, including a minimum period of credited service. Any matching and discretionary company contributions may be subject to certain vesting requirements. Some classes of employees, such as those covered by a collective bargaining agreement, will not be eligible to participate in the plan.

**2004 Incentive Award Plan**

We have adopted the 2004 Incentive Award Plan of BioMed Realty Trust, Inc. and BioMed Realty, L.P. The incentive award plan became effective on August 3, 2004. The incentive award plan provides for the grant to employees and consultants of our company and our operating partnership (and their respective subsidiaries) and directors of our company of stock options, restricted stock, dividend equivalents, stock appreciation rights, restricted stock units and other incentive awards. Only employees of our company and its qualifying subsidiaries are eligible to receive incentive stock options under the incentive award plan. We have reserved a total of 2,500,000 shares of our common stock for issuance pursuant to the incentive award plan, subject to certain adjustments as set forth in the plan. As of December 31, 2005, 461,932 shares of restricted stock had been granted and 2,038,068 shares remained available for future grants under the incentive award plan.

**Compensation Committee Interlocks and Insider Participation**

There were no insider participations or compensation committee interlocks among the members of the committee during fiscal year 2005. At all times during fiscal year 2005, the committee was comprised solely of independent, non-employee directors.

**Compensation Committee Report on Executive Compensation**

The compensation committee reviews and approves the compensation program, and is authorized to determine the compensation (including annual base salaries and bonuses), for our executive officers. The committee also administers our compensation plans, including our incentive award plan and the granting of restricted stock and any other awards thereunder.

## **Table of Contents**

### ***General Compensation Philosophy***

Our executive compensation policies are designed to meet the following objectives: (1) to attract, retain and motivate talented executives, (2) to reward individual achievement appropriately and (3) to enhance BioMed's financial performance, and thus stockholder value, by significantly aligning the financial interests of our executives with those of our stockholders. To accomplish these objectives, our executive compensation program may include: (A) annual base salaries, (B) cash bonuses, (C) long-term incentives through restricted stock grants and other equity-based compensation, and (D) other benefits. Executive officers also participate in other benefit plans available to employees generally, including our 401(k) plan and medical plans. When making compensation decisions for executive officers, the compensation committee evaluates each compensation element in the context of the executive's overall total compensation.

The compensation program is intended to encourage high performance, promote accountability and assure that employee interests are aligned with the interests of our stockholders. We seek to provide total compensation to the executive officers that is competitive with total compensation paid by comparable companies. The compensation committee may retain compensation and other management consultants to assist with, among other things, structuring our various compensation programs and determining appropriate levels of salary, bonus and other compensatory awards payable to our executive officers and key employees, as well as to guide us in the development of near-term and long-term individual performance objectives necessary to achieve long-term profitability.

### ***Annual Base Salaries and Bonuses***

The compensation committee determines compensation for executive officers other than the Chief Executive Officer after taking into account the recommendations of the Chief Executive Officer together with such factors as job responsibilities, level of experience, individual and corporate performance, contribution to the business and comparable compensation for similar positions in the real estate industry. While there are no pre-established weightings given to these factors, particular importance is placed on attracting and retaining quality individuals in order to establish and secure an effective executive team for BioMed.

The initial base salary for each executive officer is provided in the employment agreement between BioMed and such officer, as described under Employment Agreements, subject to annual increases based on increases in the consumer price index and further increases in the discretion of the board of directors or compensation committee. Our annual executive bonus program is intended to reward our executive officers for individual achievement in supporting the fulfillment of corporate objectives, and each executive officer's employment agreement provides for an annual bonus range.

The compensation committee approved bonuses for the executive officers for 2005 equal to \$600,000 with respect to Mr. Gold and \$343,750 with respect to each of Messrs. Kreitzer, Wilson and McDevitt, in accordance with the terms of the executive officers' employment agreements. For fiscal year 2006, the compensation committee also approved increases to the annual base salaries of our executive officers, with Mr. Gold's annual base salary increased to \$420,000 and each of Messrs. Kreitzer's, Wilson's and McDevitt's annual base salary increased to \$288,750. The compensation committee was advised by an independent compensation consultant, and while no specific formula was used to determine base compensation levels for the executive officers, the compensation committee believes that the bonuses and base salaries are at competitive levels relative to similar publicly traded REITs.

