Section 1 Registrant's Business and Operations

Item 1.01 Entry Into Material Definitive Agreements

On December 17, 2007, the Compensation Committee of the Board of Directors of Registrant approved the grant of non-qualified stock options under the Corporation's 1998 Long Term Incentive Plan to David G. Mazzella, President and Chief Executive Officer.

Mr. Mazzella was awarded options to purchase 100,000 shares of the Registrant's Common Stock. The options granted to Mr. Mazzella were granted pursuant to the Employment Agreement, dated March 28, 2005, by and between the Registrant and David G. Mazzella (the "Employment Agreement"). Pursuant to the terms of the Employment Agreement, in the event any options previously issued to Mr. Mazzella expire during the term of his employment without being exercised, the Registrant is obligated to issue to Mr. Mazzella an identical number of new options at the fair market value on the date of grant.

Options granted to Mr. Mazzella on December 16, 1997 to purchase 100,000 shares of the Registrant's Common Stock expired on December 15, 2007 without exercise. As a result, the Registrant granted options to Mr. Mazzella to purchase 100,000 shares of the Registrant's Common Stock, which options are exercisable at the fair market value of such stock on the date of grant; are immediately exercisable; are for a term of ten (10) years without regard to any intervening retirement or other termination of employment by Mr. Mazzella; and are otherwise subject to all other customary terms and conditions for employee stock options.
