PROXY STATEMENT

April 2, 2007

INTRODUCTION

This Proxy Statement is furnished to the stockholders of Landstar System, Inc. (the "Company") in connection with the solicitation of proxies on behalf of the Board of Directors of the Company (the "Board") to be voted at the Annual Meeting of Stockholders to be held at 1000 Simpson Road, Rockford, Illinois 61102 on Thursday, May 3, 2007 at 9:00 a.m., central daylight time (the "2007 Annual Meeting"). The 2006 Annual Report to Stockholders (which does not form a part of the proxy solicitation material), including the financial statements of the Company for fiscal year 2006, is enclosed herewith. The mailing address of the principal executive offices of the Company is 13410 Sutton Park Drive South, Jacksonville, Florida 32224. This Proxy Statement, accompanying form of proxy, Notice of 2007 Annual Meeting and 2006 Annual Report are being mailed to the stockholders of the Company on or about April 2, 2007.

RECORD DATE

The Board has fixed the close of business on March 15, 2007 as the record date for the 2007 Annual Meeting. Only stockholders of record on that date will be entitled to vote at the meeting in person or by proxy.

PROXIES

Shares cannot be voted at the meeting unless the owner thereof is present in person or by proxy. The proxies named on the enclosed proxy card were appointed by the Board to vote the shares represented by the proxy card. If a stockholder does not return a signed proxy card, his or her shares cannot be voted by proxy. Stockholders are urged to mark the boxes on the proxy card to show how their shares are to be voted. All properly executed and unrevoked proxies in the accompanying form that are received in time for the meeting will be voted at the meeting or any adjournment thereof in accordance with any specification thereon, or if no specification is made, will be voted "FOR" each of the following proposals: (i) the election of the named nominees, (ii) the ratification of KPMG LLP as the independent registered public accounting firm for the Company and (iii) the approval of the Company's Executive Incentive Compensation Plan. Each of these proposals is more fully described in this Notice of 2007 Annual Meeting. The proxy card also confers discretionary authority on the proxies to vote on any other matter not presently known to management that may properly come before the 2007 Annual Meeting.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same (i) upon receipt by the Company before the proxy is voted of a duly executed proxy bearing a later date, (ii) by written notice of revocation to the Secretary of the Company received before the proxy is voted or (iii) by such person(s) voting in person at the 2007 Annual Meeting.

The Board has selected The Bank of New York as Inspectors of Election (the "Inspectors") pursuant to Article I of the Company's Bylaws, as amended and restated (the "Bylaws"). The Inspectors shall ascertain the number of shares outstanding, determine the number of shares represented at the 2007 Annual Meeting by proxy or in person and count all votes and ballots. Each stockholder shall be entitled to one vote for each share of Common Stock (as defined hereafter) and such votes may be cast either in person or by written proxy.

PROXY SOLICITATION

The cost of the preparation of proxy materials and the solicitation of proxies will be paid by the Company. The Company has engaged Georgeson Shareholder Communications, Inc. as the proxy solicitor for the meeting for a fee of approximately \$7,000 plus reasonable expenses. In addition to the use of the mails, certain directors, officers or employees of the Company may solicit proxies by telephone or personal contact. Upon request, the Company will

Table of Contents

reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

A description of the procedures as to how stockholders may send communications to the Board of Directors or individual Board members is included on the Company's website at www.landstar.com under Corporate Governance.

VOTING SECURITIES

Shares of the Company's common stock, par value \$.01 per share (the "Common Stock"), are the only class of voting securities of the Company which are outstanding. On March 15, 2007, 55,675,487 shares of Common Stock were outstanding. At the 2007 Annual Meeting, each stockholder of record at the close of business on March 15, 2007 will be entitled to one vote for each share of Common Stock owned on that date as to each matter properly presented to the 2007 Annual Meeting. The holders of a majority of the total number of the issued and outstanding shares of Common Stock shall constitute a quorum for purposes of the 2007 Annual Meeting.

PROPOSAL NUMBER ONE ELECTION OF DIRECTORS

The Board is divided into three classes (Class I, Class II and Class III), with Directors in each class serving staggered three-year terms. At each annual meeting of stockholders, the terms of Directors in one of these three classes expire. At that annual meeting of stockholders, Directors are elected in a class to succeed the Directors whose terms expire, with the terms of that class of Directors so elected to expire at the third annual meeting of stockholders thereafter. Pursuant to the Company's Bylaws, new Directors elected by the remaining Board members to fill a vacancy on the Board shall hold office for a term expiring at the annual meeting of stockholders at which the term of office of the class of which they have been elected expires and until such Director's successors shall have been duly elected and qualified. There are currently seven members of the Board of Directors. Merritt J. Mott, who has served as a member of the Board of Directors since 1994, will cease to serve as a director upon completion of his current term at the 2007 Annual Meeting of Stockholders. The Company as well as the other members of the Board have greatly appreciated Mr. Mott's service to the Company and its stockholders and wish him well in his future endeavors. As of the meeting, the size of the Board of Directors will be reduced to six members: two Class II Directors to be elected at the 2007 Annual Meeting of Stockholders (whose members' terms will expire at the 2010 Annual Meeting of Stockholders), two Class III Directors whose terms will expire at the 2008 Annual Meeting of Stockholders and two Class I Directors whose terms will expire at the 2009 Annual Meeting of Stockholders. The Board of Directors may decide to expand the size of the Board and nominate a new director or directors in the future.

The Board has nominated William S. Elston and Diana M. Murphy for election as Class II Directors. It is intended that the shares represented by the accompanying form of proxy will be voted at the 2007 Annual Meeting for the election of nominees William S. Elston and Diana M. Murphy as Class II Directors, unless the proxy specifies otherwise. Each Class II Director's term will expire at the 2010 Annual Meeting of Stockholders. Each nominee has indicated his or her willingness to serve as a member of the Board, if elected. The Board has determined that, if elected to serve another term on the Board, Mr. Elston will continue to serve as the Lead Independent Director.

If, for any reason not presently known, any of William S. Elston and Diana M. Murphy is not available for election at the time of the 2007 Annual Meeting, the shares represented by the accompanying form of proxy may be voted for the election of one or more substitute nominee(s) designated by the Board or a committee thereof, unless the proxy withholds authority to vote for such substitute nominee(s).

Assuming the presence of a quorum, to be elected, a nominee must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2007 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

THE BOARD RECOMMENDS A VOTE *FOR* THIS PROPOSAL

The Charter of the Nominating and Corporate Governance Committee was approved and adopted by the Board of Directors at the February 27, 2004 board meeting. The Charter more fully describes the purposes, membership, duties and responsibilities of the Nominating and Corporate Governance Committee. A copy of the Charter of the Nominating and Corporate Governance Committee is included on the Company's website at www.landstar.com under Corporate Governance. The Nominating and Corporate Governance Committee oversees an annual self-evaluation conducted by the Board in order to determine whether the Board and its Committees are functioning effectively. The Nominating and Corporate Governance Committee also oversees individual Director self-assessments in connection with the evaluation of such Director every three years for purposes of making a recommendation to the Board as to the persons who should be nominated for election or re-election, as the case may be, at the upcoming annual meeting of stockholders.

The Nominating and Corporate Governance Committee considers candidates for Board Membership suggested by its members and other Board members, as well as management and stockholders. There are no differences in the manner in which the Nominating and Corporate Governance Committee evaluates nominees for the Board of Directors based on whether or not the nominee is recommended by a stockholder. The Nominating and Corporate Governance Committee evaluates prospective nominees against a number of minimum standards and qualifications, including business experience and financial literacy. The Nominating and Corporate Governance Committee also considers such other factors as it deems appropriate, including the current composition of the Board, the balance of management and Independent Directors, the need for Audit Committee or other relevant expertise and the evaluations of other prospective nominees. The Committee then determines whether to interview the prospective nominees, and, if warranted, one or more of the members of the Nominating and Corporate Governance Committee, and others as appropriate, interview such prospective nominees whether in person or by telephone. After completing this evaluation

and interview, the Nominating and Corporate Governance Committee makes a recommendation to the full Board of Directors as to the persons who should be nominated by the Board of Directors. The Board of Directors then determines the nominees after considering the recommendation and report of the Nominating and Corporate Governance Committee.

With respect to Mr. Crowe, the Company's non-executive Chairman of the Board, the Company and Mr. Crowe entered into a letter agreement, dated April 27, 2004, a copy of which was attached as Exhibit 10.2 to a

Current Report on Form 8-K, filed by the Company on April 27, 2004 and which is incorporated by reference to the Company's Annual Report on Form 10-K for the year ending December 30, 2006 as Exhibit 10.16. Pursuant to this letter agreement, Mr. Crowe receives an annual base salary of \$250,000 and is entitled to continue to participate in all of the Company's employee benefit plans, programs and arrangements. This letter agreement also sets forth the terms and conditions under which Mr. Crowe continues to provide the Company services in addition to those performed by other Directors.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Company's accounting functions and internal controls. The Audit Committee has the sole authority and responsibility to select, evaluate and, when appropriate, replace the Company's independent registered public accounting firm. The Audit Committee is comprised of all of the Independent Directors. The Audit Committee operates under a written charter approved by the Board of Directors.

Management is responsible for the Company's internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial

statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and to issue a report thereon. The independent registered public accounting firm is also responsible for auditing the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to monitor these processes. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to the independent registered public accounting firm's independence. The Audit Committee relies, without independent verification, on the information provided to it and on presentations and statements of fact made by management, the internal auditors and the independent registered public accounting firm.

In connection with these responsibilities, as discussed elsewhere in this Proxy, the Audit Committee held four meetings and six telephonic meetings during 2006. These meetings were designed, among other things, to facilitate

Table of Contents

and encourage communication among the Audit Committee, management, the internal auditors and the independent registered public accounting firm. The Audit Committee discussed with representatives of the independent registered public accounting firm the overall scope and plans for their audits. The Audit Committee also met with representatives of the independent registered public accounting firm, with and without management and the internal auditors present, during 2006 to discuss the December 30, 2006 financial statements and the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed the December 30, 2006 financial statements with management and reviewed and discussed the status of the Company's internal control over financial reporting with management and the internal auditors. The Audit Committee also discussed with representatives of the independent registered public accounting firm the matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees) and also received written disclosures from the independent registered public accounting firm required by the Public Company Accounting Oversight Board Interim Independence Standards Rule 3600T (Independence Discussions with Audit Committees). The Audit Committee had discussions with representatives of the independent registered public accounting firm concerning the independence of the independent registered public accounting firm under the rules and regulations governing auditor independence promulgated under the Sarbanes-Oxley Act. The Audit Committee had discussions with management and the internal auditors concerning the process used to support certifications by the Company's Chief Executive Officer and Co-Chief Financial Officers that are required by the Securities and Exchange Commission and the Sarbanes-Oxley Act to accompany the Company's periodic filings with the Securities and Exchange Commission.

The Board of Directors has determined that Mr. David Bannister, an independent director as that term is used in Item 7(d)(3)(iv) of Schedule 14A under the Exchange Act, meets the SEC criteria of an audit committee financial expert under the standards established by Item 401(h)(2) of Regulations S-K under the Securities Act. Mr. Bannister's extensive background and experience includes serving as a Managing Director of Deutsche Bank Alex Brown Incorporated, a General Partner of Grotech Capital Group, and currently as Executive Vice President and Chief Development Officer of FTI Consulting, Inc., a critical issues solutions firm listed on the New York Stock Exchange. In addition, Mr. Bannister was a certified public accountant employed as an audit manager at the firm of Deloitte, Haskins and Sells.

During 2006, the Audit Committee preapproved the continuation of all non-audit services to be rendered to the Company by the independent registered public accounting firm in 2006 (which services are disclosed elsewhere in this Proxy Statement) and concluded that these services were compatible with maintaining the independence of the registered public accounting firm.

Based upon the Audit Committee's discussions with management and the independent registered public accounting firm, and the Audit Committee's review of the representations of management and the independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company's Annual Report on Form 10-K for the year ended December 30, 2006, filed with the Securities and Exchange Commission on February 28, 2007. The Audit Committee has also selected KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending December 29, 2007 and has recommended to the Board that this selection be presented to the stockholders for ratification.

Compensation Discussion and Analysis

Overall Policy

The Company's executive compensation philosophy is designed to attract and motivate executive talent best suited to develop and implement the Company's business strategy. These objectives are attained by tying a significant portion of each executive's compensation to the Company's success in meeting specified annual corporate financial performance goals and, through the grant of stock options, to appreciation in the Company's stock price. The Company's philosophy is to recognize individual contributions while supporting a team approach in achieving overall business objectives and increasing shareholder value.

The key elements of the Company's executive compensation consist of base salary, annual incentive payments and stock options. The Company's policies with respect to each of these elements, including the basis for the compensation awarded, are discussed below.

The Company's philosophy is to pay annual compensation generally in cash, with long-term incentive compensation paid in the form of stock options. Base salary is intended to constitute a modest percentage of total compensation. The annual incentive compensation plan is designed to pay substantial compensation for superior performance. Stock options have historically accounted for a significant portion of each Executive Officer's total compensation. The Company believes this approach both rewards for performance and is generally aligned with the Company's variable cost business model. The Company awards stock options to its Executive Officers as a reward for the achievement of overall business objectives and to help align management's future interests with that of the Company's stockholders.

The Compensation Committee of the Company's Board of Directors is solely responsible for decisions regarding the compensation of the Company's Chief Executive Officer, Henry H. Gerkens, and taking into consideration recommendations of the Chief Executive Officer, is also responsible for decisions with respect to the compensation awarded to the Company's Co-Chief Financial Officer, Robert C. LaRose, formerly the Chief Financial Officer, and the other individuals whose compensation is detailed elsewhere in this Proxy Statement (collectively herein referred to as the "Named Executives"), subject to review by the entire Board of Directors of the Company.

The executive compensation program is reviewed annually by the Compensation Committee. Periodically, at the Compensation Committee's sole discretion, an independent review of the executive compensation program may be performed by outside consultants. The last such review took place during the Company's 2004 fiscal year.

Base Salaries

Base salaries for Executive Officers are initially determined by evaluating the responsibilities of the position held and the experience of the individual. Salary adjustments are determined by evaluating the performance of the Company and of each Executive Officer, and also take into account the assumption of new responsibilities. In the case of Executive Officers with responsibility for an operating subsidiary, the financial results of such operating subsidiary are also considered. The base salaries of the five Named Executives are detailed in the Summary Compensation Table that follows.

Annual Incentive Compensation

The Company's objective with respect to its Incentive Compensation Plan (the "ICP") is to encourage the Company's Executive Officers to achieve various financial goals linked to operating objectives for the Company's upcoming fiscal year. These annual goals are developed as part of the Company's budgeting process and in general are aligned with the

Company's long-term objectives with respect to earnings growth. Prior to the beginning of each annual fiscal period, the Compensation Committee reviews and approves budgeted amounts for consolidated operating income and diluted earnings per share. Once the annual budgeted goals are approved, the ICP is designed to incent management to meet and when possible to exceed their goals. An executive's incentive compensation payment continues to increase as actual results for the fiscal year exceed budgeted amounts. As further described below, actual payments under the ICP are calculated based upon how much actual results exceed budgeted amounts,

Table of Contents

using a predetermined formula, up to the maximum annual payment as per the Company's executive incentive compensation plan as approved by the Company's stockholders. For the 2006 fiscal year, the maximum annual payment was \$3 million.

The ICP targets for Messrs. Gerkens and LaRose are set to specific diluted earnings per share amounts related to the Company's annual operating budget. For the other Named Executives, Ronald Stanley, Chief Operating Officer, Larry Thomas, Chief Information Officer and Jeffrey Pundt, President of the Landstar Carrier Group, one-half of their ICP payment is based upon the Company's achievement of diluted earnings per share targets. The other half of their ICP payment is based upon the achievement of budgeted consolidated operating income. The Company has met or exceeded the budgeted amount for diluted earnings per share in five of the preceding six fiscal years. The Company has met or exceeded the budgeted amount for consolidated operating income in five of the preceding six fiscal years.

The ICP targets for Messrs. Gerkens and LaRose solely relate to budgeted diluted earnings per share whereas the ICP targets for Messrs. Stanley, Thomas and Pundt relate in part to budgeted consolidated operating income as (1) Messrs. Gerkens and LaRose are in positions of responsibility with respect to all of the components that affect the Company's diluted earnings per share amounts, (2) the Compensation Committee believes that diluted earnings per share is the primary financial measure reflecting the performance of the Company's overall strategic direction and on that basis evaluates the performance of the Company's Chief Executive Officer and Chief Financial Officer, (3) consolidated operating income reflects the performance of the functions over which each of Messrs. Stanley, Thomas and Pundt have responsibility and, as a result, achievement of budgeted consolidated operating income is considered an important component in the performance evaluation of each such Named Executive and (4) the Compensation Committee believes it is appropriate to compensate Named Executives upon achievement of Company-wide, rather than segment specific, budgeted targets in order to focus executive management on Company-wide strategic and financial performance goals.

