**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On March 6, 2011, the Compensation Committee (the Committee) of the Board of Directors (the Board) of Hercules Offshore, Inc. (the Company) approved an increase to the annual base salary for Todd A. Pellegrin, Vice President, Worldwide Liftboat Operations, from \$216,000 to \$250,000, effective immediately. The Committee also approved modifications to the target payouts in 2012 under the Company's Cash Performance Incentive and Retention Plan for Stephen M. Butz, Senior Vice President, Chief Financial Officer, and Treasurer, and Lisa W. Rodriguez, Vice President, Human Resources, based upon their respective annual base salaries. The target payout for Mr. Butz was increased from \$180,000 to \$216,000, while the target payout for Ms. Rodriguez was reduced from \$349,200 to \$180,000.

Also on March 6, 2011, the Committee approved equity grants (the Annual Equity Grants) for certain of its executive officers. The Annual Equity Grants were annual grants made by the Committee pursuant to the Company's Policy Regarding the Granting of Equity-Based Compensation Awards, which provides for approval by the Committee of annual equity grants at its meeting during the first or second quarter of each year.

The Annual Equity Grants were made pursuant to the Company's 2004 Long-Term Incentive Plan (the LTIP) to each of John T. Rynd, Chief Executive Officer and President, James W. Noe, Senior Vice President, General Counsel and Chief Compliance Officer, Terrell L. Carr, Vice President, Worldwide Operations, Mr. Butz, Mr. Pellegrin, and Ms. Rodriguez. Each of the executive officers received restricted stock awards, which vest 1/3 per year and have no performance criteria, and performance-based restricted stock awards, which vest 1/3 per year, subject to the achievement of company performance objectives with respect to two metrics in 2011. Threshold, target and stretch performance objectives have been established for each metric, with the officer vesting 33% more shares at the stretch level, 33% less shares at the threshold level, with vesting pro rated between levels, and no shares will be issued with respect to a particular metric if the threshold performance objective is not met with respect to such metric. At the target level, the restricted stock awards and the performance-based stock awards are 44% and 56%, respectively, of the total target grant. The number of shares issuable to each of the executive officers if the target objectives are achieved with respect to each metric is as set forth below:
