PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS
JULY 31, 2002

This Proxy Statement is furnished on or about June 28, 2002 to stockholders of Atlantic Premium Brands, Ltd. in connection with the solicitation by our Board of Directors of proxies to be voted at the 2002 Annual Meeting of Stockholders (the "Annual Meeting"). The Annual Meeting will be held at 10:00 a.m. central time on Wednesday, July 31, 2002, at Edens Corporate Center, 650 Dundee Road, 2nd Floor, Northbrook, Illinois.

The cost of soliciting proxies will be borne by us. Copies of solicitation material may be furnished to brokers, custodians, nominees and other fiduciaries for forwarding to beneficial owners of shares of our common stock, and normal handling charges may be paid for such forwarding service. Solicitation of proxies may be made by us by mail or by personal interview, telephone and

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

telegraph by our officers and other management employees, who will receive no additional compensation for their services.

Any stockholders giving a proxy pursuant to this solicitation may revoke it at any time prior to exercise of the proxy by giving notice of such revocation to the Secretary of our company at our executive offices at 650 Dundee Road, Suite 370, Northbrook, Illinois 60062, or by attending the meeting and voting in person.

At the close of business on June 19, 2002, there were 6,734,391 shares of our Common Stock outstanding and entitled to vote at the meeting. Only stockholders of record on June 19, 2002, will be entitled to vote at the meeting, and each share will have one vote. As of June 19, 2002, our common stock was valued at \$2.56 per share.

VOTING INFORMATION

At the Annual Meeting votes will be counted by written ballot. A majority of the shares entitled to vote will constitute a quorum for purposes of the Annual Meeting. The election of our Board of Directors' nominees for directors will require the affirmative vote of a plurality of the shares present in person or represented by proxy and entitled to vote in the election of directors. Approval of any other business which may properly come before the Annual Meeting, or any adjournments thereof, will require the affirmative vote of a plurality of the shares present in person or represented by proxy and entitled to vote thereon. Under Delaware law and our certificate of incorporation and bylaws, the aggregate number of votes entitled to be cast by all stockholders present in person or represented by proxy at the Annual Meeting, whether those stockholders vote "For," "Against" or abstain from voting, will be counted for purposes of determining the minimum number of affirmative votes required for approval of such matters, and the total number of votes cast "For" each of these matters will be counted for purposes of determining whether sufficient affirmative votes have been cast. An abstention from voting on a matter by a stockholder present in person or represented by proxy at the meeting has the same legal effect as a vote "Against" the matter even though the stockholder or interested parties analyzing the results of the voting may interpret such a vote differently. Broker non-votes will have the effect of reducing the number of shares considered present and entitled to vote on the matter.

A stockholder may, with respect to the election of directors, (i) vote for the election of all named director nominees, (ii) withhold authority to vote for all named director nominees, or (iii) withhold authority to vote with respect to any nominee, by so indicating in the appropriate space on the proxy card.

Proxies properly executed and received by us prior to the meeting and not revoked will be voted as directed therein on all matters presented at the meeting. In the absence of specific direction from a stockholder, proxies will be voted for the election of all named director nominees. If a proxy indicates that all

or a portion of the shares represented by such proxy are not being voted with respect to a particular proposal, such non-voted shares will not be considered present and entitled to vote on such proposal, although such shares may be considered present and entitled to vote on other proposals and will count for the purpose of determining the presence of a quorum.

EMPLOYMENT AGREEMENTS

We have employment agreements with the following Named Officers: Mr.

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

Elfman, Mr. Sussna, Mr. Dalton and Mr. Englander.

Mr. Elfman's employment agreement is currently in effect until April 30, 2003, and extends for additional one year periods thereafter, unless terminated by written notice given by either party to the other three months prior to each April 30th. The employment agreement provides for a signing bonus of \$42,500 which was paid upon execution of the employment agreement in October 2000, and a salary of \$115,000 per year, which increases by 5% on May 1 of each year, beginning May 1, 2002. If Mr. Elfman's employment terminates for any reason prior to a scheduled expiration date, we remain obligated to pay all amounts and provide all benefits provided for in his employment agreement through the scheduled expiration date. In addition, all amounts due under Mr. Elfman's employment agreement will be immediately due in the event that our company is sold, whether through a change of control or a sale of substantially all of our assets, or we are taken private.

