PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS

To Be Held On June 2, 2003

This Proxy Statement is furnished to shareholders of Crescent Real Estate Equities Company, a Texas real estate investment trust (the "Company"), in connection with the solicitation of proxies by its board of trust managers (the "Board of Trust Managers" or the "Board") on behalf of the Company for use at the 2003 Annual Meeting of Shareholders of the Company (the "Meeting") to be held at the Hotel Crescent Court, 400 Crescent Court, Dallas, Texas, on Monday, June 2, 2003, at 10:00 a.m., Central Daylight Savings Time, for the purposes set forth in the Notice of Annual Meeting. This Proxy Statement and the accompanying form of proxy are first being sent or given to shareholders on or about May 8, 2003.

The Company owns its assets and conducts its operations through Crescent Real Estate Equities Limited Partnership, a Delaware limited partnership (the "Operating Partnership"), and its other subsidiaries. The sole general partner of the Operating Partnership is Crescent Real Estate Equities, Ltd., a Delaware corporation (the "General Partner"), which is a wholly owned subsidiary of the Company.

RECORD DATE AND OUTSTANDING CAPITAL SHARES

The record date for determination of the shareholders entitled to notice of and to vote at the Meeting is the close of business on April 17, 2003 (the "Record Date"). At the close of business on the Record Date, 99,171,182 of the Company's common shares of beneficial interest, par value \$.01 per share (the "Common Shares"), were issued, outstanding and entitled to vote at the Meeting.

PROCEDURAL MATTERS

Any proxy, if received in time, properly signed and not revoked, will be voted at the Meeting in accordance with the directions of the shareholder. If no directions are specified, the proxy will be voted FOR Proposals 1 and 2 (Items 1 and 2 on the proxy card) and AGAINST the shareholder proposal (Item 3 on the proxy card). If any other matter or business is brought before the

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Meeting or any adjournment thereof, the proxy holders may vote the proxy in their discretion. The Board of Trust Managers does not know of any such matter or business to be presented for consideration.

A proxy may be revoked by (i) delivering a written statement to the Secretary of the Company stating that the proxy is revoked, (ii) presenting at the Meeting a subsequent proxy executed by the person executing the prior proxy, or (iii) attending the Meeting and voting in person.

QUORUM AND VOTING

The presence, in person or by proxy, of the holders of a majority of the Common Shares outstanding and entitled to vote as of the Record Date is necessary to constitute a quorum for the transaction of business at the Meeting. In deciding all questions, a holder of Common Shares is entitled to one vote, in person or by proxy, for each Common Share held in such holder's name on the Record Date.

1

REQUIRED AFFIRMATIVE VOTE AND VOTING PROCEDURES

The vote required to elect the nominees as trust managers (Proposal Number 1), to ratify appointment of independent auditors (Proposal Number 2) and to approve the shareholder proposal urging the Board of Trust Managers to take the steps necessary to declassify the Board (Proposal Number 3) is a majority of the votes cast at the Meeting by the holders of Common Shares entitled to vote on such matter. Common Shares held by shareholders present at the Meeting in person who do not vote and ballots marked "abstain," "against" or "withhold authority" will be counted as present at the Meeting for quorum purposes. Under the Company's Restated Declaration of Trust, as amended (the "Declaration of Trust"), Amended and Restated Bylaws, as amended (the "Bylaws"), and applicable law, abstentions constitute votes cast but broker non-votes do not. As a result, abstentions with respect to the election of the trust managers, the ratification of the appointment of independent auditors or the shareholder proposal effectively constitute votes against those matters. Broker non-votes will have no effect on the outcome of the vote on any of the proposals. In the event that you hold your shares through the Company's 401(k) Plan and you elect not to vote your shares, the 401(k) Plan's Trustees will vote your undirected shares in the same proportion as those shares for which the Trustees received proper voting directions from the remaining 401(k) Plan participants.

COSTS OF PROXY SOLICITATION

The Company will bear the cost of preparing, assembling and mailing the proxy material. Upon request, the Company will reimburse brokers, banks, nominees and other fiduciaries for postage and reasonable clerical expenses of forwarding the proxy materials to their principals, the beneficial owners of the Common Shares. In an effort to have as large a representation at the Meeting as possible, special solicitation of proxies may, in certain instances, be made personally, or by telephone, facsimile, or mail by one or more employees of the General Partner, who will not receive any additional compensation in connection therewith. In addition, the Company has engaged D. F. King & Co., Inc. to assist in the solicitation of proxies. The Company anticipates that it will incur total fees of \$8,000 plus out-of-pocket expenses. The out-of-pocket expenses cannot be estimated at this time.

approves professional services that the independent auditors provide, reviews the independence of the independent auditors, considers the range of audit and non-audit fees and reviews the adequacy of the Company's internal accounting controls. The Board of Trust Managers has determined that all current members of the Audit Committee are "independent" as that term is defined in Section 303.01(B) (2) (a) and (3) of the New York Stock Exchange's listing standards.

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

2002, consists of Robert W. Stallings, Chairman, Paul E. Rowsey, III, and Terry N. Worrell. The Governance Committee nominates persons to serve as members of the Board of Trust Managers. The Governance Committee will consider nominees that management, shareholders and others recommend, and these recommendations may be delivered in writing to the attention of the Governance Committee in care of the Company Secretary at the Company's principal executive offices. See "Shareholder Proposals for the Company's 2004 Annual Meeting of Shareholders" below for a description of the procedures by which shareholders may nominate candidates for trust manager. In addition, the Governance Committee develops and recommends to the Board corporate governance policies and procedures applicable to the Company, particularly as such policies and procedures may be required by federal and state securities laws, the New York Stock Exchange or any other applicable regulatory requirements. The Governance Committee did not hold any meetings in 2002.

Intercompany Evaluation Committee. Prior to February 14, 2003, the Intercompany Evaluation Committee consisted of William F. Quinn and David M. Sherman. From and after Mr. Sherman's resignation from the Board on February 14, 2003, the Intercompany Evaluation Committee consists of William F. Quinn, Chairman. The Board of Trust Managers appointed the Intercompany Evaluation Committee to review, confirm and ratify, in the Company's capacity as sole stockholder of the General Partner, all determinations and acts of the Operating Partnership and the General Partner relating to the Intercompany Agreement between the Operating Partnership and COPI, dated June 3, 1997 (the "Intercompany Agreement"), and any other transactions with COPI or its affiliates that the General Partner may present to the committee from time to time. The Intercompany Agreement was terminated on February 14, 2002 pursuant to an agreement between the Company and COPI. The Intercompany Evaluation Committee continues to perform its functions with respect to any transactions with COPI or its affiliates that the General Partner presents to the committee. The Intercompany Evaluation Committee held three meetings in 2002.

