Board of Directors. Our Board of Directors has eight members. Two of the members are also employees of Emdeon: Mr. Cameron, our Chief Executive Officer; and Mr. Wygod, Chairman of the Board. Six of the members are non-employee directors: Dr. Adler and Messrs. Brooke, Dimick, Manning, Sarkowsky and Smith. Our Board of Directors has determined that each of the non-employee directors is also an independent director under applicable SEC rules and NASDAQ Stock Market listing standards. The non-employee directors meet regularly without any employee directors or other Emdeon employees present.

Our Board of Directors is divided into three classes, two of which currently have three directors and one of which currently has two directors. At each Annual Meeting, the term of one of the classes of directors expires and Emdeon stockholders vote to elect nominees for the directorships in that class for a new three-year term. The terms of

Messrs. Brooke, Manning and Wygod will expire at our Annual Meeting in 2006; the terms of Dr. Adler and Messrs. Sarkowsky and Cameron will expire at our Annual Meeting in 2007; and the terms of Messrs. Dimick and Smith will expire at our Annual Meeting of Stockholders in 2008. Our Board of Directors met 15 times during 2005.

Our Board of Directors currently has six standing committees: an Executive Committee, a Compensation Committee, an Audit Committee, a Governance & Compliance Committee, a Nominating Committee, and a

Related Parties Committee. The Compensation Committee, the Audit Committee, the Governance & Compliance, the Nominating Committee and the Related Parties Committee each have the authority to retain such outside advisors as they may determine to be appropriate.

Emdeon's Board of Directors encourages its members to attend our Annual Meetings of Stockholders. All but one of our directors attended the 2005 Annual Meeting and all of our directors attended our 2004 Annual Meeting. Security holders may send written communications to our Board of Directors or to specified individual directors by sending such communications care of the Corporate Secretary's Office, Emdeon Corporation, 669 River Drive, Center 2, Elmwood Park, New Jersey 07407-1361. Such communications will be reviewed by our Legal Department and, depending on the content, will be:

forwarded to the addressees or distributed at the next scheduled Board meeting; or

The agreement provides for an employment period through October 1, 2009.

provided that no public offering nor any split-off, spin-off, stock dividend or similar transaction as a result of which the voting securities of WHC are distributed to Emdeon's stockholders will constitute a Change in Control of WHC or Emdeon.

Mr. Cameron may terminate his employment upon 30 days notice after 11 months following a Change in Control of Emdeon and, if this occurs:

- (a) Mr. Cameron would be entitled to continue to receive his base salary at his then current rate through October 1, 2009 (or, if longer, for three years following the termination);

- (d) all options to purchase Emdeon Common Stock and Emdeon Restricted Stock granted to Mr. Cameron at or prior to the date of the employment agreement which have not vested prior to the date of termination would be vested as of the date of termination and all such options would remain exercisable as if he remained in our employ through the expiration date specified in the respective stock option plans and agreements; and
- (e) any remaining unvested portion of the option to purchase WHC Class A Common Stock would be vested as of the date of termination and all such options would remain exercisable through the 90 day post-termination exercise period plus the Section 409A Extension Period.

In the event of a Change in Control of WHC or if WHC is no longer an affiliate of Emdeon, the options granted to Mr. Cameron by WHC on September 28, 2005 that have not vested prior to such event would be vested as of the date of such event and would remain exercisable for 90 days plus the Permitted 409A Extension Period.

If Mr. Cameron's employment is terminated by us for Cause or by him without Good Reason, he (a) would not be entitled to any further compensation or benefits and (b) would not be entitled to any additional rights or vesting with respect to his stock options following the date of termination.

Mr. Corbin may terminate his employment upon 30 days notice at any time after the first anniversary of a **Change in Control** (as that term is described below) and, if this occurs: (a) Mr. Corbin would be entitled to continue to receive his base salary for three years at his then current rate; (b) Mr. Corbin would be entitled to his bonus for the year of termination calculated in the same manner as if his employment was terminated without cause; (c) his participation in our benefit plans (or comparable plans) would continue for three years; and (d) the options to purchase 600,000 shares of Emdeon Common Stock granted in connection with his initial employment would remain outstanding and continue to vest as if he remained in our employ through the last vesting date applicable to the option.

In the event of the termination of Mr. Corbin's employment as a result of his death or permanent disability, he (or his estate) would be entitled to the same benefits as if his employment was terminated by Emdeon without **Cause**.

The employment agreement contains confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that end on the eighteen-month anniversary of the date of cessation of Mr. Corbin's employment.

The employment agreement contains a tax gross-up provision relating to any excise tax that Mr. Corbin incurs by reason of his receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code.

The employment agreement is governed by the laws of the State of New Jersey.

Arrangements with David Gang

A subsidiary of WHC is a party to an employment agreement dated as of April 28, 2005, as amended as of July 13, 2005 and March 9, 2006, with David Gang, who serves as Executive Vice President - Product and Programming and Chief Technology Officer of our WebMD segment. The following is a description of Mr. Gang's employment agreement, as amended. In this description of Mr. Gang's employment agreement, the terms "Change in Control," "Cause" and "Good Reason" are used with the same meaning as in the description of Mr. Gattinella employment agreement, below.

Table of Contents

The employment agreement provides that Mr. Gang will receive an annual base salary of \$450,000 and is eligible to earn a bonus of up to 100% of his base salary. For 2005, Mr. Gang received a bonus of \$421,000, determined by WHC's Compensation Committee in its discretion, based on both his own and WHC's performance. Mr. Gang also received a signing bonus of \$500,000 in 2005 in connection with his initial employment by our company. The employment agreement provides that, in 2006 and subsequent years, achievement of 50% of Mr. Gang's bonus will be based upon WHC's attainment of corporate financial and strategic goals to be established by its Compensation Committee, with the financial goals generally related to revenue and/or other measures of operating results, and that achievement of the remaining 50% of Mr. Gang's bonus will be based on performance goals to be established by WHC's Compensation Committee.

Pursuant to the employment agreement, Mr. Gang was granted, on the first day of his employment, options to purchase 400,000 shares of Emdeon Common Stock. The exercise price is \$9.52 per share, the closing price of Emdeon Common Stock on such date. The options will vest in equal annual installments over four years upon each anniversary of the grant date. In the event that WHC ceases to be a subsidiary of Emdeon, the unvested portion of the options would terminate while the vested portion would remain outstanding in accordance with its terms. If such an event occurs within the first twelve months from the grant date, the unvested portion would continue to vest through the first scheduled vesting date.

Mr. Gang also received 100,000 shares of Emdeon Restricted Stock on the first day of his employment. The Emdeon Restricted Stock is scheduled to vest in equal annual installments over four years upon each anniversary of the grant date. In the event that WHC ceases to be a subsidiary of Emdeon, the Emdeon Restricted Stock not yet vested at that time would be forfeited.

Pursuant to the employment agreement, Mr. Gang was granted 44,000 shares of WHC Restricted Stock and nonqualified options to purchase 176,000 shares of WHC's Class A Common Stock in connection with WHC's initial public offering. The per share exercise price of the options is the initial public offering price of \$17.50. The WHC Restricted Stock and the options are scheduled to vest in equal installments over four years upon each anniversary of the grant date. In the event of a Change in Control of WHC, the unvested portion of the options to purchase WHC Class A Common Stock would continue to vest until the later of (a) two years from the date of grant and (b) the next scheduled vesting date following the Change in Control. The continued vesting applies only if Mr. Gang remains employed until six months following such Change in Control or is terminated by WHC's successor without Cause or he resigns for Good Reason during such six-month period.

In the event of the termination of Mr. Gang's employment, prior to the fourth anniversary of the start date, by WHC without Cause or by Mr. Gang for Good Reason, he would be entitled to continue to receive his base salary for one year from the date of termination, to receive any unpaid bonus for the year preceding the year in which the termination occurs and, to receive health coverage until the earlier of one year following his termination and the date upon which he receives comparable coverage under another plan. In the event that a termination of Mr. Gang's employment by WHC without Cause or by Mr. Gang for Good Reason occurs before the fourth anniversary of Mr. Gang's start date, 25% of the options to purchase WHC Class A Common Stock described above would continue to vest through the next vesting date following the date of termination.

The employment agreement and the related agreement described below are governed by the laws of the State of New York.

In connection with Mr. Gang's employment with WHC, he has entered into a related agreement that contains confidentiality obligations that survive indefinitely. The agreement also includes non-solicitation provisions that prohibit Mr. Gang from hiring WHC employees or soliciting any of WHC's clients or customers that he had a relationship with during the time he was employed by WHC, and non-competition provisions that prohibit Mr. Gang

from being involved in a business that competes with WHC's business or that competes with any other business engaged in by any affiliates of WHC if he is directly involved in such business. The non-solicitation and non-competition obligations end on the first anniversary of the date employment has ceased.

A subsidiary of WHC is party to an employment agreement with Wayne Gattinella, who serves as CEO and President of our WebMD segment and of WHC. The following is a description of Mr. Gattinella's employment agreement:

Mr. Gattinella currently receives an annual base salary of \$560,000 and is eligible to earn a bonus of up to 100% of his base salary. For 2005, Mr. Gattinella received a bonus of \$280,000, determined by WHC's Compensation Committee in its discretion, based on both his own and WHC's performance. With respect to 2006 and subsequent years, the employment agreement provides that achievement of 50% of Mr. Gattinella's bonus will be based upon WHC's attainment of corporate financial and strategic goals to be established by its Compensation Committee, with the financial goals generally related to revenue and/or other measures of operating results and achievement of the remaining 50% of Mr. Gattinella's bonus will be based on performance goals to be established by WHC's Compensation Committee.

Pursuant to the employment agreement, Mr. Gattinella was granted 55,000 shares of WHC Restricted Stock and nonqualified options to purchase 220,000 shares of WHC's Class A Common Stock in connection with our initial public offering. The per share exercise price of the options is the initial public offering price of \$17.50. The WHC Restricted Stock and the options are scheduled to vest in equal installments over four years upon each anniversary of the grant date.

In the event of the termination of Mr. Gattinella's employment, prior to April 30, 2009, by WHC without Cause or by Mr. Gattinella for Good Reason (as those terms are described below), he would be entitled to continue to receive his base salary for one year from the date of termination, to receive any unpaid bonus for the year preceding the year in which the termination occurs, and to receive healthcare coverage until the earlier of one year following his termination and the date upon which he receives comparable coverage under another plan. In the event that a termination of Mr. Gattinella's employment by WHC without Cause or by Mr. Gattinella for Good Reason occurs before the fourth anniversary of the grant of the options to purchase WHC Class A Common Stock, 25% of such options would continue to vest through the next vesting date following the date of termination.

In the event of a Change in Control of WHC (as that term is described below), the unvested portion of the options to purchase WHC Class A Common Stock would continue to vest until the later of (a) two years from the date of grant and (b) the next scheduled vesting date following the Change in Control. The continued vesting applies only if Mr. Gattinella remains employed until six months following such Change in Control or is terminated by our successor without Cause or he resigns for Good Reason during such six-month period. For purposes of the employment agreement, a Change in Control would occur when: (i) a person, entity or group acquires more than 50% of the voting power of WHC, (ii) there is a reorganization, merger or consolidation or sale involving all or substantially all of WHC's assets, or (iii) there is a complete liquidation or dissolution of WHC.

For purposes of the employment agreement: (a) Cause includes (i) a continued willful failure to perform duties after 30 days written notice, (ii) willful misconduct or violence or threat of violence that would harm WHC, (iii) a material breach of WHC's policies, the employment agreement, or the Trade Secret and Proprietary Information Agreement (as described below), that remains unremedied after 30 days written notice, or (iv) conviction of a felony in respect of a dishonest or fraudulent act or other crime of moral turpitude; and (b) Good Reason includes any of the following conditions or events remaining in effect after 30 days written notice: (i) a reduction in base salary, (ii) a material reduction in authority, or (iii) any material breach of the employment agreement by WHC.

The employment agreement and the related agreement described below are governed by the laws of the State of New York.

Mr. Gattinella is also a party to a related Trade Secret and Proprietary Information Agreement that contains confidentiality obligations that survive indefinitely. The agreement also includes non-solicitation

provisions that prohibit Mr. Gattinella from hiring WHC's employees or soliciting any of WHC's clients or customers that he had a relationship with during the time he was employed by WHC, and non-competition provisions that prohibit Mr. Gattinella from being involved in a business that competes with WHC's business or that competes with any other business engaged in by any affiliates of WHC if he is directly involved in such business. The non-solicitation and non-competition obligations end on the first anniversary of the date his employment has ceased.

Arrangements with Charles A. Mele

We are party to an employment agreement with Charles A. Mele, our Executive Vice President, General Counsel and Secretary. The following is a description of Mr. Mele's employment agreement. In this description, the term "Change in Control" has the same meanings, as applied to Emdeon and WHC, as in the description of Mr. Cameron's employment agreement, above.

The agreement provides for an employment period through February 1, 2011.

Mr. Mele receives an annual base salary of \$450,000. The amount of any bonus will be in the discretion of the Compensation Committee of the Board of Emdeon. For 2005, Mr. Mele received a bonus of \$325,000, determined by the Compensation Committee in its discretion, based on both his own and our company's performance.

If Mr. Mele's employment is terminated due to his death or disability, by us without Cause or by Mr. Mele for Good Reason (as those terms are described below), he would be entitled to: (a) continuation of his base salary, at the rate then in effect, for three years; (b) an amount for each of the three years equal to the greater of the average bonus he received in the three years prior to termination or the amount of the bonus he received in the last of those years; and (c) continued participation in our benefit plans (or comparable plans) for three years. If such termination occurs after the end of a fiscal year but before payment of the bonus for that year, he would also be entitled to receive the bonus, if any, earned for that fiscal year; provided, however, that if the termination is for Good Reason or without Cause following a Change in Control of Emdeon, the payments in (a) and (b) above will continue for the remainder of the term of the agreement, if longer. In addition:

all options to purchase Emdeon Common Stock and Emdeon Restricted Stock granted to Mr. Mele by Emdeon prior to the date of the agreement that have not vested prior to the date of termination would be vested as of the date of termination and the options would remain exercisable as if he remained in our employ through the expiration date specified in each applicable stock option agreement, except that the options granted to Mr. Mele on March 17, 2004 would remain exercisable only for 90 days plus the Permitted 409A Extension Period; and

the portion of the options to purchase WHC Class A Common Stock granted to Mr. Mele by WHC on September 28, 2005 that would have vested on the next vesting date following the date of termination will vest on the date of termination and the vested portion of those options will remain exercisable for 90 days plus the Permitted 409A Extension Period; provided, however, that, if termination is for Good Reason or without Cause following a Change in Control of Emdeon, all of the options that have not vested prior to the date of termination would be vested as of the date of termination.

In the event of a Change in Control of WHC or if WHC is no longer an affiliate of Emdeon, the options granted to Mr. Mele by WHC on September 28, 2005 that have not vested prior to such event would be vested as of the date of such event and would remain exercisable for 90 days plus the Permitted 409A Extension Period.

If Mr. Mele's employment is terminated by us for Cause or by him without Good Reason, he (a) would not be entitled to any further compensation or benefits and (b) would not be entitled to any additional rights or vesting with respect to the stock options or restricted stock following the date of termination.

Table of Contents

For purposes of Mr. Mele's employment agreement: (a) Cause includes (i) a material breach of the employment agreement that remains unremedied after 30 days written notice, or (ii) conviction of a felony; and (b) good reason includes (i) a material reduction in title or responsibilities, (ii) requiring Mr. Mele to report to anyone other than the Chief Executive Officer of Emdeon, (iii) a reduction in base salary or material fringe benefits, (iv) a material breach of the employment agreement, (v) requiring Mr. Mele to relocate to a location that is more than 25 miles from his current residence, or (vi) a Change in Control of Emdeon occurs and he remains in the employ of Emdeon for six months after the Change in Control.

Payment of severance, if any, will be made in accordance with Section 409A to avoid subjecting Mr. Mele to adverse tax consequences.

Mr. Mele is subject to confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that survive for two years or, if applicable, for the three year period in which severance is payable under the agreement.

There is a tax gross-up provision relating to any excise tax that Mr. Mele incurs by reason of his receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code. Any excess parachute payments and related tax gross-up payments made to Mr. Mele will not be deductible by Emdeon for federal income tax purposes.

Arrangements with Martin J. Wygod

On August 3, 2005, we amended and restated our original employment agreement, dated October 8, 2001, with Martin J. Wygod. The agreement was further amended on February 1, 2006. Under the amended agreement, Mr. Wygod serves as our Chairman of the Board, and also serves as the Chairman of the Board of WHC. In these positions, Mr. Wygod focuses on the overall strategy, strategic relationships and transactions intended to create long-term value for stockholders. The following is a description of Mr. Wygod's amended employment agreement. In this description, the term Change in Control has the same meanings, as applied to Emdeon and WHC, as in the description of Mr. Cameron's employment agreement, above.

The employment agreement provides for an employment period through August 3, 2010.

Under the employment agreement, Mr. Wygod received an annual base salary of \$1.26 million until the completion of WHC's initial public offering; when the initial public offering was completed in September 2005, Mr. Wygod's base salary was reduced to \$975,000 per year. For 2005, Mr. Wygod received a bonus of \$450,000, determined by the Compensation Committee in its discretion, based on both his own and our company's performance.

Pursuant to the employment agreement, Mr. Wygod was granted 55,000 shares of WHC Restricted Stock and nonqualified options to purchase 220,000 shares of WHC's Class A Common Stock in connection with WHC's initial public offering. The per share exercise price of the options is the initial public offering price of \$17.50. The WHC Restricted Stock and the options are scheduled to vest in equal installments over four years upon each anniversary of the grant date.

In the event of termination of Mr. Wygod's employment by us without Cause or by Mr. Wygod for Good Reason (as those terms are described below), Mr. Wygod would become a consultant for us and would be entitled to receive his salary, at the rate then in effect, and continuation of benefits until the later of (i) two years following such termination or (ii) August 3, 2010. In addition, all options, or other forms of equity compensation, granted

to Mr. Wygod by us or any of our affiliates (which would include WHC) that have not vested prior to the date of termination would become vested as of the date of termination and, assuming there has not been a Change in Control of Emdeon or of WHC, would continue to be exercisable as long as he remains a consultant (or longer if the plan or agreement expressly provided). In the event that Mr. Wygod's employment is terminated due to death or disability, he or his estate would receive the same benefits as described above.

Table of Contents

The employment agreement provides that in the event there is Change in Control of Emdeon, all outstanding options and other forms of equity compensation (including equity compensation granted by WHC) would become immediately vested on the date of the Change in Control and, if following the Change in Control, Mr. Wygod's employment terminates for any reason other than Cause, they would continue to be exercisable until the tenth anniversary of the applicable date of grant. A Change in Control of Emdeon is also an event that constitutes Good Reason for purposes of a termination by Mr. Wygod. In the event there is a Change in Control of WHC, any portion of Mr. Wygod's equity that relates to WHC will fully vest and become exercisable on the date of such event, and if following such event, Mr. Wygod's engagement with WHC is terminated for any reason other than Cause, such equity will remain outstanding until the expiration of its original term.

For purposes of the employment agreement: (a) Cause includes a final court adjudication that Mr. Wygod (i) committed fraud or a felony directed against our company relating to his employment, or (ii) materially breached any of the material terms of the employment agreement; (b) the definition of Good Reason includes the following conditions or events: (i) a material reduction in title or responsibility that remains in effect for 30 days after written notice, (ii) a final court adjudication that we materially breached any material provisions of the employment agreement, (iii) failure to serve on our Board or Executive Committee of our Board, or (iv) the occurrence of a Change in Control of Emdeon.

In the event Mr. Wygod terminates his engagement with WHC for Good Reason (as described in the following sentence), any portion of equity that relates to WHC will fully vest and become exercisable on the date his engagement terminates and will remain exercisable for the period beginning on such date and ending on the later of two years following such termination or August 3, 2010. For the purposes of a termination of Mr. Wygod's engagement with WHC by him, Good Reason means a material reduction in Mr. Wygod's title or responsibilities as Chairman of the Board of WHC.

In the event that Mr. Wygod's employment with Emdeon is terminated for any reason, but he remains Chairman of the Board of WHC, WHC will have no obligation to pay a salary to Mr. Wygod.

The employment agreement contains confidentiality obligations that survive indefinitely and non-solicitation and non-competition obligations that continue until the second anniversary of the date his employment has ceased.

The employment agreement contains a tax gross-up provision relating to any excise tax that Mr. Wygod incurs by reason of his receipt of any payment that constitutes an excess parachute payment as defined in Section 280G of the Internal Revenue Code. Any excess parachute payments and related tax gross-up payments made to Mr. Wygod will not be deductible for federal income tax purposes.

Mr. Wygod was granted, on January 27, 2006, options to purchase 600,000 shares of Emdeon Common Stock at an exercise price of \$8.77, the closing price of Emdeon Common Stock on the date of grant; and (b) 150,000 shares of Emdeon Restricted Stock. The options to purchase Emdeon Common Stock are scheduled to vest in equal annual installments of 25% over four years and the shares of Emdeon Restricted Stock are scheduled to vest in equal annual installments of 33 1/3% over three years.

The vesting schedule for each automatic annual grant is as follows: 1/4 of the grant on the first anniversary of the date of grant and 1/48 of the grant on a monthly basis over the next three years (full vesting on the fourth anniversary of the date of grant). Each of our non-employee directors received automatic annual grants of options to purchase 20,000 shares of Emdeon Common Stock on January 1, 2006 (with an exercise price of \$8.46 per share) and January 1, 2005 (with an exercise price of \$8.16 per share). Under the 2000 Plan, all stock options held by non-employee directors would automatically vest upon a Change in Control of Emdeon, which is defined as described above under Compensation Arrangements with Named Executive Officers Arrangements with Mr. Cameron.

on each December 31 following the allocation. Messrs. Cameron, Corbin, Gang, Gattinella, Mele and Wygod are beneficial owners of shares of common stock of Emdeon subject to vesting requirements based on continued employment by Emdeon (which we refer to as Emdeon Restricted Stock) in the respective amounts stated in the footnotes below. Holders of Emdeon Restricted Stock have voting power, but not dispositive power, with respect to unvested shares of Emdeon Restricted Stock. For information regarding the vesting schedules of the Emdeon Restricted Stock, see Executive Compensation Summary Compensation Table above.

