Item 1.01. Entry into a Material Definitive Agreement.

On March 6, 2017, CSX Corporation (the “Company”) and MR Agent Advisor LLC (“Mantle Ridge”), on behalf of itself and its affiliated funds (such funds, together with Mantle Ridge, collectively, the “Mantle Ridge Group”) entered into a letter agreement (the “Letter Agreement”). The Mantle Ridge Group owns approximately 4.9% of the outstanding shares of common stock of the Company, par value \$1.00 per share (the “Common Stock”).

The Letter Agreement provides that the Board of Directors of the Company (the “Board”) will accept Mr. Michael J. Ward’s resignation as Chief Executive Officer of the Company, and Mr. E. Hunter Harrison will be appointed as the Chief Executive Officer of the Company, effective immediately. Under the Letter Agreement, Mr. Ward will assume the title of consultant and retire from the Company as of May 31, 2017.

The Letter Agreement also provides for the appointments of Mr. Harrison, Paul C. Hilal, Dennis H. Reilley, Linda H. Riefler and John J. Zillmer (collectively, the “New Directors”) to the Board, effective immediately, and the subsequent nomination of the New Directors, together with incumbent directors Donna M. Alvarado, John B. Breaux, Pamela L. Carter, Steven T. Halverson, Edward J. Kelly, III, John D. McPherson, David M. Moffett and J. Steven Whisler, at each of the Company’s 2017 annual meeting of shareholders (the “2017 Annual Meeting”) and 2018 annual meeting of shareholders (the “2018 Annual Meeting”). Mr. Hilal is the managing member of Mantle Ridge GP LLC, which is the general partner of Mantle Ridge LP, which is the sole member of Mantle Ridge, and holds less than 1% economic interest in the funds of Mantle Ridge.

Pursuant to the Letter Agreement, if any of the New Directors is unable to serve as a member of the Board, the Mantle Ridge Group will have the right to have another individual appointed to the Board who is reasonably acceptable to the Governance Committee of the Board and who meets the director independence and other standards of The NASDAQ Stock Market LLC and the Securities and Exchange Commission, subject to certain other conditions. The Company has also agreed that until the conclusion of the 2018 Annual Meeting, the size of the Board will not be more than thirteen directors.

Under the Letter Agreement, the Company has agreed that Mr. Harrison will be appointed to the Executive Committee of the Board, Mr. Hilal will be appointed to the Compensation, Executive, Governance and Finance Committees of the Board, Mr. Reilley will be appointed to the Audit, Executive, Governance and Finance Committees of the Board, Ms. Riefler will be appointed to the Audit, Compensation and Public Affairs Committees of the Board and Mr. Zillmer will be appointed to the Compensation, Executive, Governance and Public Affairs Committees of the Board, in each case effective immediately.

Pursuant to the Letter Agreement, the Company will amend its Corporate Governance Guidelines to provide for the separation of the roles of Chief Executive Officer and Chairman of the Board, the existence of a non-executive Chairman of the Board and the addition of the role of Vice Chairman of the Board. The Letter Agreement also

provides for the amendment of the Company's Amended and Restated Bylaws (the "Bylaws") to reflect such changes in the structure of the Board, provide that a director that has reached the retirement age of 75 years set forth in the Bylaws may continue to serve on the Board so long as he or she has not served more than five consecutive terms and provide that an amendment of the Bylaws will require a vote of two-thirds of the directors then in office.

The Letter Agreement provides that Mr. Kelly will be appointed as the Chairman of the Board and Mr. Hilal will be appointed as the Vice Chairman of the Board, in each case effective immediately, and that the Company will maintain such appointments until the conclusion of the 2018 Annual Meeting; provided that the Mantle Ridge Group will cause the resignation of Mr. Hilal from the Board in the event that the Mantle Ridge Group's beneficial ownership of outstanding shares of Common Stock is less than 2.0% (the "Minimum Ownership Requirement").

In addition, the Company has agreed to include in its proxy statement and proxy card relating to the 2017 Annual Meeting (which the Company has agreed will be held no later than June 15, 2017) a proposal concerning reimbursement arrangements with regard to certain compensation and benefits that Mr. Harrison had forfeited as a result of his separation from Canadian Pacific Railway Limited (the "Make-Whole Benefits"). The Company has also agreed to make a determination on whether it will assume the Make-Whole Benefits within 15 days of the 2017 Annual Meeting. If the Company determines to assume the Make-Whole Benefits, within five days of such determination, it will (i) pay \$55,000,000 to Mantle Ridge and (ii) agree in writing with Mr. Harrison to pay Mr. Harrison \$29,000,000 on or before March 15, 2018 and assume a tax indemnity.

The Mantle Ridge Group has agreed to cause all shares of Common Stock owned of record or beneficially by the Mantle Ridge Group to be voted in favor of all nominees of the Company in its proxy statement for the 2017 Annual Meeting.

