NUVEEN SENIOR INCOME FUND - NSL

### GENERAL INFORMATION

This Proxy Statement is furnished in connection with the solicitation by the Board of Trustees of Nuveen Senior Income Fund (the "Fund"), of proxies to be voted at the Annual Meeting of Shareholders of the Fund to be held on December 19, 2001 (the "Annual Meeting"), and at any and all adjournments thereof.

On the matter coming before the Fund's Annual Meeting as to which a choice has been specified by the shareholders of the Fund on the proxy, the shares will be voted accordingly. If no choice is so specified, the shares of the Fund will be voted FOR the election of the nominees for trustee, as listed in this Proxy Statement. Shareholders of the Fund who execute proxies may revoke them at any time before they are voted by filing with the Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

A quorum of shareholders is required to take action at the Fund's Annual Meeting. A majority of the shares entitled to vote at the Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at the Annual Meeting. However, for the purpose of electing two trustees by the holders of TAPS only, the holders of 33 1/3% of the TAPS entitled to vote will constitute a quorum. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the inspectors of election appointed for the Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and "broker non-votes" (i.e., shares held by brokers or nominees, typically in "street name," as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting powers on a particular matter) as present for purposes of determining a quorum.

Those persons who were shareholders of record at the close of business on October 22, 2001 will be entitled to one vote for each share held. As of October 22, 2001, 29,722,636 common shares and 1,840 TAPS of the Fund were issued and outstanding.

This Proxy Statement is first being mailed to shareholders of the Fund on or about November 20, 2001.

1. ELECTION OF TRUSTEES

At the Fund's Annual Meeting, seven (7) trustees are to be elected to serve until the next Annual Meeting and until their successors shall have been duly elected and qualified. Under the terms of the Fund's organizational documents, holders of TAPS are entitled to elect two (2) trustees, and the remaining trustees are to be elected by holders of Common Shares and TAPS, voting together as a single class.

(a) Five trustees are to be elected by holders of Common Shares and the TAPS voting together as a single class. Trustees Bacon, Bennett, Evans, Leafstrand and Wellington are nominees for election by all shareholders.

(b) Holders of TAPS are entitled to elect two of the trustees. Trustees Kissick and Schwertfeger are nominees for election by holders of TAPS.

The affirmative vote of a plurality of the shares present and entitled to vote will be required to elect the trustees of the Fund.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a trustee of the Fund if elected. However, should any nominee become unable or unwilling to accept nomination or election, the proxies for the Fund will be voted for one or more substitute nominees designated by the Fund's present Board of Trustees.

Other than Timothy R. Schwertfeger, none of the trustees have ever been a director or an employee of Nuveen Investments or any affiliate of Nuveen Investments.

The following table shows each nominee's date of birth, principal occupation and other business affiliations and the number of shares of the Fund which each nominee beneficially owned as of September 30, 2001. None of the nominees beneficially owned any TAPS as of September 30, 2001. All of the trustees, except William E. Bennett, have been trustees of the Fund since its organization in 1999. Mr. Bennett has been a trustee of the Fund since January 31, 2001.

THE BOARD OF TRUSTEES OF THE FUND UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS GIVE VOTING INSTRUCTIONS FOR THE ELECTION OF THE NOMINEES NAMED BELOW.

### COMPENSATION

The trustees affiliated with Nuveen or Nuveen Senior Loan Asset Management Inc. ("NSLAM") serve without any compensation from the Fund. Trustees who are not affiliated with Nuveen or NSLAM ("Independent Trustees") receive a \$35,000 annual retainer for serving as a trustee for all funds managed by NSLAM and Nuveen Institutional Advisory Corp. ("NIAC"), \$1,000 fee per day plus expenses for attendance in person at all meetings (other than a meeting of the dividend and valuation committee held solely to declare a dividend) held on a day on which no regular Board meeting is held, \$500 for attendance by telephone of such meetings and \$200 for attendance in person or by telephone at a meeting of the dividend and valuation committee. The annual retainer, fees and expenses are allocated among the funds on the basis of relative net asset sizes.

The Board of Trustees of certain Nuveen funds (the "Participating Funds") have adopted a Deferred Compensation Plan for Independent Trustees (the "Plan"). Under the Plan, the Independent Trustees of the Participating Funds may defer receipt of all, or a portion of, their compensation for services to the Participating Funds. Any deferred amount is treated as though an equivalent dollar amount had been invested in shares of one or more eligible Nuveen Funds selected by the participant trustee.

The Fund is a Participating Fund and each Independent Trustee has elected to defer all or a portion of their compensation. Total deferred fees for the Fund for fiscal year 2001 (including the return from the assumed investment in the eligible Nuveen funds) payable are shown in the Deferred Fees column below.