During the last fiscal year, the Board of Trust Managers held ten meetings, and no trust manager attended fewer than 75% of the aggregate of all meetings of the Board of Trust Managers and the committees, if any, upon which such trust manager served and which were held during the period of time that such person served on the Board of Trust Managers or such committee.

PROPOSAL NUMBER 2 RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

On June 24, 2002, the Audit Committee of the Board of Trust Managers of the Company terminated the engagement of Arthur Andersen LLP as the Company's independent auditors, and engaged Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ended December 31, 2002.

Arthur Andersen LLP's reports on the Company's Consolidated Financial Statements for each of the fiscal years ended December 31, 2001 and December 31, 2000 did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 31, 2001 and December 31, 2000, and through the date of termination of the engagement of Arthur Andersen LLP as the Company's independent auditors, there were no disagreements with

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP's satisfaction, would have caused Arthur Andersen LLP to make reference to the subject matter in connection with its report on the Company's Consolidated Financial Statements for such years. There were no reportable events as defined in Item 304 (a) (1) (v) of Regulation S-K.

During the fiscal years ended December 31, 2001 and December 31, 2000, and through the date of termination of the engagement of Arthur Andersen LLP as the Company's independent auditors, the Company did not consult Ernst & Young LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's Consolidated Financial Statements, or any other matters or reportable events as set forth in Items 304 (a) (2) (i) or (ii) of Regulation S-K.

A copy of Arthur Andersen LLP's letter dated June 25, 2002, stating that it has found no basis for disagreement with these statements, was filed as an exhibit to the Company's current report on Form 8-K filed with the Commission on June 26, 2002.

The Audit Committee of the Board of Trust Managers of the Company believes that the Company should continue its relationship with Ernst & Young LLP and has appointed Ernst & Young LLP to continue as the Company's independent auditors for the fiscal year ending December 31, 2003. In the event that ratification of this appointment of auditors is not approved by the affirmative vote of a majority of the votes cast on the matter by shareholders present or represented by proxy at the Meeting and entitled to vote on the matter, then the Audit Committee of the Board of Trust Managers of the Company will reconsider its appointment of independent auditors. In this case, the Audit Committee, in its discretion, may continue the Company's relationship with Ernst & Young LLP. In addition, the Audit Committee, in its discretion, may direct the appointment of different independent auditors at any time during the year if the Audit Committee believes that such an appointment would be in the best interests of the Company's shareholders.

A representative of Ernst & Young LLP is expected to be present at the Meeting. The representative will have an opportunity to make a statement and will be able to respond to appropriate questions.

PROPOSAL NUMBER 3
PROPOSAL BY SHAREHOLDER

SHAREHOLDER PROPOSAL BY SEIU

THE FOLLOWING PROPOSAL HAS BEEN SUBMITTED BY SERVICE EMPLOYEES INTERNATIONAL UNION ("SEIU"), 1313 L STREET, N.W., WASHINGTON, D.C. 20005 IN THE FORM IN WHICH IT WAS SUBMITTED TO THE COMPANY. SEIU IS THE OWNER OF 147 SHARES OF THE COMPANY.

RESOLVED: That the shareholders of Crescent Real Estate Equities Company ("Crescent" or the "Company") urge the Board of Trust Managers

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

take the necessary steps to declassify the Board of Trust Managers for the purpose of Trust Manager elections. The Board declassification shall be done in a manner that does not affect the unexpired terms of Trust Managers previously elected.

SHAREHOLDER SUPPORTING STATEMENT BY SEIU

We believe the election of Trust Managers is the most powerful way that shareholders influence the strategic direction of our company. Currently the Board of Trust Managers of Crescent is divided into three classes serving staggered three-year terms. It is our belief that the classification of the Board of Trust Managers is not in the best interests of Crescent and its shareholders. The elimination of the staggered board would require each Trust Manager to stand for election annually. This procedure would allow shareholders an opportunity to annually register their views on the performance of the board collectively and each Trust Manager individually. Concerns that the annual election of Trust Managers would leave Crescent without experienced board members in the event that all incumbents are voted out are unfounded. If the owners should choose to replace the entire board, it would be obvious that the incumbent Trust Managers' contributions were not valued.

A classified board of Trust Managers' protects the incumbency of the Board of Trust Managers and current management, which in turn limits accountability to stockholders. It is our belief Crescent's corporate governance procedures and practices, and the level of management accountability they impose, are related to the financial performance of the company. While Crescent's current performance is good, we believe sound corporate governance practices, such as the annual election of Trust Managers, will impose the level of management accountability necessary to help insure that a good performance record continues over the long term.

Classified boards like ours have become increasingly unpopular in recent years. Last year a majority of shareholders supported proposals asking their boards to repeal classified board structures at a number of respected companies, including Kroger, Merck, Airborne, Sears, Reebok International, PacifiCare, Morgan Stanley, Hasbro, Boeing and Bausch & Lomb.

For a greater voice in the governance of Crescent and annual Trust Managers accountability we ask shareholder to vote YES on this proposal.

OPPOSITION STATEMENT BY CRESCENT REAL ESTATE EQUITIES COMPANY

The Company's current system for electing trust managers by classes was approved by the shareholders in 1994 and has been in place since prior to the Company's initial public offering. Under this system, the Board of Trust Managers is divided into three classes, each constituting approximately one-third of the total number of trust managers.

With the classified Board, the likelihood of continuity and stability in the Board's business strategies and policies is enhanced since, generally, approximately two-thirds of the trust managers at all times will have had

prior experience and familiarity with the business and affairs of the Company. This experience and familiarity contributes to more effective long-range strategic planning and a focus on long-term performance.

The classified Board is intended to encourage persons who may seek to acquire control of the Company to initiate such action through negotiations with the Board. If a potential acquiror does not negotiate with the Company, the existence of the classified Board means that at least two meetings of shareholders would generally be required to replace a majority of the Board. By reducing the threat of an abrupt change in the composition of the entire Board, classification of trust managers would provide the Board with an adequate opportunity to fulfill its duties to the Company's shareholders to review any takeover proposal, study appropriate alternatives and achieve the best results for all shareholders. The Board believes that a classified Board enhances the ability to negotiate favorable terms with the proponent of an unfriendly or unsolicited proposal, but that it does not preclude takeover offers.

The Board believes that trust managers elected to a classified Board are no less accountable to shareholders than they would be if all trust managers were elected annually. The same standards of performance and fiduciary duties apply to all trust managers regardless of their term of service. The Board addresses many important issues during the year and is confident that its attention to these issues is in no way affected by the timing of elections.