The ICP is designed such that the amount of compensation to be paid for exceeding budgeted amounts is greater with respect to the diluted earnings per share portion as compared to the operating income portion. With respect to the portion of the ICP tied to diluted earnings per share, if the Company's actual diluted earnings per share amount for the fiscal year equals budgeted diluted earnings per share (the threshold), the incentive payment equals 50% of the executive's ICP percentage multiplied by his base salary (a 50% payout). If the Company's actual diluted earnings per share amount for the fiscal year equals budgeted diluted earnings per share after giving effect to the diluted earnings per share impact of an additional 50% payout to each executive (the target), the incentive payment equals the executive's ICP percentage multiplied by his base salary. If actual results exceed the target amount, the ICP payment is calculated by multiplying the executive's base salary by his ICP percentage multiplied by one plus a predetermined factor. For Named Executives whose ICP payment is only partially based on diluted earnings per share (Messrs. Stanley, Thomas and Pundt), the amount determined as described above is multiplied by 50% to reflect the weighting of that objective. With respect to the portion of the ICP tied to consolidated operating income, when actual consolidated operating income is equal to or greater than 90% of budgeted consolidated operating income, the executive's ICP payment is calculated pursuant to a three-step formula: (1) actual consolidated operating income is divided by budgeted consolidated income, (2) this quotient is multiplied by the product of the executive's base salary times his ICP percentage and (3) the resulting product is multiplied by 50% to reflect the weighting of that objective.

Under the Company's sales incentive plan, Mr. Pundt, as an operating division president, is eligible for an additional incentive compensation payment based upon achievement of a budgeted revenue goal.

Stock Options

Under the Company's 2002 Employee Stock Option Plan, stock options may be granted to the Company's Executive Officers and certain other key employees. The Compensation Committee determines the number of stock options to be

granted to a Named Executive based on such Named Executive's job responsibilities, the individual performance evaluation of such Named Executive and overall Company performance. Stock options are granted with an exercise price equal to the fair market value of the Common Stock on the date of grant. Grants to Named Executives made in 2006 vest in three equal annual installments commencing on the first anniversary of the date of

Table of Contents

grant. At other times, usually in connection with a promotion, Executive Officers may be granted stock options that vest 100% after a period that may range from three to five years from the date of grant. Stock options are typically granted to Named Executives once a year. The Company believes this approach to the granting of stock options is designed to encourage the creation of long-term stockholder value as no benefit can be realized from such options unless the stock price exceeds the exercise price.

Stock Ownership Guidelines

The Company believes that significant equity interests held by management helps to align the interests of stockholders and management and maximizes stockholder returns over the long term. To that end, the Compensation Committee of the Board has established stock ownership guidelines for Executive Officers of the Company that recommend designated levels of ownership of the Company's Common Stock to be achieved within certain specified time periods depending on such Executive Officer's position and salary.

Deferred Compensation

The Company maintains an Internal Revenue Service Code Section 401(k) Savings Plan (the "401(k) Plan") for all eligible employees. The Company maintains a Supplemental Executive Retirement Plan (the "SERP") for all officers, including the Named Executives, of the Company and its subsidiaries. The SERP is designed to provide officers with the option to receive the benefits—tax deferred investment of a certain percentage of the executive's salary and a Company matching contribution on a certain portion of the executive's contribution—that are offered under the Company's 401(k) Plan on the portion of the executive's salary that is not eligible to be included under the Company's 401(k) Plan, because it is above the various limitations established in the Internal Revenue Code. Except for the elimination of the maximum salary limitations, the benefits and the investment options of the SERP are the same as the 401(k) Plan. Messrs. Gerkens, LaRose and Thomas are the only Named Executives who have elected to participate in the SERP.

Key Executive Employment Protection Agreements and Other Severance Arrangements

The Board has approved the execution of Key Executive Employment Protection Agreements for each of our Executive Officers, to assure that each of these officers will have a minimum level of personal financial security in the context of a change in control transaction to avoid undue distraction due to the risks of job security, and to enable such officer to act in the best interests of stockholders without being influenced by such officer's economic interests. Each agreement provides certain severance benefits in the event of a change of control of the Company. Generally, if a covered executive's employment is terminated by the Company without cause or by the executive for good reason in either such case, in connection with or within the two-year period following a change of control or if a covered executive terminates his employment for any reason six months following the change of control, such executive will be entitled to severance benefits consisting of a lump sum cash amount equal to a multiple of the sum of (A) the executive's annual base salary and (B) the amount that would have been payable to the executive as an annual incentive compensation bonus for the year in which the change of control occurs, determined by multiplying his annual base salary by his total participant's percentage participation established for such year under the ICP (or any successor plan thereto). The applicable multiples are: three times for Mr. Gerkens, two times for Messrs. LaRose, Kneller and Gattoni, and one time for Messrs. Pundt, Stanley, Handoush and Thomas. Under his agreement, Mr. Beacom is entitled to receive one-half times his annual base salary and one times the amount that would have been payable to him as an annual incentive compensation bonus. We believe that the terms of our Key Executive Employment Protection Agreements are consistent with market practice and assist us in retaining the services of our Executive Officers. We set the severance multiples for our Executive Officers based on their position and the potential impact to their continued employment in the event of a change of control and to remain competitive within our industry. Each agreement also provides for continuation of medical benefits and for certain tax gross-ups to be made

to a covered executive in the event payments to the executive are subject to the excise tax on parachute payments imposed under Section 4999 of the Internal Revenue Code of 1986.