The following table shows, for each trustee who is not affiliated with Nuveen or NSLAM, (1) the aggregate compensation paid by the Fund for its fiscal year ended July 31, 2001, (2) the total deferred fees and (3) the total compensation paid by the funds advised by NSLAM and the funds advised by NIAC during the calendar year 2000.

The John Nuveen Company ("JNC"), parent company of NSLAM, maintains its charitable contributions programs to encourage the active support and involvement of individuals in the civic activities of their community. These programs include a matching contributions program and a direct contributions program.

The Independent Trustees of the Fund are eligible to participate in the charitable contributions program of JNC. Under the matching program, JNC will match the personal contributions of an Independent Trustee to Section 501(c)(3) organizations up to an aggregate maximum amount of \$10,000 during any calendar year. Under its direct (non-matching) program, JNC makes contributions to qualifying Section 501(c)(3) organizations, as approved by the corporate contributions committee of JNC. The Independent Trustees are also eligible to submit proposals to the committee requesting that contributions be made under this program to Section 501(c)(3) organizations identified by the Independent Trustees, in an aggregate amount not to exceed \$5,000 during any calendar year. Any contribution made by JNC under the direct program is made solely at the discretion of the corporate contributions committee.

William L. Kissick and Timothy R. Schwertfeger serve as the current members of the executive committee of the Fund's Board of Trustees. The Fund's executive committee, which meets between regular meetings of the Board of Trustees, is authorized to exercise all of the powers of the Board of Trustees. The executive committee of the Fund did not hold any meetings during the fiscal year ended July 31, 2001.

Thomas E. Leafstrand, William E. Bennett and Timothy R. Schwertfeger are the current members of the dividend and valuation committee of the Fund. The dividend and valuation

committee is authorized to declare distributions on the Fund's shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The dividend and valuation committee of the Fund held twelve meetings during the fiscal year ended July 31, 2001.

The Fund's Board of Trustees has an audit committee currently composed of James E. Bacon, William E. Bennett, Jack B. Evans, William L. Kissick and Thomas E. Leafstrand, trustees of the Fund who are not "interested persons" and who are "independent" as that term is defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards. The Fund's audit committee reviews the work and any recommendations of the Fund's independent auditors. Based on such review, it is authorized to make recommendations to the Board of Trustees. The audit committee of the Fund held two meetings during the fiscal year ended July 31, 2001. The audit committee has adopted a written charter. A copy of the written charter is attached as Appendix A to this proxy statement.

Nomination of those trustees who are not "interested persons" of the Fund is

committed to a nominating and governance committee composed of the trustees who are not "interested persons" of the Fund. Members of each Fund's nominating and governance committee are James E. Bacon, William E. Bennett, Jack B. Evans, William L. Kissick, Thomas E. Leafstrand and Sheila W. Wellington. The Fund's nominating and governance committee identifies and recommends individuals to be nominated for election as non-interested trustees. The committee also reviews matters relating to (1) the composition, duties, recruitment, independence and tenure of trustees, (2) the selection of various committee assignments, and (3) trustee education, board meetings and board performance. The nominating and governance committee of the Fund held four meetings during the fiscal year ended July 31, 2001. No policy or procedure has been established as to the recommendation of trustee nominees by shareholders.

The Board of Trustees of the Fund held four regular board meetings and two special board meetings during the fiscal year ended July 31, 2001. During the last fiscal year, each Trustee attended 75% or more of the Fund's Board meetings and committee meetings (if a member thereof).

The following table sets forth information with respect to each executive officer of the Fund, other than Mr. Schwertfeger who is a trustee and included in the table relating to the nominees for the Board. ### SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

These persons and entities are required by SEC regulation to furnish the Fund with copies of all such forms they file. Based on a review of these forms furnished to the Fund, the Fund believes that during the fiscal year ended September 30, 2001, the Fund's officers and trustees, investment adviser and affiliated persons of the investment adviser complied with all such applicable filing requirements. To the knowledge of management of the Fund, no shareholder of the Fund owns more than 10% of a registered class of any Fund's equity securities.

and (3) the independence and performance of the Fund's independent and internal auditors. Among other responsibilities, the committee reviews, in its oversight capacity, the Fund's annual financial statements with both management and the independent auditors and the committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls. The committee also recommends to the Board of Trustees the selection of the Fund's independent auditors. The committee is currently composed of five non-employee trustees and operates under a written charter adopted and approved by the Board of Trustees. Each committee member is independent as defined by New York Stock Exchange listing standards. A copy of the Audit Committee Charter is attached to the proxy statement as Appendix A.