### ***Restricted Stock Awards***

The long-term incentive aspect of our executive compensation program is realized primarily by the granting of restricted stock awards under our incentive award plan. Restricted stock grants are designed to increase senior management's stock ownership in BioMed, attract and retain experienced and talented employees and to encourage their long-term quality performance with BioMed. Because the value of the restricted stock is dependent upon stock performance, the restricted stock program directly aligns employee compensation with the interests of our stockholders.

## **Table of Contents**

Restricted stock grants generally vest at the rate of 33<sup>1</sup>/<sub>3</sub> % per year, thereby providing an incentive for the grantee to remain with BioMed, and dividends are paid on the entirety of the grant from the date of the grant. In making restricted stock grants, the compensation committee considers the recommendations of senior management, the duties and responsibilities of the employee, the anticipated future performance of the employee, and that individual's ability to impact positively the achievement of BioMed's objectives. The incentive award plan does not provide any formulated method for weighing these factors, and a decision to grant an award is based primarily upon the compensation committee's evaluation of the past as well as the future anticipated performance and responsibilities of the individual in question. During the past fiscal year, the board of directors authorized restricted stock grants for Messrs. Gold, Kreitzer, Wilson and McDevitt of 30,000, 15,000, 15,000 and 15,000 shares, respectively.

### ***Chief Executive Officer Compensation***

The compensation for our Chief Executive Officer for 2005 was determined on the same general basis as discussed above for the executive officers. In addition, our Chief Executive Officer is evaluated on the basis of BioMed's financial and non-financial achievements. For 2005, Mr. Gold's base salary was \$400,000 per year, and the committee approved a bonus for Mr. Gold equal to 150% of his base salary, in accordance with the terms of his employment agreement. The compensation committee believes that Mr. Gold's annual compensation has been set at a level competitive with similar publicly traded REITs.

### ***Tax Deductibility of Executive Compensation***

Section 162(m) of the Code precludes a publicly held company from taking a deduction for compensation in excess of \$1 million for its chief executive officer or any of its four other highest paid officers, unless such compensation is performance based and certain specific and detailed criteria are satisfied. The compensation committee considers the anticipated tax treatment to the company and the executive officers in its review and establishment of compensation programs and payments. The deductibility of some types of compensation payments can depend upon the timing of the executive's vesting or exercise of previously granted rights. Interpretations of and changes in applicable tax laws and regulations as well as other factors beyond the committee's control also can affect deductibility of compensation. Based on current interpretations, the committee believes that BioMed's current incentive award plans have been structured so that compensation paid in connection with the grant of restricted stock under the plans will qualify as performance based compensation under Section 162(m). However, the committee's general policy is to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals. Accordingly, the compensation committee has not adopted a policy that all compensation must be deductible.

### ***Summary***

The compensation committee believes that the above-described cash compensation program and long-term incentives (in the form of restricted stock awards) provide appropriate alignment of the long-term interests of BioMed, its executive officers and its stockholders.

Theodore D. Roth, Chair  
Edward A. Dennis, Ph.D.  
Mark J. Riedy, Ph.D.

### **Audit Committee Report**

The audit committee oversees BioMed's financial accounting and reporting processes and the audits of the financial statements of BioMed. All committee members satisfy the definition of independent director set forth in the listing standards of the New York Stock Exchange. The board of directors adopted a written charter for the audit committee on August 6, 2004, a copy of which was attached as Appendix A to BioMed's 2005 proxy statement.

**Table of Contents**

In fulfilling its oversight responsibilities, the committee reviewed and discussed with management the audited financial statements in the Annual Report on Form 10-K, including a discussion of the quality, and not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

BioMed's independent registered public accounting firm, KPMG LLP, is responsible for expressing an opinion on the conformity of its audited financial statements with generally accepted accounting principles. KPMG LLP met with the committee and expressed its judgment as to the quality, not just the acceptability, of BioMed's accounting principles and discussed with the committee other matters as required under generally accepted auditing standards, including those matters required under Statement on Accounting Standards No. 61 (Communication with Audit Committees) or the Codification of Statements on Auditing Standards, AU Section 380. In addition, KPMG LLP discussed the auditors' independence from BioMed and from BioMed's management and delivered to the committee those matters to be set forth in written disclosures as required by Independence Standards Board Standard No. 1.

