RECENT DEVELOPMENTS

On October 18, 2001, PNC announced its financial results for the quarter ended September 30, 2001. Earnings for the third quarter of 2001 were \$298 million or \$1.02 per diluted share compared with earnings from continuing operations of \$299 million or \$1.01 per diluted share for the third quarter of 2000. Excluding net losses from venture capital activities, earnings per diluted

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

share were \$1.05 for the third quarter of 2001. Reported earnings for the third quarter of 2000, which include the residential mortgage banking business that was sold in January 2001, were \$322 million or \$1.09 per diluted share. Return on average common shareholders' equity was 17.92 percent and return on average assets was 1.71 percent for the third quarter of 2001 compared with 21.54 percent and 1.67 percent, respectively, for the third quarter of 2000. As of September 30, 2001, PNC's borrowed funds were \$13.0 billion, while its capital stock was \$3.0 billion.

USE OF PROCEEDS

We anticipate our net proceeds from the sale of the senior notes, after estimated expenses payable by PNC Funding, to be \$1,009,252,500, excluding our receipt of amounts with respect to accrued interest on the senior notes. Of these proceeds, we intend to use approximately \$150 million to reduce a portion of PNC Funding's outstanding commercial paper. As of September 30, 2001, PNC Funding had a total of \$200 million of commercial paper outstanding, with a weighted-average maturity of 15 days and a weighted-average interest rate of 2.64% per annum. PNC Funding used the proceeds of the issuance of its outstanding commercial paper to finance the activities of PNC and its subsidiaries. We intend to use the remainder of the net proceeds for general corporate purposes, which may include:

- advances to PNC and its subsidiaries to finance their activities,
- financing of possible future acquisitions,
- repayment of other outstanding indebtedness, and
- repurchases of issued and outstanding shares of common and/or preferred stock under authorized programs of PNC.

Until we use the net proceeds from the sale of the senior notes for these purposes, we will use the net proceeds to reduce our short-term indebtedness or for temporary investments. We expect that we may from time to time engage in additional financings of a character and in amounts to be determined.

S-6

CERTAIN TERMS OF THE SENIOR NOTES

The senior notes offered by this prospectus supplement will be issued by PNC Funding under an Indenture dated as of December 1, 1991, among PNC, PNC Funding and The Chase Manhattan Bank, as Trustee, as supplemented by a Supplemental Indenture dated as of February 15, 1993 and a Second Supplemental Indenture dated as of February 15, 2000. References to the Indenture in this section will mean the Indenture as so supplemented. The accompanying prospectus provides a more complete description of the Indenture. Each series of senior notes will be Senior Debt Securities, as such term is defined in the accompanying prospectus. The following description of the particular terms of the senior notes supplements, and to the extent inconsistent therewith replaces, the description of the general terms and provisions of the Senior Debt Securities in the accompanying prospectus, to which description we refer you. The accompanying prospectus sets forth the meaning of certain capitalized terms used herein and not otherwise defined.

GENERAL

The senior notes due on October 29, 2004 (the "2004 Notes") and the senior notes due on August 1, 2006 (the "2006 Notes") will initially be limited in this offering to \$600,000,000 aggregate principal amount and \$400,000,000 aggregate principal amount, respectively. The 2006 Notes are additional debt securities of PNC Funding under the Indenture and will be treated as a single series with the \$700,000,000 aggregate principal amount of 5.75% Senior Notes due 2006 issued on August 1, 2001. As a result, at the closing of this offering, the aggregate outstanding principal amount of the 5.75% Senior Notes due 2006, including the 2006 Notes to be issued hereunder, will be \$1,100,000,000.

The 2004 Notes and the 2006 Notes will mature on October 29, 2004 and August 1, 2006, respectively, at their principal amount unless previously redeemed or cancelled. Except for certain reasons related to U.S. taxation as discussed in "Certain Terms of the Senior Notes - Redemption for Taxation Reasons," the senior notes may not be redeemed by PNC Funding prior to their stated maturity.

If any of the interest payment dates or a maturity date falls on a day that is not a business day, PNC Funding will postpone the interest payment date or the maturity date to the next succeeding business day, but the payment made on such dates will be treated as being made on the date payment was first due and the holders of the senior notes will not be entitled to any further interest or other payments with respect to such postponements. The term "business day" means any day other than a Saturday or Sunday on which DTC, Euroclear and Clearstream, Luxembourg are operating and on which banks and foreign exchange markets are open for business in the city of offices of the principal paying agent and of the Luxembourg paying and listing agent and a day that it is not a day on which banks are generally authorized or required by law or executive order to be closed in the City of New York, New York, the City of Pittsburgh, Pennsylvania or the Commonwealth of Pennsylvania.

The interest payable on the senior notes on any interest payment date, subject to certain exceptions, will be paid to the person in whose name the senior notes are registered at the close of business on the fifteenth calendar day, whether or not a business day, immediately preceding the interest payment

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

date. However, interest that PNC Funding pays on the maturity date will be paid to the person to whom the principal will be payable. Interest will be payable by wire transfer in immediately available funds in U.S. dollars at the office of the principal paying agent in New York, New York, at the office of the Luxembourg paying and listing agent for so long as the senior notes are listed on the Luxembourg Stock Exchange, or at PNC Funding's option in the event the senior notes are not represented by Global Notes, by check mailed to the address of the person specified for payment in the preceding sentences.

The senior notes are unconditionally guaranteed by PNC and rank equally with all of PNC Funding's other unsecured senior indebtedness. The guarantees will rank equally with the senior unsecured indebtedness of PNC. The senior notes are not guaranteed by the subsidiaries of PNC. The guarantees are effectively subordinated to all indebtedness and other liabilities (including trade payables and deposits) of such subsidiaries.

The senior notes are not convertible into, or exchangeable for, equity securities of PNC or PNC Funding.

The senior notes and the guarantees are not deposits of a bank and are not insured by the United States Federal Deposit Insurance Corporation or any other insurer or government agency.

S-9

INTEREST

The 2004 Notes

The 2004 Notes will bear interest at a floating rate of LIBOR plus 0.375%. PNC Funding will pay interest on the 2004 Notes quarterly in arrears by 2:30 p.m. New York City time on January 29, April 29, July 29 and October 29 of each year, each an "interest payment date" for the 2004 Notes, and on the maturity date. Interest will be computed on the basis of a 360-day year for the actual number of days elapsed.

Interest on the 2004 Notes will accrue from October 30, 2001 to January 29, 2002 excluding the first interest payment date and then from, and including, the immediately preceding interest payment date to which interest has been paid or duly provided for to, but excluding, the next interest payment date or the maturity date, as the case may be. Each of these periods is referred to as an "interest period" for the 2004 Notes.

The interest rate on the 2004 Notes will be calculated by Deutsche Bank AG London, as calculation agent, except that the interest rate in effect for the period from October 30, 2001 to January 29, 2002 (the "initial interest rate") will be established by PNC Funding as the rate for deposits in U.S. dollars having a maturity of three months commencing on October 30, 2001 that appears on Telerate Page 3750 as of 11:00 a.m., London time, on October 26, 2001. If no rate appears on Telerate Page 3750, as specified in the preceding sentence, then the initial interest rate will be determined by PNC Funding in the manner described in clause (ii) below, except that the banks referred to in such clause will be selected by PNC Funding rather than the calculation agent.

The calculation agent will reset the interest rate with respect to the 2004 Notes on each interest payment date, each of which is referred to as an "interest reset date." The second London business day preceding an interest reset date will be the "interest determination date" for that interest reset date. The interest rate in effect on each date that is not an interest reset date will be the interest rate determined as of the interest determination date pertaining to the immediately preceding interest reset date. The interest rate

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

in effect on any day that is an interest reset date will be the interest rate determined as of the interest determination date pertaining to that interest reset date, except that the interest rate in effect for the period from and including October 30, 2001 to January 29, 2002, the initial interest reset date, will be the initial interest rate.

"LIBOR" will be determined by the calculation agent in accordance with the following provisions:

(i) With respect to any interest determination date, LIBOR will be the rate for deposits in U.S. dollars having a maturity of three months commencing on the first day of the applicable interest period that appears on Telerate Page 3750 as of 11:00 a.m., London time, on that interest determination date. If no rate appears on that interest determination date, LIBOR, in respect to that interest determination date, will be determined in accordance with the provisions described in (ii) below.

(ii) With respect to an interest determination date on which no rate appears on Telerate Page 3750, as specified in (i) above, the calculation agent will request the principal London offices of each of four major reference banks in the London interbank market, as selected by the calculation agent, to provide the calculation agent with its offered quotation for deposits in U.S. dollars for the period of three months, commencing on the first day of the applicable interest period, to prime banks in the London interbank market at approximately 11:00 a.m., London time, on that interest determination date and in a principal amount that is representative for a single transaction in U.S. dollars in that market at the time. If at least two quotations are provided, then LIBOR on that interest determination date will be the arithmetic mean of those quotations. If fewer than two quotations are provided, then LIBOR on the interest determination date will be the arithmetic mean (rounded, if necessary, to the nearest one-hundred-thousandth of a percentage point, with five one-millionths of a percentage point rounded upwards) of the rates quoted at approximately 11:00 a.m., New York City time, on the interest determination date by three major banks in New York City selected by the calculation agent for loans in U.S. dollars to leading European banks, having a three-month maturity and in a principal amount that is representative for a single transaction in U.S. dollars in that market at that time; provided, however, that if the banks selected by the calculation agent are not providing quotations in the manner described by this sentence, LIBOR for the interest period commencing on the interest reset date following the interest determination date will be LIBOR in effect on that interest determination date.

S-10

"London business day" means any day on which dealings in U.S. dollars are transacted in the London interbank market.

"Telerate Page 3750" means the display designated as "Page 3750" on the Dow Jones Market Service or any successor page or service, for the purposes of displaying the London interbank offered rates for U.S. dollar deposits.

For so long as the 2004 Notes are listed on the Luxembourg Stock Exchange, the calculation agent will notify the Luxembourg Stock Exchange and any holders of 2004 Notes of the relevant interest rate, interest period and interest (coupon) amount no later than the first business day following the relevant interest reset date.

The 2006 Notes

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

The 2006 Notes will bear interest at the rate of 5.75% per annum. Interest on the 2006 Notes will accrue from August 1, 2001, which will be payable semiannually in arrears by 2:30 New York City time on February 1 and August 1 of each year (each an "interest payment date" for the 2006 Notes), commencing February 1, 2002. Interest will be computed on the basis of a 360-day year consisting of twelve 30-day months. The interest period relating to an interest payment date shall be the period from but not including the preceding interest payment date to and including the relevant interest payment date.

ADDITIONAL PAYMENTS FOR TAXATION REASONS

All payments of principal and interest in respect of the senior notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within the United States or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law. In that event, PNC Funding shall pay such additional amounts as shall result in net receipt by the holders of the senior notes who are United States Aliens (as such term is defined below) of such amounts as would have been received by them had no such withholding or deduction been required, except that the foregoing obligation to pay additional amounts shall not apply to:

- (i) any tax, assessment or governmental charge that would not have been so imposed but for the existence of any present or former connection between such holder (or between a fiduciary, settlor, beneficiary, member or shareholder of, or holder of power over, such holder, if such holder is an estate, trust, partnership or corporation) and the United States, including, without limitation, such holder (or fiduciary, settlor, beneficiary, member, shareholder or holder of a power) being considered as:
 - (A) being or having been present or engaged in a trade or business in the United States or having or having had a permanent establishment therein;
 - (B) having a current or former relationship with the United States, including a relationship as a citizen or resident or being treated as a resident thereof;
 - (C) being or having been a personal holding company, a controlled foreign corporation, a passive foreign investment company, a foreign personal holding company with respect to the United States, a corporation that has accumulated earnings to avoid United States federal income tax or a private foundation or other tax-exempt organization; or
 - (D) an actual or a constructive "10 percent shareholder" of PNC Funding or PNC as defined in Section 871(h)(3) of the United States Internal Revenue Code of 1986, as amended (the "Code");
- (ii) any holder who is a fiduciary or partnership or other than the sole beneficial owner of the senior note, but only to the extent that a beneficiary or settlor with respect to such fiduciary or member of such partnership or a beneficial owner of the senior note would not have been entitled to the payment of an additional amount had such beneficiary, settlor, member or beneficial owner been the holder of such senior note;

S-11

- (iii) any tax, assessment or governmental charge that would not have been

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

imposed or withheld but for the failure of the holder, if required, to comply with certification, identification or information reporting or any other requirements under United States income tax laws and regulations, without regard to any tax treaty, with respect to the payment, concerning the nationality, residence, identity or connection with the United States of the holder or a beneficial owner of such senior note, if such compliance is required by United States income tax laws and regulations, without regard to any tax treaty, as a precondition to relief or exemption from such tax, assessment or governmental charge;

- (iv) any tax, assessment or governmental charge that would not have been so imposed or withheld but for the presentation by the holder of such senior note for payment on a date more than 30 days after the date on which such payment became due and payable or the date on which payment thereof is duly provided for, whichever occurs later;
- (v) any estate, inheritance, gift, sales, transfer, excise, wealth or personal property tax or any similar tax, assessment or governmental charge;
- (vi) any tax, assessment or governmental charge that is payable otherwise than by withholding by PNC Funding or a paying agent from the payment of the principal of or interest on such senior note;
- (vii) any tax, assessment or governmental charge required to be withheld by any paying agent from such payment of principal of or interest on any senior note, if such payment can be made without such withholding by any other paying agent;
- (viii) any tax required to be withheld or deducted from a payment to an individual which is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusion of the ECOFIN Council meeting of 26-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive;
- (ix) any senior note presented for payment by or on behalf of a holder who would have been able to avoid such withholding or deduction by presenting the relevant senior note to another paying agent in a Member State of the European Union; or
- (x) any combination of items (i), (ii), (iii), (iv), (v), (vi), (vii), (viii) and/or (ix).

