Item 1. Security and Issuer

The class of securities to which this Statement relates is the common stock (the **Common Stock**) of Lifen, Inc., a Delaware corporation, (the **Corporation**) whose principal executive offices are at 98 Main Street, #416, Tiburon, CA 94920.

Item 2. Identity and Background

This statement on Schedule 13D is filed by Sandra J. Durham (the **Reporting Person**) whose address is 98 Main Street, # 416, Tiburon, CA 94920. The Reporting Person holds the 980,000 shares of Common Stock for which this Schedule 13D is filed with her spouse as community property. The Reporting Person does not affirm the existence of a **group** by, between or among any of herself, her spouse or Paine Webber as custodian for the IRA FBO James D. Durham (of which her spouse is the beneficiary). The Reporting Person is currently self-employed. During the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors). During the last five years the Reporting Person was not a party to a civil proceeding of a judicial or administrative body of competent jurisdiction as a result of which she was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws. The Reporting Person is a United States citizen.

Item 3. Source and Amount of Funds or Other Consideration

The \$49,000 used to purchase the 980,000 shares of Common Stock of the Corporation came from the personal savings of the Reporting Person's spouse. The Reporting Person does not beneficially own any other securities of the Corporation.

Item 4. Purpose of Transaction

The acquisition of the Corporation's securities was made for investment.

Pursuant to the Common Stock Purchase Agreement by which the Reporting Person acquired her interest in the Common Stock of the Corporation (the **Agreement**), certain stockholders of the Corporation (including the Reporting Person's spouse) have the right to acquire additional shares of Common Stock of the Corporation in the event the Corporation issues (or may issue) shares of Common Stock in business combinations.

In connection with the Agreement, the Corporation changed its business direction and intends to devote its efforts to providing professional services and expertise in health disciplines that are highly skilled and in short supply. The Corporation intends to initially focus on temporary staffing services for allied healthcare workers and professional billing services for physicians and hospitals. It will do so by primarily providing a structure to consolidate existing small companies that offer such services but are limited in their ability to grow, attract capital and acquire technology. The Corporation intends to provide a platform for select companies to consolidate and create sufficient critical mass to provide access to capital and professional management, build a common technology backbone, open new markets, and reinvest in professional staff to create a larger revenue opportunity. It intends to do so initially through

acquisitions and then integration using technology for expense and operating synergy. Such acquisitions may involve the issuance of securities of the Corporation.

In connection with the sale of Common Stock pursuant to the Agreement, the Company amended and restated its certificate of incorporation and bylaws to reclassify the Corporation's board of directors into three classes of directors, with the first such class holding office until the first annual meeting of stockholders; the second class holding office until the second annual meeting of stockholders; and the third class holding office until the third annual meeting of stockholders. Each class of directors will be elected for a three-year term. The Company also increased the authorized number of shares of its Common Stock and Preferred Stock. In addition, the prior management and board of directors of the Company resigned and new officers and directors were appointed.

Item 5. Interest in Securities of the Issuer

The Reporting Person beneficially owns 980,000 shares of Common Stock of the Corporation, representing 9.8% of the outstanding Common Stock of the Corporation. The Reporting Person's spouse has the right to acquire a currently undeterminable number of shares of Common Stock of the Corporation pursuant to the Agreement (and in the event the Reporting Person's spouse does acquire additional shares of Common Stock of the Corporation, the Reporting Person will acquire, through her community property interest, shared power to vote (or to direct the vote) and shared power to dispose (or to direct the disposition) of such additional shares of Common Stock). The Reporting Person has shared power to vote (or to direct the vote) and shared power to dispose (or to direct the disposition) of the 980,000 shares of Common Stock she holds with her spouse (James D. Durham) as community property.

Mr. Durham's address is 98 Main Street, # 416, Tiburon, CA 94920.