9

Mr. Sussna's employment agreement remains in effect until terminated by either party and provides for base compensation of \$367,593 and eligibility to receive a bonus of up to 50% of base compensation to be determined by the Compensation Committee of the Board of Directors based on standards and criteria they establish. If Mr. Sussna's employment is terminated either (1) by us without cause, or (2) by the executive due to a reduction in responsibility without his consent, a reduction in his base salary, relocation of his office from Chicago, Illinois, our failure to comply with the terms of the employment agreement, or certain changes of control of our company, then the executive will receive \$183,796.50 payable over six months in accordance with our payroll policies (the "Termination Payment"), the annual bonus to which the executive would have been entitled but for the termination, and continued employee benefits for the maximum period permitted by law. These separation benefits are also triggered if the aggregate beneficial ownership of the following individuals is reduced to less than 15% of the number of shares of common stock outstanding: Douglas L. Becker, Eric D. Becker, Merrick M. Elfman, Bruce L. Goldman, Rudolf Christopher Hoehn-Saric and Steven M. Taslitz, as well as their spouses and dependent children or trusts established for their benefit (a "Stockholder Exit"). In addition, Mr. Sussna's employment agreement provides that if there is a change of control of our company during the term of Mr. Sussna's employment with us, or within 120 days after a termination by us without cause, then Mr. Sussna shall receive \$367,593, less any amounts already received pursuant to the Termination Payment.

Mr. Dalton's employment agreement is currently in effect until April 6, 2003, and extends for additional one year periods unless terminated by written notice given by either party to the other six months prior to April 5 of each year. Pursuant to the employment agreement, Mr. Dalton's base compensation is subject to normal cost of living increases, as well as those increases permitted by our Compensation Committee, and his employment agreement provides for an annual bonus of up to 40% of his base salary based on management objectives and actual cash flow. Mr. Dalton's employment agreement provides that if his employment is terminated either (1) by us without cause, or (2) by the executive due to a reduction in responsibility without his consent, a reduction in his base salary, relocation of his office from Chicago, Illinois, our failure to comply with the terms of the employment agreement, certain changes of control of our company or a Stockholder Exit, then Mr. Dalton will receive his full base salary, the annual bonus to which the executive would have been entitled but for the termination, and continued employee benefits for the maximum period permitted by law.

Mr. Englander's employment agreement may be terminated by Mr. Englander or us at any time, subject in some circumstances to our obligation to pay Mr.

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

Englander's compensation for a period of up to six months after the termination, which period depends upon the reason for the termination and the duration of Mr. Englander's employment with us prior to termination. The employment agreement provides for Mr. Englander's base compensation, which is subject to normal cost of living increases, and an annual bonus of up to 30% of his base salary, 50% of which will be based on our overall performance and 50% of which will be based upon management objectives described by our chief executive officer on an annual basis.

The employment agreements for Mr. Sussna, Mr. Dalton, Mr. Elfman and Mr. Englander also contain certain non-competition and confidentiality provisions pursuant to which they agree not to compete with our company for a period of two years following termination of their employment with us, nor will they solicit for employment any director, stockholder or certain employees of our company during such period (except for Mr. Sussna, who may not solicit such persons for three years). The employment agreements also provide that Mr. Sussna, Mr. Dalton, Mr. Elfman and Mr. Englander will not disclose any confidential information concerning our company and our business to any other person or entity except as may be required by law.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Our Board of Directors and our Compensation Committee have furnished the following report on our policies with respect to the compensation of our executive officers. The report is not deemed to be "soliciting material" or to be "filed" with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the 1934 Act, and the report shall not be deemed to be incorporated by reference into any prior or subsequent filing by us under the 1933 Act or the 1934 Act.

10

Our Board of Directors established our Compensation Committee at the end of 1993, and our Compensation Committee will determine and act upon compensation decisions as described below in 2002 and future years. Decisions on compensation of our executive officers generally will be made by our Compensation Committee of the Board of Directors. No member of our Compensation Committee is an employee of our company. Since April 1998, our Compensation Committee has consisted of Mr. Fleming, Mr. Jordan and Mr. Miller. All decisions by our Compensation Committee relating to the compensation of our executive officers will be reviewed by our full Board of Directors.