The term "United States" means the United States of America, the Commonwealth of Puerto Rico and each possession of the United States of America and place subject to its jurisdiction, and the term "United States Alien" means any corporation, individual, estate or trust that, as to the United States, is for United States federal income tax purposes (A) a foreign corporation, (B) a non-resident alien individual or (C) a foreign estate or trust.

REDEMPTION FOR TAXATION REASONS

Each series of senior notes may be redeemed at the option of PNC Funding in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the holders of such series of senior notes (which notice shall be irrevocable), at their principal amount (together with interest accrued to the date fixed for redemption), if (i) PNC Funding has or will become obliged to pay additional amounts as a result of any change in, or amendment to, the laws or regulations of the United States or any political subdivision or any authority thereof or therein having power to tax, or any change in the

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the issue date of such series of senior notes, and (ii) such obligation cannot be avoided by PNC Funding taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which PNC Funding would be obliged to pay such additional amounts were a payment in respect of such series of senior notes then due. Before the publication of any notice of redemption pursuant to this paragraph, PNC Funding shall deliver to the principal paying agent a certificate signed by two officers of PNC Funding stating that PNC Funding is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of PNC Funding to so redeem have occurred, and an opinion of independent legal advisers of recognized standing to the effect that PNC Funding has or will become obliged to pay such additional amounts as a result of such change or amendment.

S-12

DELIVERY AND FORM

The senior notes of each series will be represented by one or more permanent global certificates (each a "Global Note" and collectively, the "Global Notes") deposited with DTC and registered in the name of Cede & Co. (DTC's partnership nominee). The senior notes will be available for purchase in denominations of \$1,000 and integral multiples thereof in book-entry form only. Unless and until certificated senior notes are issued under the limited circumstances described in the accompanying prospectus, no beneficial owner of a senior note shall be entitled to receive a definitive certificate representing a senior note. So long as DTC or any successor depository (collectively, the "Depository") or its nominee is the registered owner of the Global Notes, the Depository, or such nominee, as the case may be, will be considered to be the sole owner or holder of the senior notes for all purposes of the Indenture.

Beneficial interests in the Global Notes will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. Investors may elect to hold interests in the Global Notes through either DTC (in the United States) or Clearstream, Luxembourg or Euroclear (in Europe), either directly if they are participants of such systems or indirectly through organizations that are participants in such systems. Clearstream, Luxembourg and Euroclear will hold interests on behalf of their participants through customers' securities accounts in Clearstream, Luxembourg's and Euroclear's names on the books of their U.S. depositories, which in turn will hold such interests in customers' securities accounts in the U.S. depositories' names on the books of DTC.

CLEARANCE AND SETTLEMENT PROCEDURES

Initial settlement for the senior notes will be made in immediately available funds. Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled in immediately available funds. Secondary market trading between Clearstream, Luxembourg customers and/or Euroclear participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream, Luxembourg and Euroclear and will be settled using the procedures applicable to conventional eurobonds in immediately available funds.

PAYMENT AND PAYING AGENTS

The Chase Manhattan Bank will act as PNC Funding's principal paying agent with respect to the senior notes through its offices presently located at 450 West 33rd Street, New York, New York 10001. PNC Funding may at any time rescind the designation of a paying agent, appoint a successor paying agent, or approve

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

a change in the office through which any paying agent acts. For as long as a series of the senior notes is listed on the Luxembourg Stock Exchange, PNC Funding will maintain a paying agent in Luxembourg with respect to the series of senior notes so listed. Deutsche Bank Luxembourg S.A., as the Luxembourg paying and listing agent, will act as PNC Funding's paying agent in Luxembourg with respect to the senior notes through its offices located at 2 Boulevard Konrad Adenauer, L-1115 Luxembourg. Payments of interest and principal may be made by wire-transfer in immediately available funds in U.S. dollars for senior notes held in book-entry form or, at PNC Funding's option in the event the senior notes are not represented by Global Notes, by check mailed to the address of the person entitled to the payment as it appears in the senior note register. Payment of principal will be made upon the surrender of the relevant senior notes at the offices of the principal paying agent or Luxembourg paying and listing agent.

For as long as a series of the senior notes is listed on the Luxembourg Stock Exchange, PNC Funding will publish notice of any change in a paying agent with respect to such series of the senior notes in a daily newspaper of general circulation in Luxembourg (which is expected to be the Luxembourgischer Wort).

FURTHER ISSUANCES

PNC Funding may from time to time without the consent of the holders of either series of the senior notes create and issue further notes having the same terms and conditions as either series of the senior notes (so that, for the avoidance of doubt, references in the conditions of such senior notes to "issue date" shall be to the first issue date of the relevant series of the senior notes) and so that the same shall be consolidated and form a single series with such senior notes, and references in this "Certain Terms of the Senior Notes" to "senior notes" shall be construed accordingly.

S-13

NOTICES

Notices to the holders of registered senior notes will be mailed to them at their respective addresses in the register of the senior notes and will be deemed to have been given on the fourth weekday (being a day other than Saturday or Sunday) after the date of mailing. Notices to the holders of registered senior notes that are listed on the Luxembourg Stock Exchange will also be published in a daily newspaper of general circulation in Luxembourg (which is expected to be the Luxembourgischer Wort). For so long as a series of the senior notes are listed on the Luxembourg Stock Exchange, any appointment of or change in the Luxembourg paying and listing agent with respect to the series so listed will be published in Luxembourg in the manner set forth above.

GOVERNING LAW

The senior notes and the guarantees will be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

CERTAIN UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following general discussion summarizes the material United States federal income tax consequences of the purchase, ownership and disposition of the senior notes. This discussion is a summary for general information only and does not consider all aspects of United States federal income taxation that may be relevant to an investor in light of that investor's particular circumstances.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

This discussion deals only with senior notes purchased at their original offering price and held as capital assets within the meaning of Section 1221 of the United States Internal Revenue Code of 1986, referred to in this discussion as the "Code," as amended to the date of this prospectus supplement. This summary does not address all of the tax consequences that may be relevant to a holder of senior notes nor does it address the federal income tax consequences to holders subject to special treatment under the United States federal income tax laws, such as brokers or dealers in securities or currencies, certain securities traders, tax-exempt entities, banks, thrifts, insurance companies, other financial institutions, persons that hold senior notes as a position in a "straddle" or as part of a "synthetic security," "hedging," "conversion" or other integrated instrument, persons that have a "functional currency" other than the United States dollar, investors in pass-through entities and certain United States expatriates. Further, this summary does not address

- the income tax consequences to shareholders in, or partners or beneficiaries of, a holder of the senior notes, or
- any state, local or foreign tax consequences of the purchase, ownership, or disposition of the senior notes.

This discussion is based upon the Code, existing and proposed regulations thereunder, and current administrative rulings and court decisions. All of the foregoing are subject to change, possibly on a retroactive basis, and any such change could affect the continuing validity of this discussion.

PERSONS CONSIDERING THE PURCHASE, OWNERSHIP OR DISPOSITION OF SENIOR NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS CONCERNING THE APPLICATION OF UNITED STATES FEDERAL INCOME TAX LAWS, AS WELL AS THE LAWS OF ANY STATE, LOCAL, OR FOREIGN TAXING JURISDICTION.

For purposes of this discussion, the term "United States holder" means a beneficial owner of a senior note that for United States federal income tax purposes is

- a citizen or resident of the United States,
- a corporation or other entity taxable as a corporation created or organized under the laws of the United States or any State thereof or the District of Columbia,
- an estate the income of which is includible in its gross income for United States federal income tax purposes without regard to its source, or
- a trust if a court within the United States is able to exercise primary supervision over its administration and one or more United States persons have the authority to control all substantial decisions of the trust.

Certain United States federal income tax consequences relevant to a beneficial owner of a senior note other than a United States holder, referred to in this discussion as a "non-U.S. holder," are discussed separately below.

UNITED STATES HOLDERS

The following discussion applies to you if you are a United States holder.

Payments of Interest

Stated interest paid or accrued on the senior notes generally will be taxable to you as ordinary income at the time the interest is paid or accrued in accordance with your method of accounting for United States federal income tax

purposes.

Sale or Redemption of the Senior Notes

When you dispose of a senior note by sale, exchange, redemption or other taxable disposition, you generally will recognize gain or loss equal to the difference, if any, between (i) the amount realized on the

S-15

disposition (other than amounts attributable to accrued and unpaid interest) and (ii) your tax basis in the senior note. Your tax basis in a senior note generally will equal the cost of the senior note. When a senior note is sold, exchanged, redeemed or otherwise disposed of between interest payment dates, the portion of the amount realized on the disposition that is attributable to interest accrued to the date of sale but not yet reported as interest income must be reported at the time of sale.

The gain or loss on a senior note generally will constitute capital gain or loss, and will be long-term capital gain or loss if you have held the senior note for longer than one year. Under current law, net capital gains of individuals may be taxed at lower rates than items of ordinary income. Your ability to offset capital losses against ordinary income is limited.

NON-U.S. HOLDERS

The following discussion summarizes certain United States federal income tax consequences relevant to a non-U.S. holder of a senior note.

Payments of Stated Interest

Under current United States federal income tax law, and subject to the discussion of backup withholding below, payments of stated interest on a senior note to a non-U.S. holder will not be subject to United States federal income or withholding tax if

- the non-U.S. holder does not actually or constructively own 10 percent or more of the combined voting power of all classes of stock of PNC Funding or PNC,
- the non-U.S. holder is not a controlled foreign corporation related to PNC Funding or PNC, through stock ownership,
- the non-U.S. holder is not a bank receiving interest described in Section 881(c)(3)(A) of the Code,
- the non-U.S. holder as the beneficial owner of the senior note either (i) provides a statement signed under penalties of perjury that includes the beneficial owner's name, address and U.S. taxpayer identification number, if any, and certifies (on an IRS Form W-8BEN or a substantially similar substitute form) that the beneficial owner of the senior note is a non-U.S. holder in compliance with applicable requirements, or (ii) holds its note directly through a "qualified intermediary," and the qualified intermediary has sufficient information in its files indicating that the beneficial owner is not a United States holder, and
- PNC, PNC Funding, its paying agent and all intermediaries between the non-U.S. holder and PNC Funding or its paying agent do not have actual knowledge or reason to know that the non-U.S. beneficial ownership statement is false.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

A "qualified intermediary" is a bank, broker or other intermediary that (1) is either a U.S. or non-U.S. entity, (2) is acting out of a non-U.S. branch or office and (3) has signed an agreement with the Internal Revenue Service providing that it will administer all or part of the U.S. withholding rules under specified procedures.

A payment of stated interest on a senior note to a non-U.S. holder who fails to satisfy one of the foregoing requirements generally will be subject to withholding tax at a rate of 30% (subject to reduction or exemption under any applicable tax treaty) unless

- the payment is effectively connected with a trade or business conducted within the United States by that non-U.S. holder,
- the non-U.S. holder provides a properly completed IRS Form W-8ECI prior to the payment of interest, and
- PNC, PNC Funding, its paying agent and all intermediaries between the non-U.S. holder and PNC Funding or its paying agent do not have actual knowledge or reason to know that the form is false.

Interest on a senior note that is effectively connected with the conduct of a trade or business in the United States by a non-U.S. holder, although exempt from the withholding tax (assuming appropriate certification is provided), generally will be subject to graduated United States federal income tax on a net

S-16

income basis as if those amounts were earned by a United States holder. Corporate non-U.S. holders receiving effectively connected interest may also be subject to an additional branch profits tax.

Sale or Redemption of Senior Notes

Except as described below and subject to the discussion concerning backup withholding, a non-U.S. holder generally will not be subject to United States federal income tax with respect to any gain realized upon the sale or redemption of a senior note unless (i) the gain is effectively connected with a United States trade or business of the non-U.S. holder or (ii) subject to certain exceptions, the non-U.S. holder is an individual who holds the senior note as a capital asset and is present in the United States for 183 days or more in the taxable year of the disposition.

United States Federal Estate Tax

A senior note held by an individual who at the time of death is not a citizen or resident of the United States will not be subject to United States federal estate tax as a result of such individual's death if at the time of death (i) the individual did not own actually or constructively 10% or more of the total combined voting power of all classes of stock of PNC Funding or PNC and (ii) payments of interest on senior notes held by such individual would not have been effectively connected with a United States trade or business.