- (2) Beneficial ownership is determined under the rules and regulations of the SEC, which provide that shares of common stock that a person has the right to acquire within 60 days are deemed to be outstanding and beneficially owned by that person for the purpose of computing the total number of shares beneficially owned by that person and the percentage ownership of that person. However, those shares are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Accordingly, we have set forth, in the column entitled Other, with respect to each person listed, the number of shares of Emdeon Common Stock that such person has the right to acquire pursuant to options that are currently exercisable or that will be exercisable within 60 days of April 14, 2006. We have calculated the percentages set forth in the column entitled Percent of Outstanding based on the number of shares outstanding as of April 14, 2006 (which was 273,147,499) plus, for each listed person or group, the number of additional shares deemed outstanding, as set forth in the column entitled Other.
- (3) The information shown is as of December 31, 2005 and is based upon information disclosed by FMR Corp., Fidelity Management and Research Company, Fidelity Growth Company Fund and Edward C. Sole power to vote the other shares of Emdeon Common Stock beneficially owned by the filing group resides in the respective boards of trustees of the funds that have invested in the shares. The interest of Fidelity Growth Company Fund, an investment company registered under the Investment Company Act of 1940, amounted to 23,729,200 shares of Emdeon Common Stock as of December 31, 2005.

As of December 31, 2005 options to purchase 71,367 of our common stock were available for grant under the 2001 Stock Plan. Generally, options become exercisable ratably

over a three to five year period based on their individual grant dates and expire on the tenth anniversary of the date of grant. Options are granted with exercise prices not less than fair market value on the date of grant. The exercise price may be paid in cash or shares of Emdeon Common Stock held by the optionee for a period of at least six months or through a cashless exercise arrangement. Upon termination of employment, unvested options generally are forfeited and vested options generally expire 90 days after termination (one year in the case of termination as a result of death or disability or immediately in the event of termination for cause). The 2001 Stock Plan is administered by the Compensation Committee of our Board of Directors and all or a portion of such authority may be delegated to one or more officers of Emdeon. The Compensation Committee has the authority to designate participants, determine the number, terms and conditions of options, establish, adopt or revise any rules and regulations as it may deem advisable to administer the 2001 Stock Plan and make all other decisions and determinations that may be required under the 2001 Stock Plan. The Compensation Committee has delegated to Kevin Cameron the authority to grant options and determine the terms and conditions of such grants in accordance with the terms of the Plan.

2002 Restricted Stock Plan. The 2002 Restricted Stock Plan authorizes the granting of awards of shares of Emdeon Common Stock that are subject to restrictions on transfer until such time as they are vested. As of December 31, 2005, 700,721 shares of restricted common stock were available for grant under the 2002 Restricted Stock Plan. All of our employees, other than those officers who are subject to Section 16(a) of the Securities Exchange Act, are eligible for grants under the plan. The vesting schedule applicable to a restricted stock grant is generally 25% per year subject to the holder's continued employment on the applicable dates. Unvested restricted stock is subject to forfeiture upon termination of employment. The 2002 Restricted Stock Plan is administered by the Compensation Committee of our Board of Directors, with responsibilities and authority similar to those described above for the 2001 Stock Plan. The authority to grant restricted stock and determine the terms and conditions thereof in accordance with the terms of the plan has been delegated to Kevin Cameron.

Envoy Stock Plan. In January 2000, our Board of Directors adopted the Envoy Stock Plan in connection with the acquisition of Envoy Corporation. The Envoy Stock Plan authorizes the granting of awards of non-qualified stock options to purchase shares of our common stock and grants of shares of common stock. As of December 31, 2005, 328,769 shares of our common stock remained available for option grants or grants of shares under the Envoy Stock Plan. The maximum number of shares of our common stock with respect to one or more options that may be granted during any one fiscal year under the Envoy Stock Plan to any one person is 1,000,000, except that, in connection with an employee's initial employment, he or she may be granted options to purchase an additional 500,000 shares which shall not count against the 1,000,000 limit. The terms of the Envoy Stock Plan and its administration are substantially similar to those described above for the 2001 Stock Plan.

Option Agreement with Wayne Gattinella. The option agreement, entered into on August 20, 2001, provides for a nonqualified stock option to purchase 600,000 shares of common stock, at an exercise price of \$4.81 per share. The exercise price is equal to the closing price of Emdeon Common Stock on the date of grant. No further shares of our common stock are available for grant under this option agreement. The option, which has vested with respect to all 600,000 shares and been exercised with respect to 80,300 shares, expires on the tenth anniversary of the date of grant. For additional information on this agreement, see the description of Mr. Gattinella's compensation arrangements in Item 11 above.

ABF Stock Plan. The 2003 Nonqualified Stock Option Plan for Employees of Advanced Business Fulfillment, Inc., which we refer to as the ABF Stock Plan, was adopted on June 12, 2003 in connection with our acquisition of Advanced Business Fulfillment, or ABF. Grants under the plan are limited to ABF employees who are not executive officers of Emdeon. At the time of the closing of the acquisition of ABF, options to purchase 3,570,000 shares of Emdeon Common Stock were granted under the ABF Stock Plan to ABF employees. The options have an exercise price of \$11.73 (the fair market value of Emdeon Common Stock on the closing date of the acquisition) and vest 25% per year subject to the holder's continued employment on the applicable dates. As of December 31, 2005, options

to purchase 1,249,500 shares of Emdeon Common Stock were available for grant under the ABF Stock Plan, although the Compensation

Committee does not intend that Emdeon shall make further grants under this Plan. The other terms of the ABF Stock Plan and its administration are substantially similar to those described above for the 2001 Stock Plan.

At the time of the closing of the acquisition of VIPS, options to purchase 989,000 shares of Emdeon Common Stock were granted under the VIPS Stock Plan to VIPS employees. The options have an exercise price of \$7.27 (the fair market value of Emdeon Common Stock on the closing date of the acquisition) and vest 25% per year subject to the holder's continued employment on the applicable dates. No further grants will be made under this Plan. The other terms of the VIPS Stock Plan and its administration are substantially similar to those described above for the 2001 Stock Plan.

Table of Contents**Item 13. *Certain Relationships and Related Transactions*****Transactions with WHC**

This section describes the material provisions of agreements between WHC (or one of its subsidiaries) and Emdeon (or one of its subsidiaries other than WHC and its subsidiaries). The Consolidated Financial Statements of Emdeon include the accounts of Emdeon and all of its majority owned subsidiaries. Accordingly, transactions between Emdeon and WHC are eliminated in consolidation. For additional information regarding the financial terms of these agreements and charges from WHC to Emdeon and from Emdeon to WHC under these agreements and certain predecessor arrangements, see Management's Discussion and Analysis of Financial Condition and Results of Operations—Transactions with Emdeon and Note 4 to the Consolidated Financial Statements included in WHC's Annual Report on Form 10-K for the fiscal year ended December 31, 2005.

Services Agreement

We have entered into a Services Agreement with WHC pursuant to which we charge WHC for specified services provided by Emdeon. Under the Services Agreement, Emdeon receives an amount that reasonably approximates its cost of providing services to WHC. The services that Emdeon provides to WHC include certain administrative services, including services relating to payroll, accounting, tax planning and compliance, employee benefit plans, legal matters and information processing. In addition, WHC reimburses Emdeon for an allocated portion of certain expenses that Emdeon incurs for outside services and similar items, including insurance and audit fees, outside personnel, facilities costs, professional fees, software maintenance fees and telecommunications costs. Emdeon has agreed to make the services available to WHC for a term of up to 5 years following WHC's initial public offering. However, WHC is not required, under the Services Agreement, to continue to obtain services from Emdeon. In the event WHC wishes to receive those services from a third party or provide them internally, WHC has the option to terminate services, in whole or in part, at any time it chooses to do so, generally by providing, with respect to the specified services or groups of services, 60 days' notice and, in some cases, paying a termination fee of not more than \$30,000 to cover costs of Emdeon relating to the termination. Emdeon has the option to terminate the services that it provides to WHC, in whole or in part, if it ceases to provide such services for itself, upon at least 180 days' written notice to WHC. Under the Services Agreement, WHC paid Emdeon, from the date of WHC's initial public offering through December 31, 2005, approximately \$696,000.

Registration Rights Agreement

We have entered into a Registration Rights Agreement with WHC, which requires WHC to use its reasonable best efforts, upon our request, to register under the applicable federal and state securities laws any of the shares of our equity securities of or owned by Emdeon for sale in accordance with our intended method of disposition, and to take such other actions as may be necessary to permit the sale in other jurisdictions, subject to specified limitations. Emdeon has the right to include the shares of our equity securities it beneficially owns in other registrations of these equity securities WHC initiates. WebMD is required to pay all expenses incurred in connection with each registration, excluding underwriters' discounts, if any. Subject to specified limitations, the registration rights are assignable by Emdeon and its assigns. The Registration Rights Agreement contains customary indemnification and contribution provisions.

Tax Sharing Agreement

We are a party to a Tax Sharing Agreement with WHC that governs the respective rights, responsibilities, and obligations of Emdeon and WHC with respect to tax liabilities and benefits, tax attributes, tax contests and other

matters regarding taxes and related tax returns. In general, the Tax Sharing Agreement does not require Emdeon or WHC to reimburse the other party to the extent of any net tax savings realized by the consolidated group, as a result of the group's utilization of WHC's or Emdeon's attributes, including net operating losses, during the period of consolidation. However, under the Tax Sharing Agreement, Emdeon has agreed to compensate WHC for any use of WHC's net operating losses that may result from certain

Table of Contents

extraordinary transactions, including a sale of Emdeon Business Services and Emdeon Practice Services. Specifically, if Emdeon or any corporation that is controlled, directly or indirectly, by Emdeon other than WHC or its subsidiaries (collectively, the Emdeon Subgroup) has income or gain from the sale of assets (including a subsidiary) outside the ordinary course of business, extinguishment of debt or other extraordinary transaction (Extraordinary Gains), Emdeon will make a payment to WHC and its subsidiaries (collectively, the WHC Subgroup) equal to 35% of the amount of the WHC Subgroup s net operating losses (NOLs) that are absorbed in the consolidated tax return as a result of the incurrence of such Extraordinary Gains.

Although Emdeon has stated that it does not currently intend or plan to undertake a split-off, spin-off or other similar transaction, WHC has agreed in the Tax Sharing Agreement that it will not knowingly take or fail to take any action that could reasonably be expected to preclude Emdeon s ability to undertake a split-off or spin-off on a tax-free basis. WHC has also agreed that, in the event that Emdeon decides to undertake a split-off or spin-off of our capital stock to Emdeon s shareholders, WHC will enter into a new Tax Sharing Agreement with Emdeon that will set forth the parties respective rights, responsibilities and obligations with respect to any such split-off or spin-off.

Beneficial ownership of at least 80% of the total voting power and value of WHC s capital stock is required in order for Emdeon to continue to include the WHC Subgroup in its consolidated group for federal income tax purposes. It is the present intention of Emdeon to continue to file a single consolidated federal income tax return with its eligible subsidiaries. Each member of the consolidated group for federal income tax purposes will be jointly and severally liable for the federal income tax liability of each other member of the consolidated group. Accordingly, although the Tax Sharing Agreement allocates tax liabilities between WHC and our Emdeon during the period in which we are included in the consolidated group of Emdeon, WHC could be liable for the federal income tax liability of any other member of the consolidated group in the event any such liability is incurred and not discharged by such other member. The Tax Sharing Agreement provides, however, that Emdeon will indemnify WHC to the extent that, as a result of being a member of the consolidated group of Emdeon, WHC becomes liable for the federal income tax liability of any other member of the consolidated group, other than the WHC Subgroup. Correspondingly, the Tax Sharing Agreement requires WHC to indemnify Emdeon and the other members of the consolidated group with respect to WHC s federal income tax liability. Similar principles generally will apply for income tax purposes in some state, local and foreign jurisdictions.

