Item 8.01. Other Events.

On January 17, 2006, Terayon Communication Systems, Inc. (Terayon) received a letter from the NASDAQ Listing Qualifications Panel (Panel) granting its request for continued listing, subject to certain conditions. As previously announced, NASDAQ had earlier notified Terayon of its intention to delist Terayon s stock based on Terayon s failure to timely file its quarterly report on Form 10-Q for the quarter ended September 30, 2005, and Terayon s failure to solicit proxies and hold an annual shareholders meeting during 2005. As previously announced, Terayon was unable to timely file the Form 10-Q and to solicit proxies and hold the annual meeting due to the review Terayon is performing on the recognition of revenue for certain transactions during prior periods.

There are three conditions to the Panel s grant of continued listing: (1) on or before January 31, 2006, Terayon must provide NASDAQ with a copy of the final investigatory report or a response to questions relating to Terayon s internal accounting review; (2) on or before March 31, 2006, Terayon shall file its Form 10-Q for the period ended September 30, 2005 and all required restatements; and (3) on or before March 31, 2006, Terayon shall file its proxy statement for the 2005 annual meeting, with a record and meeting date as soon thereafter as possible.

The foregoing description is qualified in its entirety by reference to the Registrant s Press Release dated January 19, 2006, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.