INFORMATION REPORTING AND BACKUP WITHHOLDING

In general, information reporting requirements will apply to payments made on, and proceeds from the sale of, senior notes held by a non-corporate United States holder. Payments made on, and proceeds from the sale of, senior notes held by a United States holder may be subject to a "backup" withholding tax of up to 31% unless the holder complies with certain identification or exemption requirements.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

Payments of stated interest and of proceeds from the sale of senior notes made to a non-U.S. holder will not be subject to information reporting or backup withholding tax if the holder certifies as to its non-U.S. status or otherwise establishes entitlement to exemption and the payor has no actual knowledge or reason to know that the holder is in fact a United States holder. A non-U.S. holder may certify to its non-U.S. status by providing an IRS Form W-8BEN or W-8ECI or a substantially similar substitute form or holding its senior note through a Qualified Intermediary with sufficient information in its files as described above. With some exceptions, a payment to a foreign partnership will be treated as a payment directly to its partners. Notwithstanding the foregoing, interest payments to a non-U.S. holder may be reported to the IRS on Form 1042-S.

Any amount withheld, whether with respect to a United States holder or a non-U.S. holder, will be allowed as a credit against the holder's United States federal income tax liability, or refunded, provided the required information is provided to the IRS.

HOLDERS OF SENIOR NOTES SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE APPLICATION OF INFORMATION REPORTING AND BACKUP WITHHOLDING IN THEIR PARTICULAR SITUATIONS, THE AVAILABILITY OF AN EXEMPTION THEREFROM, AND THE PROCEDURE FOR OBTAINING SUCH AN EXEMPTION, IF AVAILABLE.

Proposed European Union Withholding Directive

The European Union is currently considering proposals for a new directive regarding the taxation of savings income. According to the most recently available information it is proposed that, subject to a number of important conditions being met, Member States will be required to provide to the tax authorities of another Member State details of payments of interest or other similar income paid by a person within its jurisdiction to an individual resident in that other Member State, subject to the right of certain individual Member States to opt instead for a withholding system for a transitional period in relation to such payments. Full details of the proposals are not currently available, and they may in any case be subject to further amendment.

PNC Capital Markets, Inc.	12,000,000	8,000,000
	-----	-----
Total.....	\$600,000,000	\$400,000,000
	=====	=====

The underwriting agreement provides that the obligations of the underwriters are subject to certain conditions precedent and that the underwriters are obligated to purchase all of the senior notes if they purchase any of the senior notes.

The underwriters propose to offer some of the senior notes directly to the public at the public offering prices set forth on the cover page of this prospectus supplement, and some of the senior notes to dealers at the public offering prices less a concession not to exceed 0.125% of the principal amount of the 2004 Notes and 0.200% of the principal amount of the 2006 Notes. The underwriters may allow, and these dealers may reallocate, a concession not to exceed 0.075% of the principal amount of the 2004 Notes and 0.150% of the principal amount of the 2006 Notes on sales to other dealers. After the initial public offering of the senior notes to the public, the representatives may change the public offering prices and concessions.

The following table shows the underwriting discounts and commissions that PNC Funding is to pay to the underwriters in connection with the offering (expressed as a percentage of the principal amount of each series of senior notes).

	PAID BY PNC FUNDING CORP

Per senior note due 2004.....	0.225%
Per senior note due 2006.....	0.350%

Although we intend to apply to have the 2004 Notes listed on the Luxembourg Stock Exchange, the 2004 Notes are a new issue of securities with no established trading market. The \$700,000,000 aggregate principal amount of 5.75% Senior Notes due 2006 issued on August 1, 2001, (with which the 2006 Notes offered hereunder will be treated as a single series), are listed on the Luxembourg Stock Exchange. We intend to apply to have the 2006 Notes offered hereunder listed on the Luxembourg Stock Exchange. The underwriters have advised us that they intend to make a market in the senior notes, but are not obligated to do so, and may discontinue any market making at any time without notice. No assurance can be given as to the liquidity of the trading market for the senior notes.

In connection with the offering, Salomon Smith Barney, on behalf of the underwriters, may purchase and sell senior notes in the open market. These transactions may include over-allotment, syndicate covering transactions and stabilizing transactions. Over-allotment involves syndicate sales of senior notes in excess of the principal amount of senior notes to be purchased by the underwriters in the offering, which creates a syndicate short position. Syndicate covering transactions involve purchases of the senior notes in the open market after the distribution has been completed in order to cover syndicate short positions. Stabilizing transactions consist of certain bids or purchases of senior notes made for the purpose of preventing or retarding a decline in the market price of the senior notes while the offering is in progress.

The underwriters may also impose a penalty bid. Penalty bids permit the

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

underwriters to reclaim a selling concession from a syndicate member when Salomon Smith Barney, in covering syndicate short positions or making stabilizing purchases, repurchases senior notes originally sold by that syndicate member.

S-18

Any of these activities may have the effect of preventing or retarding a decline in the market price of the senior notes. They may also cause the price of the senior notes to be higher than the price that otherwise would exist in the open market in the absence of these transactions. The underwriters may conduct these transactions in the over-the-counter market or otherwise. If the underwriters commence any of these transactions, they may discontinue them at any time.

The underwriters and their respective associates and affiliates may be customers of, engage in transactions with, and perform investment banking and other financial services (including commercial lending) for us and our subsidiaries in the ordinary course of business. PNC Capital Markets, Inc., one of our indirect wholly-owned subsidiaries, is acting as one of the underwriters. When a member of the National Association of Securities Dealers, Inc. ("NASD"), such as PNC Capital Markets, Inc., participates in the distribution of an affiliated company's securities, the offering must be conducted in accordance with applicable provisions of the NASD's Conduct Rule 2720. We are considered to be an "affiliate" (as such term is defined in Rule 2720) of PNC Capital Markets, Inc. Our offer and sale of the senior notes will comply with the applicable requirements of Rule 2720 regarding the underwriting of securities of affiliates. No NASD member participating in the offering of the senior notes will execute a transaction in such senior notes in a discretionary account without the prior written specific approval of the member's customer. The Chase Manhattan Bank, an affiliate of J.P. Morgan Securities Inc., is the trustee under the Indenture.

This prospectus supplement and the accompanying prospectus may be used by PNC Capital Markets, Inc. and J.J.B. Hilliard, W.L. Lyons, Inc. in connection with offers and sales related to secondary market transactions in the senior notes. PNC Capital Markets, Inc., J.J.B. Hilliard, W.L. Lyons, Inc. and affiliates of PNC and PNC Funding may act as principal or agent in those transactions. Those sales will be made at prices related to prevailing market prices at the time of sale or otherwise.

The underwriting agreement provides that PNC Funding and PNC will jointly and severally indemnify the underwriters against certain liabilities, including liabilities under the Securities Act of 1933, as amended, or to contribute to payments the underwriters may be required to make because of any of those liabilities.

The underwriters have agreed to reimburse PNC Funding for certain expenses incurred in connection with the offering.

It is expected that delivery of the senior notes will be made against payment therefor on or about October 30, 2001, which is the fifth business day following the date hereof (such settlement cycle being referred to as T+5). Purchasers of senior notes should note that the ability to settle secondary market trades of the senior notes effected on the date of pricing and the next succeeding business day may be affected by the T+5 settlement.

We estimate that the total expenses for this offering will be \$150,000.

- an increase in the number of customer or counterparty delinquencies, bankruptcies or defaults that could result in, among other things, increased credit and asset quality risk, a higher loan loss provision and reduced profitability,
- the impact, extent and timing of technological changes, and
- actions of the Federal Reserve Board and legislative and regulatory actions and reforms.

USE OF PROCEEDS

Unless otherwise provided in the applicable prospectus supplement, we will apply the net proceeds from the sale of the securities for general corporate purposes, including:

- advances to PNC (in the case of PNC Funding) and subsidiaries of PNC (including its bank subsidiaries),
- financing of possible future acquisitions,
- repayment of outstanding indebtedness, and
- repurchases of issued and outstanding shares of common and/or preferred stock under authorized programs of PNC.

The amount and timing of advances to PNC and its subsidiaries will depend on the future growth and financing requirements of PNC and its subsidiaries. Pending ultimate application, the net proceeds may be used to make short-term investments or reduce borrowed funds. In view of anticipated funding requirements, we may from time to time engage in additional financings of a character and in amounts to be determined.

CONSOLIDATED RATIO OF EARNINGS TO FIXED CHARGES

The following unaudited table presents our consolidated ratio of earnings to fixed charges. The consolidated ratio of earnings to fixed charges was computed by dividing income from continuing operations before income taxes (which excludes the income from discontinued operations and the cumulative effect of changes in accounting principles) and fixed charges by fixed charges. Fixed charges represent all interest expense (ratios are presented both excluding and including interest on deposits), the portion of net rental expense that is deemed to be equivalent to interest on debt, borrowed funds discount amortization expense and distributions on trust preferred capital securities. Interest expense (other than on deposits) includes interest on bank notes and senior debt, federal funds purchased, repurchase agreements, other borrowed funds and subordinated debt. Because PNC Funding is a provider of funds to PNC and its subsidiaries, fixed charges ratios are presented on a consolidated basis.

DESCRIPTION OF DEBT SECURITIES AND GUARANTEES

This section describes the general terms and provisions of the debt securities that PNC Funding may offer, and the guarantees of those debt securities by PNC. The debt securities may be either senior debt securities or subordinated debt securities. The prospectus supplement will describe the specific terms of the debt securities and guarantees offered through that prospectus supplement and any general terms outlined in this section that will not apply to those debt securities and guarantees.

The debt securities will be issued under an indenture, dated as of December 1, 1991, as amended by a supplemental indenture dated as of February 15, 1993 and a second supplemental indenture dated as of February 15, 2000 (as amended, the "indenture"), a copy of which has been filed with the SEC. The Chase Manhattan Bank, formerly known as Chemical Bank and as successor by merger to Manufacturers Hanover Trust Company, is the trustee under the indenture, unless a different trustee for a series of debt securities is named in the prospectus supplement. For each series of debt securities, a supplemental indenture may be entered into among PNC Funding, PNC and The Chase Manhattan Bank or such other

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

trustee as may be named in the prospectus supplement relating to that series of debt securities.

We have summarized the material terms and provisions of the indenture in this section. We encourage you to read the indenture for additional information before you buy any debt securities. The summary that follows includes references to section numbers of the indenture so that you can more easily locate these provisions.

DEBT SECURITIES IN GENERAL

The debt securities will be unsecured obligations of PNC Funding.

The indenture does not limit the amount of debt securities that we may issue from time to time in one or more series. (Section 3.01) The indenture provides that debt securities may be issued up to the principal amount authorized by us from time to time. (Section 3.01) Unless otherwise specified in the prospectus supplement for a particular series of debt securities, we may reopen a previous issue of a series of debt securities and issue additional debt securities of that series.

We will specify in the prospectus supplement relating to a particular series of debt securities being offered the terms relating to the offering. The terms may include:

- the title and type of the debt securities,
- the aggregate principal amount of the debt securities,
- the purchase price of the debt securities,
- the date or dates on which debt securities may be issued,
- the date or dates on which the principal of and premium on the debt securities will be payable,
- if the debt securities will be interest bearing:
 - the interest rate on the debt securities or the method by which the interest rate may be determined,
 - the date from which interest will accrue,
 - the record and interest payment dates for the debt securities,
 - the first interest payment date,
 - any circumstances under which we may defer interest payments,
 - the place or places where the principal of, and premium and interest on, the debt securities will be payable,
- any optional redemption provisions that would permit us or the holders of debt securities to redeem the debt securities before their final maturity,
- any sinking fund provisions that would obligate us to redeem the debt securities before their final maturity,

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

- the denominations in which the debt securities shall be issued, if issued in denominations other than \$1,000 and any integral multiple thereof,
- the portion of the principal amount of the debt securities that will be payable upon an acceleration of the maturity of the debt securities,
- whether payment of the principal of, premium, and interest on, the debt securities will be with or without deduction for taxes, assessments or governmental charges, and with or without reimbursement of taxes, assessments or governmental charges paid by holders,
- any events of default which will apply to the debt securities that differ from those contained in the indenture,
- whether the debt securities will be issued in registered form or in bearer form, or in both registered form and bearer form,
- the currency or currencies in which the debt securities will be denominated, payable, redeemable or repurchaseable,
- whether the debt securities of such series will be issued as a global security and, if so, the identity of the depositary for such series,
- any trustees, paying agents, transfer agents or registrars for the debt securities,
- any special federal income tax considerations applicable to the debt securities, and
- any other terms of such debt securities.

We intend for any subordinated debt securities offered to be included as regulatory capital under Federal Reserve Board interpretations. As a result, these debt securities will contain subordination and acceleration provisions different from, and covenants more limited than those in, certain prior issuances of PNC Funding's subordinated debt securities.

If any of the debt securities are sold for, or if the principal of or any interest on any series of debt securities is payable in, foreign currencies or foreign currency units, the relevant restrictions, elections, tax consequences, specific terms and other information will be set forth in the prospectus supplement.

Although the indenture provides that we may issue debt securities in registered form, with or without coupons, or in bearer form, each series of debt securities will be issued in fully registered form unless the prospectus supplement provides otherwise. Debt securities that are not registered as to interest will have coupons attached, unless issued as original issue discount securities.