Indemnity Agreement

WHC and Emdeon have entered into an Indemnity Agreement, under which WHC and Emdeon have agreed to indemnify each other with respect to some matters. WHC has agreed to indemnify Emdeon against liabilities arising from or based on:

the operations of WHC s business;

any material untrue statements or omissions in the Prospectus included in the IPO Registration Statement, other than material untrue statements or omissions contained in or pertaining to information relating solely to Emdeon; and

guarantees or undertakings made by Emdeon to third parties in respect of WHC s liabilities or obligations or those of WHC s subsidiaries.

Emdeon has agreed to indemnify WHC against liabilities arising from or based on:

the operations of the Emdeon s business;

any material untrue statements or omissions in the Prospectus included in the IPO Registration Statement, other than material untrue statements or omissions contained in or pertaining to information relating solely to WHC; and

certain pre-existing legal proceedings.

The agreement contains provisions governing notice and indemnification procedures.

Intellectual Property License Agreement

The Intellectual Property License Agreement governs certain rights, responsibilities, and obligations of Emdeon and WHC with respect to the name WebMD and related intellectual property that Emdeon has used. Under the Intellectual Property License Agreement, WHC agreed to license certain of its trademarks, trade names and service marks back to Emdeon for an initial period of 12 months to allow Emdeon to transition to its new name. Except as provided in the Intellectual Property License Agreement, Emdeon transferred any right it may have to the name WebMD and the related intellectual property to WHC prior to the completion of WHC's initial public offering.

Private Portals License

Emdeon has licensed WHC's private portal health and benefits management services for use by Emdeon's employees and the employees of its other subsidiaries for a period of three years, through June 30, 2008. The fees payable by Emdeon to WHC for this license are approximately \$250,000 annually.

Little Blue Book License

Through WHC's *The Little Blue Book* subsidiaries, for an annual license fee of \$250,000, WHC provides a license to a subsidiary of Emdeon of certain physician-related information, such as names, addresses and hospital and HMO affiliation, for use by Emdeon's subsidiary in communicating with physicians. This license agreement is automatically renewed for successive one-year terms unless either party elects not to renew by providing a 30-day notice.

Product Development, Marketing and Related Arrangements

On January 31, 2006, Emdeon and WHC entered into the agreements described below. Pursuant to these agreements, the parties have agreed to support each other's product development and marketing of certain product lines, as more fully described below. WHC will, in general, manage the product development and marketing of Emdeon's and WHC's product lines in the following areas:

online tools and applications that are displayed to physicians and consumers that provide quality ratings of providers and that analyze patient care (we refer to these types of applications as External Clinical Quality Applications); and

online tools and applications that are displayed to end-user consumers, plan members and/or patients to assist in (a) communicating with, or viewing information from, providers or payers, (b) making informed benefit, provider and/or treatment choices, through access to content, personal health records, plan comparison tools, benefit comparison tools, cost treatment indicators, calculators, etc. or (c) managing and utilizing consumer-directed health plans and the related health savings accounts and other consumer directed financial accounts (we refer to all of these types of applications as Consumer-Directed Applications).

Emdeon may continue to develop and market products and services that are principally provided for internal use by healthcare payers and that provide clinical quality measures of physicians, hospitals and providers, and analytics and reporting to such payers on the quality of patient care (we refer to these types of applications as Internal Clinical Quality Services) and WHC may develop and market its own Internal Clinical Quality Services and it may, but is not required to, sell Emdeon's Internal Clinical Quality Services. The parties have also agreed to work together to try to develop certain other products and services.

We believe that the growing market for Consumer Directed Health Plans (referred to as CDHPs) and related Health Savings Accounts (referred to as HSAs) presents a significant future business opportunity for WHC and that the

agreements described below will help accelerate its progress in this market in several ways:

Under CDHPs, consumers are required to assume greater responsibility for the financial impact of their personal healthcare decisions. Accordingly, consumers in CDHPs require tools that can assist them in making more informed decisions. In providing services that help meet those needs, WHC will have

Table of Contents

access to certain Emdeon services and capabilities that we believe will further enhance WHC's services, including its services that provide comparative information on healthcare provider cost and quality.

The agreements are expected to lead to new capabilities for data sharing that will enable WHC and Emdeon to develop new services that facilitate appropriate payment to providers for their services, and inform patients of their financial responsibility for a specific procedure or treatment.

Emdeon's agreement to market the WHC CDHP/HSA offering to Emdeon's health plan customers is expected to help accelerate WHC's market penetration of these new services.

Business Services Agreement. The terms of this agreement, which will remain in effect for 5 years unless terminated earlier in accordance with its terms, include the following:

External Clinical Quality Applications. Emdeon will provide a perpetual license to WHC of Emdeon's External Clinical Quality Applications. In addition, WHC will be permitted to develop, market and sell its own or other third party External Clinical Quality Applications. During the term of this Agreement, Emdeon will not provide External Clinical Quality Applications as stand-alone products other than through WHC Health; provided, however, that Emdeon will be permitted to offer External Clinical Quality Applications to its potential or current payer customers in connection with the integration of External Clinical Quality Applications with other Emdeon core services. During the term of this agreement, WHC will pay Emdeon a 20% royalty on net sales of Emdeon's External Clinical Quality Applications (or, in particular instances, such other mutually agreed on royalty). In addition, if WHC requires customization or incremental development of an Emdeon External Clinical Quality Application in connection with a potential sale, and/or if WHC needs assistance in resolving a performance issue regarding an Emdeon External Clinical Quality Application, Emdeon will charge WHC customary rates for such assistance. The pricing pursuant to which WHC will make the Emdeon External Clinical Quality Applications available to an Emdeon customer will be competitive with the pricing it provides to other similar customers purchasing substantially the same products at the same volume or commitment levels. The provisions of the agreement do not apply to Emdeon's electronic health record applications, products that provide for sending and receiving of prescriptions and lab results and other similar applications provided by Emdeon and reasonable extensions of such products. Upon termination of the agreement, Emdeon has agreed to provide WHC with a copy of the underlying source code and documentation for the External Clinical Quality Applications so that WHC may continue to use the perpetual license to such products.

