### Item 3. Source and Amount of Funds or Other Consideration.

In December 2004, the Issuer was formed for the purpose of becoming the stock holding company of Home Federal Bank ("Bank") and the Company was formed for the purpose of becoming the mutual holding company of the Issuer. On December 6, 2004, and pursuant to the Amended Plan of Reorganization and Stock Issuance of the Bank, 8,979,246 shares of Common Stock were issued to the Company, 6,083,500 shares of Common Stock were issued to certain members of the Bank and others, and 146,004 shares of Common Stock were issued to a charitable foundation formed by the Bank ("Stock Offering").

### Item 4. Purpose of Transaction

The primary purpose of the Stock Offering was to allow the Bank to grow through expanded operations, particularly in the area of commercial real estate lending, as well as through increased branching within its current market area. In addition, the stock form of organization gives the Bank and the Issuer more flexibility to increase their capital position and to offer stock-based employee compensation, thereby providing greater incentive to improve corporate performance.

While the Company intends to exercise its rights as majority stockholder, neither the Company nor the Insiders have any present plans or proposals which relate to or would result in: (a) the acquisition by any persons of additional securities of the Issuer or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present Board of Directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the Board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other action which may impede the acquisition of control of the Issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized or quoted in an inter-dealer quotation system of a registered national securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (i) any action similar to any of those enumerated above.