The principal of, and premium and interest on, fully registered securities will be payable at the place of payment designated for such securities and stated in the prospectus supplement. PNC Funding also has the right to make interest payments by check mailed to the holder at the holder's registered address. The principal of, and premium, if any, and interest on any debt securities in other forms will be payable in the manner and at the place or places as may be designated by PNC Funding and specified in the prospectus supplement. (Sections 3.01 and 5.01)

You may exchange or transfer the debt securities at the corporate trust office of the trustee for the series of debt securities or at any other office or agency maintained by us for those purposes. You may transfer bearer debt

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

securities by delivery. We will not require payment of a service charge for any transfer or exchange of the debt securities, but PNC Funding may require payment of a sum sufficient to cover any applicable tax or other governmental charge. (Section 3.05)

Unless the prospectus supplement provides otherwise, each series of the debt securities will be issued only in denominations of \$1,000 or any integral multiple thereof and payable in dollars. (Section 3.02) Under the indenture, however, debt securities may be issued in any denomination and payable in a foreign currency or currency unit. (Section 3.01)

We may issue debt securities with "original issue discount." Original issue discount debt securities bear no interest or bear interest at below-market rates and will be sold below their stated principal amount. The prospectus supplement will describe any special federal income tax consequences and other special considerations applicable to any securities issued with original issue discount.

SENIOR DEBT SECURITIES

The senior debt securities will rank equally with all senior indebtedness of PNC Funding. At August 31, 2001, the outstanding senior indebtedness of PNC Funding was approximately \$1.80 billion.

"Senior indebtedness of PNC Funding" means the principal of, and premium and interest on, (i) all "indebtedness for money borrowed" of PNC Funding whether outstanding on the date of execution of the indenture or thereafter created, assumed or incurred, and (ii) any deferrals, renewals or extensions of any such indebtedness. The following indebtedness of PNC Funding, however, is not considered to be senior indebtedness of PNC Funding:

- 6 7/8% Subordinated Notes Due 2003,
- 6 1/8% Subordinated Notes Due 2003,
- 7 3/4% Subordinated Notes Due 2004,
- 6 7/8% Subordinated Notes Due 2007,
- 6 1/2% Subordinated Notes Due 2008,
- 6 1/8% Subordinated Notes Due 2009, and
- 7.50% Subordinated Notes Due 2009.

The term "indebtedness for money borrowed" means:

- any obligation of, or any obligation guaranteed by, PNC Funding for the repayment of money borrowed, whether or not evidenced by bonds, debentures, notes or other written instruments,
- any capitalized lease obligation, and
- any deferred obligation for payment of the purchase price of any property or assets. (Section 1.01)

Senior indebtedness of PNC Funding includes any borrowings under the \$485 Million Credit Facility under an Amended and Restated Credit Agreement dated as of March 18, 1996, as amended, (the "\$485 Million Credit Facility"), and outstanding commercial paper issued by PNC Funding. No amounts are currently outstanding under the \$485 Million Credit Facility. There is no limitation on

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

the issuance of additional senior indebtedness of PNC Funding.

SUBORDINATED DEBT SECURITIES

The subordinated debt securities will be subordinated in right of payment to all senior indebtedness of PNC Funding. (Section 12.01) In certain events of insolvency of PNC Funding, the subordinated debt securities will also be effectively subordinated in right of payment to all "other company obligations" and will be subject to an obligation of PNC Funding to pay any "excess proceeds" (as defined in the indenture) to creditors in respect of any unpaid "other company obligations." (Section 12.13).

"Other company obligations" means obligations of PNC Funding associated with derivative products such as interest rate and currency exchange contracts, foreign exchange contracts, commodity contracts, or any similar arrangements, unless the instrument by which PNC Funding incurred, assumed or guaranteed the obligation expressly provides that it is subordinate or junior in right of payment to any other indebtedness or obligations of PNC Funding. (Section 1.01) At August 31, 2001, there were no "other company obligations" of PNC Funding.

Upon the liquidation, dissolution, winding up, or reorganization of PNC Funding, PNC Funding must pay to the holders of all senior indebtedness of PNC Funding the full amounts of principal of, and premium and interest on, that senior indebtedness before any payment is made on the subordinated debt securities. If, after PNC Funding has made those payments on the senior indebtedness:

- (i) there are amounts available for payment on the subordinated debt securities (as defined in the indenture, "excess proceeds"), and (ii) at such time, any creditors in respect of "other company obligations" have not received their full payments, then

-9-

- PNC Funding shall first use such excess proceeds to pay in full all such "other company obligations" before PNC Funding makes any payment in respect of the subordinated debt securities. (Section 12.02)

In addition, PNC Funding may not make any payment on the subordinated debt securities in the event:

- PNC Funding has failed to make full payment of the principal of, or premium, if any, or interest on any senior indebtedness of PNC Funding, or
- any event of default with respect to any senior indebtedness of PNC Funding has occurred and is continuing, or would occur as a result of such payment on the subordinated debt securities. (Section 12.03)

Because of the subordination provisions and the obligation to pay excess proceeds, in the event of insolvency, holders of the subordinated debt securities may recover less, ratably, than holders of senior indebtedness of PNC Funding and "other company obligations" and other creditors of PNC Funding. (Sections 12.01, 12.02, 12.03, and 12.13)

PNC Funding's obligations under the subordinated debt securities will rank equally in right of payment with each other, subject to the obligations of the holders of subordinated debt securities to pay over any excess proceeds to creditors in respect of "other company obligations" as provided in the indenture. (Section 12.13)

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

GUARANTEES IN GENERAL

PNC will unconditionally guarantee the due and punctual payment of the principal of, premium, if any, and interest on the debt securities when and as the same shall become due and payable, whether at maturity, upon redemption or otherwise. (Section 3.12)

PNC is a holding company that conducts substantially all its operations through subsidiaries. As a result, claims of the holders of the guarantees will generally have a junior position to claims of creditors of PNC's subsidiaries (including, in the case of any bank subsidiary, its depositors), except to the extent that PNC may itself be a creditor with recognized claims against the subsidiary. In addition, there are certain regulatory and other limitations on the payment of dividends and on loans and other transfers of funds to PNC by its bank subsidiaries.

GUARANTEES OF SENIOR DEBT SECURITIES

The guarantees of senior debt securities will rank equally with all senior indebtedness of PNC (defined in the indenture as "senior guarantor indebtedness"). (Section 12.04) At August 31, 2001, the outstanding senior indebtedness of PNC was approximately \$1.80 billion, which as of that date consisted entirely of the guarantee of senior indebtedness of PNC Funding.

"Senior indebtedness of PNC" means the principal of, and premium, if any, and interest on, (i) all "indebtedness for money borrowed" of PNC, whether outstanding on the date of execution of the indenture or thereafter created, assumed or incurred, and (ii) any deferrals, renewals or extensions of any such indebtedness of PNC. (Section 1.01) The following indebtedness of PNC is, however, not considered to be senior indebtedness of PNC:

- PNC's 8 1/4% Convertible Subordinated Debentures Due 2008, and
- PNC's guarantee of the following indebtedness of PNC Funding:
 - 6 7/8% Subordinated Notes Due 2003,
 - 6 1/8% Subordinated Notes Due 2003,
 - 7 3/4%, Subordinated Notes Due 2004,
 - 6 7/8% Subordinated Notes Due 2007,
 - 6 1/2% Subordinated Notes Due 2008,
 - 6 1/8% Subordinated Notes Due 2009, and

-10-

- 7.50% Subordinated Notes Due 2009.

The term "indebtedness for money borrowed" means

- any obligation of, or any obligation guaranteed by, PNC for the repayment of money borrowed, whether or not evidenced by bonds, debentures, notes or other written instruments,
- any capitalized lease obligation, and
- any deferred obligation for payment of the purchase price of any property or assets. (Section 1.01)

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

"Senior indebtedness of PNC" includes PNC's guarantee of the following senior notes of PNC Funding:

- 6.95% Notes Due 2002,
- Floating Rate Senior Notes Due 2003,
- 7.00% Notes Due 2004, and
- 5.75% Senior Notes Due 2006.

"Senior indebtedness of PNC" also includes PNC's guarantee of any borrowings under the \$485 Million Credit Facility and of any outstanding commercial paper issued by PNC Funding. There is no limitation under the indenture on the issuance of additional senior indebtedness of PNC.

GUARANTEES OF SUBORDINATED DEBT SECURITIES

The guarantees of the subordinated debt securities ("subordinated guarantees") will be subordinated in right of payment to all senior indebtedness of PNC. (Section 12.04) In certain events of insolvency of PNC, the subordinated guarantees will also be effectively subordinated in right of payment to all "other guarantor obligations" (as defined in the indenture). (Section 12.05) "Other guarantor obligations" means obligations of PNC associated with derivative products such as interest rate and currency exchange contracts, foreign exchange contracts, commodity contracts or any similar arrangements, unless the instrument by which PNC incurred, assumed or guaranteed the obligation expressly provides that it is subordinate or junior in right of payment to any other indebtedness or obligations of PNC. (Section 1.01) At August 31, 2001, there were no "other guarantor obligations" of PNC.

Upon the liquidation, dissolution, winding up, or reorganization of PNC, PNC must pay to the holders of all senior indebtedness of PNC the full amounts of principal of, and premium and interest on, that senior indebtedness before any payment is made on the subordinated debt securities. If, after PNC has made those payments on the senior indebtedness:

- (i) there are amounts available for payment on the subordinated debt securities (as defined in the indenture, "excess proceeds"), and (ii) at such time, any creditors in respect of "other guarantor obligations" have not received their full payments, then
- PNC shall first use such excess proceeds to pay in full all such "other guarantor obligations" before PNC makes any payment in respect of the subordinated debt securities. (Section 12.05)

In addition, PNC may not make any payment on the subordinated debt securities in the event:

- PNC has failed to make full payment of the principal of, or premium, if any, or interest on any senior indebtedness of PNC, or
- any event of default with respect to any senior indebtedness of PNC has occurred and is continuing, or would occur as a result of such payment on the subordinated debt securities. (Section 12.06)

Because of the subordination provisions and the obligation to pay excess proceeds, in the event of insolvency, holders of subordinated guarantees of PNC may recover less, ratably, than holders of senior indebtedness of PNC, "other guarantor obligations" and existing guarantor subordinated indebtedness (as defined in the indenture) and other creditors of PNC. (Section 3.12, 12.04,

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

12.05, 12.06 and 12.14)

As defined in the indenture, the "existing guarantor subordinated indebtedness" currently consists of PNC's 8 1/4% Convertible Subordinated Debentures Due 2008. At August 31, 2001, \$189,000 in principal amount of those subordinated debentures was outstanding.

-11-

As provided in the indenture, in the event of insolvency of PNC, the holders of the subordinated guarantees are subject to an obligation to pay any excess proceeds to creditors in respect of any unpaid "other guarantor obligations" (as defined in the indenture).

The subordinated guarantees will also rank equally in right of payment with PNC's guarantee of the following subordinated notes of PNC Funding:

- 6 7/8% Subordinated Notes Due 2003,
- 6 1/8% Subordinated Notes Due 2003,
- 7 3/4% Subordinated Notes Due 2004,
- 6 7/8% Subordinated Notes Due 2007,
- 6 1/2% Subordinated Notes Due 2008,
- 6 1/8% Subordinated Notes Due 2009, and
- 7.50% Subordinated Notes Due 2009.

As with holders of the subordinated guarantees, the holders of the foregoing guarantees of the subordinated notes of PNC Funding are subject to an obligation to pay any excess proceeds to creditors in respect of any unpaid "other guarantor obligations." Therefore, in the event of insolvency of PNC, holders of the subordinated guarantees will recover the same, ratably, as holders of PNC's guarantees of such subordinated notes of PNC Funding.

EFFECT OF SUBORDINATION PROVISIONS

By reason of the subordination provisions described above and as described more fully in the applicable prospectus supplement, in the event of insolvency of PNC Funding, holders of subordinated notes may recover less, ratably, than holders of senior indebtedness of PNC Funding and "other company obligations." Holders of subordinated notes may also recover less, ratably, than other creditors of PNC Funding. Similarly, holders of subordinated guarantees may recover less, ratably, than holders of senior indebtedness of PNC and "other guarantor obligations," and may also recover less, ratably, than holders of "existing guarantor subordinated indebtedness" and other creditors of PNC.

CERTAIN COVENANTS

The indenture contains certain covenants that impose various restrictions on us and, as a result, afford the holders of debt securities certain protections. Although statements have been included in this prospectus as to the general purpose and effect of the covenants, investors must review the full text of the covenants to be able to evaluate meaningfully the covenants.

Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank

The covenant described below is designed to ensure that, for so long as any

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

senior debt securities are issued and outstanding, PNC will continue directly or indirectly to own and thus serve as the holding company for its "principal subsidiary banks." When we use the term "principal subsidiary banks," we mean each of:

- PNC Bank, National Association ("PNC Bank"),
- any other subsidiary bank the consolidated assets of which constitute 20% or more of the consolidated assets of PNC and its subsidiaries,
- any other subsidiary bank designated as a principal subsidiary bank by the board of directors of PNC, or
- any subsidiary that owns any voting shares or certain rights to acquire voting shares of any principal subsidiary bank, and their respective successors, provided any such successor is a subsidiary bank or a subsidiary, as appropriate.