The committee discussed with BioMed's independent registered public accounting firm the overall scope and plan of its audit. The committee meets with the independent registered public accounting firm, with and without our management present, to discuss the results of its examinations, its evaluations of our internal controls, and the overall quality of our financial reporting.

In reliance on the reviews and discussions referred to above, the committee has recommended that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the Securities and Exchange Commission.

**CERTAIN TRANSACTIONS**

**Formation Transactions and Contribution of Properties**

BioMed Realty Trust, Inc. was formed as a Maryland corporation on April 30, 2004. We also formed our operating partnership, BioMed Realty, L.P., as a Maryland limited partnership on April 30, 2004. In connection with our initial public offering in August 2004, we acquired interests in six properties through our operating partnership that were previously owned by limited partnerships and a limited liability company in which Messrs. Gold, Kreitzer, Wilson and McDevitt, entities affiliated with them, and private investors and tenants who are not affiliated with them owned interests.

**Contribution Agreements**

We received the interests in the properties contributed by our executive officers and their affiliates under contribution agreements with the individuals or entities that held those interests. Under the contribution agreements we agreed that if our operating partnership directly or indirectly sells, exchanges or otherwise disposes of (whether by way of merger, sale of assets or otherwise) in a taxable transaction any interest in the properties contributed by our executive officers and their affiliates before the tenth anniversary of the completion of our initial public offering, then our operating partnership will indemnify each contributor for all direct and indirect adverse tax consequences. The calculation of damages will not be based on the time value of money or the time remaining within the indemnification period. These tax indemnities do not apply to the disposition of a restricted property under certain circumstances.

We have also agreed for a period of ten years following the date of our initial public offering to use reasonable best efforts consistent with our fiduciary duties to maintain at least \$8.0 million of debt, some of which must be property specific, to enable the contributors of these properties to guarantee such debt in order to defer any taxable gain they may incur if our operating partnership repays existing debt.

**Redemption or Exchange of the Limited Partnership Units in our Operating Partnership**

As of October 1, 2005, limited partners of our operating partnership, including Messrs. Gold, Kreitzer, Wilson and McDevitt, have the right to require our operating partnership to redeem all or a part of their units for cash, based upon the fair market value of an equivalent number of shares of our common stock at the time of the redemption, or, at our election, shares of our common stock in exchange for such units, subject to certain ownership limits set forth in our charter. As of March 31, 2006, the limited partners of our operating partnership held units exchangeable for an aggregate of 2,863,564 shares of our common stock, assuming the exchange of units into shares of our common stock on a one-for-one basis.

**Other Benefits to Related Parties**

Messrs. Gold, Kreitzer and Wilson have agreed to indemnify the lenders of the debt on the contribution properties. These indemnified lenders include Hawthorne Savings, F.S.B. with respect to our Balboa Avenue property, Fremont Investment & Loan with respect to our Bernardo Center Drive and Industrial Road properties, Midland Loan Services, Inc. with respect to our McKellar Court property and PNC Bank, National Association with respect to our Science Center Drive property. The indemnification covers certain losses incurred by the lender as a result of breaches by the borrowers of the loan documents, including losses resulting from environmental hazards found on or in our contributed properties; losses relating to fraud, intentional misrepresentation or misappropriation of certain funds collected from tenants; losses resulting from waste; and losses resulting from the borrower's failure to comply with certain insurance provisions in the loan documents. In connection with our initial public offering, we agreed to indemnify Messrs. Gold, Kreitzer and Wilson against any payments they may be required to make under such indemnification agreements. However, our indemnification obligation will not be effective with respect to losses relating to a breach of the environmental representations and warranties made to our operating partnership by Messrs. Gold, Kreitzer and Wilson in their respective contribution agreements. For losses relating to such breaches, Messrs. Gold, Kreitzer and Wilson have agreed to indemnify our operating partnership.