Adoption of this proposal would not automatically eliminate the classified Board. Further action by the shareholders would be required to amend the Declaration of Trust and Amended and Restated Bylaws, as amended. Under these documents, the approval of two-thirds of the outstanding Common Shares would be required for approval of any amendment. Under Texas law, an amendment to the Declaration of Trust requires a recommendation from the Board of Trust Managers prior to submission to shareholders. While the Board would consider such an amendment, it remains subject to its fiduciary duty to act in a manner it believes to be in the best interest of the Company and its shareholders generally.

THEREFORE, YOUR BOARD OF TRUST MANAGERS RECOMMENDS A VOTE AGAINST THIS PROPOSAL.

EXECUTIVE COMPENSATION

The following table sets forth the annual and long-term compensation paid or awarded for the years ended December 31, 2002, 2001, and 2000, to the Company's current Chief Executive Officer and to the four other most highly compensated executive officers of the Company and the General Partner (collectively, the "Named Executive Officers"). As a result of the Company's umbrella partnership REIT structure, the General Partner, rather than the Company, compensates all employees. The Company did not grant any stock appreciation rights ("SARs") during this period.

Goff - 2,557,142; Dennis H. Alberts - 1,000,000; Kenneth S. Moczulski - 350,000; Jane E. Mody - 300,000; and Jerry R. Crenshaw, Jr. -200,000. - (1) Potential Realizable Value is the value of the granted Options, based on the assumed annual growth rates of the share price shown during their 10-year Option term. For example, a 5% growth rate, compounded annually, for Mr. Goff's grant results in a share price of \$28.52 per share, and a 10% growth rate, compounded annually, results in a share price of \$45.42 per share. These potential realizable values are listed to comply with the regulations of the Commission, and the Company cannot predict whether these values will be achieved. Actual gains, if any, on Option exercises are dependent on the future performance of the Common Shares.
- (2) Amount includes 442,858 Common Shares, which represent the number of Common Shares that may be issued following (i) exercise of Plan Unit Options on a one-for-one basis and (ii) exchange of Units for Common Shares on the basis of two Common Shares for each Unit. Such Plan Unit Options vested 100% on February 19, 2003.
- (3) Amount includes the number of Common Shares that may be issued following (i) exercise of options (the "Unit Options") granted pursuant to individual agreements to purchase Units on a one-for-one basis and, subject to shareholder approval, the subsequent exchange of

such Units for Common Shares, with such exchange made on the basis of two Common Shares for each Unit exchanged (assuming the Company elects to issue Common Shares rather than pay cash upon such exchange), as follows: John C. Goff - 2,557,142; Dennis H. Alberts - 1,000,000; Kenneth S. Moczulski - 350,000, Jane E. Mody - 300,000 and Jerry R. Crenshaw, Jr. - 200,000. If shareholders do not approve the grant of this exchange right to any of the named individuals, the Units acquired by that individual upon exercise of Unit Options will be exchangeable for cash in an amount equivalent to the value of the Common Shares otherwise issuable upon exchange of the Units. For Mr. Goff, 157,142 of his Unit Options vested on February 19, 2003 and the remaining 2,400,000 of such Unit Options vest in equal one-fourth installments on each of February 19, 2004, 2005, 2006 and 2007. For each other named individual, the Unit Options vest in equal one-fifth installments on each of February 19, 2003, 2004, 2005, 2006 and 2007.

The following table provides information about Options that the Named Executive Officers exercised during the year ended December 31, 2002 and Options that each of them held at December 31, 2002. The Company did not grant any SARs during this period.

EMPLOYMENT AGREEMENT

As part of the transactions in connection with formation of the Company, the Operating Partnership assumed an employment agreement between Rainwater, Inc. and John C. Goff. The Operating Partnership takes action through the General Partner. Mr. Goff serves as the sole member of the board of directors of the General Partner. On February 19, 2002, the Company, the Operating Partnership and Mr. Goff entered into a new employment agreement, which will terminate on February 19, 2007, pursuant to which Mr. Goff is entitled to an annual salary of \$900,000 for 2003 and a bonus as determined in the discretion of the Compensation Committee of the General Partner. In addition, pursuant to the employment agreement, Mr. Goff was provided the right to earn (i) 300,000 shares of restricted stock, one-third of which will be earned on each of February 19, 2004, 2005 and 2006 and (ii) 1,500,000 Unit Options, one-fifth of which will be earned on each of February 19, 2003 through 2006. The Units underlying such Unit Options are exchangeable into two Common Shares of the Company upon the satisfaction of certain conditions, including shareholder approval of the exchange right.

The salary under the employment agreement, which is not subject to a cap, may be increased at the discretion of the Operating Partnership or, upon the Operating Partnership's request, the Executive Compensation Committee of the Company may review and ratify all such increases in salary. The Operating Partnership similarly determines any bonus to be paid under the employment agreement, unless it requests the Executive Compensation Committee to review and ratify all such bonuses granted to Mr. Goff.

AGREEMENTS NOT TO COMPETE

The Company and the Operating Partnership are dependent on the services of Richard E. Rainwater and John C. Goff. Mr. Rainwater serves as Chairman of the Board of Trust Managers but has no employment agreement with the Company and, therefore, is not obligated to remain with the Company for any specified term. In connection with the initial public offering of the Common Shares in May 1994, each of Messrs. Rainwater and Goff entered into a Noncompetition Agreement with the Company that restricts him from engaging in certain real estate-related activities during specified periods of time.

The restrictions that Mr. Rainwater's Noncompetition Agreement imposes will terminate one year after the later to occur of (i) the date on which Mr. Rainwater ceases to serve as a trust manager of the Company, and (ii) the date on which Mr. Rainwater's beneficial ownership of the Company (including Common Shares and Units) first represents less than a 2.5% ownership interest in the Company. The restrictions that Mr. Goff's Noncompetition Agreement imposes will terminate one year after Mr. Goff first ceases to be a trust manager or an executive officer of the Company. The Noncompetition Agreements do not, among other things, prohibit Messrs. Rainwater and Goff from engaging in certain activities in which they were engaged at the time of formation of the Company in 1994 or from making certain passive real estate investments.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended ("Exchange Act") requires the Company's officers, trust managers and persons who own more than 10% of the Common Shares or the Preferred Shares to file reports of ownership on Form 3 and changes in ownership on Forms 4 and 5 with the Commission and the New York Stock Exchange. The Commission rules also require such officers, trust managers and 10% holders to furnish the Company with copies of all Section 16(a) forms that they file.

Based solely on its review of copies of such reports received or written representations from certain reporting persons, the Company believes that all Section 16(a) filing requirements applicable to its officers, trust managers and 10% shareholders were complied with for the fiscal year ended December 31, 2002, except that (i) Mr. Stallings filed one Statement of Changes of Beneficial Ownership of Securities on Form 4 ("Form 4") on an untimely basis reporting the acquisition of Common Shares; (ii) each of Mr. Goff, Mr. Alberts, Mr. Moczulski and Mr. Zogg filed a Form 4 on an untimely basis reporting a transaction in which Common Shares were acquired and immediately contributed to Crescent Scholarship Foundation (the "Scholarship Foundation"); (iii) Mr. Quinn and Mr. Rowsey each filed a Form 4 on an untimely basis reporting a transaction in which Common Shares were acquired as Company trust manager fees in lieu of cash; (iv) Mr. Crenshaw filed an Annual Statement of Beneficial Ownership of Securities on Form 5 ("Form 5") on an untimely basis reporting the disposition of Common Shares that were contributed to the Scholarship Foundation; and (v) Ms. Mody filed an amendment to a Form 5 on an untimely basis reporting the disposition of Common Shares that were contributed to the Scholarship Foundation.

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933, as amended, or the Exchange Act that might incorporate future filings, including this Proxy Statement, in whole or in part, the Report of the Audit Committee, the Report of the Executive Compensation Committee and the Performance Graph, each of which appears below, shall not be deemed to be "soliciting material" or to be "filed" with the Commission, nor shall such information be incorporated by reference into any previous or future filings under the Securities Act of 1933 or the Exchange Act, except to the extent that the Company incorporates it by specific reference into any such filings.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is composed of Messrs. Frank (Chairman), Quinn and Stallings. A majority of the full Board of Trust Managers selects members of the Audit Committee.

Termination of Engagement with Arthur Andersen LLP; Engagement of Ernst & Young LLP. During 2002, the Audit Committee determined that it was necessary to replace Arthur Andersen LLP as the Company's independent auditors. The Audit Committee engaged in significant due diligence and interview processes with three potential outside audit firms and ultimately selected, and recommended to the Board of Trust Managers for approval, Ernst & Young LLP as the Company's independent auditors. On June 24, 2002, the Audit Committee terminated the engagement of Arthur Andersen LLP as the Company's independent auditors, and engaged Ernst & Young LLP to serve as the Company's independent auditors for the fiscal year ended December 31, 2002.

Statement of Policy. The Audit Committee shall provide assistance to the Board of Trust Managers in fulfilling its oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by management and the Board of Trust Managers. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the Audit Committee and the independent auditors, the internal auditors and management of the Company. In discharging its oversight role, the Audit Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

Responsibility - Accounting, Auditing, and Financial Reporting Practices of the Company. In accordance with the written Audit Committee Charter adopted by the Board of Trust Managers of the Company, the Audit Committee assists the Board of Trust Managers in fulfilling its responsibility for oversight of the quality and integrity of the accounting, auditing, and financial reporting practices of the Company. During fiscal year 2002, the Audit Committee met twelve times, during which the Committee discussed with Jerry R. Crenshaw, Jr., Executive Vice President, Chief Financial and Accounting Officer of the Company, and Ernst & Young LLP, the Company's independent auditors (the "Independent Auditors") the interim financial information contained in each quarterly earnings announcement and the Company's annual audit, in addition to receiving periodic updates from the Independent Auditors and Deloitte & Touche LLP, which serves as the Company's internal auditors (the "Internal Auditors"), regarding compliance with the Sarbanes-Oxley Act of 2002.

Responsibility - Audit Process. In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the Independent Auditors a formal written statement describing all relationships between the Independent Auditors and the Company that might bear on the Independent Auditors' independence consistent with Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees" and discussed with the Independent Auditors any relationships that may impact their objectivity and independence. The Audit Committee has satisfied itself that such relationships and the provision of non-audit services to the Company is compatible with the Independent Auditors' independence. The Audit Committee also discussed with management, the Internal Auditors, and the Independent Auditors the quality and adequacy of the Company's internal controls and the internal audit function's organization, responsibilities, budget, and staffing. The Audit

21

Committee reviewed with each of the Independent Auditors and the Internal Auditors its audit plans, audit scope, and identification of audit risks.

Independent Auditors/Internal Audit. The Audit Committee discussed and reviewed with the Independent Auditors all communications required by generally accepted auditing standards, including those described in Statement on Auditing Standards No. 61, as amended by SAS 90, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the Independent Auditors' examination of the financial statements. The Audit Committee also discussed the results of the internal audit examinations.

Review of Financial Statements. The Audit Committee reviewed and discussed the audited financial statements of the Company as of and for the fiscal year ended December 31, 2002, with management and the Independent Auditors. Management has the responsibility for the preparation of the Company's financial statements and the Independent Auditors have the responsibility for the examination of those statements.

Further Action Taken by Audit Committee. The Audit Committee has discussed and reviewed with outside counsel the procedures and practices that it should utilize in order to effectively fulfill its oversight responsibility. It has reviewed the required documentation relating to its oversight of the audit process, including the audited financial statements of the Company, the committee's Charter and any relevant analysts' reports. In addition, the Audit Committee has inquired of management and the Independent Auditors as to any significant risks or exposures for the Company, assessed the steps taken by management to minimize these risks and exposures, reviewed with management and the Independent Auditors the adequacy and effectiveness of the accounting and financial controls of the Company and elicited any recommendations for the improvement of such internal control procedures.

Recommendation. Based on the above-mentioned review and discussions with management and the Independent Auditors, the Audit Committee recommended to the Board that the Company's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2002, for filing with the Commission.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE

The Executive Compensation Committee is composed of Messrs. Rowsey (Chairman), Frank and Worrell. Mr. Rowsey serves as Chairman. A majority of the full Board of Trust Managers selects members of the Executive Compensation Committee and its Chairman.

Compensation Philosophy and Objectives. The Executive Compensation Committee determines the compensation for the Company's executive officers and administers the stock incentive and other compensation plans that the Company adopts. In addition, the Executive Compensation Committee makes recommendations to the Board of Trust Managers, acting for the Company in its capacity as the sole stockholder of the General Partner regarding certain compensation decisions of the sole director of the General Partner with respect to the compensation of the executive officers of the General Partner. For purposes of the following discussion, the term "Company" includes, unless the context otherwise requires, the Operating Partnership and the other subsidiaries of the Company and the Operating Partnership, in addition to the Company.