The Board has also approved the execution of (i) a letter agreement between the Company and Mr. Gerkens, dated July 2, 2002, a copy of which was attached as Exhibit 10.17 to the Annual Report of Form 10-K for the fiscal year ended December 28, 2002 and which is incorporated by reference to the Company's Annual Report on

Table of Contents

Form 10-K for the year ending December 30, 2006 as Exhibit 10.14 (the 2002 Gerkens Letter Agreement) and (ii) a letter agreement between the Company and Mr. Gerkens, dated April 27, 2004, a copy of which was attached as Exhibit 10.1 to a Current Report on Form 8-K, filed by the Company on April 28, 2004 and which is incorporated by reference to the Company's Annual Report on Form 10-K for the year ending December 30, 2006 as Exhibit 10.15 (the 2004 Gerkens Letter Agreement). Pursuant to the 2002 Gerkens Letter Agreement, in the event Mr. Gerkens employment is involuntarily or constructively terminated by the Company in connection with a change in control, the Compensation Committee shall exercise its discretionary authority under the applicable employee stock option plans to provide Mr. Gerkens with the right to receive a cash payment in settlement of his outstanding options granted under such plans. Pursuant to the 2004 Gerkens Letter Agreement, in the event the Company terminates Mr. Gerkens employment other than for cause or disability or Mr. Gerkens terminates his employment other than for good reason at any time that Mr. Gerkens' rights to receive severance is not governed by his Key Executive Employment Protection Agreement, the Company shall pay Mr. Gerkens a lump sum severance benefit equal to two times his annual base salary and shall provide Mr. Gerkens with continued participation in the Company's employee and executive welfare benefit plans, an entitlement to receive any vested amounts or benefits owing to him under the Company's otherwise applicable employee benefit plans and programs (including equity compensation plans) and immediate vesting of 50,000 stock options granted to Mr. Gerkens in connection with his appointment as Chief Executive Officer.

Other Benefits and Arrangements

On January 2, 2007, the Company entered into a letter agreement (the LaRose Letter Agreement) with Robert C. LaRose, its Executive Vice President and Chief Financial Officer, providing for certain changes in Mr. LaRose's title, duties and compensation as an employee of the Company. Effective as of the date of the LaRose Letter Agreement, Mr. LaRose became the Company's Executive Vice President and Co-Chief Financial Officer. Under the LaRose Letter Agreement, on June 1, 2007, Mr. LaRose is scheduled to cease to be an Executive Officer of the Company and will instead serve as Special Advisor to the President and Chief Executive Officer. The term of Mr. LaRose's employment under the LaRose Letter Agreement will expire on December 31, 2008. Under the LaRose Letter Agreement, Mr. LaRose's compensation and benefits will remain unchanged through May 31, 2007. Thereafter, his salary will be reduced to \$100,000 (on an annualized basis). Mr. LaRose will be eligible for an ICP bonus for fiscal 2007 but will not be eligible for an ICP bonus with respect to fiscal 2008. Under the LaRose Letter Agreement, Mr. LaRose's Key Executive Employment Protection Agreement, dated as of January 30, 1998, and amended as of August 7, 2002, will be terminated as of the close of business on May 31, 2007. In addition, under the LaRose Letter Agreement, certain other arrangements relating to Mr. LaRose's employment will be terminated or modified as of May 31, 2007. Under the LaRose Letter Agreement, Mr. LaRose has agreed that until the later of the date on which his service under the LaRose Letter Agreement ceases and December 31, 2008, whichever period is longer, he will work exclusively for the Company and will not enter into any employment, consulting or similar arrangement of any kind with any competitor of the Company, without the prior written consent of the President and Chief Executive Officer of the Company, which consent shall not be unreasonably withheld.

The Company provides Named Executives with certain other benefits and arrangements that the Company believes are reasonable and consistent with its overall compensation program to enable the Company to continue to attract and maintain highly qualified individuals in key positions. The Company pays the premium associated with term life insurance policies covering each of the Named Executives. The dollar value paid by the Company on behalf of each of the Named Executives with respect to these policies is included in the Summary Compensation Table below. The Board has approved and the Company has entered into indemnification agreements with each of the Named Executives providing each such Named Executive with a contractual obligation from the Company to indemnify such individual in connection with such individual's service as an employee of the Company (and in the case of Mr. Gerkens, his service as a member of the Company's Board of Directors) to the fullest extent permitted by applicable law. The Company retains discretion to provide Named Executives with the use of certain equipment in connection with their job responsibilities, including, cell phone, blackberry and other computer and communications

equipment and maintenance of hook-ups for such equipment in the Named Executive's home.

Tax Considerations

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally denies a publicly traded company a federal income tax deduction for compensation in excess of \$1 million paid to certain of its Executive Officers unless the amount of such excess is payable based solely upon the attainment of objective performance criteria. The Company has undertaken to qualify substantial components of the incentive compensation it makes available to its Executive Officers for the performance exception to non-deductibility. Stock option grants under the Company's 2002 Employee Stock Option Plan currently meet these requirements. At the 2002 Annual Meeting, the Company received stockholder approval for the executive incentive compensation plan so that any annual awards payable thereunder (subject to certain limits) would qualify for the performance exception under Section 162(m). The Company seeks re-approval of this plan at the 2007 Annual Meeting. Under the plan as presented, the maximum annual bonus payment that could be awarded would be \$3 million. For further information, see Proposal Number Three set forth in this Proxy Statement. The Company believes that tax deductibility of compensation is an important factor, but not the sole factor, to be considered in setting executive compensation policy. Accordingly, the Company generally intends to take such reasonable steps as are required to avoid the loss of a tax deduction due to Section 162(m), but the Compensation Committee reserves the right to pay amounts which are not deductible in appropriate circumstances.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's Executive Officers and Directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (SEC). Executive Officers, Directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on review of the copies of such forms furnished to the Company, or written representations that no Form 5 was required, the Company believes that during the fiscal year ended December 30, 2006, all reports required by Section 16(a) which are applicable to its Executive Officers, Directors and greater than ten percent beneficial owners were filed on a timely basis, except with respect to the following: on March 15, 2006, Mr. Mott sold 30,000 shares of the Company's common stock at prices ranging from \$46.01 to \$46.91 per share. The Form 4 reporting this transaction was filed on March 22, 2006.

PROPOSAL NUMBER TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of KPMG LLP served as the independent registered public accounting firm for the Company for the fiscal year ended December 30, 2006. In addition to retaining KPMG LLP to audit the consolidated financial statements and the internal controls over financial reporting of the Company and its subsidiaries, KPMG LLP rendered certain tax

and employee benefit audit services to the Company in fiscal year 2006 and expects to continue to do so in 2007. The aggregate fees billed for professional services by KPMG LLP in fiscal years 2006 and 2005 for services consisted of the following:

AUDIT FEES: Fees for the audits of the financial statements and internal control over financial reporting and quarterly reviews were \$934,000 for fiscal 2006 and \$870,000 for fiscal 2005.

AUDIT RELATED FEES: Fees for the audit of the Company's 401(k) plan were \$22,000 and \$18,000 for fiscal 2006 and 2005, respectively.

TAX FEES: Fees for assistance with tax compliance and tax audits were \$108,841 for fiscal 2006 and \$98,551 for fiscal 2005.

The Audit Committee has appointed KPMG LLP to continue in that capacity for fiscal year 2007, and has recommended to the Board that a resolution be presented to stockholders at the 2007 Annual Meeting to ratify that appointment. The Board has adopted such resolutions and hereby presents it to the Company's stockholders. A

representative of KPMG LLP will be present at the 2007 Annual Meeting and will have an opportunity to make a statement and respond to questions from stockholders as appropriate.

Assuming the presence of a quorum, to be approved, this proposal must receive the affirmative vote of the holders of a majority of the Common Stock, present, in person or by proxy, at the 2007 Annual Meeting. Abstentions from voting and broker non-votes will have no effect on the outcome of this proposal.

**PROPOSAL NUMBER THREE
PROPOSAL TO APPROVE THE LANDSTAR SYSTEM, INC. EXECUTIVE INCENTIVE
COMPENSATION PLAN**

INTRODUCTION

To further the policy of providing the Company's key employees the opportunity to earn competitive levels of incentive compensation based primarily on the performance of the Company, the Board adopted and the stockholders approved the Landstar System, Inc. Executive Compensation Plan (the "EICP") effective January 1, 2002. The EICP has been designed to assure that any amounts paid to Executive Officers will not fail to be deductible by the Company for federal income tax purposes because of the limitations imposed by Section 162(m) of the Internal Revenue Code of 1986, as amended ("Section 162(m)").

To continue to assure the deductibility by the Company for federal income tax purposes of certain compensation payable under the EICP and pursuant to the requirements of Section 162(m), the Board has re-adopted the EICP, effective January 1, 2007, subject to the approval of the Company's stockholders.

The proposed EICP is set forth in Exhibit A. A summary of the EICP is set forth below and is qualified in its entirety by reference to the full text of the EICP.

EXECUTIVE INCENTIVE COMPENSATION PLAN

ELIGIBILITY. The EICP authorizes the Compensation Committee of the Board or any subcommittee thereof (the "Committee") to award annual incentive compensation to officers and other key employees of the Company and its subsidiaries, including all of the Company's Executive Officers. The number of eligible participants in the EICP will vary from year to year at the discretion of the Committee. It is expected that approximately 12 employees (including all of the Company's current Executive Officers) will be eligible to receive incentive compensation under the EICP for 2007.

PERFORMANCE CRITERIA. On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee will establish performance objectives that must be attained in order for the Company to pay bonuses under the EICP. The performance objectives will be based upon one or more of the following criteria: (i) actual earnings per share on the Common Stock, (ii) budgeted earnings per share on the Common Stock, (iii) the Company's consolidated earnings before income taxes, (iv) the Company's consolidated operating income, (v) individual subsidiary operating income, (vi) total return to the Company's stockholders, assuming the reinvestment of dividends, and/or (vii) return on shareholders' equity.

PAYMENT OF ANNUAL AWARDS. If any of the performance criteria established by the Committee is satisfied, the Committee may award an annual bonus to an eligible participant in an amount equal to a maximum of \$3,000,000. The Committee has the discretion to pay amounts which are less than the maximum amount payable under the EICP

based on individual performance or such other criteria as the Committee shall deem relevant and may establish annually rules or procedures that will limit the amounts payable to each participant to a level which is below the maximum amount authorized. The Committee, in its discretion, may pay up to 50% of a bonus award in Common Stock, the number of shares of Common Stock so paid to be determined by dividing the dollar value of the portion of the award to be paid in Common Stock by the Fair Market Value (as defined in the EICP) of a share of Common Stock on the date of grant. In no event shall the aggregate market value of the Common Stock awarded under the EICP with respect to any calendar year exceed \$1,000,000. The distribution of Common Stock shall be

Table of Contents

subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award. A participant who is not an employee of the Company or one of its subsidiaries on the last day of the calendar year for which the award is payable shall receive a pro-rated award, based on the full year's performance, unless the Committee determines that the participant will not receive such an award.

Notwithstanding anything else in the EICP to the contrary, the Committee shall also have the authority, in its discretion, (i) to pay annual bonuses for any calendar year to eligible participants whose compensation is not subject to the restrictions of Section 162(m) for that calendar year and (ii) to provide for a minimum bonus amount for any calendar year in connection with the hiring of any person who is or becomes subject to the restrictions of Section 162(m).