-12-

As of the date hereof, our only principal subsidiary banks are PNC Bank and its parent, PNC Bancorp, Inc.

The indenture prohibits PNC, unless debtholder consent is obtained from the holders of senior debt securities, from:

- selling or otherwise disposing of, and permitting a principal subsidiary bank to issue, voting shares or certain rights to acquire voting shares of a principal subsidiary bank,
- permitting the merger or consolidation of a principal subsidiary bank with or into any other corporation, or
- permitting the sale or other disposition of all or substantially all the assets of any principal subsidiary bank,

if, after giving effect to any one of such transactions and the issuance of the maximum number of voting shares issuable upon the exercise of all such rights to acquire voting shares of a principal subsidiary bank, PNC would own directly or indirectly less than 80% of the voting shares of such principal subsidiary bank. These restrictions do not apply to:

- transactions required by any law, or any regulation or order of any governmental authority,
- transactions required as a condition imposed by any governmental authority to the acquisition by PNC, directly or indirectly, or any other corporation or entity if thereafter,
- PNC would own at least 80% of the voting shares of the other corporation or entity,
- the consolidated banking assets of PNC would be at least equal to those prior thereto, and
- the board of directors of PNC shall have designated the other corporation or entity a principal subsidiary bank,
- transactions that do not reduce the percentage of voting shares of such principal subsidiary bank owned directly or indirectly by PNC, and

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

- transactions where the proceeds are invested within 180 days after such transaction in any one or more subsidiary banks.

The indenture, however, does permit the following:

- the merger of a principal subsidiary bank with and into a principal subsidiary bank or PNC,
- the consolidation of principal subsidiary banks into a principal subsidiary bank or PNC, or
- the sale or other disposition of all or substantially all of the assets of any principal subsidiary bank to another principal subsidiary bank or PNC,

if, in any such case in which the surviving, resulting or acquiring entity is not PNC, PNC would own, directly or indirectly, at least 80% of the voting shares of the principal subsidiary bank surviving such merger, resulting from such consolidation or acquiring such assets. (Section 5.06)

Ownership of PNC Funding

The indenture contains a covenant that, so long as any of the debt securities are outstanding, PNC will continue to own, directly or indirectly, all of the outstanding voting shares of PNC Funding. (Section 5.07)

Restriction on Liens

The purpose of the restriction on liens covenant is to preserve PNC's direct or indirect interest in voting shares of principal subsidiary banks free of security interests of other creditors. The covenant permits certain specified liens and liens where the senior debt securities are equally secured. The indenture prohibits PNC and its subsidiaries from creating or permitting any liens (other than certain tax and judgment liens) upon voting shares of any principal subsidiary bank to secure indebtedness for borrowed money unless the senior

-13-

debt securities are equally and ratably secured. Notwithstanding this prohibition, PNC may create or permit the following:

- purchase money liens and liens on voting shares of any principal subsidiary bank existing at the time such voting shares are acquired or created within 120 days thereafter,
- the acquisition of any voting shares of any principal subsidiary bank subject to liens at the time of acquisition or the assumption of obligations secured by a lien on such voting shares,
- under certain circumstances, renewals, extensions or refunding of the liens described in the two preceding bullets, and
- liens to secure loans or other extensions of credit under Section 23A of the Federal Reserve Act or any successor or similar federal law or regulation. (Section 5.08)

Consolidation or Merger

The covenant described below protects the holders of debt securities upon certain transactions involving PNC Funding or PNC by requiring any successor to

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

PNC Funding or PNC to assume the predecessor's obligations under the indenture. In addition, the covenant prohibits such transactions if they would result in an event of default, a default or an event which could become an event of default or a default under the indenture. PNC Funding or PNC may consolidate with, merge into, or transfer substantially all of its properties to, any other corporation organized under the laws of any domestic jurisdiction, if:

- the successor corporation assumes all obligations of PNC Funding or PNC, as the case may be, under the debt securities and the guarantees and under the indenture,
- immediately after the transaction, no event of default or default, and no event which, after notice or lapse of time, would become an event of default or default, exists, and
- certain other conditions are met. (Sections 10.01 and 10.03)

The indenture does not limit our ability to enter into a highly leveraged transaction or provide you with any special protection in the event of such a transaction.

MODIFICATION AND WAIVER

We and the trustee may modify the indenture with the consent of the holders of the majority in aggregate principal amount of outstanding debt securities of each series affected by the modification. The following modifications and amendments, however, will not be effective against any holder without the holder's consent:

- change the stated maturity of any payment of principal or interest,
- reduce the principal amount of, or the premium, if any, or the interest on such debt security,
- reduce the portion of the principal amount of an original issue discount debt security, payable upon acceleration of the maturity of that debt security,
- change the place or places where, or the currency in which, any debt security or any premium or interest is payable,
- impair the right of the holder to institute suit for the enforcement of any payment on or with respect to any debt security,
- reduce the percentage in principal amount of debt securities necessary to modify the indenture or the percentage in principal amount of outstanding debt securities necessary to waive compliance with conditions and defaults under the indenture, or
- modify or affect the terms and conditions of the guarantees in any manner adverse to the holder. (Section 9.02)

-14-

We and the trustee may modify and amend the indenture without the consent of any holder of debt securities for any of the following purposes:

- to evidence the succession of another corporation to PNC Funding or PNC,
- to provide for the acceptance of appointment of a successor trustee,

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

- to add to the covenants of PNC Funding or PNC for the benefit of the holders of debt securities,
- to cure any ambiguity, defect or inconsistency in the indenture, if such action does not adversely affect the holders of debt securities in any material respect,
- to secure the debt securities under applicable provisions of the indenture,
- to establish the form or terms of debt securities,
- to permit the payment in the United States of principal, premium or interest on unregistered securities, or
- to provide for the issuance of uncertificated debt securities in place of certificated debt securities. (Section 9.01)

In addition, the holders of a majority in principal amount of outstanding debt securities of any series may, on behalf of all holders of that series, waive compliance with certain covenants, including those described under the captions above entitled "Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank," "Ownership of PNC Funding" and "Restriction on Liens." (Section 5.09) No waiver by the holders of any series of subordinated debt securities is required with respect to the covenant described under the caption above entitled "Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank." (Section 5.10) Covenants concerning the payment of principal, premium, if any, and interest on the debt securities, compliance with the terms of the indenture, maintenance of an agency, and certain monies held in trust may only be waived pursuant to a supplemental indenture executed with the consent of each affected holder of debt securities. The covenant concerning certain reports required by federal law may not be waived.

EVENTS OF DEFAULT, DEFAULTS, WAIVERS

The indenture defines an event of default with respect to any series of senior debt securities as being any one of the following events unless such event is specifically deleted or modified in connection with the establishment of the debt securities of a particular series:

- failure to pay interest on such series for 30 days after the payment is due,
- failure to pay the principal of or premium, if any, on such series when due,
- failure to deposit any sinking fund payment with respect to such series when due,
- failure to perform any other covenant or warranty in the indenture that applies to such series for 90 days after we have received written notice of the failure to perform in the manner specified in the indenture,
- the occurrence of certain events relating to bankruptcy, insolvency or reorganization of either of us or any principal subsidiary bank, or
- any other event of default specified in the supplemental indenture under which such senior debt securities are issued or in the form of security for such securities. (Section 7.01(a))

The indenture defines an event of default with respect to any series of subordinated debt securities as certain events involving the bankruptcy or

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

reorganization of PNC or any principal subsidiary bank, or any other event of default specified in the supplemental indenture under which such subordinated debt securities are issued or in the form of securities for such series. (Section 7.01(b)) There is no right of acceleration in the case of events involving the bankruptcy, insolvency or reorganization of PNC Funding or of a default in the payment of principal, interest, premium, if any, or any sinking fund payment with respect to a series of subordinated debt securities or in the case of a default in the performance of any other covenant of PNC

-15-

Funding or PNC in the indenture. Accordingly, payment of principal of any series of subordinated debt may be accelerated only in the case of the bankruptcy or reorganization of PNC or any principal subsidiary bank.

If an event of default occurs and is continuing with respect to any series of debt securities, either the trustee or the holders of at least 25% in principal amount of outstanding debt securities of that series may declare the principal of such series (or if debt securities of that series are original issue discount securities, a specified amount of the principal) to be due and payable immediately. Subject to certain conditions, the holders of a majority in principal amount of the outstanding debt securities of such series may rescind such declaration and waive certain defaults. Prior to any declaration of acceleration, the holders of a majority in principal amount of the outstanding debt securities of the applicable series may waive any past default or event of default, except a payment default, or a past default or event of default in respect of a covenant or provision of the indenture which cannot be modified without the consent of the holder of each outstanding debt security affected. (Sections 7.02, 7.08 and 7.13)

The indenture defines a default with respect to any series of subordinated debt securities as being any one of the following events unless such event is specifically deleted or modified in connection with the establishment of the debt securities of a particular series:

- failure to pay interest on such series for 30 days after the payment is due,
- failure to pay the principal of or premium, if any, on such series when due,
- failure to perform any other covenant or warranty in the indenture that applies to such series for 90 days after we have received written notice of the failure to perform in the manner specified in the indenture,
- any other event of default specified in the supplemental indenture under which such subordinated debt securities are issued or in the form of security for such securities, or
- events involving the bankruptcy, insolvency or reorganization of PNC Funding. (Section 7.01(c))

A breach of the covenant described under the caption above entitled "Restriction on Sale or Issuance of Voting Stock of a Principal Subsidiary Bank" will not result in a default with respect to any series of subordinated debt securities. (Sections 7.01(b) and (c))

Other than its duties in the case of an event of default or a default, the trustee is not obligated to exercise any of the rights or powers in the indenture at the request or direction of holders of debt securities unless such holders offer the trustee reasonable security or indemnity. If reasonable

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

indemnification is provided, then, subject to the other rights of the trustee, the holders of a majority in principal amount of the outstanding debt securities of any series may direct the time, method and place of conducting any proceeding for any remedy available to the trustee with respect to debt securities of such series. (Sections 8.03 and 7.12)

The indenture provides that if default is made on payment of interest and continues for a 30 day period or if default is made on payment of principal of any debt security of any series, PNC Funding will, upon demand of the trustee, pay to it, for the benefit of the holder of any such debt security, the whole amount then due and payable on such debt security for principal and interest. The indenture further provides that if PNC Funding fails to pay such amount immediately upon such demand, the trustee may, among other things, institute a judicial proceeding for its collection. (Section 7.03)

The indenture requires us to furnish annually to the trustee certificates as to the absence of any default under the indenture. The trustee may withhold notice to the holders of debt securities of any default (except in payment of principal, premium, if any, interest or sinking fund installment) if the trustee determines that the withholding of the notice is in the interest of those holders. (Sections 5.04 and 8.02)

The holder of any debt security of any series may institute any proceeding with respect to the indenture or for any remedy thereunder if:

- a holder previously has given the trustee written notice of a continuing event of default or default with respect to debt securities of that series,
- the holders of at least 25% in principal amount of the outstanding debt securities of that series have made a written request, and offered reasonable indemnity, to the trustee to institute such proceeding,

-16-

- the trustee has not received directions inconsistent with such request from the holders of a majority in principal amount of the outstanding debt securities of that series, and
- the trustee has not started such proceeding within 60 days after receiving the request. (Section 7.07)

The holder of any debt security will have, however, an absolute right to receive payment of the principal of, and premium, if any, and interest on such debt security when due and to institute suit to enforce any such payment. (Section 7.08)

DEFEASANCE

Except as may otherwise be provided in any applicable prospectus supplement, the indenture provides that we will be discharged from our obligations under the debt securities of a series at any time prior to the stated maturity or redemption thereof when we have irrevocably deposited in trust with the trustee money and/or government securities which through the payment of principal and interest in accordance with their terms will provide sufficient funds, without reinvestment, to repay in full the debt securities of such series. Deposited funds will be in the currency or currency unit in which the debt securities are denominated. Deposited government securities will be direct obligations of, or obligations the principal of and interest on which are fully guaranteed by, the government which issued the currency in which the debt securities are denominated, and which are not subject to prepayment, redemption

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

or call. Upon such discharge, the holders of the debt securities of such series will no longer be entitled to the benefits of the indenture, except for the purposes of registration of transfer and exchange of the debt securities of such series, and replacement of lost, stolen or mutilated debt securities, and may look only to such deposited funds or obligations for payment. (Sections 11.01 and 11.02)

For federal income tax purposes, the deposit and discharge may, depending on a variety of factors, result in a taxable gain or loss being recognized by the holders of the affected debt securities. You are urged to consult your own tax advisers as to the specific consequences of such a deposit and discharge, including the applicability and effect of tax laws other than federal income tax laws.