The philosophy of the Company's compensation program is to employ, retain and reward executives capable of leading the Company in achieving its business objectives. These objectives include enhancing shareholder value, maximizing financial performance, preserving a strong financial posture, increasing the value of the Company's assets and positioning its assets and business in geographic markets offering long-term growth opportunities. The accomplishment of these objectives is measured against the conditions characterizing the industry within which the Company operates. In implementing the Company's compensation program, it generally is the policy of the Executive Compensation Committee to seek to qualify executive compensation for deductibility by the Company for purposes of Section 162(m) of the Code to the extent that such policy is consistent with the Company's overall objectives and executive compensation policy.

Executive Officer Compensation. The compensation of the executive officers of the Company consists of a current component and a long term incentive. The executive officers, in addition to their regular salaries, may be compensated for the current performance of the Company in the form of (i) cash bonus awards, generally pursuant to the Annual Incentive Plan ("Bonus Plan"), and (ii) dividend incentive units under the Dividend Incentive Unit Plan ("DIU Plan"). The Bonus Plan and the DIU Plan were adopted by the General Partner in March 2000 in order to provide appropriate incentives and rewards for services rendered by officers to the Company. The General Partner adopted the plans with the approval of the Executive Compensation Committee and the Board of Trust Managers. The Bonus Plan and the DIU Plan, together with recommendations by the management of the Company, were used by the General Partner and its Compensation Committee in determining the executive compensation for 2002 and will be used in determining the future current component of executive compensation. The

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

Compensation Committee of the General Partner (the "Committee") is also composed of Messrs. Rowsey, Frank and Worrell. Mr. Rowsey also serves as the Chairman of the Committee. The Committee is appointed by the Board of Directors of the General Partner.

Under the Bonus Plan, at the beginning of the year, the Committee designated (i) the positions covered by the Bonus Plan, (ii) the minimum and maximum annual incentive opportunity or bonus that the individual holding each position is eligible to earn for the year, and (iii) the performance necessary to earn each level of bonus in three components. One of these components, the Corporate component, provides for a certain portion of the bonus to be paid based upon the Company's achievement of the thresholds relating to total return to shareholders and FFO for the year. FFO, based on the revised definition adopted by the Board of Governors of the National Association of Real Estate Investment Trusts, effective January 1, 2000, and as used in this document, means net income (loss) (determined in accordance with generally accepted accounting principles ("GAAP")) (i) excluding gains (or losses) from sales of depreciable operating property, (ii) excluding extraordinary items (as defined by GAAP), (iii) plus depreciation and amortization of real estate assets, and (iv) after adjustments for unconsolidated partnerships and joint ventures. Most positions also are assigned a second component, the Functional Unit component, which provides for a certain portion of the bonus to be earned upon the achievement of individualized measures of functional unit performance. For each officer, a third component, the Individual component, provides for a certain

23

portion of the officer's bonus to be earned based upon an evaluation of the officer's individual performance for the year.

Under the DIU Plan, prior to the beginning of the year, the Committee designates each employee eligible to receive dividend incentive units and the number of units allocated to the employee. In addition, the Committee adopts performance targets for the Company for the year based upon total return to shareholders and FFO for the year, as well as a performance multiple for each target. Pursuant to the DIU Plan, the Committee is required to determine the extent to which those targets were achieved or surpassed and, in the event that targets are achieved, the amount to be credited to the account of each participant who was employed by the Company on the last day of the year; this amount is equal to the annual dividends that the participant would have received if he held one share of stock in the Company for each Unit held in his account, multiplied by the number of Units the participant held throughout the year, multiplied by the performance multiple associated with the targets achieved for the year.

Executive officers of the General Partner are also eligible to participate, on the same basis as other employees, in the employer matching provision of the profit sharing plan that the General Partner established, whereby employees may save for their future retirement on a tax-deferred basis through the Section 401(k) savings feature of the plan, with the General Partner contributing an additional percentage of the amount each employee saves. Such executive officers are also eligible to participate in the other employee benefit and welfare plans that the General Partner maintains on the same terms as non-executive personnel who meet applicable eligibility criteria, subject to

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

any legal limitations on the amounts that may be contributed or the benefits that may be payable under such plans.

The long term incentives awarded by the Company consist of (i) restricted stock grants, either under the 1995 Plan or as a result of open market purchases by the General Partner, (ii) Options under the 1995 Plan and the 1996 Operating Partnership Incentive Plan and pursuant to the provisions of the partnership agreement for the Operating Partnership, and (iii) Unit Options under no plan but pursuant to an agreement and the provisions of the partnership agreement for the Operating Partnership.

Compensation Awards for 2002. The performance thresholds established by the Committee for 2002 under the Bonus Plan were a key consideration in the deliberations of the Committee regarding the salary adjustments and bonuses awarded in 2002. The Committee, in establishing such thresholds, considered both the overall economic performance of the Company in light of conditions characterizing the REIT industry generally in 2002 and the impact of specific extraordinary events affecting and actions taken by the Company in 2002 which affected such overall economic performance. In determining that the FFO targets established under the Bonus Plan for 2002 had been met with respect to the Corporate component, the Committee made adjustments for the dilutive impacts of certain capital restructuring transactions which will benefit the Company in the future and for certain transactions undertaken in response to the Sarbanes-Oxley Act of 2002. The Committee also considered other factors, including peer group comparisons of the ratio of general and administrative expense to revenue, peer group comparisons of short-term and long-term common stock yields, comparisons of the Company's stock performance to major indices, peer group comparisons of salary and bonus levels, other industry business conditions, the economic slowdown which began in 2001, and the Company's success in achieving short-term and long-term goals and objectives. The Committee also considered the General Partner's determinations regarding each officer's achievement of the Functional Unit goals set for such officers, as well as each officer's Individual performance for the year. Bonuses aggregating \$2,514,250 were paid to executive officers other than the Chief Executive Officer of the Company, who does not participate in the Bonus Plan. The Committee also gave consideration to the Company's achievement of specified business objectives when reviewing 2003 executive officer salary increases.

Based upon the foregoing deliberations, the Committee also determined that the 2002 targets under the DIU Plan had been achieved and, thus, that payments would be made to plan participants with respect to 2002 under the DIU Plan. Payments aggregating \$2,689,500 were made to the accounts of the executive officers under the DIU Plan with respect to 2002.

Long-Term Incentives. Options were used in 2002 to incentivize certain officers and other key personnel and to retain them through the potential of capital gains and equity buildup in the Company. The Executive

Compensation Committee determined the number of Options based upon its subjective evaluation of each executive or employee's ability to influence the Company's long-term growth and profitability. All Options were issued at a price not less than the market price of the Common Shares on the date of grant.