Compensation Policies Toward Named Officers and Executive Officers

Our executive compensation policies are intended to provide competitive levels of compensation that reflect our annual and long-term performance goals, reward superior corporate performance and assist us in attracting and retaining qualified executives. Total compensation for our executive officers is comprised of three principal components: base salary, annual incentive compensation and grants of options to purchase our common stock. The base salaries, if not fixed by contract, are set at levels which our Compensation Committee believe are comparable to those of executives of similar status in the food industry. In addition to base salary, each senior executive may be eligible to receive an annual bonus tied to our success in achieving certain annual performance measures, as well as individual performance. Our Board of Directors and Compensation Committee also believe that longer-term incentives are appropriate to motivate and retain key personnel and that stock ownership by management is beneficial in aligning management's and stockholders' interests in the enhancement of stockholder value. Accordingly, our Compensation Committee intends to consider annual grants of stock options to certain of our executive officers and other eligible persons under our option plan.

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

The following describes in more specific terms the three elements of our executive officers' compensation in 2001:

Base Salary. The base salaries for Mr. Elfman, Mr. Sussna, Mr. Dalton and Mr. Englander are fixed by contract. Our Compensation Committee may also consider discretionary adjustments for those executive officers under contract. In 2001, the base salaries for Mr. Sussna, Mr. Dalton and Mr. Englander were adjusted.

Annual Incentive Bonus. Annual incentive bonuses are primarily based upon the achievement of measurable pre-tax earnings performance goals established at the beginning of the fiscal year. With respect to Mr. Sussna, we are to pay Mr. Sussna an annual bonus of up to 50% of his base salary, based on standards and criteria established by the Compensation Committee. Mr. Dalton's bonus of up to 40% of base salary is based on our actual cash flow and management objectives. Mr. Englander's bonus of up to 30% of base salary is based 50% on our overall performance and 50% on management objectives described by our Chief Executive Officer on an annual basis. Our Compensation Committee may also consider discretionary bonuses for those executive officers under contract. Mr. Elfman's Employment Agreement does not provide for such an annual incentive bonus.

Long-Term Stock Option Incentives. Stock options provide executives with the opportunity to buy an equity interest in our company and to share in the appreciation of the value of our common stock. Stock options are granted at the fair market value price of our common stock on the date of grant, are subject to vesting over time and only have future value for our executive officers if the stock price appreciates from the date of grant. All options have terms of ten years from the date of grant. Factors influencing stock option grants to our executive officers include performance of our company, relative levels of responsibility, contributions to the businesses of our company and competitiveness with other growth oriented companies. Stock options granted to our executive officers and other management employees are approved by our Compensation Committee. In 2001, Mr. Sussna, Mr. Englander and Mr. Roth were not granted any options and Mr. Elfman was not granted any options other than options to purchase 10,000 shares as compensation for services as a director and options to purchase 9,000 shares as compensation for his services on the Executive Committee. In 2001, Mr. Dalton was granted 120,000 immediately exercisable stock options.

11

Other Compensation Plans. We maintain a defined contribution plan (the "401(k) Plan") which is intended to satisfy the tax qualification requirements of Sections 401(a), 401(k) and 401(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Our executive officers are eligible to participate in the 401(k) Plan and are permitted to contribute up to the maximum percentage allowable not to exceed the limits of Code Sections 401(k), 404 and 415 (i.e., \$10,500 in 2001). All amounts deferred under the 401(k) Plan's salary reduction feature by a participant vest immediately in the participant's account while contributions made by us vest over a six year period in the participant's account. We will make a matching contribution to the 401(k) Plan equal to 50% of each participant's contribution, up to a maximum of 6% of the participant's salary. We may make additional discretionary contributions.

Benefits. Benefits offered to our executive officers are largely those that are offered to our general employee population, such as group health and life insurance coverage and participation in the 401(k) Plan.

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

Benefits are not tied directly to corporate performance.

Our Compensation Committee believes that our executive compensation policies and programs serve the interests of our company and our stockholders. Total compensation to our executive officers is linked to our performance.

AUDIT MATTERS

We engaged the firm of KPMG LLP as our independent public accountants for 2001 and 2002. It is expected that a representative from this firm will be present at the Annual Meeting, and will be available to respond to appropriate questions from the stockholders if the need arises, or make a statement if the representative desires to do so.

AUDIT FEES

The aggregate fees we incurred with KPMG LLP for professional services rendered for the annual audit and for the review of our quarterly reports on Form 10-Q for the fiscal year 2001 totaled \$137,700.

FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES

KPMG LLP did not render any professional services to us for fiscal year 2001 in connection with financial information systems design or implementation, the operation of our information systems or the management of our local area network.