GOVERNING LAW

The indenture provides that the debt securities and the guarantees will be governed by, and construed, in accordance with, the laws of the Commonwealth of Pennsylvania. (Section 1.13)

GLOBAL SECURITIES

Book-Entry System

We may issue the debt securities of a series in whole or in part in the form of a global security that will be deposited with a depository. The depository will be The Depository Trust Company ("DTC"), unless otherwise identified in the prospectus supplement relating to the series. A global security may be issued as either a registered or unregistered security and in either temporary or permanent form. Unless and until it is exchanged in whole or in part for individual certificates evidencing debt securities in definitive form represented thereby, a global security may not be transferred except as a whole by the depository for such global security or any nominee thereof to a successor of such depository or a nominee of such successor. (Section 2.05).

If DTC is the depository for a series of debt securities, the series will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered global security will be issued for the series of debt securities, in the aggregate principal amount of the series, and will be deposited with DTC. If, however, the aggregate principal amount of the series of debt securities exceeds \$400 million, one global security will be issued with respect to each \$400 million of principal amount and an additional global security will be issued with respect to any remaining principal amount of the series.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC

-17-

holds securities that its participants ("direct participants") deposit with DTC. DTC also facilitates the settlement among direct participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in direct participants' accounts, thereby eliminating the need for physical movement of securities certificates. Direct participants include securities brokers and dealers, banks, trust

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

companies, clearing corporations, and certain other organizations. DTC is owned by a number of its direct participants and by the New York Stock Exchange, Inc., the American Stock Exchange LLC and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks and trust companies that clear through or maintain a custodial relationship with a direct participant, either directly or indirectly ("indirect participants"). The rules applicable to DTC and its participants are on file with the SEC.

Purchases of a series of debt securities under the DTC system must be made by or through direct participants, which will receive a credit for the debt securities on DTC's records. The ownership interest of each actual purchaser of each debt security ("beneficial owner") is in turn to be recorded on the direct participants' and indirect participants' records. Beneficial owners will not receive written confirmation from DTC of their purchase, but beneficial owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the direct participants or indirect participants through which the beneficial owner entered into the transaction. Transfers of ownership interests in the debt securities are to be accomplished by entries made on the books of the direct participants or indirect participants acting on behalf of beneficial owners. Beneficial owners will not receive certificates representing their ownership interest in the global security or global securities, except in the event that use of the book-entry system for the series of debt securities is discontinued.

To facilitate subsequent transfers, all global securities deposited by direct participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of global securities with DTC and their registration in the name of Cede & Co. or such other nominee do not effect any change in beneficial ownership. DTC has advised us that DTC will have no knowledge of the actual beneficial owners of the global securities, and that DTC's records reflect only the identity of the direct participants to whose accounts global securities are credited, which may or may not be the beneficial owners. The direct participants and indirect participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to direct participants, by direct participants to indirect participants and by direct participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

To the extent any series of debt securities is redeemable, redemption notices will be sent to DTC. If less than all of the debt securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each direct participant in such issue to be redeemed. The applicable prospectus supplement for a series of debt securities will indicate whether such series is redeemable.

To the extent applicable, neither DTC nor Cede & Co. (nor such other DTC nominee) will consent or vote with respect to any global securities deposited with it. Under its usual procedures, DTC will mail an omnibus proxy to the issuer as soon as possible after the record date. The omnibus proxy assigns Cede & Co.'s consenting or voting rights to those direct participants to whose accounts the debt securities are credited on the record date (identified in a listing attached to the omnibus proxy).

Principal and interest payments on the global securities deposited with DTC will be made to Cede & Co., as nominee of DTC, or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit direct participants' accounts, upon DTC's receipt of funds and corresponding

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

detail information from the issuer, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by participants to beneficial owners will be governed by standing instructions and customary practices, as in the case with securities held for the accounts of customers in bearer form or registered in "street name", and will be the responsibility of such participant and not DTC or PNC Funding, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) will be the responsibility of the trustee, who unless otherwise indicated in the applicable prospectus supplement, will be PNC Funding's paying agent, disbursement of such payments to

-18-

direct participants will be the responsibility of DTC, and disbursement of such payments to beneficial owners will be the responsibility of direct participants and indirect participants. None of PNC Funding, PNC, the trustee, any paying agent, or the registrar for the debt securities will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership interests of the global security or global securities for any series of debt securities or for maintaining, supervising or reviewing any records relating to such beneficial interests.

If DTC is at any time unwilling, unable or ineligible to continue as the depository and a successor depository is not appointed by PNC Funding within 90 days, PNC Funding will issue certificated debt securities for each series in definitive form in exchange for each global security. If PNC Funding determines not to have a series of debt securities represented by a global security, which it may do, it will issue certificated debt securities for such series in definitive form in exchange for the global security. In either instance, a beneficial owner will be entitled to physical delivery of certificated debt securities for such series in definitive form equal in principal amount to such beneficial owner's beneficial interest in the global security and to have such certificated debt securities for such series registered in such beneficial owner's name. Certificated debt securities so issued in definitive form will be issued in denominations of \$1,000 and integral multiples thereof and will be issued in registered form only, without coupons.

Beneficial interests in the global debt securities will be represented through book-entry accounts of financial institutions acting on behalf of beneficial owners as direct and indirect participants in DTC. Unless otherwise stated in the relevant prospectus, beneficial owners may elect to hold interests in the debt securities through either DTC (in the United States) or Clearstream Banking S.A., or "Clearstream, Luxembourg" formerly Cedelbank, or through Euroclear Bank S.A. / N.V., as operator of the Euroclear System, or "Euroclear" (in Europe), either directly if they are participants of such systems or indirectly through organizations that are participants in such systems. Clearstream, Luxembourg and Euroclear will hold interests on behalf of their participants through customers' securities accounts in Clearstream, Luxembourg's and Euroclear's names on the books of their U.S. depositories, which in turn will hold such interests in customers' securities accounts in the U.S. depositories' names on the books of DTC.

Clearstream, Luxembourg has advised us that it is incorporated under the laws of Luxembourg as a bank. Clearstream, Luxembourg holds securities for its customers and facilitates the clearance and settlement of securities transactions between its customers through electronic book-entry changes in accounts of its customers, thereby eliminating the need for physical movement of certificates. Clearstream, Luxembourg provides to its customers, among other things, services for safekeeping, administration, clearance and settlement of internationally traded securities and securities lending and borrowing. Clearstream, Luxembourg interfaces with domestic markets in over 30 countries.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

As a bank, Clearstream, Luxembourg is subject to regulation by the Luxembourg Commission for the Supervision of the Financial Sector (Commission de Surveillance du Secteur Financier). Clearstream, Luxembourg customers are recognized financial institutions around the world, including securities brokers and dealers, banks, trust companies, clearing corporations and other organizations, and may include the underwriters. Clearstream's U.S. customers are limited to securities brokers and dealers and banks. Indirect access to Clearstream, Luxembourg is also available to others, such as banks, brokers, dealers and trust companies that clear through or maintain a custodial relationship with Clearstream, Luxembourg customers either directly or indirectly.

Euroclear has advised us that it was created in 1968 to hold securities for participants of Euroclear and to clear and settle transactions between Euroclear participants through simultaneous electronic book-entry delivery against payment, thereby eliminating the need for physical movement of certificates and any risk from lack of simultaneous transfer of securities and cash. Euroclear includes various other services, including securities lending and borrowing and interfaces with domestic markets in several countries. Euroclear is operated by the Euroclear Bank S.A./N.V. (the "Euroclear Operator"), under contract with Euroclear Clearance Systems, S.C., a Belgian cooperative corporation (the "Cooperative"). All operations are conducted by the Euroclear Operator, and all Euroclear securities clearance accounts and Euroclear cash accounts are accounts with the Euroclear Operator, not the Cooperative. The Cooperative establishes policy for Euroclear on behalf of Euroclear participants. Euroclear participants include banks (including central banks), securities brokers and dealers and other professional financial intermediaries and may include the underwriters. Indirect access to Euroclear is also available to other firms that clear through or maintain a custodial relationship with a Euroclear participant, either directly or indirectly.

-19-

The Euroclear Operator has advised us as follows: Under Belgian law, beneficial owners that are credited with securities on the records of the Euroclear Operator have a co-proprietary right in the fungible pool of interests in securities on deposit with the Euroclear Operator in an amount equal to the amount of interests in securities credited to their accounts. In the event of the insolvency of the Euroclear Operator, Euroclear participants would have a right under Belgian law to the return of the amount and type of interests in securities credited to their accounts with the Euroclear Operator. If the Euroclear Operator did not have a sufficient amount of interests in securities on deposit of a particular type to cover the claims of all participants credited with such interests in securities on the Euroclear Operator's records, all participants having an amount of interests in securities of such type credited to their accounts with the Euroclear Operator would have the right under Belgian law to the return of their pro rata share of the amount of interests in securities actually on deposit.

Euroclear has further advised that beneficial owners that acquire, hold and transfer interests in the debt securities by book-entry through accounts with the Euroclear Operator or any other securities intermediary are subject to the laws and contractual provisions governing their relationship with their intermediary, as well as the laws and contractual provisions governing the relationship between such an intermediary and each other intermediary, if any, standing between themselves and the global securities.

Under Belgian law, the Euroclear Operator is required to pass on the benefits of ownership in any interests in securities on deposit with it (such as dividends, voting rights and other entitlements) to any person credited with such interests in securities on its records.

We have provided the descriptions of the operations and procedures of DTC set forth in "Book-Entry System" and elsewhere herein, and the descriptions of the operations and procedures of DTC, Clearstream, Luxembourg and Euroclear solely as a matter of convenience. These operations and procedures are solely within the control of those organizations and are subject to change by them from time to time. We and the principal paying agent do not take any responsibility for these operations or procedures, and you are urged to contact DTC, Clearstream, Luxembourg and Euroclear or their participants directly to discuss these matters.

The laws of some jurisdictions may require that purchasers of securities take physical delivery of those securities in definitive form. Accordingly, the ability to transfer interests in the debt securities represented by a global note to those persons may be limited. In addition, because DTC can act only on behalf of its participants, who in turn act on behalf of persons who hold interests through participants, the ability of a person having an interest in debt securities represented by a global note to pledge or transfer such interest to persons or entities that do not participate in DTC's system, or otherwise to take actions in respect of such interest, may be affected by the lack of a physical definitive security in respect of such interest.

Neither we nor the principal paying agent will have any responsibility or liability for any aspect of the records relating to or payments made on account of debt securities by DTC, Clearstream, Luxembourg, or Euroclear, or for maintaining, supervising or reviewing any records of those organizations relating to the debt securities.

Distributions on the debt securities held beneficially through Clearstream, Luxembourg, will be credited to cash accounts of its customers in accordance with its rules and procedures, to the extent received by the U.S. depositary for Clearstream, Luxembourg.

Securities clearance accounts and cash accounts with the Euroclear Operator are governed by the Terms and Conditions Governing Use of Euroclear and the related Operating Procedures of Euroclear, and applicable Belgian law (collectively, the "Terms and Conditions"). The Terms and Conditions govern transfers of securities and cash within Euroclear, withdrawals of securities and cash from Euroclear, and receipt of payments with respect to securities in Euroclear. All securities in Euroclear are held on a fungible basis without attribution of specific certificates to specific securities clearance accounts. The Euroclear Operator acts under the Terms and Conditions only on behalf of Euroclear participants and has no record of or relationship with persons holding through Euroclear participants.

Distributions on the debt securities held beneficially through Euroclear will be credited to the cash accounts of its participants in accordance with the Terms and Conditions, to the extent received by the U.S. depositary for Euroclear.

-20-

Any other or differing terms of the depositary arrangement will be described in the prospectus supplement relating to a series of debt securities.

Clearance and Settlement Procedures

Unless otherwise mentioned in the relevant prospectus supplement, initial settlement for the debt securities will be made in immediately available funds. Secondary market trading between DTC participants will occur in the ordinary way in accordance with DTC rules and will be settled in immediately available funds.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

Secondary market trading between Clearstream, Luxembourg customers and/or Euroclear participants will occur in the ordinary way in accordance with the applicable rules and operating procedures of Clearstream, Luxembourg and Euroclear and will be settled using the procedures applicable to conventional eurobonds in immediately available funds.

Cross-market transfers between persons holding directly or indirectly through DTC on the one hand, and directly or indirectly through Clearstream, Luxembourg customers or Euroclear participants, on the other, will be effected in DTC in accordance with DTC rules on behalf of the relevant European international clearing system by the U.S. depository; however, such cross-market transactions will require delivery of instructions to the relevant European international clearing system by the counterparty in such system in accordance with its rules and procedures and within its established deadlines (European time). The relevant European international clearing system will, if the transaction meets its settlement requirements, deliver instructions to the U.S. depository to take action to effect final settlement on its behalf by delivering or receiving the debt securities in DTC, and making or receiving payment in accordance with normal procedures for same-day funds settlement applicable to DTC. Clearstream, Luxembourg customers and Euroclear participants may not deliver instructions directly to their U.S. depositories.

Because of time-zone differences, credits of the debt securities received in Clearstream, Luxembourg or Euroclear as a result of a transaction with a DTC participant will be made during subsequent securities settlement processing and dated the business day following DTC settlement date. Such credits or any transactions in the debt securities settled during such processing will be reported to the relevant Clearstream, Luxembourg customers or Euroclear participants on such business day. Cash received in Clearstream, Luxembourg or Euroclear as a result of sales of the debt securities by or through a Clearstream, Luxembourg customer or a Euroclear participant to a DTC participant will be received with value on the DTC settlement date but will be available in the relevant Clearstream, Luxembourg or Euroclear cash account only as of the business day following settlement in DTC.