ADMINISTRATION. The Committee, which shall at all times be comprised of at least two directors, each of whom is an outside director for purposes of Section 162(m), shall administer and interpret the EICP. In all events, the EICP shall be interpreted in a manner which is consistent with the requirements to qualify the payments made thereunder as performance based compensation under Section 162(m). Subject to the express provisions of the EICP, the Committee shall have the authority to select officers and key employees eligible to participate in the EICP, to establish the performance objectives for each calendar year, and to reduce the amount that may be paid to any participant from the maximum amount otherwise payable pursuant to the EICP. Prior to making any payment to any Executive Officer pursuant to the EICP, the Committee shall be required to certify that the performance objectives have been attained and the amount payable to such Executive Officer.

AMENDMENT AND TERMINATION. The Board or the Committee may at any time amend, terminate or suspend the EICP, except that (i) no such action shall, without the consent of such participant, adversely affect the rights of any participant with respect to any award with respect to any calendar year which already commenced and (ii) no such action shall be effective without approval by stockholders of the Company to the extent that such approval is required to continue to qualify the payments under the EICP for treatment as performance based compensation under Section 162(m). Notwithstanding anything else in the EICP to the contrary, the EICP will not be effective with respect to calendar years ending after December 31, 2011, unless otherwise extended by action of the Board.

FEDERAL INCOME TAX CONSEQUENCES. Cash payments made under the EICP will be taxable to the recipients thereof when paid and the Company will generally be entitled to a federal income tax deduction in the calendar year for which the amount is paid. Any portion of a bonus award which is to be paid in Common Stock will be taxable to the recipient in an amount equal to the fair market value of such Common Stock on the date when such Common Stock is no longer subject to any restrictions. The Company will generally be entitled to a deduction in the calendar year in which the participant recognizes such income.

NEW PLAN AWARDS. Because payment of any award will be contingent on the attainment of performance objectives established for such year by the Committee, the amounts payable to eligible participants under the EICP for any calendar year during which the EICP is in effect cannot be determined. The Company expects that in operation the EICP, as it relates to the Company's current Executive Officers, will produce results substantially similar to the predecessor plan that was adopted by stockholders in 2002. The following table presents the payments authorized under the EICP for services in 2006, based on the terms of that plan as in effect in 2006.

Name	Dollar Value (\$)
Henry H. Gerken	3,000,000
Robert C. LaRose	1,545,000

Jeffrey L. Pundt	550,000
Ronald G. Stanley	575,000
Larry S. Thomas	520,000
All Executive Officers	7,795,000

To be approved, this proposal requires the affirmative vote of the holders of a majority of the shares of Common Stock present in person or represented by proxy at the 2007 Annual Meeting and entitled to vote thereon.

Abstentions from voting on this proposal will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

**EXECUTIVE INCENTIVE COMPENSATION PLAN
(EFFECTIVE AS OF JANUARY 1, 2007)**

1. PURPOSE.

The purposes of the Plan are to enable the Company and its Subsidiaries to attract, retain, motivate and reward the best qualified executive officers and key employees by providing them with the opportunity to earn competitive compensation directly linked to the Company's performance. The Plan is designed to assure that amounts paid to certain executive officers of the Company will not fail to be deductible by the Company for Federal income tax purposes because of the limitations imposed by Section 162(m).

2. DEFINITIONS.

Unless the context requires otherwise, the following words as used in the Plan shall have the meanings ascribed to each below, it being understood that masculine, feminine and neuter pronouns are used interchangeably and that each comprehends the others.

(a) *Board* shall mean the Board of Directors of the Company.

(b) *Committee* shall mean the Compensation Committee of the Board (or such other committee of the Board that the Board shall designate from time to time) or any subcommittee thereof comprised of two or more directors each of whom is an outside director within the meaning of Section 162(m).

(f) *Fair Market Value* shall mean, on any date, the average of the bid and asked for price of a share of Common Stock as reported on the NASDAQ Global Market System (NASDAQ) (or on such other recognized market or quotation system on which the trading prices of the Common Stock are traded or quoted at the relevant time) on such date. In the event that there are no Common Stock transactions reported on NASDAQ (or such other system) on such date, Fair Market Value shall mean the closing price on the immediately preceding date on which Common Stock transactions were so reported.

Table of Contents

3. ADMINISTRATION.

The Committee shall administer and interpret the Plan, provided that, in no event, shall the Plan be interpreted in a manner which would cause any amount payable under the Plan to any Covered Employee to fail to qualify as performance-based compensation under Section 162(m). The Committee shall establish the performance objectives for any calendar year in accordance with Section 4 and certify whether such performance objectives have been obtained. Any determination made by the Committee under the Plan shall be final and conclusive. The Committee may employ such legal counsel, consultants and agents (including counsel or agents who are employees of the Company or a Subsidiary) as it may deem desirable for the administration of the Plan and may rely upon any opinion received from any such counsel or consultant or agent and any computation received from such consultant or agent. All expenses incurred in the administration of the Plan, including, without limitation, for the engagement of any counsel, consultant or agent, shall be paid by the Company. No member or former member of the Board or the Committee shall be liable for any act, omission, interpretation, construction or determination made in connection with the Plan other than as a result of such individual's willful misconduct.

4. BONUSES.

(a) *Performance Criteria.* On or before April 1 of each year (or such other date as may be required or permitted under Section 162(m)), the Committee shall establish the performance objective or objectives that must be satisfied in order for a Participant to receive a bonus for such year. Any such performance objectives will be based upon the relative or comparative achievement of one or more of the following criteria, as determined by the Committee: (i) actual earnings per share on the Common Stock; (ii) budgeted earnings per share on the Common Stock; (iii) the Company's consolidated earnings before income taxes; (iv) the Company's consolidated operating income; (v) individual Subsidiary's operating income; (vi) total return to the Company's shareholders, assuming the reinvestment of dividends; and (vii) return on shareholders equity.