Internal Clinical Quality Applications. Emdeon may make available to WHC customers Emdeon's Internal Clinical Quality Services for integration with WHC's products and services. The pricing pursuant to which Emdeon will make Emdeon's Internal Clinical Quality Services available to WHC customers will be competitive with the pricing it provides to other similar customers purchasing substantially the same products at the same volume/commitment levels. WHC may also develop and sell its own Internal Clinical Quality Services or license and work with third parties for such services. Emdeon will pay WHC a 10% sales commission on net sales of Emdeon's Internal Clinical Quality Services by WHC.

Consumer-Directed Applications. Emdeon has, in general, agreed that WHC will manage the product development and marketing of Consumer-Directed Applications and that, except as described below, Emdeon will not make such applications available itself or through a third party, other than in conjunction with WHC.

If Emdeon identifies a need for a Consumer-Directed Application in order to support a business requirement related to the marketing of its core services, Emdeon will first present WHC with the opportunity to meet Emdeon's requirement. If WHC elects not to pursue this opportunity or if, after electing to do so, fails to meet the applicable delivery schedule, Emdeon may pursue that opportunity through a

third party or on its own, on substantially the same terms. For each Consumer-Directed Application provided to Emdeon, WHC is paid the greater of: (a) WHC's cost plus 50%; or (ii) WHC's established market price for such product (which price will be competitive

Table of Contents

with the pricing WHC provides to other similar customers purchasing substantially the same products at the same volume/commitment levels). In addition, if Emdeon sells the Consumer-Directed Application to a third party, Emdeon will pay WHC a 10% royalty on net sales of the application.

In addition, WHC and Emdeon have agreed to work together to develop a potential Consumer Directed Application that may provide information regarding the potential cost of care or financial responsibility for individual medical and/or drug claims. Emdeon has agreed that any such product developed that provides a patient or plan member view as to the portion of the cost of care for which the patient or plan member is responsible shall be provided through WHC, and during the term of this agreement, Emdeon will not make such product available itself or through a third party other than in conjunction with WHC. If Emdeon and WHC develop such product, they have agreed to negotiate an equitable allocation between the parties of the sales price for such product.

The provisions of the agreement relating to Consumer-Directed Applications do not apply to the following Emdeon products and services: (a) paper and electronic invoices, statements, checks and explanation of benefits forms (EOBs), along with reasonable extensions of these products and services; (b) currently contemplated patient-facing applications linked to the practice management systems and electronic medical records systems of Emdeon Practice Services; (c) services provided by VIPS under contracts with the United States government and/or state governments; and (d) distribution (in addition to through WHC), through portals that are not competitive with the WHC Health consumer portal, of online consumer access for healthcare payment and billing services referred to above in clause (a).

Marketing Agreement. The terms of this agreement, which will remain in effect for 5 years unless terminated earlier in accordance with its terms, include the following:

Emdeon's Business Services segment will market to its payer customers, for integration into their CDHP offerings, WHC's online decision-support tools that support CDHPs and HSAs, including retirement health care and HSA planners, cost estimator and expense alerts (we refer to these tools, collectively, as HSA Tools). During the term of the agreement, Emdeon has agreed not to market other services that are similar to the HSA Tools.

Emdeon will receive a commission of 10% of the net sales of HSA Tools made through Emdeon.

Joint Development Agreement. The terms of this agreement, which will remain in effect for 5 years unless terminated earlier in accordance with its terms, include the following:

Emdeon and WHC have agreed to attempt to integrate WHC's personal health record with the clinical products, including the electronic medical record, of Emdeon's Practice Services segment to allow import of data from one to the other, subject to applicable law and privacy and security requirements.

To the extent that Emdeon desires to integrate its electronic health record product with a personal health record, it has agreed to do so through WHC.

Other Business Arrangements with WHC

We have in the past, and may from time to time in the future, have small transactions with WHC or its subsidiaries not involving an ongoing contract. For example, from time to time, Emdeon has advertised some of its products and services on WHC's physician portals.

In the above table, in accordance with applicable SEC rules:

audit fees include: (a) fees billed for professional services (i) for the audit of the consolidated financial statements included in our Annual Report on Form 10-K for that fiscal year, (ii) for review of the consolidated financial statements included in our Quarterly Reports on Form 10-Q filed for that fiscal year; (b) fees billed for the audit of internal control over financial reporting and management's assessment of internal control over financial reporting; (c) fees billed for services that are normally provided by the principal accountant in connection with statutory and regulatory filings or engagements; and (d) for 2005, included fees billed for a standalone audit of WHC;

None of these services was provided pursuant to a waiver of the requirement that such services be pre-approved by the Audit Committee. The Audit Committee has determined that the provision by Ernst & Young of non-audit services to us in 2005 is compatible with Ernst & Young maintaining their independence.

Our Audit Committee has, as of the date of this Annual Report, decided to consider whether to pre-approve permissible non-audit services and fees on a case-by-case basis, rather than pursuant to a general policy, with the exception of acquisition-related due diligence engagements, which have been pre-approved by the Audit Committee and are subject to monitoring by the Chairman of the Audit Committee. To ensure prompt handling of unexpected matters, our Audit Committee has delegated to its Chairman the authority to pre-approve permissible non-audit services and fees and to amend or modify pre-approvals that have been granted by the entire Audit Committee. A report of any such actions taken by the Chairman is provided to the Audit Committee at the next Audit Committee

meeting.