The Company, the Executive Compensation Committee and the Committee do not intend at this time to provide to the management team any additional rights to earn Options for the next one to two years.

CEO Base Salary and Bonus for 2002. Mr. Goff serves as the Chief Executive Officer of the Company and as the Vice Chairman of the Board of Trust Managers for the Company. Mr. Goff's 2002 base annual salary was \$750,000 and was based upon his employment agreement with the Operating Partnership originally entered into in April 1994. The Committee also approved a bonus of \$900,000 for Mr. Goff with respect to 2002 based upon the Committee's evaluation of a number of factors, including written evaluations of Mr. Goff's performance in 2002 prepared by each independent director, peer group comparisons of the ratio of general and administrative expense to revenue, peer group comparisons of short-term and long-term common stock yields, comparisons of the Company's stock performance to major indices, peer group comparisons of salary and bonus levels, other industry business conditions, the economic slowdown which began in 2001, and the Company's success in achieving short-term and long-term goals and objectives.

The Executive Compensation Committee and the Committee made their determinations based upon their subjective evaluation of Mr. Goff's ability in the future to lead the Company's long-term growth and profitability. The Executive Compensation Committee and the Committee also considered the long term compensation packages provided to the chief executive officers of other real estate companies that the Committee considered to be comparable to the Company. The Committee and the Executive Compensation Committee believe that the Unit Options and restricted stock represent an effective incentive for Mr. Goff to remain with the Company and create value for the shareholders. The Board of Trust Managers has considered and ratified each of the foregoing determinations relating to Mr. Goff's 2002 and long term compensation package.

On July 1, 2001, Mr. Zogg paid the Company in full for the principal balance and interest due on a second loan (an aggregate of \$215,711.70), reducing the aggregate amount outstanding as of July 23, 2002 to \$2,570,431.25. As of January 1, 2002, each of the loans to Mr. Goff, Mr. Dean, Ms. Black, Mr. Crenshaw, Mr. Zogg and Mr. Alberts expired no later than October 31, 2004, and accrued interest at a fixed annual rate of 2.7%, the applicable Federal Rate for loans with terms of three years or less. At any time prior to the Maturity Date, the Makers may elect upon prior written notice to the Company to fix the interest rate at the Applicable Federal Rate then in effect with respect to loans the term of which is the same as the remaining term of the loans. As of March 31, 2003, no accrued interest due and payable was outstanding on any of these loans.

Transactions with COPI

MANAGEMENT AND GENERAL BUSINESS RELATIONSHIPS. In April 1997, the Company established COPI to be the lessee and operator of certain assets to be acquired by the Company and to perform the Intercompany Agreement, pursuant to which each party agreed to provide the other with rights to participate in certain transactions. The Company was not permitted to operate or lease these assets under then-existing federal income tax laws applicable to REITs.

Messrs. Rainwater and Goff are, respectively, the Chairman of the Board and the Vice Chairman of the Board of the Company and, until February 14, 2002, were also, respectively, the Chairman of the Board and the Vice Chairman of the Board of COPI. In addition, Mr. Goff serves as the Chief Executive Officer of the Company and the General Partner and as the sole director of the General Partner and, until February 14, 2002, also served as Chief Executive Officer of COPI. Messrs. Frank and Rowsey are members of the Board of the Company and, until their resignations on February 14, 2002, were members of the board of directors of COPI. As of March 31, 2003, Messrs. Rainwater and Goff beneficially owned an aggregate of approximately 12.3% of the outstanding common stock of COPI through their aggregate ownership of 1,331,105 shares of COPI common stock, excluding shares underlying vested options.

28

REORGANIZATION TRANSACTIONS. As of February 12, 2002, COPI owed the Company an aggregate of \$76.2 million of principal and accrued interest under various notes, all of which were past due. On February 12, 2002, the Company delivered default notices to COPI relating to approximately \$76.2 million of principal and accrued interest due to the Company under these notes. Various assets of COPI secured one or more of these loans.

Prior to February 14, 2002, the Company leased eight of its hotel and resort properties (collectively, the "Hotel Properties") to subsidiaries of COPI (the "Hotel Lessees") pursuant to eight separate leases. Between January 1, 2002 and February 14, 2002, the Company received approximately \$6.0 million in rent under the Hotel Leases.

Prior to February 14, 2002, COPI owned a 60% general partner interest in COPI Colorado, L.P. ("COPI Colorado"), John C. Goff, Vice Chairman of the Board of Trust Managers and Chief Executive Officer of the Company, owned a 20% interest in COPI Colorado and the remaining 20% interest was owned by a third party.

Prior to February 14, 2002, the Company owned 95% of the outstanding stock (representing all of the non-voting stock) of two residential development corporations, Desert Mountain Development Corporation ("DMDC") and The Woodlands Land Company, Inc. ("TWLC"), and COPI owned 5% of the outstanding stock (representing all of the voting stock) of these corporations.

Prior to February 14, 2002, the Company also owned approximately 90% (representing all of the non-voting stock) of a third residential development corporation, Crescent Resort Development, Inc. ("CRDI"), and COPI Colorado owned the remaining 10% (representing all of the voting stock).

Prior to February 14, 2002, the Company owned a 28.5% interest in CR License, L.L.C. and COPI owned a 1.5% interest in CR License, L.L.C. CR License, L.L.C. owns the right to the future use of the "Canyon Ranch" name. In addition, the Company owned a 95% interest (representing all of the non-voting interest) in CRL Investments, Inc., which owns an approximately 65% economic interest in the Canyon Ranch Spa Club in the Venetian Hotel in Las Vegas, Nevada, and COPI

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

owned a 5% interest (representing all of the voting stock).

On February 14, 2002, the Company executed an agreement (the "Agreement") with COPI, pursuant to which (i) COPI transferred to subsidiaries of the Company, in lieu of foreclosure, all of COPI's assets associated with the Hotel Properties, including COPI's lessee interests in the eight Hotel Properties leased to subsidiaries of COPI, (ii) COPI transferred to subsidiaries of the Company, in lieu of foreclosure, the voting interests in DMDC, TWLC and CRDI, which are three of the Company's residential development corporations, and other assets (iii) the Company acquired COPI's general partner interest in COPI Colorado through a strict foreclosure, with the acquisition taking place immediately following COPI Colorado's distribution to its partners, including COPI and John C. Goff, pro rata in accordance with their relative percentage interests in COPI Colorado, the 1,102,530 shares of COPI common stock that COPI Colorado owned, and (iv) the Company acquired, in a strict foreclosure, COPI's 1.5% interest in CR License, L.L.C. and 5.0% interest (representing all of the voting stock) in CRL Investments, Inc. The Company also agreed to assist and provide funding to COPI for the implementation of a prepackaged bankruptcy of COPI.