**Audit Committee Policy Regarding Pre-Approval of Audit and Permissible Non-Audit Services of Our Independent Registered Public Accounting Firm**

Our audit committee has established a policy that generally requires that all audit and permissible non-audit services provided by our independent registered public accounting firm will be pre-approved by the audit committee, or a designated audit committee member. These services may include audit services, audit-related services, tax services and other services. All permissible non-audit services provided by our independent registered public accounting firm have been pre-approved by the audit committee, or a designated audit committee member. Our audit committee has considered whether the provision of non-audit services is compatible with maintaining the accountants independence and determined that it is consistent with such independence.

**Section 16(a) Beneficial Ownership Reporting Compliance**

Under Section 16(a) of the Exchange Act, directors, officers and beneficial owners of 10% or more of our common stock, or reporting persons, are required to report to the Securities and Exchange Commission on a timely basis the initiation of their status as a reporting person and any changes with respect to their beneficial ownership of our common stock. representations of the reporting persons, we believe that no reporting persons known to us were delinquent with respect to their reporting obligations as set forth in Section 16(a) of the Exchange Act during 2005.

### **Stockholder Proposals**

Proposals of stockholders intended to be presented at our Annual Meeting of Stockholders to be held in 2007 must be received by us no later than December 14, 2006, in order to be included in our proxy statement and form of proxy relating to that meeting. Such proposals must comply with the requirements as to form and substance established by the Securities and Exchange Commission for such proposals and the requirements contained in our bylaws in order to be included in the proxy statement. A stockholder who wishes to make a nomination or proposal at the 2007 annual meeting without including the proposal in our proxy statement and form of proxy relating to that meeting must, in accordance with our current bylaws, notify us between December 14, 2006 and January 13, 2007. If the stockholder fails to give timely notice as required by our bylaws, the nominee or proposal will be excluded from consideration at the meeting. In addition, our bylaws include other requirements for nomination of candidates for director and proposals of other business.

### **Annual Report**

Our annual report for the fiscal year ended December 31, 2005 will be mailed to stockholders of record on or about April 13, 2006. The annual report does not constitute, and should not be considered, a part of this proxy solicitation material.

**If any person who was a beneficial owner of our common stock on the record date for the Annual Meeting of Stockholders desires additional information, a copy of our Annual Report on Form 10-K will be furnished without charge upon receipt of a written request identifying the person so requesting a report as a stockholder of BioMed at such date. Requests should be directed to BioMed Realty Trust, Inc., 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128, Attention: Secretary.**

### **Stockholders Sharing the Same Address**

The rules promulgated by the Securities and Exchange Commission permit companies, brokers, banks or other intermediaries to deliver a single copy of a proxy statement and annual report to households at which two or more stockholders reside. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources. Stockholders sharing an address who have been previously notified by their broker, bank or other intermediary and have consented to householding will receive only one copy of our proxy statement and annual report. If you would like to opt out of this practice for future mailings and receive separate proxy statements and annual reports for each stockholder sharing the same address, please contact your broker, bank or other intermediary. You may also obtain a separate proxy statement or annual report without charge by sending a written request to BioMed Realty Trust, Inc., 17140 Bernardo Center Drive, Suite 222, San Diego, California 92128, Attention: Secretary. We will promptly send additional copies of the proxy statement or annual report upon receipt of such request. Stockholders sharing an address that are receiving multiple copies of the proxy statement or annual report can request delivery of a single copy of the proxy statement or annual report by contacting their broker, bank or other intermediary or sending a written request to BioMed Realty Trust, Inc. at the address above.

### **Incorporation by Reference**

Notwithstanding anything to the contrary set forth in any of BioMed's filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate other filings with the Securities and Exchange Commission, the information contained in the Compensation Committee Report on Executive Compensation, the Audit Committee Report and the Performance Graph sections of this proxy statement shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in filings with the Securities and Exchange Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act or the Exchange Act.