Each of the Mantle Ridge Group and the Company have agreed, subject to certain exceptions including for factual statements, not to make or cause to be made any statement or announcement that constitutes an *ad hominem* attack on, or disparages, the other party or any of its officers, directors, advisory board members or employees.

The Letter Agreement contains various other obligations and provisions applicable to the Company and the Mantle Ridge Group.

The obligations under the Letter Agreement will terminate upon the conclusion of the 2018 Annual Meeting, subject to certain specified obligations that will terminate at a later date; provided that the Mantle Ridge Group's right to replace the New Directors will terminate upon the Mantle Ridge Group ceasing to satisfy the Minimum Ownership Requirement.

The above summary is qualified in its entirety by reference to the full text of the Letter Agreement, a copy of which is attached hereto as Exhibit 10.1 and is incorporated by reference herein.

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

The disclosure in Item 1.01 of this Current Report on Form 8-K is incorporated by reference herein. In connection with the appointment of the New Directors to the Board, the New Directors (other than Mr. Harrison) became eligible to participate in the Company's non-employee director compensation program, including receiving annual grants of shares of Common Stock with the number of such shares determined based on the average closing price of the Company's shares during December of 2016 and January and February of 2017, pro-rated to reflect their appointment to the Board in March of 2017.

On March 6, 2017, Mr. Ward resigned from his positions as the Chief Executive Officer of the Company and a director of the Company, effective immediately, and Timothy T. O'Toole resigned from his position as a director of the Company, effective immediately. There are no disagreements between either Mr. Ward or Mr. O'Toole and the Company relating to matters concerning the Company's operations, policies or practices.

On March 6, 2017, Clarence W. Gooden resigned from his position as Vice Chairman of the Company, effective immediately.

On March 6, 2017, Mr. Harrison, age 72, was appointed as Chief Executive Officer of the Company and a director of the Company, effective immediately. There are no family relationships between Mr. Harrison and any director or executive officer of the Company. Mr. Harrison served as the President and Chief Executive Officer of Canadian Pacific Railway Limited and Canadian Pacific Railway Company (“CP”), a provider of rail and intermodal freight transportation services, from 2012 to January 2017 during which time he was also a member of the board of directors of CP. CP is not a parent, subsidiary or other affiliate of the Company. In addition, Mr. Harrison served on the board of directors of Foresight Energy LP, whose business is to mine and market coal from reserves and operations located exclusively in the Illinois Basin, from 2014 to 2015. Mr. Harrison is a party to a consulting agreement with Mantle Ridge pursuant to which Mr. Harrison agreed to, among other things, serve as a Board nominee.

In connection with Mr. Harrison's appointment as Chief Executive Officer, the Company has entered into a four-year employment agreement with Mr. Harrison providing Mr. Harrison with an annual base salary of \$2,200,000 and an annual target bonus opportunity of \$2,800,000, with a guaranteed 2017 bonus no less than the target bonus opportunity. If Mr. Harrison's employment is terminated by the Company without cause or by Mr. Harrison for good reason or due to the Company's failure to assume the Make-Whole Benefits he will be entitled to severance equal to his base salary and target annual bonus, a pro rata bonus for the year of termination and specified medical benefit continuation rights. If the termination occurs in connection with, or within two years following, a future change in control of the Company, the severance will be 2.99 times Mr. Harrison's base salary and target annual bonus. If, as a result of the Company's business activities, Mr. Harrison is subject to any claims by CP under Mr. Harrison's non-competition agreement with CP, the Company will indemnify Mr. Harrison.

Mr. Harrison has been granted an option to purchase 9,000,000 shares of Common Stock at \$49.79 (the closing price as of his hire date) with a ten-year term. This option will vest in equal annual installments over his four-year employment term. Half of the option will vest based on continued service and half will vest based on achievement of performance targets. If Mr. Harrison's employment is terminated by the Company without cause or by Mr. Harrison for good reason, the option will be eligible to vest in full, subject to achievement of the applicable performance targets in the case of the performance-vesting portion of the option award. In other termination scenarios the option will be subject to partial vesting. In the event of a termination for cause, the option will be forfeited in full.

Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On March 6, 2017, the Board approved amendments to the Bylaws, effective immediately, to:

reflect the separation of the roles of Chief Executive Officer of the Company and Chairman of the Board and the addition of the role of Vice Chairman of the Board;

provide that a director shall be eligible for reelection to the Board even if he or she shall have reached the age of 75 years at the time of such reelection, if the reelection will not result in such director serving more than five consecutive terms; and

provide that the Bylaws may be amended by the Board only by the vote of at least two-thirds of the directors then in office instead of by the vote of a majority of the directors present.

The above summary is qualified in its entirety by reference to the full text of the Bylaws, a copy of which is attached hereto as Exhibit 3.1 and is incorporated by reference herein.

Item 8.01. Other Events.

On March 6, 2017, the Company issued a press release regarding certain of the matters described under Item 1.01 of this Current Report on Form 8-K and the cancellation of the previously convened special meeting of shareholders. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated by reference herein.
