**Item 1.02. Termination of a Material Definitive Agreement**

On December 20, 2004, PSEG entered into an Agreement and Plan of Merger (Merger Agreement) with Exelon Corporation (Exelon) providing for a merger of PSEG with and into Exelon. The Merger Agreement provided that each share of PSEG common stock would be converted into 1.225 shares of Exelon common stock. The transactions contemplated by the Merger Agreement were approved by the boards of directors and shareholders of PSEG and Exelon. PSEG and Exelon have obtained all regulatory approvals from the principal governmental authorities involved to complete the merger, except the New Jersey Board of Public Utilities.

Under the terms of the Merger Agreement, if the merger was not consummated by June 20, 2006, either party could terminate without financial penalty. On September 14, 2006, PSEG received from Exelon a formal notice of termination under the terms of the Merger Agreement. PSEG and Exelon issued a joint statement regarding the circumstances surrounding the termination, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference.

PSEG entered into an Operating Services Agreement (OSC) with Exelon, which commenced on January 17, 2005 relating to the operation of the Hope Creek and Salem nuclear generation stations. The OSC is in full force and effect and currently terminates in January 2007. Upon any termination, at the election of PSEG, Exelon shall continue to provide the full complement of personnel and services that were being supplied prior to termination for a transition period of up to three years.