ALL OTHER FEES

The aggregate fees we incurred with KPMG LLP for all other non-audit services during fiscal year 2001 totaled \$104,875, which included fees for work performed in connection with an audit of an employee benefit plan, changes in accounting principles, and a new debt agreement. The Audit Committee has determined that the non-audit services performed by KPMG LLP are compatible with maintaining KPMG LLP's independence.

AUDIT COMMITTEE REPORT

Our Audit Committee is comprised of three independent directors and operates under a written charter adopted by our Board of Directors and attached to this Proxy Statement as EXHIBIT A. The members of our Audit Committee are John T. Hanes, G. Cook Jordan, Jr. and John A. Miller.

Our Committee recommends to our Board of Directors the selection of our independent public accountants. Our Committee also provides assistance to the members of our Board of Directors in fulfilling their oversight functions over our financial statements. It is not the duty of our Committee, however, to plan or conduct audits or to determine that our financial statements are complete and accurate and are in accordance with generally accepted accounting principles. The responsibility to plan and conduct audits is that of our independent public accountants. Our management has the responsibility to determine that our financial statements are complete and accurate and in accordance with generally accepted accounting principles.

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

Our Committee has received reports and met and held discussions with management and the independent accountants. Our Committee has also discussed with the independent accountants matters required to be discussed by Statement on Auditing Standards No. 61. Our independent public accountants also provided to our Committee the written report, disclosure and letter required by the Independent Standards Board Standard No. 1. Our Committee discussed with the independent public accountants these materials and the firm's independence from us.

Based on our Committee's discussion with, and review of the reports from, management and our independent public accountants and our Committee's reliance on the representation of management that our audited consolidated financial statements were prepared in accordance with generally accepted principles, our Committee recommends that our Board of Directors include the audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended December 31, 2001, filed with the Securities and Exchange Commission.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the 1934 Act requires our officers, directors and certain beneficial holders of our common stock to file reports about their beneficial ownership of our common stock. Specific due dates for these reports have been established and we are required to disclose in this proxy statement any failure to file by these dates during 2001. All of these filing requirements were timely satisfied, except Mr. Miller failed to timely report four transactions and Mr. Taslitz failed to timely report one transaction. In making these disclosures, we have relied solely upon written representations of our directors and executive officers and copies of the reports they filed with the SEC.

CERTAIN TRANSACTIONS WITH MANAGEMENT AND OTHERS

On October 1, 2000, we entered into a management agreement with Sterling Advisors pursuant to which Sterling Advisors was to provide us with management and advisory services, including assisting our executives in making management, financial and strategic decisions, during the initial term ending April 30, 2002. Messrs. During the initial term of the management agreement, we were to pay Sterling Advisors a consulting fee of \$36,000 per month. Additionally, we were to pay \$200,000 to Sterling Advisors on the date of execution of the management agreement. The management agreement also contains certain non-competition and confidentiality provisions pursuant to which Sterling Advisors agrees not to compete with us or disclose any confidential information for a period of two years following termination of

Edgar Filing: ATLANTIC PREMIUM BRANDS LTD - Form DEF 14A

the agreement, nor will it solicit for employment any director, stockholder or certain employees of our company during such period. In connection with the April 2001 restructuring of our senior subordinated debt to Banc One Capital Partners, described in the Management's Discussion and Analysis of Financial Condition and Results of Operations section of the Annual Report to stockholders which accompanies this proxy statement, this management agreement was terminated and all amounts payable thereunder were waived.

Also in connection with the April 2001 restructuring of our senior subordinated debt to Banc One Capital Partners, Sterling BOC, LLC purchased a 10% interest in the senior subordinated debt from Banc One Capital Partners, including a corresponding 10% interest in the warrants with a put option which were issued in connection with the senior subordinated debt. These warrants with a put option are described in the "Liquidity and Capital Resources" section of the Management's Discussion and Analysis of Financial Condition and Results of Operations. Sterling BOC is owned by Messrs. Douglas Becker (a 5% beneficial owner), Eric Becker (a director and 5% beneficial owner), Merrick Elfman (an executive officer, director and 5% beneficial owner), Bruce Goldman (a 5% beneficial owner), John Miller (a director) and Steven Taslitz (a director and 5% beneficial owner).

OTHER MATTERS

We know of no other matters to be presented for action at the Annual Meeting other than those mentioned above. However, if any other matters should properly come before the meeting, it is intended that the persons named in the accompanying proxy card will vote on such matters in accordance with their best judgment.