(b) *Maximum Amount Payable.* If the Committee certifies in writing that any of the performance objectives established for the relevant year under Section 4(a) has been satisfied, each Participant who is employed by the Company or one of its Subsidiaries on the last day of the calendar year for which the bonus is payable shall be entitled to receive an annual bonus equal to a maximum of \$3,000,000. Unless the Committee shall otherwise determine, if a Participant's employment terminates for any reason (including, without limitation, his death, disability or retirement under the terms of any retirement plan maintained by the Company or a Subsidiary) prior to the last day of the calendar year for which the bonus is payable, such Participant shall receive an annual bonus equal to the amount the Participant would have received as an annual bonus award if such Participant had remained an employee through the end of the year multiplied by a fraction, the numerator of which is the number of days that elapsed during the calendar year in which the termination occurs prior to and including the date of the Participant's termination of employment and the denominator of which is 365.

(c) *Negative Discretion.* Notwithstanding anything else contained in Section 4(b) to the contrary, the Committee shall have the right, in its absolute discretion, (i) to reduce or eliminate the amount otherwise payable to any Participant under Section 4(b) based on individual performance or any other factors that the Committee, in its discretion, shall deem appropriate and (ii) to establish rules or procedures that have the effect of limiting the amount payable to each Participant to an amount that is less than the maximum amount otherwise authorized under Section 4(b).

(d) *Affirmative Discretion.* Notwithstanding any other provision in the Plan to the contrary, (i) the Committee shall have the right, in its discretion, to pay to any Participant who is not a Covered Employee an annual bonus for such year in an amount up to the maximum bonus payable under Section 4(b), based on individual performance or any other criteria that the Committee deems appropriate and (ii) in connection with the hiring of any person who is or

becomes a Covered Employee, the Committee may provide for a minimum bonus amount in any calendar year, regardless of whether performance objectives are attained.

(e) *Awards of Common Stock.* The Committee in its discretion may determine that up to 50% of a Participant's bonus shall be payable in Common Stock. The number of shares of Common Stock to be awarded shall be determined by dividing the dollar value of the portion of a Participant's bonus which is payable in Common Stock by the Fair Market Value of a share of Common Stock on the Grant Date, provided, however, that in no event

Table of Contents

shall the aggregate Fair Market Value of Common Stock awarded under the Plan with respect to any calendar year exceed \$1,000,000. The distribution of Common Stock shall be subject to such terms and conditions as the Committee shall determine, including such requirements as continued services for the vesting of such award.

5. PAYMENT.

Except as may be determined pursuant to the terms of Section 4(e) or as otherwise provided hereunder, payment of any bonus amount determined under Section 4 shall be made to each Participant as soon as practicable after the Committee certifies that one or more of the applicable performance objectives have been attained (or, in the case of any bonus payable under the provisions of Section 4(d), after the Committee determines the amount of any such bonus).

6. GENERAL PROVISIONS.

(a) *Effectiveness of the Plan.* Subject to the approval by the holders of the Common Stock at the 2007 Annual Meeting of Stockholders, the Plan shall be effective with respect to calendar years beginning on or after January 1, 2007 and ending on or before December 31, 2011 unless the term hereof is extended by action of the Board.

(b) *Amendment and Termination.* Notwithstanding Section 6(a), the Board or the Committee may at any time amend, suspend, discontinue or terminate the Plan; provided, however, that no such amendment, suspension, discontinuance or termination shall adversely affect the rights of any Participant in respect of any calendar year which has already commenced and no such action shall be effective without approval by the shareholders of the Company to the extent necessary to continue to qualify the amounts payable hereunder to Covered Employees as performance-based compensation under Section 162(m).

(c) *Designation of Beneficiary.* Each Participant may designate a beneficiary or beneficiaries (which beneficiary may be an entity other than a natural person) to receive any payments which may be made following the Participant's death. Such designation may be changed or canceled at any time without the consent of any such beneficiary. Any such designation, change or cancellation must be made in a form approved by the Committee and shall not be effective until received by the Committee. If no beneficiary has been named, or the designated beneficiary or beneficiaries shall have predeceased the Participant, the beneficiary shall be the Participant's spouse or, if no spouse survives the Participant, the Participant's estate. If a Participant designates more than one beneficiary, the rights of such beneficiaries shall be payable in equal shares, unless the Participant has designated otherwise.

(d) *No Right of Continued Employment.* Nothing in this Plan shall be construed as conferring upon any Participant any right to continue in the employment of the Company or any of its Subsidiaries.

(e) *No Limitation on Corporate Actions.* Nothing contained in the Plan shall be construed to prevent the Company or any Subsidiary from taking any corporate action which is deemed by it to be appropriate or in its best interest, whether or not such action would have an adverse effect on any awards made under the Plan. No employee, beneficiary or other person shall have any claim against the Company or any Subsidiary as a result of any such action.

(f) *Nonalienation of Benefits.* Except as expressly provided herein, no Participant or beneficiary shall have the power or right to transfer, anticipate, or otherwise encumber the Participant's interest under the Plan. The Company's obligations under this Plan are not assignable or transferable except to (i) a corporation which acquires all or substantially all of the Company's assets or (ii) any corporation into which the Company may be merged or consolidated. The provisions of the Plan shall inure to the benefit of each Participant and the Participant's beneficiaries, heirs, executors, administrators or successors in interest.

Table of Contents

(g) *Withholding.* Any amount payable to a Participant or a beneficiary under this Plan shall be subject to any applicable federal, state and local income and employment taxes and any other amounts that the Company or a Subsidiary is required at law to deduct and withhold from such payment.

(h) *Severability.* If any provision of this Plan is held unenforceable, the remainder of the Plan shall continue in full force and effect without regard to such unenforceable provision and shall be applied as though the unenforceable provision were not contained in the Plan.

(i) *Governing Law.* The Plan shall be construed in accordance with and governed by the laws of the State of Delaware, without reference to the principles of conflict of laws.

(j) *Headings.* Headings are inserted in this Plan for convenience of reference only and are to be ignored in a construction of the provisions of the Plan.