Although DTC, Clearstream, Luxembourg and Euroclear have agreed to the foregoing procedures to facilitate transfers of the debt securities among participants of DTC, Clearstream, Luxembourg and Euroclear, they are under no obligation to perform or continue to perform such procedures and such procedures may be discontinued at any time.

BEARER DEBT SECURITIES

If we ever issue bearer debt securities, the applicable prospectus supplement will describe all of the special terms and provisions of debt securities in bearer form, and the extent to which those special terms and provisions are different from the terms and provisions that are described in this prospectus, which generally apply to debt securities in registered form, and will summarize provisions of the indenture that relate specifically to bearer debt securities.

REGARDING THE TRUSTEE

In the ordinary course of business, we may maintain lines of credit with one or more trustees for a series of debt securities and the principal subsidiary banks and other subsidiary banks may maintain deposit accounts and conduct other banking transactions with one or more trustees for a series of debt securities.

TRUSTEE'S DUTY TO RESIGN UNDER CERTAIN CIRCUMSTANCES

PNC Funding may issue both senior and subordinated debt securities under

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

the indenture. Because the subordinated debt securities will rank junior in right of payment to the senior debt securities, the occurrence of a default under the indenture with respect to the subordinated debt securities or any senior debt securities

-21-

could create a conflicting interest under the Trust Indenture Act of 1939, as amended, with respect to any trustee who serves as trustee for both senior and subordinated debt securities. In addition, upon the occurrence of a default under the indenture with respect to any series of debt securities the trustee of which maintains banking relationships with PNC Funding or PNC, such trustee would have a conflicting interest under the Trust Indenture Act as a result of such business relationships. If a default has not been cured or waived within 90 days after the trustee has or acquires a conflicting interest, the trustee generally is required by the Trust Indenture Act to eliminate such conflicting interest or resign as trustee with respect to the subordinated debt securities or the senior debt securities. In the event of the trustee's resignation, we will promptly appoint a successor trustee with respect to the affected securities.

DESCRIPTION OF COMMON STOCK

As of the date of the prospectus, PNC is authorized to issue 800,000,000 shares of common stock. At August 31, 2001, PNC had 286,064,492 shares of common stock issued and outstanding and 66,758,275 shares held in treasury.

The following summary is not complete. You should refer to the applicable provisions of PNC's articles of incorporation, including the statements with respect to shares pursuant to which the outstanding series of preferred stock were issued and an additional series may be issued and to the Pennsylvania Business Corporation Law for a complete statement of the terms and rights of the common stock.

Holders of common stock are entitled to one vote per share on all matters submitted to shareholders. Holders of common stock have neither cumulative voting rights nor any preemptive rights for the purchase of additional shares of any class of stock of PNC, and are not subject to liability for further calls or assessments. The common stock does not have any sinking fund, conversion or redemption provisions.

Holders of common stock may receive dividends when declared by the Board of Directors of PNC out of funds legally available to pay dividends. The Board of Directors may not pay or set apart dividends on common stock until dividends for all past dividend periods on any series of outstanding preferred stock have been paid or declared and set apart for payment.

PNC currently has outstanding \$300 million of 8.315% Junior Subordinated Debentures Due 2027 and \$200 million of Floating Rate Junior Subordinated Debentures Due 2028. The terms of these debentures permit PNC to defer interest payments on the debentures for up to five years. If PNC defers interest payments on these debentures, PNC may not during the deferral period:

- declare or pay any cash dividends on any of its common stock,
- redeem any of its common stock,
- purchase or acquire any of its common stock, or

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

- make a liquidation payment on any of its common stock.

In the event of dissolution or winding up of the affairs of PNC, holders of common stock will be entitled to share ratably in all assets remaining after payments to all creditors and payments required to be made in respect of outstanding preferred stock (including accrued and unpaid dividends thereon) have been made.

The Board of Directors of PNC may, except as otherwise required by applicable law, cause the issuance of authorized shares of common stock without shareholder approval to such persons and for such consideration as the Board of Directors may determine in connection with acquisitions by PNC or for other corporate purposes.

The Chase Manhattan Bank, New York, New York, is the transfer agent and registrar for PNC's common stock. The shares of common stock are listed on the New York Stock Exchange under the symbol "PNC." The outstanding shares of common stock are, and the shares offered by this prospectus and the applicable prospectus supplement will be, validly issued, fully paid and nonassessable, and the holders of the common stock are not and will not be subject to any liability as shareholders.

RIGHTS PLAN

The PNC Board of Directors adopted a shareholder rights plan effective as of May 15, 2000 providing for the distribution of one right for each share of common stock outstanding on May 25, 2000. The rights become exercisable only in the event, with certain exceptions, that an acquiring party accumulates 10% or more of the PNC's voting stock or a party announces an offer to acquire 10% or more of the voting stock. The rights have an exercise price of \$180 per right and expire on May 25, 2010. Upon the occurrence of certain events, holders of the rights will be entitled to purchase either PNC common or common equivalent preferred shares or shares in an acquiring entity at half of market value. PNC is entitled to redeem the rights at a value of \$0.01 per right at any time until the acquisition of a 10% position in its voting stock. A copy of the Rights Agreement providing for the issuance of the rights is filed as an exhibit to this Registration

-23-

Statement. This description should be read together with the Rights Agreement and is qualified in its entirety by reference to that agreement.

OTHER PROVISIONS

PNC's articles of incorporation and bylaws contain various provisions that may discourage or delay attempts to gain control of PNC. PNC's bylaws include provisions:

- authorizing the board of directors to fix the size of the board between five and 36 directors,
- authorizing directors to fill vacancies on the board occurring between annual shareholder meetings, including vacancies resulting from an increase in the number of directors,
- authorizing only the board of directors, the Chairman of the board, PNC's President and a Vice Chairman of the board to call a special meeting of shareholders, and

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

- authorizing a majority of the board of directors to alter, amend, add to or repeal the bylaws.

PNC's articles of incorporation vest the authority to make, amend and repeal the bylaws in the board of directors, subject to the power of its shareholders to change any such action.

The Pennsylvania "anti-takeover" statutes allow Pennsylvania corporations to elect to either be covered or not be covered by certain of these statutes. PNC has elected in its bylaws not to be covered by Title 15 of the Pennsylvania consolidated statutes governing "control-share acquisitions" and "disgorgement by certain controlling shareholders following attempts to acquire control." However, the following provisions of Title 15 of the Pennsylvania consolidated statutes apply to PNC:

- shareholders are not be entitled to call a special meeting (Section 2521),
- unless the articles of incorporation provided otherwise, action by shareholder consent must be unanimous (Section 2524),
- shareholders are not be entitled to propose an amendment to the articles of incorporation (Section 2535),
- certain transactions with interested shareholders (such as mergers or sales of assets between the company and a shareholder) where the interested shareholder is a party to the transaction or is treated differently from other shareholders require approval by a majority of the disinterested shareholders (Section 2538),
- a five year moratorium exists on certain business combinations with a 20% or more shareholder (Sections 2551-2556), and
- shareholders have a right to "put" their shares to a 20% shareholder at a "fair value" for a reasonable period after the 20% stake is acquired (Sections 2541-2547).

In addition, in certain instances the ability of PNC's board to issue authorized but unissued shares of common stock and preferred stock may have an anti-takeover effect.

Existence of the above provisions could result in PNC being less attractive to a potential acquiror, or result in PNC shareholders receiving less for their shares of common stock than otherwise might be available if there is a takeover attempt.

DESCRIPTION OF PREFERRED STOCK

This section describes the general terms and provisions of PNC's preferred stock that may be offered by this prospectus. The prospectus supplement will describe the specific terms of the series of the preferred stock offered through that prospectus supplement and any general terms outlined in this section that will not apply to that series of preferred stock.

We have summarized the material terms and provisions of the preferred stock in this section. We have also filed PNC's articles of incorporation and the form of certificate of preferred stock, which we will refer to as the "certificate of designations" as exhibits to the registration statement. You should read PNC's articles of

incorporation and the certificate of designations relating to the applicable series of the preferred stock for additional information before you buy any preferred stock.

GENERAL

The Board of Directors of PNC (the "PNC board") is authorized without further shareholder action to cause the issuance, as of August 31, 2001, of up to 12,563,800 additional shares of preferred stock, including shares of preferred stock reserved for issuance in connection with PNC's shareholder rights plan described above. That preferred stock may be issued in one or more series, each with the preferences, limitations, designations, conversion rights, voting rights, dividend rights, voluntary and involuntary liquidation rights and other rights as the PNC board may determine at the time of issuance.

The rights of the holders of PNC's common stock are subject to any rights and preferences of the outstanding series of preferred stock and the preferred stock offered in this prospectus. In addition, those rights would be subject to the rights and preferences of any additional shares of preferred stock, or any series thereof, which might be issued in the future.

The existence of authorized but unissued preferred stock could have the effect of discouraging an attempt to acquire control of PNC. For example, preferred stock could be issued to persons, firms or entities known to be friendly to management.

PNC currently has outstanding \$300 million of 8.315% Junior Subordinated Debentures Due 2027 and \$200 million of Floating Rate Junior Subordinated Debentures Due 2028. The terms of these debentures permit PNC to defer interest payments on the debentures for up to five years. If PNC defers interest payments on these debentures, PNC may not during the deferral period:

- declare or pay any cash dividends on any of its preferred stock,
- redeem any of its preferred stock,
- purchase or acquire any of its preferred stock, or
- make a liquidation payment on any of its preferred stock.

PREFERRED STOCK OFFERED HEREIN

General

The preferred stock will, when issued, be fully paid and nonassessable. Unless otherwise specified in the prospectus supplement, the shares of each series of preferred stock will upon issuance rank on a parity in all respects with PNC's currently existing series of preferred stock, described below, and each other series of preferred stock of PNC outstanding at that time. Holders of the preferred stock will have no preemptive rights to subscribe for any additional securities that may be issued by PNC. Unless otherwise specified in the applicable prospectus supplement, The Chase Manhattan Bank, New York, New York, will be the transfer agent and registrar for the preferred stock.

Because PNC is a holding company, its rights and the rights of holders of its securities, including the holders of preferred stock, to participate in the assets of any PNC subsidiary upon its liquidation or recapitalization will be subject to the prior claims of such subsidiary's creditors and preferred shareholders, except to the extent PNC may itself be a creditor with recognized claims against such subsidiary or a holder of preferred shares of such subsidiary.

PNC may elect to offer depositary shares evidenced by depositary receipts. If PNC so elects, each depositary share will represent a fractional interest (to be specified in the prospectus supplement relating to the particular series of preferred stock) in a share of a particular series of the preferred stock issued and deposited with a depositary (as defined below). For a further description of the depositary shares, you should read "Description of Depositary Shares" below.

Dividends

The holders of the preferred stock will be entitled to receive dividends, if declared by the PNC board or a duly authorized committee thereof. The applicable prospectus supplement will specify the dividend rate and

-25-

dates on which dividends will be payable. The rate may be fixed or variable or both. If the dividend rate is variable, the applicable prospectus supplement will describe the formula used for determining the dividend rate for each dividend period. PNC will pay dividends to the holders of record as they appear on the stock books of PNC on the record dates fixed by the PNC board or a duly authorized committee thereof. PNC may pay dividends in the form of cash, preferred stock (of the same or a different series) or common stock of PNC, in each case as specified in the applicable prospectus supplement.

The applicable prospectus supplement will also state whether dividends on any series of preferred stock are cumulative or noncumulative. If the PNC board does not declare a dividend payable on a dividend payment date on any noncumulative preferred stock, then the holders of that preferred stock will not be entitled to receive a dividend for that dividend period, and PNC will have no obligation to pay the dividend for that dividend period even if the PNC board declares a dividend on that series payable in the future.

The PNC board will not declare and pay a dividend on the common stock or on any class or series of stock of PNC ranking subordinate as to dividends to a series of cumulative preferred stock (other than dividends payable in common stock or in any class or series of stock of PNC ranking subordinate as to dividends and assets to such series), until PNC has paid in full dividends (to the extent cumulative) for all past dividend periods on all outstanding shares of such series. If PNC does not pay in full dividends for any dividend period on all shares of preferred stock ranking equally as to dividends, all such shares will participate ratably in the payment of dividends for that period in proportion to the full amounts of dividends to which they are entitled.

Voting

Except as provided in this prospectus or in the applicable prospectus supplement, or as required by applicable law, the holders of preferred stock will not be entitled to vote. Except as otherwise required by law or provided by the PNC board and described in the applicable prospectus supplement, holders of preferred stock having voting rights and holders of common stock vote together as one class. Holders of preferred stock do not have cumulative voting rights.

If, at the time of any annual meeting of PNC shareholders, PNC has not paid, or declared and set apart for payment, dividends on all outstanding shares of preferred stock in an amount equal to six quarterly dividends at the rates payable upon such shares, the number of directors of PNC will be increased by two at the first annual meeting of shareholders held thereafter, and the holders of all outstanding preferred stock voting together as a class will be entitled to elect those two additional directors at that annual meeting. After PNC pays the full amount of dividends to which the holders of preferred stock are

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

entitled, the terms of the two additional directors will end, the number of directors of PNC will be reduced by two, and such voting right of the holders of preferred stock will end.