In consideration of these transfers, the Company reduced COPI's rent obligations by \$23.6 million, and its debt obligations by \$40.1 million. Following the transfers, the Company owned, directly or indirectly, (i) 100% of each of DMDC and TWLC, (ii) 96% of CRDI, with John C. Goff owning a 2% interest and the remaining 2% interest held by a third party, (iii) 30% of CR License, L.L.C., and (iv) 100% of CRL Investments, Inc.

Pursuant to the terms of the Agreement, the Company and COPI are jointly seeking to have a pre-packaged bankruptcy plan for COPI, reflecting the terms of the Agreement, approved by the bankruptcy court. Under the Agreement, the Company has agreed to provide approximately \$14.0 million to COPI in the form of cash and Common Shares of the Company to fund costs, claims and expenses relating to the bankruptcy and related transactions, and to provide for the distribution of the Company's Common Shares to the COPI stockholders. The Company has also agreed, however, that it will issue Common Shares with a minimum dollar value of

29

approximately \$2.2 million to the COPI stockholders, even if it would cause the total costs, claims and expenses that it pays to exceed \$14.0 million.

In addition, the Company has agreed to use commercially reasonable efforts to assist COPI in arranging COPI's repayment of its \$15.0 million obligation to Bank of America, together with any accrued interest. The Company expects to form and capitalize a new entity ("Crescent Spinco") to be owned by the shareholders of the Company. Crescent Spinco then would purchase COPI's interest in AmeriCold Logistics for between \$15.0 million and \$15.5 million. COPI has agreed that it will use the proceeds of the sale of the AmeriCold Logistics interest to repay Bank of America in full.

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

COPI obtained the loan from Bank of America primarily to participate in investments with the Company. At the time COPI obtained the loan, Bank of America required, as a condition to making the loan, that Richard E. Rainwater, Chairman of the Board of Trust Managers of the Company, and John C. Goff, Vice Chairman of the Board of Trust Managers and Chief Executive Officer of the Company, enter into a support agreement with COPI and Bank of America. Pursuant to the support agreement, Messrs. Rainwater and Goff agreed to make additional equity investments in COPI if COPI defaulted on payment obligations under its line of credit with Bank of America and if the net proceeds of an offering of COPI securities were insufficient to allow COPI to repay Bank of America in full. Effective beginning on December 31, 2001, the parties to the line of credit documents have executed various amendments to the line of credit. These amendments provide that any defaults existing under the line of credit on or before March 15, 2003 are temporarily cured unless and until a new default occurs.

Previously, the Company held a first lien security interest in COPI's entire membership interest in AmeriCold Logistics. REIT rules prohibit the Company from acquiring or owning the membership interest that COPI owns in AmeriCold Logistics. Under the Agreement, the Company agreed to allow COPI to grant Bank of America a first priority security interest in the membership interest and to subordinate its own security interest to that of Bank of America.

On March 6, 2003, the COPI stockholders voted to approve the COPI bankruptcy plan. On March 10, 2003, COPI filed the plan under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the Northern District of Texas. If the plan is approved by the bankruptcy court, the holders of COPI's common stock will receive Common Shares of the Company. As stockholders of COPI, Mr. Rainwater and Mr. Goff will also receive Common Shares of the Company. Pursuant to the COPI bankruptcy plan, the current and former directors and officers of COPI and the current and former trust managers and officers of the Company also have received a release from COPI of liability for any actions taken prior to February 14, 2002, and, depending on various factors, will receive certain liability releases from COPI and its stockholders.

Completion and effectiveness of the pre-packaged bankruptcy plan for COPI is contingent upon a number of conditions, including the approval of the plan by certain of COPI's creditors and the confirmation of the plan by the bankruptcy court.

LEASE OF TEMPERATURE-CONTROLLED LOGISTICS PROPERTIES. As of March 31, 2003, the Company held a 40% interest in a general partnership (the "Temperature-Controlled Logistics Partnership"), which, through its ownership of a corporation (the "Temperature-Controlled Logistics Corporation") owned 88 temperature-controlled logistics properties (the "Temperature-Controlled Logistics Properties"). The business operations associated with the Temperature-Controlled Logistics Properties are owned by AmeriCold Logistics, LLC ("AmeriCold Logistics"), which is owned 60% by Vornado Operating, L.P. and 40% by a subsidiary of COPI. The Company has no economic interest in AmeriCold Logistics.

AmeriCold Logistics, as sole lessee of the Temperature-Controlled Logistics Properties, leases the Temperature-Controlled Logistics Properties from the Temperature-Controlled Logistics Corporation under three triple-net master leases, as amended. On February 22, 2001, the Temperature-Controlled Logistics Corporation and AmeriCold Logistics agreed to restructure certain

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

financial terms of the leases, including the adjustment of the rental obligation for 2001 to \$146.0 million, the adjustment of the rental obligation for 2002 to a maximum of \$150.0 million (plus contingent rent in certain circumstances), the increase of the Temperature-Controlled

30

Logistics Corporation's share of capital expenditures for the maintenance of the properties from \$5.0 million to \$9.5 million (effective January 1, 2000) and the extension of the date on which deferred rent is required to be paid to December 31, 2004.

AmeriCold Logistics deferred \$32.2 million of the total \$143.9 million of rent payable for the year ended December 31, 2002, of which the Company's share of deferred rent was \$12.9 million.

On December 30, 2002, the Company contributed \$11.2 million of notes receivable to purchase a 56% equity interest in Vornado Crescent Carthage and KC Quarry, L.L.C. ("VCQ"). Vornado Realty Trust L.P. contributed \$8.8 million of cash to purchase a 44% equity interest. The assets of VCQ include two quarries and the related land, acquired by VCQ from AmeriCold Logistics, the tenant of the Company's Temperature-Controlled Logistics Properties. The \$20 million purchase price was determined to be fair market value based on an independent appraisal. The Company's \$11.2 million contribution consisted of three notes receivable from AmeriCold Logistics plus accrued interest, one for \$2.0 million, one for \$3.5 million, and one originally for \$6.5 million including principal and interest, but which was paid down to approximately \$5.5 million prior to the transaction date. On December 31, 2002, VCQ purchased \$5.7 million of trade receivables from AmeriCold Logistics at a 2% discount. The Company contributed approximately \$3.1 million to VCQ for the purchase of the receivables.