The committee, in discharging its duties, has met with and held discussions with management and the Fund's independent and internal auditors. Management has represented to the independent auditors that the Fund's financial statements were prepared in accordance with generally accepted accounting principles. The committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). The Fund's independent auditors provided to the committee the written disclosure required by Independent Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the committee discussed with representatives of the independent auditor their firm's independence. As provided in the Audit Committee Charter, it is not the committee's responsibility to

8

determine, and the considerations and discussions referenced above do not ensure, that the Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the committee, the committee has recommended that the Board of Trustees include the audited financial statements in the Fund's Annual Report.

Audit Committee members shall be independent of the Management Investment Companies and free of any relationship that, in the opinion of the Directors/Trustees, would interfere with their exercise of independent judgment as a committee member. Each such member of the Audit Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, and at least one such member shall have accounting or related financial management expertise, in each case as determined by the Directors/ Trustees, exercising their business judgment.

#### STATEMENT OF POLICY

Directors, the independent auditors, the internal auditors and the management of Nuveen.

The Audit Committee shall have the authority in its discretion to retain special legal, accounting or other consultants to advise the Committee. The Audit Committee may request any officer or employee of the John Nuveen Company or the Funds' independent auditors or outside counsel to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee. The Funds' independent auditors and internal auditors shall have unrestricted accessibility at any time to committee members.

### RESPONSIBILITIES

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.

The independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls. The independent auditors are ultimately accountable to the Board and Audit Committee. It is the ultimate responsibility of the Board and the Audit Committee for selection, evaluation and replacement of the independent auditors.

11

In carrying out its responsibilities the Audit Committee believes its policies and procedures should remain flexible, in order to react to changing conditions and requirements applicable to the Funds.

The Audit Committee is responsible for the following:

#### Fund Financial Statements:

1. Reviewing the annual audited financial statements with Fund management including major issues regarding accounting and auditing principles and practices.
2. Requiring the independent auditors to deliver to the Chairman of the Committee a timely report on any issues relating to the significant accounting policies, management judgments and accounting estimates or other matters that would need to be communicated under SAS 61, that arise during the auditor's review of the Fund's financial statements, which information shall be further communicated by the Chairman to the other members of the Committee, as deemed necessary or appropriate in the judgment of the Chairman.

#### With respect to the independent auditors:

3. Receiving periodic reports (including a formal written statement delineating all relationships between the auditors and the Funds) from the firms of independent auditors regarding their independence, their membership in the SEC practice section of the AICPA and their compliance with all applicable requirements for independence and peer review, and discussing such reports with the auditors.
4. Reviewing and recommending to the Directors/Trustees the independent auditors to be selected to audit the annual financial statements of the Funds.
5. Meeting with the independent auditors and Fund management to review the scope and fees of the proposed audits for the current year and the

audit procedures to be utilized. At the conclusion of the audit, reviewing such audit results, including any comments or recommendations of the independent auditors, any significant changes required from the originally planned audit programs and any adjustments to such statements recommended by the auditors.

6. Providing sufficient opportunity at all meetings of the Audit Committee for the independent auditors to meet with the members of the Audit Committee without members of Fund management being present.

With respect to any internal auditor:

7. Reviewing the internal audit function as it relates to the Funds including the proposed programs for the coming year. It is not the obligation or responsibility of the Audit Committee to confirm the independence of any Nuveen internal auditors performing services relating to the Funds or to approve any termination or replacement of the Nuveen Manager of Internal Audit.

12

8. Receiving a summary of findings from any completed internal audits pertaining to the Funds and a progress report on the proposed internal audit plan for the Funds, with explanations for significant deviations from the original plan.

Other responsibilities:

9. Receiving and reviewing periodic or special reports issued on exposure/controls, irregularities and control failures related to the Funds.
10. Reviewing with the independent auditors, with any internal auditor and with Fund management, the adequacy and effectiveness of the accounting and financial controls of the Funds, and elicit any recommendations for the improvement of internal control procedures or particular areas where new or more detailed controls or procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose payments, transactions or procedures which might be deemed illegal or otherwise improper.
11. Reviewing the reports of examinations by regulatory authorities.
12. Reporting to the Directors/Trustees on the results of the activities of the Committee.
13. Performing any special reviews, investigations or oversight responsibilities requested by the Directors/Trustees.
14. With respect to the Exchange-Traded Funds, preparing any report required by the rules of the SEC to be included in a proxy statement for a fund.
15. Reviewing and reassessing annually the adequacy of this charter and providing a recommendation to the Board of Directors/Trustees for approval of any proposed changes deemed necessary or advisable by the Committee.

Although the Audit Committee shall have the authority and responsibilities set forth in this Charter, it is not the responsibility of the Audit Committee to

plan or conduct audits or to determine that the Funds' financial statements are complete and accurate and are in accordance with generally accepted accounting principles. That is the responsibility of management and the independent auditors. Nor is it the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between management and the independent auditors or to ensure compliance with laws and regulations.