Unless PNC receives the consent of the holders of at least two-thirds of the outstanding shares of preferred stock of all series, PNC will not:

- create or increase the authorized number of shares of any class of stock ranking as to dividends or assets senior to the preferred stock, or
- change the preferences, qualifications, privileges, limitations, restrictions or special or relative rights of the preferred stock in any material respect adverse to the holders of the preferred stock.

If any change to the rights of the preferred stock will affect any particular series materially and adversely as compared to any other series of preferred stock, PNC first must obtain the consent of the holders of at least two-thirds of the outstanding shares of that particular series of preferred stock.

The holders of the preferred stock of a series will not be entitled to participate in any vote regarding a change in the rights of the preferred stock if PNC makes provision for the redemption of all the preferred stock of such series. See "Redemption by PNC" below. PNC is not required to obtain any consent of holders of preferred stock of a series in connection with the authorization, designation, increase or issuance of any shares of preferred stock that rank junior or equal to the preferred stock of such series with respect to dividends and liquidation rights.

Under interpretations adopted by the Federal Reserve or its staff, if the holders of preferred stock of any series become entitled to vote for the election of directors because dividends on such series are in arrears as

-26-

described above, that series may then be deemed a "class of voting securities" and a holder of 25% or more of such series (or a holder of 5% or more if it otherwise exercises a "controlling influence" over PNC) may then be subject to regulation as a bank holding company in accordance with the Bank Holding Company Act. In addition, when the series is deemed a class of voting securities, any other bank holding company may be required to obtain the prior approval of the Federal Reserve to acquire more than 5% of that series, and any person other than a bank holding company may be required to obtain the prior approval of the Federal Reserve to acquire 10% or more of that series.

Liquidation of PNC

In the event of the voluntary or involuntary liquidation of PNC, the holders of each outstanding series of preferred stock will be entitled to receive liquidating distributions before any distribution is made to the holders of common stock or of any class or series of stock of PNC ranking subordinate to that series, the amount fixed by the PNC board for that series and described in the applicable prospectus supplement, plus, if dividends on that series are cumulative, accrued and unpaid dividends.

Redemption by PNC

PNC may redeem the whole or any part of the preferred stock at the times and at the amount for each share set forth in the applicable prospectus supplement.

PNC may acquire preferred stock from time to time at the price or prices

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

that PNC determines. If cumulative dividends, if any, payable for all past quarterly dividend periods have not been paid, or declared and set apart for payment, in full, PNC may not acquire preferred stock except in accordance with an offer made in writing or by publication to all holders of record of shares of preferred stock.

Conversion

The prospectus supplement may set for the rights, if any, for a holder of preferred stock to convert that preferred stock into common stock or any other class of capital securities of PNC.

PREFERRED STOCK CURRENTLY OUTSTANDING

At August 31, 2000, PNC had five series of preferred stock outstanding:

- 9,868 shares of \$1.80 Cumulative Convertible Preferred Stock, Series A ("preferred stock-A"),
- 2,963 shares of \$1.80 Cumulative Convertible Preferred Stock, Series B ("preferred stock-B"),
- 215,591 shares of \$1.60 Cumulative Convertible Preferred Stock, Series C ("preferred stock-C"),
- 296,585 shares of \$1.80 Cumulative Convertible Preferred Stock, Series D ("preferred stock-D"), and
- 4,099,000 shares of Fixed/Adjustable Rate Noncumulative Preferred Stock, Series F ("preferred stock-F").

All shares of a former series of preferred stock, designated as \$2.60 Cumulative Non Voting Preferred Stock, Series E, have been redeemed and restored to the status of authorized but unissued preferred stock. In connection with PNC's shareholders rights plan described above, PNC has issued rights attached to its common stock that, once exercisable, will allow the holder of each share of common stock to purchase from PNC one one-thousandth of a share of Series G Junior Participating Preferred Stock ("preferred stock-G"). To date, we have not issued any preferred stock-G.

Holders of outstanding preferred stock are entitled to cumulative dividends at the annual rates set forth below in the table titled "Summary of Certain Key Terms of Preferred Stock," which are payable quarterly when and as declared by the Board of Directors of PNC. The Board of Directors may not pay or set apart dividends on common stock until dividends for the current period and all past dividend periods on all series of outstanding preferred stock have been paid or declared and set apart for payment.

Holders of outstanding preferred stock, other than preferred stock-F, are entitled to a number of votes equal to the number of full shares of common stock into which their preferred stock is convertible. Holders

-27-

of outstanding preferred stock currently are entitled to the conversion privileges set forth below in the table titled "Summary of Certain Key Terms of Preferred Stock."

In the event of a liquidation of PNC, holders of outstanding preferred stock are entitled to receive the amounts set forth below in the table titled "Summary of Certain Key Terms of Preferred Stock," plus all dividends accrued

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

and unpaid thereon, before any payments are made with respect to common stock.

Preferred stock-A, preferred stock-C and preferred stock-D are redeemable at any time at the option of PNC at redemption prices equal to the respective liquidation preference amounts stated above, plus accrued and unpaid dividends, if any. Preferred stock-B is not redeemable. Prior to September 30, 2001, preferred stock-F is not redeemable, except in limited circumstances by PNC. On and after September 30, 2001, preferred stock-F is redeemable at the option of PNC at its liquidation preference amount, plus accrued and unpaid dividends (whether or not earned or declared) from the immediately preceding dividend payment date (but without any cumulation for unpaid dividends for prior dividend periods) to the date fixed for redemption. On August 23, 2001, PNC provided notice to holders of the outstanding shares of preferred stock-F that it has called the preferred stock-F for redemption on October 4, 2001.

All outstanding series of preferred stock, other than preferred stock-F, are convertible (unless called for redemption and not converted within the time allowed therefor), at any time at the option of the holder. No adjustment will be made for dividends on preferred stock converted or on common stock issuable upon conversion. The conversion rate of each series of convertible preferred stock will be adjusted in certain events, including payment of stock dividends on, or splits or combinations of, the common stock or issuance to holders of common stock of rights to purchase common stock at a price per share less than 90% of current market price as defined in the articles of incorporation of PNC. Appropriate adjustments in the conversion provisions also will be made in the event of certain reclassifications, consolidations or mergers or the sale of substantially all of the assets of PNC. Preferred stock-F is not convertible into shares of common stock or any other security of PNC.

Preferred stock-A, preferred stock-B and preferred stock-F are currently traded in the over-the-counter market. Preferred stock-C and preferred stock-D are listed and traded on the New York Stock Exchange. The Chase Manhattan Bank, New York, New York, is transfer agent and registrar for all outstanding series of preferred stock.

DESCRIPTION OF DEPOSITARY SHARES

GENERAL

PNC may, at its option, elect to offer fractional interests in the preferred stock, rather than whole shares of preferred stock. If PNC does, PNC will issue to the public receipts for depositary shares, and each of these depositary shares will represent a fraction of a share of a particular series of the preferred stock. We will specify that fraction in the prospectus supplement.

The shares of any series of the preferred stock underlying the depositary shares will be deposited under a deposit agreement between PNC and a depositary selected by PNC. The depositary will be a bank or trust company and will have its principal office in the United States and a combined capital and surplus of at least \$50,000,000. The prospectus supplement relating to a series of depositary shares will set forth the name and address of the depositary. Subject to the terms of the deposit agreement, each owner of a depositary share will be entitled, in proportion to the applicable fractional interest in a share of preferred stock underlying that depositary share, to all the rights and preferences of the preferred stock underlying that depositary share. Those rights include dividend, voting, redemption, conversion and liquidation rights.

The depositary shares will be evidenced by depositary receipts issued under the deposit agreement. PNC will issue depositary receipts to those persons who purchase the fractional shares in the preferred stock underlying the depositary shares, in accordance with the terms of the offering.

DIVIDENDS AND OTHER DISTRIBUTIONS

The depositary will distribute all cash dividends or other cash distributions received in respect of the preferred stock to the record holders of related depositary shares in proportion to the number of depositary shares owned by those holders.

If PNC makes a distribution other than in cash, the depositary will distribute property received by it to the record holders of depositary shares that are entitled to receive the distribution, unless the depositary determines that it is not feasible to make the distribution. If this occurs, the depositary may, with the approval of PNC, sell the property and distribute the net proceeds from the sale to the applicable holders.

REDEMPTION OF DEPOSITARY SHARES

Whenever PNC redeems shares of preferred stock that are held by the depositary, the depositary will redeem, as of the same redemption date, the number of depositary shares representing the shares of preferred stock so redeemed. The redemption price per depositary share will be equal to the applicable fraction of the redemption price per share payable with respect to that series of the preferred stock. If fewer than all the depositary shares are

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

to be redeemed, the depositary will select the depositary shares to be redeemed by lot or pro rata as may be determined by the depositary.

Depositary shares called for redemption will no longer be outstanding after the applicable redemption date, and all rights of the holders of these depositary shares will cease, except the right to receive any money or other property upon surrender to the depositary of the depositary receipts evidencing those depositary shares.

VOTING THE PREFERRED STOCK

Upon receipt of notice of any meeting at which the holders of preferred stock are entitled to vote, the depositary will mail the information contained in the notice of meeting to the record holders of the depositary shares underlying that preferred stock. Each record holder of those depositary shares on the record date (which will be the same date as the record date for the preferred stock) will be entitled to instruct the depositary as to the exercise of the voting rights pertaining to the amount of preferred stock underlying that holder's depositary shares. The depositary will try, insofar as practicable, to vote the number of shares of preferred stock underlying those depositary shares in accordance with those instructions, and PNC will agree to take all action which the depositary deems necessary in order to enable the depositary to do so. The depositary will not vote the shares of preferred stock to the extent it does not receive specific instructions from the holders of depositary shares underlying the preferred stock.

-29-

CONVERSION OF PREFERRED STOCK

If a series of the preferred stock underlying the depositary shares is convertible into shares of PNC's common stock or any other class of capital securities of PNC, PNC will accept the delivery of depositary receipts to convert the preferred stock using the same procedures as those for delivery of certificates for the preferred stock. If the depositary shares represented by a depositary receipt are to be converted in part only, the depositary will issue a new depositary receipt or depositary receipts for the depositary shares not to be converted.

AMENDMENT AND TERMINATION OF THE DEPOSIT AGREEMENT

PNC and the depositary may amend the form of depositary receipt evidencing the depositary shares and any provision of the deposit agreement at any time. However, any amendment that materially and adversely alters the rights of the holders of depositary shares will not be effective unless the amendment has been approved by the holders of at least a majority of the depositary shares then outstanding. PNC or the depositary may terminate the deposit agreement only if (i) all outstanding depositary shares have been redeemed or (ii) there has been a final distribution of the underlying preferred stock in connection with any liquidation, dissolution or winding up of PNC.

CHARGES OF DEPOSITARY

PNC will pay all transfer and other taxes and governmental charges arising solely from the existence of the depositary arrangements. PNC will also pay charges of the depositary in connection with the initial deposit of the preferred stock and any redemption of the preferred stock. Holders of depositary shares will pay other transfer and other taxes and governmental charges and such other charges as are expressly provided in the deposit agreement to be for their accounts.

Edgar Filing: PNC FINANCIAL SERVICES GROUP INC - Form 424B5

RESIGNATION AND REMOVAL OF DEPOSITARY

The depositary may resign at any time by delivering to PNC notice of its election to do so. PNC may remove the depositary at any time. Any such resignation or removal will take effect only upon the appointment of a successor depositary and its acceptance of its appointment. The successor depositary must be a bank or trust company having its principal office in the United States and having a combined capital and surplus of at least \$50,000,000.

MISCELLANEOUS

The depositary will forward to the holders of depositary shares all reports and communications from PNC that PNC delivers to the depositary and that PNC is required to furnish to the holders of the preferred stock.

Neither the depositary nor PNC will be liable if it is prevented or delayed by law or any circumstance beyond its control in performing its obligations under the deposit agreement. The obligations of PNC and the depositary under the deposit agreement will be limited to performance in good faith of their respective duties under the deposit agreement. They will not be obligated to prosecute or defend any legal proceeding relating to any depositary shares or preferred stock unless satisfactory indemnity is furnished. They may rely upon written advice of counsel or accountants, or upon information provided by persons presenting preferred stock for deposit, holders of depositary shares or other persons they believe to be competent and on documents they believe to be genuine.

DESCRIPTION OF WARRANTS

PNC may issue warrants to purchase common stock, preferred stock or depositary shares. PNC Funding may issue warrants to purchase debt securities. We may issue warrants independently of or together with any other securities, and the warrants may be attached to or separate from such securities. We will issue each series of warrants under a separate warrant agreement to be entered into between us and a warrant agent. The tax, at the current annual rate of four mills on each dollar of nominal value (\$4.00 per \$1,000), will be withheld, at any time when it is applicable, from each interest payment to taxable holders of debt securities. The debt securities will be exempt, under current law, from personal property taxes imposed by political subdivisions in Pennsylvania.