Loans and Contributions to DBL Holdings, Inc. ("DBL")

As of December 31, 2002, the Company owned 97.44% of DBL, with the remaining 2.56% economic interest in DBL (including 100% of the voting interest in DBL) held by John C. Goff, Vice Chairman of the Board of Trust Managers and Chief Executive Officer of the Company. On January 3, 2003, the Company purchased Mr. Goff's 2.56% economic interest in DBL, representing 100% of the voting stock of DBL. Total consideration paid for Mr. Goff's interest was \$400,000. The Board of Trust Managers of the Company, including all of the independent trust managers, approved the transaction, based in part on an appraisal of the assets of DBL by an independent appraisal firm. As a result of this transaction, DBL is wholly owned by the Company.

Since June 1999, the Company has contributed approximately \$23.8 million to DBL. The contribution was used by DBL to make an equity contribution to DBL-ABC, Inc., a wholly owned subsidiary of DBL, which committed to purchase a limited partnership interest representing a 12.5% interest in G2 Opportunity Fund, LP ("G2"). G2 was formed for the purpose of investing in commercial mortgage backed securities and other commercial real estate investments and is managed and controlled by an entity (the "G2 General Partner") that is owned equally by Goff-Moore Strategic Partners, L.P. ("GMSP") and GMAC Commercial Mortgage Corporation. The G2 General Partner is entitled to an annual asset management fee. Additionally, the G2 General Partner has a 1% interest in

Edgar Filing: CRESCENT REAL ESTATE EQUITIES CO - Form DEF 14A

profits and losses of G2 and, after payment of specified amounts to partners, a 50% interest in G2. The ownership structure of GMSP consists of an approximately 86% limited partnership interest owned directly and indirectly by Richard E. Rainwater, Chairman of the Board of Trust Managers of the Company, and an approximately 14% general partnership interests, of which approximately 6% is owned by Darla Moore, who is married to Mr. Rainwater, and approximately 6% is owned by Mr. Goff. The remaining approximately 2% general partnership interest is owned by unrelated parties. At April 15, 2002, DBL had an approximately \$14.1 million investment in G2.

Loans to Residential Development Corporations

CRESCENT RESORT DEVELOPMENT, INC. ("CRDI"). Prior to December 31, 2002, the Company owned 40% of its interest in CRDI through its 60% general partner interest in COPI Colorado. On December 30, 2002, the Company purchased the 40% interest in COPI Colorado from Mr. Goff and the third party, bringing the Company's ownership in COPI Colorado to 100%. The purchase price of the 40% interest in COPI Colorado was \$5.6 million, of which \$2.8 million was paid to Mr. Goff. The Board of Trust Managers of the Company, including all of the independent trust managers, approved the transaction, based in part on an appraisal of the assets of COPI Colorado by an independent appraisal firm. Subsequent to the transaction, the Company dissolved COPI Colorado and contributed its assets, consisting of all the voting stock of CRDI, to Crescent TRS Holdings Corp., a wholly-owned subsidiary of the Company.

31

As of December 31, 2002, the following credit facilities that the Company extended to CRDI were outstanding: (i) a \$56.2 million line of credit that matures in August 2004 and bears interest at the rate of 11.5% per annum, (ii) a \$40 million line of credit that matures in December 2004 and bears interest at the rate of 11.5% per annum (iii) a \$120 million line of credit that matures in September 2008 and bears interest at the rate of 11.5% per annum and (iv) a \$70 million line of credit that matures in January 2008 and bears interest at the rate of 11.5% per annum. The aggregate outstanding balance of these facilities as of December 31, 2002 was \$218.3 million, and they are cross-defaulted and cross-collateralized with CRDI's interests in the real estate development companies and resort management company in which the loan proceeds have been invested.

The Company reimbursed GMSP for the part-time services of an accountant in the amount of \$93,463 for 2002.

Share and Unit Exchange by Chairman

During 2002, the Company and the Operating Partnership agreed that it was in the best interest of the Company and its shareholders and of the Operating Partnership and its partners to permit Richard E. Rainwater, Chairman of the Board of Trust Managers of the Company, to exchange a portion of his Common Shares for Units

of the Operating Partnership so that additional purchases of Common Shares by

the Company or Mr. Rainwater, or both, would not cause Mr. Rainwater to violate REIT equity ownership concentration rules and the Company's limitations on share ownership as set forth in its Declaration of Trust.

On October 15, 2002, November 14, 2002 and November 20, 2002, Mr. Rainwater contributed 3,050,000, 700,800 and 1,055,000, respectively, of his Common Shares to the Operating Partnership in exchange for 1,525,000, 350,400 and 527,500 Units, respectively. Each of the Units issued to Mr. Rainwater may be exchanged for two Common Shares. The Operating Partnership immediately contributed the Common Shares that it received from Mr. Rainwater, in the aggregate amount of 4,805,000 Common Shares, to the Company and, as required by the limited partnership agreement of the Operating Partnership, redeemed a portion of the Company's limited partner interest in the Operating Partnership equal in value to the value of the Common Shares that the Operating Partnership contributed to the Company. In accordance with the terms of the Operating Partnership limited partnership agreement, the shares and the interest were valued at the closing price of the Company's Common Shares on the New York Stock Exchange on the date immediately preceding the date of the contributions. The closing price of the Common Shares was \$14.62 on October 14, 2002, \$14.94 on November 13, 2002 and \$15.38 on November 19, 2002.

On November 20, 2002, the Company received approximately \$300,000 from Mr. Rainwater as a result of short swing profits realized by Mr. Rainwater on the sale of 300,000 of the Company's Common Shares between September 24, 2002 and November 18, 2002. The profit amount was computed pursuant to Section 16(b) of the Exchange Act, and was recorded by the Company as a credit to additional paid-in capital.

Management believes that the foregoing transactions are on terms no less favorable than those that could have been obtained in comparable transactions with unaffiliated parties.

33

The chairman of the annual meeting shall have the power to declare that any proposal not meeting these and any other applicable requirements that the Bylaws impose shall be disregarded. A copy of the Bylaws may be obtained, without charge, upon written request to David M. Dean, Executive Vice President, Law and Administration, and Secretary, at 777 Main Street, Suite 2100, Fort Worth, Texas 76102.

In addition, the form of proxy that the Board of Trust Managers will solicit in connection with the Company's 2004 annual meeting of shareholders will confer discretionary authority to vote on any proposal, unless the Secretary of the Company receives notice of that proposal no earlier than March 12, 2004, and no later than April 1, 2004, and the notice complies with the other requirements described in the preceding paragraph.
